GARLIC CILANTRO SHRIMP

INGREDIENTS

- 4 tbsp. extra-virgin olive oil, divided
- 3 cloves garlic, minced
- 2 tsp. lime juice
- 1/2 tsp. chili powder
- 1/4 tsp. kosher salt
- 1/3 c. chopped cilantro, plus more for serving
- 1 lb. medium shrimp, peeled and deveined
- 1/3 c. finely diced onion

DIRECTIONS

In a small bowl, whisk together 3 tablespoons olive oil, garlic, lime juice, chili powder, salt, and cilantro and pour over shrimp. Mix until all the shrimp are coated. Cover and refrigerate for 10 minutes, or up to 8 hours.

In a skillet over medium-high heat, warm remaining tablespoon olive oil. Add onions and cook until fragrant, 2 to 3 minutes. Add coated shrimp and cook on one side until pink, about 45 seconds, then flip over. Cook until shrimp is cooked through, about 1 minute more.

Serve immediately with extra cilantro, if desired.

"SPRING INTO HEALTH FAIR" AT I.S. 192

Phipps Neighborhoods, in conjunction with Bronx Community Board #10 and the Throggs Neck Community Action Partnership, is holding its Spring Health Fair on Saturday, April 13th from 10 A.M. to 4:30 P.M. at I.S. 192 which is located at 650 Hollywood Avenue in Throggs Neck. The event is family friendly and is open to all ages. Activities will focus on topics such as awareness, education and lifestyle information. For more information, please contact Patrick at my office at (718) 892-1161. Please RSVP by contacting Mr. Edwin Scott at (718) 319-2440 or via e-mail at escott@phippnsny.org.

NYC DOT STREET WORK PERMITS

Readers, as your District Manager, I would be remiss if I did not use this column to make you aware of ways on how to retrieve publicly available information. My office fields many inquiries weekly with regard to road work occurring in our neighborhoods. As you know, any road work requires New York City Department of Transportation permits. All permits are publicly available on the "NYCStreets Permit Management System" which can be found at <http://nycstreets.net/public/permit/search>. On this website, you are able to search by address, intersection and/or community district. I understand that navigating this website can be difficult on the first attempt. However, my office staff is available to help you at your earliest convenience so that you are able to use this valuable resource. To be sure, some permits are not actively available on this website as there are instances where, for example, Con Edison is performing emergency work. In these instances, you should always contact my office at (718) 892-1161 with any questions.

DEVELOPMENT IN OUR COMMUNITIES

Not a day goes by where I do not actively search the City of New York's Department of Buildings website on residential and commercial development trends in our communities. If you ever have a question about a construction project near you, please feel free to call me at your earliest convenience. As your District Manager, it is my role to ensure that developments fit into the context and character of our neighborhoods and to maximize parking spaces wherever possible at these new developments. We all must remain vigilant as the physical character of our communities and the adequate resources we receive from the City of New York is all of our priority as stakeholders.

All Are Welcome!
