THIS MAY SOUND HARSH...but if something happened to you, would your kids have to take up a community collection just to bury you? Funeral homes do not accept installment payments. Life insurance rescues families in times of terrible tragedy. And if you are young and healthy, it is so inexpensive, there is no excuse not to have it. I have a plan for you that includes living benefits of cash if you get cancer, have a stroke or heart attack or several other things. You don't have to die to receive cash help when "life happens". This plan also includes a disability benefit should you get hurt or sick and can't work. Call now, (931)434-7254.
