LRH Recognized as a 2019 Top 100 Rural and Community Hospital

Lakes Regional Healthcare has been named one of the Top 100 Rural & Community Hospitals in the United States by The Chartis Center for Rural Health. Regarded as one of the industry's most significant designations of performance excellence, the annual Top 100 Rural & Community Hospitals award is based upon the results of the Hospital Strength INDEX® from iVantage Health Analytics.

Lakes Regional Healthcare President and CEO Jason Harrington is humbled by the recognition, saying, "We take our commitment to improving the health and well-being of our patients very seriously. We are extremely fortunate to have a very dedicated and professional healthcare team that does their best every day to deliver the highest levels of patient care. This recognition affirms the great work they do every day and I'm proud of all of them. Lakes Regional Healthcare is one of four Iowa hospitals who were recognized, which speaks well of the strong healthcare delivery system in Iowa."

Hospitals recognized as a Top 100 facility scored in the top 100 among all rural and community hospitals nationally. Now in its ninth year, the INDEX leverages 50 rural-relevant indicators across eight pillars of hospital strength (i.e. Inpatient Market Share, Outpatient Market Share, Cost, Charge, Quality, Outcomes, Patient Perspective, and Financial Stability) to determine an overall score for each hospital. Each of the INDEX's 50 indicators is culled from publicly-available data sources.

"In an era of increased complexity and uncertainty, Top 100 hospitals have established themselves as a bellwether for rural provider performance," said Michael Topchik, National Leader of The Chartis Center for Rural Health. "Top 100 status is a real indicator of how proactive these hospitals are when it comes to pushing for performance improvement in areas such as quality, outcomes, patient safety, market share, and finance."

The Opry All-Star Band that has been featured in dozens of fund-raisers in recent years, will be just one of the groups performing Wednesday night, March 13th, at the Elks Club in Estherville, in a fundraiser for Mel Kimblad, who is undergoing more chemotherapy for a recurrence of cancer. Several other groups and individuals are also expected to participate in an evening that will include a lot of music, food, beverages and a silent auction.

OHS Jazz Band to IJC!

Someday we'll figure out how we've been burned by the Internet not just once, but twice in less than a month. Even though the Okoboji High School Evening of Jazz Concert remained posted in two places on the Okoboji schools calendar Friday night, the event had apparently been canceled several weeks earlier. That's the bad news

The good news is that — weather permitting — The OHS Jazz Band has a berth at the *Iowa Jazz Championships* in Ames, on Tuesday, April 2nd. That comes following several top-notch performances in recent weeks. The band placed third in competition with 13 other Class 2A bands at the Tallcorn Jazz Festival in Cedar Falls; and gained the IJC berth four days later by besting the competition at the District Jazz Festival in Le Mars. Then, last Tuesday, they took the top spot, in Class 2A, at the Lewis & Clark Festival in Sioux City.

Congrats to director Ryan Middleton and each of the band members for the effort put forth. We wish them all well in Ames, and also next Tuesday when we'll see the band head north to Vermillion, South Dakota, for the Coyote Jazz Festival..

At Spirit Lake High School, The Music Factory won the Class 3A competition and placed second overall, behind only Des Moines Dowling, at the Emmetsburg Extravaganza, Saturday. The junior varsity Sonic Boom won the prep division. And the middle school's Spirit Rising placed second on Friday night.

LRH Foundation Offering Up To Six Scholarships to Students

Lakes Regional Healthcare Foundation (LRHF) is now providing scholarships to area high school and college students as a result of gifts received from area businesses and residents, and from funds recently raised at their annual Grape Escape event.

Up to four \$500 scholarships will be awarded to high school seniors in Dickinson County (Graettinger-Terril, Lake Park, Okoboji, and Spirit Lake) that have an average GPA of 3.0 or above and are pursuing further education in health careers. There will be up to one scholarship awarded per school dependent on applicants.

Up to two \$1,000 scholarships will be awarded to undergraduate students in their third or fourth year of college or in an advanced degree program (ie Radiology Technologist, Surgical Technician) pursuing further education in health careers that are also residents of Dickinson County. Applicants must have an average GPA of 3.0 or above, maintain a course load of 12 credits or more, and be pursuing a degree in the health care field.

LRHF is also providing up to two \$1,500 scholarships to Lakes Regional Healthcare employees that are pursuing advanced education in health careers. "We do a lot to support area students and our own staff in pursuing and furthering a career in healthcare, and these scholarships are one way to do that. For example, we host J-Term students from area high schools here every January, we have a Summer Junior Volunteer Program, and we provide education within the school settings," said LRHF Executive Director Sonja Hamm. "We want people to pursue healthcare as a career because it is always growing and there are endless opportunities, and we want our staff to enjoy what they do and help them advance within our organization. In the end, everything we do benefits not only those individuals, but also our patients and community."

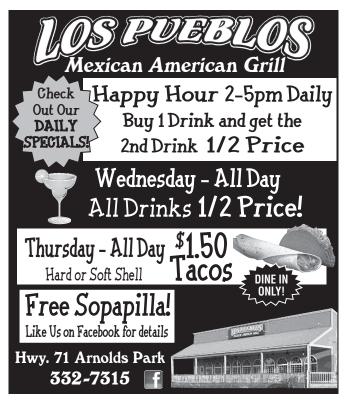

Applications are due April 1, by 12:00 noon, and can be found online at www.lakeshealth.org and by emailing sonja.hamm@ lakeshealth.org. Applications will be reviewed and recipients will be selected by the LRHF Board of Directors. The scholarships will be awarded in May 2019. The scholarship funds will be paid during the month of August 2019 and will be paid directly to the college upon receiving a confirmation of enrollment for the fall 2019 semester. Those with questions can contact Hamm at sonja.hamm@lakeshealth.org or 712-336-8791.

Our friend Stagerat Stan properly notes that music mom and school board member Kerri McKim is credited with the best comment of the week. Following two weather-related cancellations, and not being able to compete in its own festival, two weekends ago, McKim was quick to point out that while most competitive seasons last more than a month, all the competition

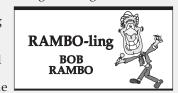

for the Spirit Lake vocalists is coming in just over a week - from last Saturday only to next Saturday - as this weekend is the final competition for the high school groups at Westwood - Sloan...

The Itty-Bitty-Boji Band will be on stage at Table 316, Wednesday night, from 6 - 8:00, while The Lake Patrol will appear on the same stage at the same time next Wednesday night...

Jackson's Center for the Arts will be presenting Nashville songwriters Lynn Langham and Doug Gill, Friday night. Langham is a Grammy Award winner. And Gill is a nominee for a song recently recorded by Don Williams and Allison Kraus. Their performance begins at 7:30. Doors will open at 7:00... And Scott Larsen will be appearing on the stage in the barn at the Little Swan Lake Winery, Sunday afternoon, from 4- 6:00 — the same stage where Dave Rowley will be doing a solo act the following week...

After too long a winter, research director RD says it's time to shed more daylight on the landscape as Daylight Savings Time begins this weekend. Until then, RD is having a problem where she, "Can't get enough of that

Sugar Crisp," to celebrate Thursday being Cereal Day. The Sugar Crisp line comes from a song sung by the advertising cartoon mascot Sugar Bear, about the Post cereal he loved. Sugar Bear was created in the 1940s by General Foods ad man and graphic designer Robert Irwin. The bear with the easygoing Bing Crosby persona always wore a blue

turtleneck sweater with his name on the front as he crooned his cereal's praises to the tune of the familiar spiritual, Joshua Fit The Battle Of Jericho. Interestingly, Bing Crosby included Joshua... on his 1961 children's album.

Thursday is also the anniversary of the day in 1959 that the Jule Styne, Betty Comden, Adolph Green musical, Bells Are Ringing, closed after 925 performances. Just in Time, is one of the best-known songs from that production, and has been recorded by many artists through the years. Some of the best 21st century versions include a duet by Tony Bennett and Michael Bublé, Beegie Adair's instrumental on Swingin' With Sinatra, and the toe-tapper, I Thought About You: A Tribute To Chet Baker – the twenty-second studio album by Brazilian jazz pianist and singer Eliane Elias.

John 'Wes' Montgomery was born on March 8, 1923, in Indianapolis. The jazz guitarist utilized an unusual technique where he plucked the strings with the side of his thumb – something that gave him a distinctive sound. One of his most unusual albums, Fusion, was released in 1963, showcasing more ballads than jazz. Selections included Prelude to a Kiss, All The Way, and Baubles, Bangles, and Beads.

Dorothy Jacqueline Keely, a jazz and pop music singer better known as Keely Smith, was born on March 9, 1928. She performed and recorded extensively in the 1950s with then-husband Louis Prima, and later as a solo artist. One of her most popular solo releases was 1964's *The Intimate Keely Smith*, on Frank Sinatra's Reprise label. It included classic love songs like *It Had To Be You, You'll Never Know,* and *Time After Time,* written by Sammy Cahn and Jule Styne nearly two decades earlier.

As noted above, Daylight Savings Time begins on Sunday. And as Frank Sinatra used to say, it will happen, *In the Wee, Small Hours of the Morning*. That was the title of a song from one of Old Blue Eyes' top-selling albums, which was arranged and conducted by Nelson Riddle in 1955. The critically acclaimed LP also includes Harold Arlen and Yip Harburg's

Last Night When We Were Young, and Deep in a Dream, which was penned by Eddie Delange and Jimmy Van Heusen. The title track, was also used by Wes Montgomery, as the title track for his 1967 album on Riverside Records.

With all this discussion about time, be sure to turn your clocks *ahead* one hour when you go to bed Saturday night - or early Sunday Morning...

ILCC to Host 1st Annual Health Care Exploration Day

Iowa Lakes Community College will host the 1st Annual Health Care Exploration Day on Friday, March 9, at 9:00am, on the Emmetsburg Campus. This year's event will feature a variety of hands-on learning activities and keynote speaker, Brett Antczak, who will present on the outlook of healthcare careers. There will also be a healthcare job fair held from 11:45 to 12:45, in the Smith Wellness Center. This event is open to area high school students and was chosen as a way for Iowa Lakes to provide students with the opportunity to gain an in-depth understanding of various medical professions.

"This event will allow us to expose our area youth to health care professions and to show students that they have so many opportunities to achieve their educational goals right here," Autumn Larsen.

According to the United States Department of Labor and the Bureau of Labor Statistics, the employment of healthcare occupations is projected to grow 18 percent from 2016 to 2026. This growth projection shows that the demand for healthcare professionals is increasing at a much faster rate than any other occupational group. This increase would equate to a need for an additional 2.4 million new health care professionals to enter the workforce.

"Much of the projected growth is mainly due to an aging population and a great demand for healthcare services," said Autumn Larsen.

Students attending this year's event will also have the opportunity to participate in a "Stop the Bleed" training session. This session is scheduled to take place from 12:45pm to 2:00pm and has been developed as a way to educate and empower the general public on basic techniques for bleeding control.

For more information about the 1st Annual Health Care Exploration day, please contact Autumn Larsen, at 712-362-6838, or Kendra Hough at 712-852-5246.

enten Ecumenical Services

A tradition that started in 1978 will celebrate its 41st season this year when seven lakes region churches highlight the 2019 Lenten season with nondenominational Lenten ecumenical services on Friday mornings in February and March.

A different church in the Milford and Arnolds Park area will be hosting the service each week. Open to all women and men, the services will begin at 9:30am, followed by coffee and refreshments. No baby-sitting service will be available.

- The following churches will be hosting the services:
- Friday, March 8: Calvary United Methodist, Arnolds Park. • Friday, March 15: Light of the Lakes, Arnolds Park
- Friday, March 22: Saint Joseph Catholic Church, Milford
- Theme: "Cooking with God 101" Fri., March 29: First Lutheran Church, West Okoboji
- Fri., April 5: Harbor of Joy, Milford

"We are excited that the long standing tradition of ecumenical services in the lakes area will continue. It's amazing that a community event that started in 1978 is still strong today. Committee members find a special bond working with other churches in the community in the planing of the services. Those that attend often get reacquainted with community members they haven't seen for awhile," said Committee Member Sharon Mayer, of St. Joseph Catholic Church.

The local churches have been sponsoring nondenominational ecumenical services since 1978. In case of inclement weather, a cancellation notice will be aired on local radio stations. Residents are urged to clip and save this schedule for future reference.

Faith Community Church Presents "I Can Only Imagine"

It's the song that brings ultimate hope to so many - often in the midst of life's most challenging moments. Amazingly, the

song was written in mere minutes by MercyMe lead singer Bart Millard. In reality, those lyrics took a lifetime to craft.

Although he found faith at a young age, life wasn't easy for Bart. He leaned into an active imagination and his love of music as escapes from a troubled home life. As he grew older, Bart turned to football in hopes of somehow connecting with his abusive father. But a career-ending injury - combined with the vision of a teacher who saw unlimited potential - set Bart on a musical pathway.

Chasing a dream while running from broken relationships with his father and Shannon, his childhood sweetheart, Bart hits the road in an old, decrepit tour bus with his new band MercyMe - named for his grandmother's favorite expression. With the guidance of a grizzled music-industry insider, the band begins a journey none of them could ever have imagined.

Directed by the Erwin Brothers (October Baby, Moms' Night Out, and Woodlawn), I CAN ONLY IMAGINE stars J. Michael Finley, Madeline Carroll, Trace Adkins, Priscilla Shirer, with Cloris Leachman and Dennis Quaid.

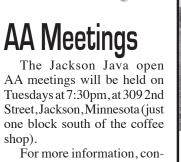

A gripping reminder of the power of forgiveness, I CAN ONLY IMAGINE beautifully illustrates that no one is ever too

Hawn Earns Uniform to Uniform Patch

Cadette Girl Scout, Sophia Hawn, from Troop 10157 held a cookie booth at ReNew Reclaimed Building Materials in Spirit Lake. She also earned her Uniform to Uniform fun patch by inviting local officers to her booth and presenting them with a Thank You for their hard work. She said it was her most fun booth yet. Thank you to ReNew for supporting scouts in many ways and a fun place to have a cookie booth and to the officers who took the time to stop by, you really made our day!

The Milford Kiwanis Club welcomes any and all visitors,

and they were really pleased earlier this winter to welcome a group of Dickinson County 4-H kids who explained the require-

ments and benefits of the "Dog Obedience Program." As an added treat, they also brought one of the local dogs who participates in this program. Pictured are Maggie Bergeson, Kim Bergeson, Liam Knudtson and Aubry Knudtson. At Aubry's feet is "Pippah", a rescue

dog adopted by the Knudtson family. While Pippah's pedigree cannot be authenticated, it is believed she is a Border Collie / Papillon mix. As the kids explained to the group, this program is appealing to many of the youth in our communities. Even if a 4-H member lives in town, he or she can use the family's pet dog, or perhaps a dog belonging to a neighbor or grandparent for obedience training. This allows them the benefit of participating in an animal program without living in the country with separate buildings and accommodations for livestock. The kids pictured are only a sample of the approximately 10-12 students who enroll in this program annually. The program allows the students to practice and fine-tune showmanship skills and really helps dogs to become more obedient. The participants have been telling other groups and organizations about this program,

Teddy Bears for Patients

Lakes Regional Healthcare volunteer, Marjorie Roelofsen, is chairperson for the making of Teddy bears to be handed out to children who come to the hospital to see a doctor, get shots, etc. Marjorie has been sewing these bears for 3 years. She has made over 2,000 bears with the help of Leah Streeter, Gladys Saur, Phyllis Johnson and her husband, and Peggy Schoeveneman.

There are 8 steps to making one bear, taking about 30 minutes to complete one. Gladys Saur has stuffed over 1,600 of these bears. Marjorie would appreciate any donations of material (flannel

or fleece) or fiber fill for making these bears. Supplies can be taken to LRH registration desks. They will see that donations get to the volunteer office.

NWI Habitat for Humanity **Begins Family Search**

Habitat builds simple, decent, affordable homes for people who meet the criteria. This year they have a unique opportunity to put a family in a home that they already have. A home was donated last year to their affiliate and they, NWIC Habitat for Humanity, are currently looking for a partner family in Dickinson County for this year for this home. They would like to identify this family within the next month, so time is of the essence. Groundbreaking cannot take place until they have a family that is willing to help "ready" their new home. They have the lot and the house, they need a family.

On Saturday, March 9, from 1:00 to 3:00pm they will have an informational meeting to explain how a family partnership with Habitat works. This meeting will be held at the Arnolds Park City Hall meeting room. They'll explain the mortgage and the "sweat equity" and take questions that may be asked. As a way to begin the information phase, they ask that the partner family complete 350 hours of "sweat equity" helping with their home, this is a basic tenet of Habitat for Humanity. They will also repay the no-profit mortgage over a period of approximately 20 years, illustrating Habitat for Humanity's objective to give families a "hand up" rather than a "hand out." Applications will be on hand at the meeting, they may be found online through the Habitat for Humanity website, at local libraries, or by contacting the Board by phoning 712-336-4700 or by mail PO Box 754, Spirit Lake, IA 51360. For general Habitat questions visit www.habitat.org. Their affiliate can also be found on Facebook under NW Iowa Corridor Habitat for Humanity.

Habitat for Humanity International is an ecumenical Christian ministry that welcomes to its work, all people dedicated to the cause of eliminating poverty housing. Since its founding in 1976, Habitat has built homes worldwide, providing simple, decent and affordable shelter for more than 13.2 million people.

Your local Habitat affiliate, with the help of many volunteers, has refurbished homes in Fostoria, and built homes in Spencer, Milford, Everly and Lake Park. It is our plan to continue to alternate between the two counties of Clay and Dickinson.

which garners additional interest for this venture.

As you can see, there's never a dull moment at a local Kiwanis meeting. Please feel free to join them at the Milford Community Center, west side, for breakfast. Their meetings, held on Tuesday mornings, begin promptly at 7:00am and are finished by 8:00am, with those in attendance able to leave when necessary to travel to their worksite, for appointments, etc. They look forward to seeing you there!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper. Letter to the Editor:

At the risk of being considered a "one trick pony", Robert S. (LNS letter to the editor, 2/19 edition) continues to demonstrate he just may be one. Perhaps it is a form of self therapy by virtue of which he feels he's making a contribution to society. I'm more inclined to believe that anything MAGA simply makes his blood boil. The reader is subjected to one statistic after another citing how many people die violent deaths yearly in this country. It is a tragedy for the victims and their families, to be sure, but it is also the price of living in a republic. We have laws, and people choose to break them. Enforcing our laws is a much more effective strategy than opening the door and allowing illegal entry to all.

As for denigrating the building of a southern border barrier that actually keeps folks from walking into the U.S.A. minus a vetting process, say/carp all you want, Bob, numbers of illegals may be down of late simply because of the fear of actual consequences. Bob, I bet even you could enter illegally at the southern border with very little difficulty. In my book, it is enough of an emergency to warrant preemptive action. People seeking work visas, si! Wanting to sneak in, disobey the law, or traffic in humans, no! And if you think this isn't happening daily, you're more deluded than I give you credit for being.

Summer Camp Registration to Open Soon at Lakeside Lab

Iowa Lakeside Laboratory is pleased to announce summer camp registration will open soon with new offerings and expanded camp scholarship opportunities. From pre-K camps to high school college prep courses, Lakeside

Lab has developmentally appropriate programs for each age level. As a biological field station with 147 acres of prairie, lake-shore and woodland habitats, Lakeside provides an ideal setting for students to enjoy and immerse themselves in outdoor learning. Lakeside camps are designed to encourage a healthy, respectful and life long rela-

tionship between students and the natural world, while nurturing every student's inborn curiosity about the environment they live in. From mucking

in wetlands to catching frogs, to learning how to use scientific equipment to measure environmental parameters, each camp uses appropriate outdoor explorations designed to develop student's intellectual, physical and emotional skills, including STEM preparedness. Camps also incorporate outdoor recreation, creative writing and artistic expression.

Pending age level, camps meet half to all day for three consecutive days or a full week. Topics explored include habitats, plants, animal behavior, ecology, water quality, watershed science and more. New offerings in 2019 include Emerging Nature Scientists, a camp designed for students to develop their own summer research projects, and Watershed Wonders, a middle school camp that combines science with sailing and camping in partnership with Okoboji Sailing Center. No prior sailing experience is necessary.

High school students are invited to earn up to two college credits at a reduced cost while studying one of the world's most fascinating groups of organisms: diatoms. Diatoms are a special group of algae that have intricate glass cell walls, are important as food for fish, and produce much of the oxygen we breathe.

Online registration will open Monday, March 11, at 10:00am. To register, visit www.iowalakesidelab.org. Camp scholarships are available, thanks to the Patrice and Rita Leary Foundation and Winter Games fundraiser, on a first come, first serve basis. For information on camp scholarships, contact Jane Shuttleworth at 712-337-3669 Ext 7.

SLHS STUDENT OF SERVICE - Emily Werner was chosen as the SLHS Student of Service for February. Emily has been actively involved with Key Club for the past three years; how-

ever, she really started to get into it her junior and senior year. She loves volunteering and seeing the smiles it brings to those she helps. Some of her favorite activities have been the C.A.R.E.S Carnival, Trick-or-Treat for Unicef, Acceptance For All, the holiday dinners at Welcov, and filling backpacks for the Backpack program. Other things that she has done include bleacher creatures after every football game, middle school PIE fundraisers, providing bake sale

items for fundraisers, Kiwanis Christmas Party, and many more. She was happy to become a member of the leadership team this year and take on more responsibility with service projects and activities. This fall Emily will be attending ISU and studying interior design. She is very excited for her years ahead and will continue to use the valuable skills that she has learned through Key Club for the rest of her life.
