New Benefit for Veterans

Tullahoma, TN - In a continued effort to serve America's heroes, Daves-Culbertson Funeral Home recently initiated a new program to provide a charitable contribution in the name of Veterans they have the privilege to serve. Called Honoring the Veteran, the program provides a donation in the Veteran's name to support the work of specific charities that work on behalf of other Veterans and their families.

"Families of veterans are seeking meaningful, unique ways to create a lasting tribute to their loved one," says Juanita Ruff, Manager/Funeral Director. "When they take advantage of our Honoring the Veteran program, they know that they are making a valuable contribution that touches the lives of thousands."

The program allows families to choose from three charities. They can donate to the American Red Cross, which provides disaster relief and humanitarian aid worldwide; Vietnam Veterans of America, the only national organization exclusively dedicated to supporting Vietnam veterans and their families; or the National World War II Museum in New Orleans, which preserves and tells the stories of the many amphibious invasions of World War II.

Adds Juanita Ruff, "The best part of the Honoring the Veteran program is that the donation is made at no cost to the family. We've partnered with Aurora Casket Company, and when our families choose an Aurora casket or urn, Aurora makes the donation on their behalf. It's just another way for us to thank the men and women who have honorably served our country."

Daves-Culbertson Funeral Home, 401 N. Jackson St., Tullahoma, TN 37388 has been serving the families in the Tullahoma community for more than 130 years. Aurora Casket Company, located in Aurora, Indiana, was founded in 1890. For more information about Honoring the Veteran, contact the funeral home at 931-455-3481 or visit us at www.davesculbertsonfuneralhome.com.

Job Description

We have inside and outside positions available. You will call on local businesses with the objective to understand their products and services. After you develop a clear understanding of their business, you will assess how our products can help the business grow. You must enjoy talking to people and have a deep desire to succeed. The job can be awarding both financially and emotionally.

Earn more than 50% of the workers in our area.

Hope Sartain Sales Representative

"Eight years ago I started a life changing career that allows me the freedom to create my own schedule, provides professional and personal growth and is now furthering my education in marketing. My job gives me the opportunity to work with small business owners to create an effective and affordable advertising campaign customized for each business. Exchange Media Group encourages community involvement and supports my roles in the Highland Rim Kiwanis Club and the Tullahoma Area Chamber of Commerce, which are two groups I am very passionate to serve."

Mary Ann Marsh Sales Representative

"Bill Thomas, founder of the Exchange, brought me on board 25 years ago. We had 1 edition at that time and now have grown to 6 editions. Our weekly Exchange reaches over 83,000 homes and thousands of people visit our website. I love seeing my customers connect to their customers and watching their businesses grow. Many of my customers over the years have become very good friends, which has been rewarding. I have been a member of the Fayetteville Kiwanis Club for 24 years and have loved working and helping serve children in our community. I feel very fortunate to have been a member of Team Exchange Media Group for so many years."

Ginger Jones Digital CSR

I joined the Exchange Team in 2006 working as a Graphic Artist. In 2013, I was given the opportunity to switch positions to Digital CSR. My new position allows me to closely work with our customers. Everyday I help our customers explore how digital media can benefit them. It's *amazing the influence an online* presence has for a small business. "The only way to do great work is to love what you do." ~ Steve Jobs.

What Makes NATURAL **GAS America's Best Energy?**

Natural Gas is best for...

Water Heating ... Natural Gas water heaters recover twice as fast as electric water heaters and cost less to operation.

Heating...Natural Gas heat is more comfortable.

Outdoor Grilling ... no more tanks to fill, No more running out of gas in the middle of cooking your steak.

Clothes Drying... faster drying, more economical.

Indoor Cooking...faster cooing time, precise heat control. The choice of professionals.

Please come visit any of our convenient offices and let us explain the many advantages of Natural Gas!
