READER'S
Recipe

CARROT PINEAPPLE CAKE

- | | |
|-----------------------------|--|
| 2 cups all-purpose flour | 2 cups shredded carrots |
| 2 teaspoons baking soda | 1 cup flaked coconut |
| 1 teaspoon baking powder | 1 cup chopped walnuts |
| 1 teaspoon salt | 1 (8 ounce) can crushed pineapple, drained |
| 2 teaspoons ground cinnamon | 1 (8 ounce) package cream cheese |
| 1 3/4 cups white sugar | 1/4 cup butter, softened |
| 1 cup vegetable oil | 2 cups confectioners' sugar |
| 3 eggs | |
| 1 teaspoon vanilla extract | |

Preheat oven to 350 degrees F. Grease and flour a 9x13 inch pan. Mix flour, baking soda, baking powder, salt and cinnamon. Make a well in the center and add sugar, oil, eggs and vanilla. Mix with wooden spoon until smooth. Stir in carrots, coconut, walnuts and pineapple. Pour into 9x13 inch pan. Bake at 350 degrees for about 45 minutes. Don't panic, the center will sink a little. Allow to cool. To make the frosting: Cream the butter and cream cheese until smooth. Add the confectioners sugar and beat until creamy.

What Is Traditional Usui Reiki?

By Lori Kleinsmith

Reiki, pronounced "ray kee" is a natural and holistic approach to healing and well-being that balances and harmonizes on all levels: mental, emotional, physical and spiritual. It is based on the principal that there is energy flowing in and through all living

things, and that when this energy is low or impeded, stress, fatigue or illness are more likely to manifest. Reiki helps to restore one's natural state of health and well-being by balancing and harmonizing these energies.

Reiki is based on the "Usui System of Natural Healing." It was founded by a Christian monk, Dr. Mikao Usui, who was the principle and teacher at a Christian seminary in Kyoto, Japan. Since the 1980s, Reiki has made its way into the U.S.,

Canada and eventually becoming worldwide, gaining a wide acceptance as a natural and holistic approach to healing.

There are three levels in Traditional Usui Reiki. Level one, two and the Master level. It is not uncommon for people to take level one and be content not to go any further. Many times it is people who would like to work on animals that one level is all they feel they need. Once you learn Reiki it is yours to use on yourself, others, animals and more. When learning Reiki it is best to find a Master/Teacher that you can learn from in person. There is a rich knowledge that is shared by the teacher to the student. Who benefits from a Reiki session? Everyone! Young, old and in the middle! A few examples of the benefits of Reiki are: In this stressed out world...Stress relief, trying to get pregnant or relaxing during pregnancy, taking the edge off of withdrawal symptom from alcohol and drugs. May also help to relieve nausea and pain for cancer patients and stimulate nerves for stroke patients. It can also help in processing the loss of a loved one whether it is from death or divorce. The list goes on and on. It is a wonderful, loving, stress relieving and harmonizing addition that everyone of all ages can benefit from.

Since becoming popular there have been many spinoffs of Reiki. The Traditional Usui Reiki is taught at Pinnacle Hypnosis by Lori Kleinsmith, Reiki Master and Certified Hypnotist. How do you know if you learned traditional Usui Reiki? A lineage from Mikao Usui is given to every student. UPCOMING TRADITIONAL USUI Reiki Classes: Level 1 - April 13 & 14; Level 2 - June 8 & 9 (Must have completed level 1) Both classes are 10 am to 3 pm each day. Reservations required. Class sizes are capped at 5 students. Master Level is offered on an individual basis. For more information contact:

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

Spring Cleaning Can Alleviate Allergies

Allergies affect people of all ages. The American Academy of Allergy, Asthma & Immunology reports that allergic rhinitis affects between 10 and 30 percent of the world's population. In addition, the prevalence of allergic diseases has risen in industrialized nations for more than 50 years. Seasonal allergies tend to be the strongest in spring and autumn. Allergies can be exacerbated by many factors, including in homes where improvements are being made. Regular housecleaning can remove many common allergy triggers and help alleviate symptoms. Knowing which common home improvement mistakes can aggravate allergies can help homeowners avoid them.

SUIT UP
Before any cleaning begins, allergy sufferers should don face masks and rubber gloves to prevent themselves from breathing in allergens or having them touch their hands, where they can be transferred to the face or elsewhere. Those cleaning should also wear clothes that can be easily removed and laundered after a day's work.

CLEAN WINDOWS SINGULARLY
Prolonged exposure to outdoor allergens, such as pollen, mold or ragweed, can aggravate allergies. Therefore, if windows are being cleaned, do one at a time and then promptly close the window. Having the air conditioning running can help filter the air as well.

USE EXHAUST FANS
The AAAAI recommends using an exhaust fan in the kitchen and bathrooms to reduce the levels of moisture in these rooms and filter out potential allergens and odors. Moisture can eventually lead to the growth of mold and mildew, which isn't healthy for anyone, including allergy sufferers, to breathe in.

INVEST IN A HEPA FILTER
Vacuums with HEPA filters can trap allergens that are so small that they pass through regular vacuum filters. That means instead of containing them, these small particles are only being shot back into the air where they are easily breathed in. WebMD suggests vacuuming once or twice a week to keep carpets and floors as clean as possible. Plus, don't forget to vacuum upholstered furniture and drapes as well.

LAUNDRY WITH HOT WATER
When it comes time to wash linens, do so in hot water, which can kill dust mites residing in sheets and blankets. Employ mattress covers to further protect against dust mite allergies.

SHAMPOO SMART
Shampooing a carpet may cause moisture to become trapped in the carpet fibers, leading to increased dust mites or mold growth. Spot-clean stains instead. Otherwise, hire a professional cleaner who will clean and dry the carpet as quickly as possible.

DAMP DUSTING IS BETTER
When cleaning up dust or home renovation debris, use a damp cloth or a vinegar solution to wipe down surfaces. This helps trap small particles instead of sending them into the air.

TREAT MOLD ISSUES
Mold can trigger allergic reactions, so it is best to keep it out of a home. Solutions that contain at least 10 percent bleach can be effective at killing mold, but it's best to prevent mold from growing entirely. That means keeping tabs of any moisture issues and addressing them immediately. Allergies can be problematic, but routine home cleaning in the right way can help alleviate symptoms. Leave carpet and upholstery shampooing to the professionals, as excess moisture can contribute to mold and dust mites, which aggravate allergy symptoms.

GEORGE B. SCHAEFFER, JR.

George B. Schaeffer, Jr., of Reiffton, Exeter Twp. passed away on Friday, March 8, 2019 in Fairlane Gardens Nursing & Rehabilitation Center where he had a brief stay for physical therapy. He was the husband of Bonnie A. (Oswald) Schaeffer. Born in Reading, he was the son of the late George B., Sr. and Emma M. (Shirey) Schaeffer. George worked thirty years for Birdsboro Steel, then ten years at Dana Corporation, Reading. He was a PIAA official, refereeing for girls and JV boys basketball for many years. George was a life member of Good Fellowship Riding Club; and a member of the Country Western Dancers of Reading. He loved riding horses, playing racquetball, yard sales, spending time with family, going on cruises and other traveling. George especially enjoyed sitting with his cat Schmidt. Surviving in addition to his wife Bonnie is one son: Michael D. Schaeffer, and his wife Sharon, Alsace Twp., six grandchildren: Kelly Hipp, wife of Robert Hipp, III; Lindsay Carlson, wife of Benjamin Carlson; Ryan Schaeffer; Katy Behm, wife of Zachary Behm; Lauren Schaeffer; and Michael Schaeffer, and his wife Rachel; and nine great-grandchildren: Mason, Madison, Joseph, Eloise, Ryan, Stella, Evelyn, Sophie, and Daxton; with a tenth great-grandchild on the way. George is also survived by one sister: Barbara Moleski, Reading. He was predeceased by a daughter: Kim J. Boone; brother: Raymond Schaeffer; sister: Joan Oakes; and infant sister: Gloria Schaeffer. George will also be dearly missed by his "best friend" Schmidt. Services were held by the Leibensperger Funeral Homes, Inc., 223 Peach Street, Leesport. Burial followed in Forest Hills Memorial Park, Reiffton, PA.
