## Strange BUT TRUE

By Samantha Weaver

\* It is still not known who made the following sage observation: "The difference between 'involvement' and 'commitment' is like an eggs-and-ham breakfast: The chicken was 'involved'; the pig was 'committed.'"

\* Those who study such things say that if you were (for reasons unspecified) to eat the liver of a polar bear, you'd die. The amount of vitamin A stored in that organ constitutes a fatal dose for humans.

\* You might be surprised to learn that high-quality opals can be more valuable than diamonds.

\* John Tyler, born March 29, 1790, was the 10th president of the United States. He was married twice and had a total of 15 children. These children, collectively, were witness to a surprisingly large swath of American history. The oldest, Mary Tyler Jones, was born in 1815, the year that saw the end of the War of 1812; the youngest, Pearl Tyler Ellis, survived until 1947, two years after the end of World War II.

\* The next time you're planning a trip to Indiana, keep in mind that in that state it is illegal to talk behind a person's back or engage in "spiteful gossiping."

\* In 1915, the average annual income for a family in the United States was \$687, the equivalent of \$17,088 today.

\* In 1889, a magazine called The Literary Digest made the following prediction: "The ordinary 'horseless carriage' is at present a luxury for the wealthy, and although its price will probably fall in the future, it will never, of course, come into as common use as the bicycle."

\* Squirrels are wonderful foresters. Every year, thousands of trees grow from caches of nuts and acorns that squirrels forgot about.

\* Worried about pesticides in your diet? Try mangos, one of the fruits least likely to have pesticide residues.

\* It can be a snap to remove burned-on food from the bottom of a pot or a frying pan. All you have to do is sprinkle in some baking soda and add hot water. Let the mixture sit overnight. In the morning, add a dash more baking soda and scrub the residue away.

\* Got dirty floors? Make sure you aren't throwing good effort into a dirty mop. You need a second bucket filled with rinse water, then follow this pattern: Clean mop in water with cleaner, mop a section of floor, rinse mop in plain water, go back over that section, rinse mop again. Repeat.

\* "I like strong tea with no milk. My husband drinks black coffee. The coffeemaker and our mugs get stained over time. About monthly, I 'brew' a pot of hot water, but I put a dishwasher 'pac' in the carafe. The hot water dissolves the cleaner, making the coffee carafe easy to clean. Then I use the detergent water to clean all the mugs. It works like magic." -- T.L. in Missouri

\* In time for tax season: Don't overlook the value of opening and contributing to an individual retirement account to reduce your tax bill. Contributions need not always be made by Dec. 31 to count; it's possible to open an account as late as tax-filing day on April 15, and it can still count against your 2018 taxes.

\* To check for toilet leaks, add a few drops of food coloring to the toilet tank. If, without flushing, you see the bowl water start to change color, you know you have a leak.

**ARIES** (March 21 to April 19) Although you tend to bore easily and leave others to finish what you start, this is one time when you'd be wise to complete things on your own. Then you can move on to something new.

**TAURUS** (April 20 to May 20) Your indecision about a personal situation might come out of those mixed signals you're getting. Best not to make any commitments until you have a better sense of how things are going.

**GEMINI** (May 21 to June 20) A dispute appears to be getting out of hand. But you should be able to step in and bring it all under control soon. Be patient. News about a potential career move might be delayed.

**CANCER** (June 21 to July 22) Career obligations could interfere with important personal plans. But using a combination of common sense and compromise helps resolve the dilemma to everyone's satisfaction.

**LEO** (July 23 to August 22) A stressful situation drains some of your energy reserves. But you soon bounce back in time to finish your tasks and enjoy a well-deserved weekend getaway.

**VIRGO** (August 23 to September 22) This is a good time to throw a party for friends and colleagues, and surprise them with your dazzling domestic skills. You also might want to reconsider that career move you put on hold.

**LIBRA** (September 23 to October 22) A sudden change of mind by someone you relied on could cause a delay in moving ahead with your plans. But those whom you've helped out before are prepared to return the favor.

**SCORPIO** (October 23 to November 21) You start the week feeling too shy to speak up in front of others. However, your self-assurance soon takes over, giving you the confidence you need to make yourself heard.

**SAGITTARIUS** (November 22 to December 21) One way to deal with a pesky personal dilemma this week is to meet it head-on. Insist on an explanation of why the situation reached this point and what can be done to change it.

**CAPRICORN** (December 22 to January 19) The creative Capricorn finds several outlets for her or his talents this week. Also note that while a romantic connection looks promising, remember to allow it to develop on its own.

**AQUARIUS** (January 20 to February 18) You stand out this week as the best friend a friend can have. But be careful that you don't take too many bows, or you might see gratitude replaced with resentment.

**PISCES** (February 19 to March 20) What seems to be an ideal investment should be checked out thoroughly before you snap at the offer and find yourself hooked by an expensive scam.

**BORN THIS WEEK:** Your wisdom is matched by your generosity. You are a person who people know they can rely on.

### Teamwork

"If you'll make the toast and pour the juice, Sweetheart," said the newlywed bride, "breakfast will be ready."

"Good, what are we having for breakfast?" asked the new husband.

"Toast and juice," she replied.

### Gender Signs

Over the years, my husband and I have usually managed to decode the cute but confusing gender signs sometimes put on restaurant restroom doors (Buoys and Gulls, Laddies and Lassies, etc.), but every so often we get stumped.

Recently my husband wandered off in search of the men's room and found himself confronted by two marked doors. One was labeled "Bronco," and the other was designated "Cactus."

Completely baffled, he stopped a restaurant employee passing by. "Excuse me. I need to use the restroom," he said. Gesturing toward the doors, he asked, "Which one should I use?"

"Actually, we would prefer you to go there," the employee said, pointing to a door down the hall marked MEN. Bronco and Cactus are private dining rooms."

# PIEDMONT PETS

March 7, 2019  
By Paulette Dean

Through my years with the Danville Area Humane Society, we have dealt with hundreds of cruelty cases and thousands of neglect cases. Some have been the stuff of nightmares. Horrifyingly, several have been because of the actions of children or youth. In each of those cases, the child has been old enough to, as the old folks say, "know better".

Some children are born with a love for animals. They still must be guided and taught appropriate behavior; empathy can be nurtured in that way.

Empathy is the ability to recognize and feel what another living creature (whether human or animal) is feeling, and then to act in an appropriate and compassionate manner. Empathy for living creatures can be developed, with guidance from parents, teachers, and caring adults.

Queen Beatrix of the Netherlands told a story from her childhood. One day, she forgot to feed her dog. The next morning, she was served no breakfast, on the orders of her father, Prince Bernhard. That lesson helped her understand what her dog's hunger felt like.

Many children go through a stage of "innocent" cruelty during which they may harm insects or other small animals. However, the well-known anthropologist, Margaret Mead, said, "One of the most dangerous things that can happen to a

child is to kill or torture an animal and get away with it."

Parents and other responsible adults have the primary responsibility of teaching children how to respect animals and how to take care of them. Positive interaction with animals will, hopefully, lead to understanding that animals have feelings. Empathy takes that one step higher to actually caring that animals have feelings.

All humans, in fact, need to develop empathy. Our society has become so coarse. We all would be much better off if every human understood and embraced empathy.

Through my work, I can certainly bear witness with no doubt that empathy is in short supply these days. The animals are all too often victims of the shortage.

## 2.60%

**Annual Percentage Yield for 11 months<sup>2</sup>**

---

Guaranteed fixed rate with new money deposits of at least \$25,000 for an 11-month term.

**Both accounts are FDIC-insured up to the maximum allowable limit. Platinum Savings offer available in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. Fixed Rate CD offer available in AL, AZ, CT, DC, DE, FL, GA, MD, NJ, NM, NV, NY, PA, SC and VA. Portfolio by Wells Fargo® customers are eligible to receive an additional interest rate bonus on these accounts.<sup>3</sup>**

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 01/21/2019 and 03/22/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 12/10/2018, the standard interest rate and APY for a Platinum Savings account in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA with an account balance of \$0.01 to \$99,999.99 is 0.03% (0.03% APY) and with an account balance of \$100,000 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking, Wealth, Business Banking or Wholesale customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 01/21/2019 and 03/22/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Offer cannot be combined with any other consumer deposit offer. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

## The Launch Place Awarded Regional Innovation Award for Seed Fund2

EVA DOSS  
PRESIDENT & CEO

DANVILLE, VA – March 5, 2019 – The Launch Place (TLP) has been selected as a recipient of the Economic Development Administration's 2018 Regional Innovation Strategies (RIS) program competition award. The Launch Place was one of 40 entrepreneurship-focused organizations spanning 28 states that received grants from the 230 applicants. The Launch Place received a \$300,000 award for a three-year time period as part of the Seed Fund Support (SFS) Program along with 15 other organizations.

The SFS Program supports the formation, launch, or scale of cluster-focused seed funds that invest their capital in innovation-based startups with a potential for high growth and job creation. This award will enable The Launch Place to hire a Portfolio Manager to manage its 17 portfolio companies, market TLP's investment funds, evaluate start-ups for potential investment, and participate in continuous fund management training.

"We are extremely honored to receive this coveted award," said Eva Doss, The Launch Place, President and CEO. "This EDA grant award will allow us to increase our capacity and provide additional assistance to our investment portfolio companies." Doss went on to express how honored she was to see The Launch Place on a list with highly accomplished groups from across the US such as Chicago, IL and New Orleans, LA.

This award will help The Launch Place continue their mission of fostering an environment for new and serial entrepreneurs to grow and raise capital, and to create an idea based entrepreneurial culture in the Dan River Region. By providing pre-seed and seed funding to startups of varying sizes and backgrounds, The Launch Place is not just investing in companies that could disrupt the Internet of Things (IoT), MedTech or advanced manufacturing industries, but looking for businesses that can boost the region's economy.

*About The Launch Place:*  
The Launch Place, funded through a grant by Danville Regional Foundation, provides new and early stage business support services and seed funding for the Danville City and Pittsylvania County region of Virginia and Caswell County in North Carolina. As an entrepreneurship development organization with the purpose to plan, fund, launch and grow businesses, TLP helps companies to get started or to expand their operations by providing business consulting services, office space, and by investing in them through its investment funds. FAVORITE RECIPES

**CONGO BARS**

**INGREDIENTS**

- 2 3/4 c all purpose flour
- 2 1/2 tsp baking powder
- 1/2 tsp salt
- 2/3 c butter, softened
- 1 lb. light brown sugar
- 3 eggs
- 1 tsp vanilla
- 11.5 oz package milk chocolate chips
- 1 c chopped pecans (optional)

**INSTRUCTIONS**

Sift flour, baking powder and salt into a large bowl. Set aside.  
Stir brown sugar into softened (not melted) butter in another large bowl until butter disappears. You can use the back of your spoon to help incorporate the two together.  
Add eggs one at a time to butter mixture and stir well after each egg.  
Add vanilla, chocolate chips and nuts, mix well.  
Add dry flour mixture and stir until well combined. Coat a 13 X 9 pan with non-stick spray and spread batter evenly into dish.  
Bake at 350 F degrees for 30 minutes or until top is golden brown. Make sure you don't over bake.
