The human brain comprises only 2% of the body's weight. However, it uses 20-25% of the body's oxygen supply. Lack of oxygen in just one vessel in the brain can lead to a stroke!! Low oxygen concentration can also cause chronic fatigue, lack of concentration and insomnia...

SO WHAT CAN WE DO.....???

## Could You Use a PRAYER OF FAITH?

What God wants and has for you, versus what the devil wants for you, are both very well defined in one scripture verse. Jesus said in John 10:10, "The thief comes only to steal, and kill, and destroy; I came that they might have life, and might have it abundantly." God is good all the time. All good gifts come from Him.

If your health has been destroyed, or stolen from you, the devil is behind it and at the root of it. Jesus has a good life, an abundant life for you. At Healing Rooms on the Genesee, we get Jesus involved in people's physical ailments. We pray for the tide to be turned and healing to come.
