The Mississippi Gulf Coast's loss is Southern Middle Tennessee artist and art lovers' gain. This summer Pamela and Mark Williams moved to Manchester and opened N2 Fusions - Gotcha Glassy Gifts & More at 107 Murfreesboro Hwy. Their business showcases their talent in many forms of glass art. Pamela was trained in mechanical and architectural planning. The study of lines shows in her work today in the structural elements of her glass work. Her expertise in graphics design translates into her "Art of Glass". Mark is an offshore worker who shares Pamela's passion for the "Art of Glass".

"Glass, as any art, is seen through the eye of the beholder. We both truly enjoy designing and making unique, one of a kind pieces. "The Art of Glass" is time intensive, but truly rewarding. It incorporates not only design skills, but the construction of the final art piece," Pamela explained. "When the sun or light brings each piece to life, it offers a different vision to the art lover. Glass takes many forms that are not only admired on a wall or shelf, but can have practical uses as well including Jewelry, bowls, and so many other possible elements.
