Then it may be time to schedule your colonoscopy.

March is Colorectal Cancer awareness month!

The American Cancer Society has updated its recommendation for colon cancer screenings to start at age 45 for those at average risk.* Because colon cancer develops with few symptoms, a colonoscopy is one of the most widely used screenings to help find precancerous polyps that can be removed before they could turn into cancer.

Talk with your provider about scheduling a colonoscopy.

Think about this

The man doesn't know that there is a snake underneath. The woman doesn't know that there is a stone crushing the man.

The woman thinks: "I am going to fall! and I can't climb because the snake is going to bite me! Why can't the man use a little more strength and pull me up!" The man thinks: "I am in so much pain! Yet I'm still pulling you as much as I can! why don't you try and climb a little harder?!"

The moral is: You can't see the pressure the other person is under, and the other person can't see pain that you're in. This is life, no matter whether it's with work, family, feelings or friends we should try to understand each other. Learn to think differently, perhaps more clearly and communicate better.

Golf Friendless

"Bob, why don't you play golf with John anymore?" asked a friend.

"Would you play golf with a guy who moved the ball with his foot when you weren't watching?" Bob asked.

"Well, no," admitted the friend.

"Neither will John," replied Bob.

Salome's Stars

ARIES (March 21 to April 19) A suggestion from a colleague on how to work out a problem might not sit too well with you. But before you suspect his or her motives, why not just accept it as a friendly gesture?

TAURUS (April 20 to May 20) An associate might seek your counsel on a workplace dispute with another co-worker. Listen to what she or he has to say, but withhold advice until you've heard the other side of the story.

GEMINI (May 21 to June 20) Use your Twin gifts for creativity and practicality to score points in landing an opportunity that could open doors to a new career. Someone returns after a long absence.

CANCER (June 21 to July 22) Although things are pretty hectic through much of the week, some quiet time with loved ones helps restore balance. An unexpected visitor brings welcome news about a mutual friend.

LEO (July 23 to August 22) Getting used to change isn't always easy for the Big Cat. But make the adjustments gradually, and soon you'll hardly remember when things were any different from how they are now.

VIRGO (August 23 to September 22) Continue to stay the course you've chosen, and avoid distractions that could throw you off track. Some knowledgeable folks are happy to provide guidance if you need it.

LIBRA (September 23 to October 22) Although you earned plaudits from most co-workers for your recent stand on a workplace situation, you also raised the envy quotient among others. Tread carefully for now.

SCORPIO (October 23 to November 21) You feel more positive about that delayed project, and you're ready to pick it up on a moment's notice. However, you might need to re-motivate those who have since lost interest.

SAGITTARIUS (November 22 to December 21) Some welcome news should be coming your way. In the meantime, use that Sagittarius charm to convince some still-reluctant colleagues that your ideas have merit.

CAPRICORN (December 22 to January 19) Don't wait for a misunderstanding to work itself out. Instead, ask for a chance to explain the circumstances before those bruised feelings lead to an irreversible break.

AQUARIUS (January 20 to February 18) A physical problem should be checked out in order to avoid it going from just being a nuisance to something more serious. Your social life takes an unexpected but not unwelcome turn.

PISCES (February 19 to March 20) Yours might be the wisest sign in the Zodiac. But you still could benefit from the wisdom of a close friend who has suggestions on how to handle a perplexing personal problem.

BORN THIS WEEK: Your passion for doing the right thing inspires others to follow your well-trodden path toward justice.

Offers available in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. *Portfolio by Wells Fargo*® customers are eligible to receive an additional bonus interest rate on these accounts.³

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 03/25/2019 and 05/31/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply, and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 02/15/2019, the standard interest rate and APY for a Platinum Savings account in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA with an account balance of \$0.01 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking or Wealth customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 03/25/2019 to 05/31/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. 1.2. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be combined with any other consumer deposit offer, except the Portfolio by Wells Fargo \$500 offer, available from March 25, 2019 until May 31, 2019. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

DCC RN Program Ranked First in Virginia

Danville, Va., March 21, 2019 – The registered nursing program at Danville Community College (DCC) was named number one ranked nursing program in Virginia this week.

According to the award, given by RegisteredNursing.org, nursing programs were assessed on several factors which represent how well a program supports students toward licensure and beyond.

"I am extremely proud of the RN Nursing program at Danville Community College," said Interim President Dr. Betty Jo Foster. "Our faculty in this program are superb. They strive for excellence and encourage their students to do the same. It is an honor to work with such committed and talented instructors and students."

Both past and present first-time NCLEX-RN pass rates were analyzed in the ranking.

"We've had a 100 percent pass rate on the state board licensure exam for several years now, and hope to keep that up in the future," said Arts, Sciences, & Business Division Dean Dr. Paul Fox. "This ranking also backs up what medical facilities in the surrounding area tell us: That they prefer to hire our graduates because they can hit the ground running, and provide excellent patient care from day one."

"It is gratifying to have our RN program recognized as best in the state," said Nursing Programs Director Cathy Barrett. "We are very fortunate to have great students, top notch faculty, and supportive administrators at DCC. We also appreciate the local facilities who provide learning opportunities to our students. Their support is a key factor in our ability to produce quality students."

RIVER DISTRICT ASSOCIATION AWARDS \$75,000 IN START-UP FUNDS TO WRAP UP THE 2019 RDA DREAM LAUNCH PROGRAM

The River District Association has awarded four new businesses a total of \$75,000 to open or expand their brick-and-mortar businesses in the River District by Fall 2019.

The River District Association Dream Launch 2019 is a multi-phase entrepreneur engagement program that consisted of a 6-week entrepreneur boot camp that was free for anyone to attend, however it was a requirement to be present for all classes to participate in the Dream Launch Business Pitch, where participants would vie for part of the \$75,000 in available funding.

More than 75 people attended the Dream Launch Boot-Camp classes, the largest registration of any CBL bootcamp classes in the program to date. 26 participants finished all 6 classes, and 7 business plans were pitched to judges in early March.

The four businesses that were awarded funding are:

Firefly Studios - \$25,000. Firefly currently operates a yoga studio that opened in a temporary location on Main Street in November of 2018; this funding will allow them to move into a more appropriate, permanent space with expanded & more specialized class offerings.

River City Escapes - \$15,000. River City Escapes is part of a new family entertainment complex that will be located in downtown Danville, Virginia. River City Escapes will be the first of its kind in the area and will set the highest standards of creativity, quality, and unique themes that will rival those in larger cities and become a tourist attraction. Escape rooms are an increasingly popular adventure game for groups of as little as 2 participants to as many as 15 depending on the room.

KG Graphics - \$15,000. KG Graphics started 10 years ago as a freelance design company, which grew quickly into a full-time business. Four years later they opened a brick and mortar shop in Danville's rapidly growing River District at 311 Court Street. The business has been very successful, and the owners identified a need to expand into large-format printing to substantially grow their business. This business expansion grant will allow them to move forward with their business plan and will contribute to local economic development via capital investment and job creation.

Grizzly's Axe Throwing - \$20,000. Grizzly's Axe Throwing will be located in the same entertainment complex as River City Escapes and will provide the residents of the Danville and surrounding areas with unique entertainment in a vibrant and energizing atmosphere. The complex will also feature décor that will mimic a mountain lodge, complete with stone fireplace, cozy furniture and wooden decor. The casual dining ambiance, quality of the food, and excellent service will ensure a large, loyal following of customers. The lobby will also offer live entertainment on selected nights.

"We are extremely excited to work with these businesses as they open or expand their operations in the River District in the coming months" said Diana Schwartz, Director of the River District Association. "While the grant funds will go a long way to help us move these businesses forward, there are now several other new offerings in the pipeline. We had a tremendous response to the Dream Launch Bootcamp, and we expect to see several other businesses open their doors in the next 6 to 12 months throughout the region. The opportunity to give a large number of people knowledge and understand the journey to business ownership and self-sustainability is one of the most important parts of this program".

Funding for the 2019 Dream Launch program was obtained by RDA through a competitive grant process with the Commonwealth of Virginia Department of Housing and Community Development. The Community Business Launch (CBL) program is now in its 6th year and has taken place in cities across the state. Funding for the program was also provided by the City of Danville so that RDA would be eligible for the grant via matching funds. RDA is able to manage the program thanks to organizational funding and support from Danville Regional Foundation.

Other in-kind donations were provided by Danville Community College, IALR, Carter Bank & Trust, The Launch Place, Cottontail Weddings and Events, SBDC Longwood, Danville/Pittsylvania County Chamber of Commerce, McDarmont Web Design, and Folded Font Marketing.

* "I like to make cubed potatoes for breakfast. To keep it simple to cook in the morning, I boil a big batch on Sunday to use throughout the week. I keep them nice and white by adding a quarter cup of vinegar to the cooking water. You can't taste it at all, and there's no browning, even by Friday." -- J.D. in Florida

* "Keep a small package of wet wipes in your car so that you can wipe off your hands after you pump gas. I feel like there's always some residue, and the wipes are convenient for other things, too." -- T.A. in Nevada

* When painting, use a wet travel-size bar of soap to coat the windows (glass only), smearing the soapy residue all over the glass. Let it dry. When you paint, any splatters will land on the soap, which can be easily wiped away when the paint is dry.

* "If you get a new contact via your cellphone, make sure you write it down in a good old-fashioned paper address book. These days, we never dial someone, so we never learn their phone number. If something happened to your phone, you might lose the telephone numbers of people you want to stay in touch with, especially non-digitally inclined friends and relatives who might be older." -- E.U. in Indiana

* Sink odor can be real problem, especially if you use a strainer in your sink. Sometimes, we forget to remove it and clean the drain underneath. Make it a point to clean and freshen your kitchen drains weekly by using this quick tip: Microwave several cups of water to boiling. Pour half down your drain, then dump in about 1/2 cup of baking soda. Follow up with a cup of full-strength vinegar (it should bubble and sputter). Wait three minutes, and then add the rest of the hot water. All clean!
