Letter from the Home Builders Association

Welcome everyone to the 2019 Home Builders Association of Central Michigan Home Show. We would like to thank our fine sponsors: Platinum Level: Isabella Bank and DTE Energy, and our Gold level sponsors: Dewitt Lumber Company and Mr. Electric for all their support in making this one of the greatest Home Shows in the area.

As one of the largest Shows in the state, we encourage you to take your time and visit all the booths filled with the finest builders along with the latest in building products and services available to you in today's market.

Speaking of highlights, how would you like to win a beautiful overhead door for your garage? Well, at this year's home show you'll have that chance as Johnson Door & Central Vac Systems has donated a garage door for our big giveaway. You must drop your ballot off at the show in order to win so don't hesitate and show up for your chance to win.

We will again be featuring our lifestyle and leisure theme with many exhibitors showcasing outdoor products that make your living lifestyle a whole lot easier. We also will be featuring some of the latest cars, trucks and SUVs available from our local Automotive dealerships. Remember our exhibitors are prepared to answer all questions so, take time and visit each and every one of them.

Along with our numerous giveaways we will again have our punch card play underway giving you yet again another chance to win thousands of dollars in prizes throughout the show so, please be sure to stop at all of the participating booths and have your card punched. Don't worry if you need a little rest as you visit booths as the Optimist club will be serving concessions for a quick snack or complete meal.

Also, be sure to stop by and visit our Home Builders Association Membership booth and our Ask the Builders booth which gives us the opportunity to inform and educate the community in what the Home Builders Association of Central Michigan is all about. Here's your chance to bring plans and visit with builders, remodelers and industry experts and ask questions about any upcoming building, renovation or remodel project you may have; they will be sure to assist you in any way they can.

I hope to see you all at this year's Home Show as we once again feature another Television celebrity. Vern Yip from TLC's Trading Spaces and HGTV's Design Star Challenge who will be here on Saturday at noon on stage and again at 2pm.

So, be sure to put on those comfortable walking shoes, take notes, collect valuable information and prepare yourself as our exhibitors assist you in turning your exciting home projects into reality.

As the Chairman of the show, I would like to personally thank you for attending the 2019 Home Builders Association of Central Michigan Home Show.

Sincerely,
Dan Rau
2019 HBA of Central Michigan Home Show Chairman.

* Hearing tests and Video Otoscope inspections are always free. A hearing test is an audiometric test to determine proper amplification needs only. These are not medical exams or diagnosis, nor are they intended to replace a physician's care. If you suspect a medical problem, please seek treatment from your doctor. **Studies conducted at the University of Northern Colorado (2014) and Oldenburg Horzentrum (2013) showed that Speech Reception Thresholds (SRT) in cocktail-party situations improved up to 2.9 dB for wearers with mild to moderate hearing loss using GENIUS with Directional Focus, compared to people with normal hearing. This corresponds to over 25% improvement in speech understanding. ^Risk Free Trial is an in office demonstration. Hearing aids do not restore natural hearing, individual experiences vary depending on severity of hearing loss, accuracy of evaluation, proper fit and ability to adapt to amplification.
