Remember being this cool?
Then it may be time to schedule your colonoscopy.

March is Colorectal Cancer awareness month!

The American Cancer Society has updated its recommendation for colon cancer screenings to start at age 45 for those at average risk.* Because colon cancer develops with few symptoms, a colonoscopy is one of the most widely used screenings to help find precancerous polyps that can be removed before they could turn into cancer.

Talk with your provider about scheduling a colonoscopy.

someday

SOMEDAY, when the kids are grown, life will be different. The memo pad on my refrigerator door will read, "Afternoon at hairdresser," or, "browse through art gallery," or, "start golf lessons"... instead of, "pediatrician at 2:00," or, "Cub Pack Meeting."

SOMEDAY, when the kids are grown, the house will be free of graffiti. There will be no crayoned smiley faces on the walls, no names scrawled in furniture dust, no pictures fingered on steamy windows, and no initials etched in bars of soap.

SOMEDAY, when the kids are grown, I'll get through a whole chapter of an engrossing book without being interrupted to sew a nose on a teddy bear, stop a toddler from eating the dog food, or rescue the cat from the toy box.

SOMEDAY, when the kids are grown, I won't find brown apple cores under the beds, empty spindles on the toilet paper hanger, or fuzzy caterpillars in denim jeans. And I will be able to find a pencil in the desk drawer, a slice of leftover pie in the refrigerator, and the comics still in the center of the newspaper.

SOMEDAY, when the kids are grown, I'll breeze right past the gumball machine in the supermarket without having to fumble for pennies; I'll stroll freely down each aisle without fear of inadvertently passing the candy or toy sections; and I'll choose cereal without considering what noise it makes, what prize it contains, or what color it comes in.

SOMEDAY, when the kids are grown, I'll prepare Quiche Lorraine, or Scallops Amandine, or just plain liver and onions, and no one will say, "Yuk! I wish we were having hot dogs!" or, "Jimmy's lucky, his Mom lets him eat chocolate bars for dinner,"; And we'll eat by candle light, with no one trying to roast their peas and carrots over the flame to "make them taste better," or arguing about who gets to blow out the candle when we're done.

SOMEDAY, when the kids are grown, I'll get ready for my bath without first having to remove a fleet of boats, two rubber alligators, and a soggy tennis ball from the tub. I'll luxuriate in hot, steamy water and billows of bubbles for a whole hour, and no fists will pound on the door, no small voices will yell, "Hurry up, Mommy! I gotta go!"

YES, SOMEDAY, when the kids are grown, life will be different.

They'll leave our nest, and the house will be Quiet... and calm... and empty... and lonely. And I won't like that at all! And then... I'll spend my time, not looking forward to SOMEDAY, but looking back at YESTERDAY.

Recognize all of the angels-in-training around you.

FLASH BACK POP ROCK & SOUL TRIVIA

1. What San Francisco rock band released "With Your Love," and when?
2. Who released "I'm in Love" in 1981?
3. This former Drifter was the first artist to release "So Much Love."
4. What is the only instrumental on Rolling Stone's list of the 500 greatest songs?
5. Name the song that contains this lyric: "I'd be happy just to hear your voice, Saying this is for the girl who didn't sign her name, Yes, she needs a dedication just the same."

Answers

1. Jefferson Starship, in 1976. Two of the songwriters had been members of the original Jefferson Airplane.
2. Evelyn "Champagne" King. The song went to the top of both dance and soul charts.
3. Ben E. King, in 1966. The song was covered by Dusty Springfield and Blood, Sweat & Tears, but it was George Nooks who turned it into reggae.
4. "Green Onions," by Booker T. & the M.G.'s in 1962. (If you own the 45, try playing it at 33 rpm.)
5. "Pilot of the Airwaves," by English singer Charlie Dore in 1979. A sad song ... the singer says her only friend is the DJ to whom she is making song requests in the middle of the night.

ARIES (March 21 to April 19) Putting yourself in someone else's shoes isn't easy for you. But if you do it, you'll gain a better perspective of what you need to do to achieve your goals. Be open to new ideas.

TAURUS (April 20 to May 20) There are still some problems you might have to deal with before moving on to your next project. It's a good idea to accept help from those who share your objectives.

GEMINI (May 21 to June 20) It's time to recognize the difference between those who are truly concerned for you and those who simply plan to use your good nature to their advantage. New ideas become increasingly attractive.

CANCER (June 21 to July 22) Depending on a promise made becoming a promise kept could be more than a mite unwise at this time. It's best to proceed on your own rather than wait for aid that might never arrive.

LEO (July 23 to August 22) A recently revitalized relationship might not be quite what the Big Cat expected. But give yourself more time to deal with the changes. A little flexibility can go a long way. Good luck.

VIRGO (August 23 to September 22) A major change could prompt more adjustments. Some of them might be difficult to deal with at first. But hang in there, and before you know it, you'll be coasting to your next goal.

LIBRA (September 23 to October 22) Your sense of justice prompts you to speak out against an unfair situation, even if you seem to be the only one who feels that way. But you soon learn that many others agree with you.

SCORPIO (October 23 to November 21) Creating a fuss is not usually your style. But that doesn't mean you should tolerate an ill-mannered attitude. Speak up for yourself, and you'll earn the respect of others.

SAGITTARIUS (November 22 to December 21) You might have a few loose ends to tie up before you can stamp your project as complete. But once that's done, you might want to celebrate with someone special in your life.

CAPRICORN (December 22 to January 19) Disappointment darkens the Goat's mood. But close friends rally to pull you through with words of encouragement. Use their confidence in you to rebuild your own self-esteem.

AQUARIUS (January 20 to February 18) An upcoming decision might be more difficult with inaccurate information. Best to recheck the data you have at hand right now to be sure it won't mislead you later.

PISCES (February 19 to March 20) An offer you previously turned down might no longer be available. But if you do some checking around, you could find something else that would suit you just fine.

BORN THIS WEEK: You believe in helping those who cannot help themselves. Although it embarrasses you, the fact is, people like you and tell you so.

PIEDMONT PETS

March 21, 2019
By Paulette Dean

We have a large notebook at the shelter that is filled with reports of lost dogs and cats. A dog will sometimes just follow a scent his nose has picked up, sometimes they have been scared by other animals, and sometimes they just wander away. Cats who are allowed outside can also become frightened by other animals or loud noises and run away in fear. In addition, cats do get into car engines and are given a very dangerous ride to destinations far away.

There are many reasons why dogs and cats become strays. The best line of defense is to provide a collar and identification information. Even in areas that permit dogs to wander require a current city or county tag. Microchipping a pet is becoming increasingly important because of the increase in people picking up strays and either keeping them or placing them in rescue groups.

If the worst happens and your dog or cat is missing, contact all animal shelters within a 50-mile radius. It may be very helpful to make copies of a recent picture and take them to the shelters. Sometimes, owners describe an animal and the person hearing the description gets a different picture in their mind. Coming to the shelter is wise.

People are beginning to rely just on social media, and this is not a good idea. Walk or drive through your neighborhood several times each day, and ask mailmen, delivery people, and anyone you see if they

have seen your pet.

Most veterinary clinics will allow notices about lost pets to be placed on a bulletin board. Place advertisements in local newspapers and with radio stations. Include a lot of information about your pet, including age, sex, size, breed, and color. It is sometimes wise to leave out one identifying feature so if someone calls claiming to have found your pet, you would be able to spot calls from people who merely seek a monetary reward.

A reward for finding a returning a lost animal is always a good idea, and should be included on all notices and advertisements.

Life as a stray animal is not pleasant, and owners need to be diligent in doing everything they can to search for their pet and bring them safely home.

Give your money a raise

Make your money work harder by earning higher interest rates.

Talk to a banker for more details. Offer expires March 22, 2019.

Platinum Savings Account

2.10%

Annual Percentage Yield for 12 months¹

Enjoy a special interest rate for 12 months with new money deposits of at least \$25,000 and a minimum daily account balance of \$25,000 or more.

Fixed Rate CD

2.60%

Annual Percentage Yield for 11 months²

Guaranteed fixed rate with new money deposits of at least \$25,000 for an 11-month term.

Both accounts are FDIC-insured up to the maximum allowable limit. Platinum Savings offer available in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. Fixed Rate CD offer available in AL, AZ, CT, DC, DE, FL, GA, MD, NJ, NM, NV, NY, PA, SC and VA. Portfolio by Wells Fargo® customers are eligible to receive an additional interest rate bonus on these accounts.³

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 01/21/2019 and 03/22/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 12/10/2018, the standard interest rate and APY for a Platinum Savings account in CT, DC, DE, FL, GA, MD, NJ, NY, SC and VA with an account balance of \$0.01 to \$99,999.99 is 0.03% (0.03% APY) and with an account balance of \$100,000 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking, Wealth, Business Banking or Wholesale customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 01/21/2019 and 03/22/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Offer cannot be combined with any other consumer deposit offer. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

A Healthy Family Lifestyle Study

Researchers at the University of Virginia invite all interested families of children ages 5 to 12 to join a healthy lifestyle study that is part of a team effort between Danville Parks and Recreation, Sovah Pediatrics, PATHS and the University of Virginia. With a flip of a coin, you will be randomized into one of these programs: Family Connections or iChoose. Programs will be offered at locations in Danville and Chatham.

The purpose of the study is to compare two healthy lifestyle programs to see which one is the best fit for your community. The study includes health screenings, small group healthy living classes and telephone support calls, all offered at no cost. Families will receive \$300 in gift cards for participating in the study.
Primary Investigator: Dr. Jamie Zoellner (IRB #19748)

FAVORITE RECIPES

EASY SPRING MINI FRUIT TARTS

INGREDIENTS

CRUST

9 full graham crackers broken into pieces (one sleeve in a standard package of graham crackers)
5 tablespoons unsalted butter melted
1/4 cup sugar

FILLING

1 cup heavy whipping cream OR coconut cream if you are dairy-free
1/4 cup powdered sugar
1/2 tablespoon freshly squeezed lemon juice
1/4 teaspoon fresh lime zest
1/2 tablespoon freshly squeezed lime juice

TOPPING

Your choice of fresh fruits. I like the combo of blueberries raspberries, and strawberries.
A few torn fresh mint leaves and/or lime zest for garnish

INSTRUCTIONS

Place your stand mixer mixing bowl into the refrigerator so that it cools before using.
Preheat oven to 350 degrees.
Add broken pieces of the 9 graham crackers into a large food processor and then add the sugar and melted butter.
Pulse until ingredients are well combined.
Press enough of the crust mixture into each mini tart pan so there's an even bottom layer and crust along the shallow sides.
Bake at 350 degrees for 6-8 minutes. When done, remove and set aside.
In a stand mixer with the chilled mixing bowl and using the metal whisk attachment, whip together the cold heavy cream (or coconut cream) and powdered sugar until the mixture is thickened. Add the lemon juice, lime zest and lime juice, and then whip on medium-high speed until mixture is thickened up to a lovely whipped cream consistency.
Top each crust with a nice dollop of the lemon lime whipped cream.
Top each tart with as many pieces of fruit as you wish.
Garnish with fresh torn mint leaves and/or lime zest, as desired.
