**We would like to
express our gratitude
and appreciation**

to our family, friends and neighbors
for their outpouring of support following
our recent loss. Thank you to everyone
for the cards, phone calls, texts, emails,
online posts, prayers and well wishes
following Michael's passing. It has been a huge
comfort to realize how many people care and
to see the huge impact Mike made on so many
lives. A special Thank You to Deacon George
for the prayers at the funeral home, to Bill
D'Angelo and Martin Funeral Home for helping
us through everything, and to the Genesee River
Restaurant for the wonderful dinner following
the funeral. Also, an extra special Thank You
to Amber and fellow deputies for arranging
the Jeep parade during the funeral procession.
Mike would have been both pleased and
honored.

With love and appreciation,

**The Family of
Michael Munto**

Keshequa PTSA
Awareness
&
Fundraiser

Keshequa PTSA Shoe Drive

Keshequa PTSA is conducting a shoe drive fundraiser from April 8th-June 3rd to raise funds for student activities in the school while promoting student awareness of Earth Day. Keshequa PTSA will earn funds based on the total weight of the pairs of gently worn, used and new shoes collected, as Funds2Orgs will issue a check for the collected shoes. Those dollars will benefit children's activities. Anyone can help by donating gently worn, used and new shoes at any of the collection boxes around Nunda and Dalton. Requests for pickup and a list of drop box locations is posted on the Keshequa Central School PTSA Facebook page.

All donated shoes will then be redistributed throughout the Funds2Orgs network of micro-enterprise (small business) partners in 25 different countries. Funds2Orgs works with micro-entrepreneurs in helping them create, maintain and grow small businesses in developing countries where economic opportunity and jobs are limited.

Proceeds from the sales of the shoes collected in shoe drive fundraisers are used to feed, clothe and house their families. One budding entrepreneur in Haiti even earned enough to send to her son to law school.

"We are excited about our shoe drive," said Cassandra Hugi, Keshequa PTSA Vice President. "We know that most people have extra shoes in their closets they would like to donate to us. By doing so, we raise money for our community's children to have more activities, and we have the chance to help families in developing nations who need economic opportunities. It's a win-win for everyone."

According to the U.S. Department of the Interior, Americans throw away at least 300 million pairs of shoes each year. These shoes end up in landfills, where they can take 30 to 40 years to decompose. By donating gently worn, used and new shoes to the Keshequa PTSA, the shoes will be given a second chance and make a difference in people's lives around the world.

Keshequa PTSA Executive Board Members:

Christie Bugman	President
Tina Yannantuono	Vice President
Cassandra Hugi	Vice President
Christine Marano	Treasurer
Savanah Kennedy	Secretary
Jeanne Matossian	Past President
Emily Stoufer-Quinn	Parliamentarian
Jill Wood	Committee Chair

Keshequa PTSA was established in December 2018 as a group of parents, community members, and students working together to help improve the success of children in our community. It has been proven that children learn more and have better lives when parents, school staff, students, and community work together. PTSA brings these groups together to share thoughts and ideas about programs and activities that benefit children, then works to put these into action. PTSA helps parents stay connected with the school, exchange ideas, and provides information and resources to strengthen these relationships.

Keshequa PTSA can be reached at KeshequaPTSA@gmail.com or on Facebook at Keshequa Central School PTSA.

Phlebotomy Technician Certificate Program

The phlebotomist is a vital member of the clinical laboratory team, whose main function is to obtain patient's blood specimens by venipuncture and microcollection for testing purposes. Phlebotomists are employed throughout the healthcare system including hospitals, neighborhood health centers, medical group practices, HMO's, public health facilities, veteran hospitals, insurance carriers and in other healthcare settings. The demand for phlebotomy technicians has increased substantially with the overall complexity of healthcare services and the risks of infectious disease.

This 90-hour Phlebotomy Technician Program prepares professionals to collect blood specimens from clients for the purpose of laboratory analysis. Students will become familiar with all aspects related to blood collection and develop comprehensive skills to perform venipunctures completely and safely. Classroom and lab work includes terminology, anatomy and physiology; blood collection procedures; specimen hands-on practice; and training in skills and techniques to perform puncture methods. **Note:** There is no outside externship rotation included with this program. Several state and national certification exams exist to test the competency of aspiring phlebotomy technicians. **Pre-Requisites:** High-school diploma, GED, etc. A **strong** reading-comprehension level and good, basic math ability is necessary.

Medical Billing and Coding with ICD-10

This combined 80-hour billing and coding course offers the skills needed to solve insurance billing problems, how to manually file claims (using the CPT and ICD-10CM, ICD-10PCS and /or ICD-9 manual), complete common insurance forms, trace delinquent claims, appeal denied claims and use generic forms to streamline billing procedures. The course covers the following areas: CPT (Introduction, Guidelines, Evaluation and Management), specialty fields (such as surgery, radiology, and laboratory), ICD-10 and ICD-9 (Introduction and Guidelines) and basic claims processes for medical insurance and third party reimbursements. Students will learn how to find the service and codes using manuals, (CPT, ICD-10CM/PCS or ICD-9).

Note: After obtaining the practical work experience (6 months to 2 years), students who complete this course could be qualified to sit for the American Academy of Professional Coders (AAPC) - Certified Professional Coder Exam (CPC or CPC-H Apprentice); the American Health Information Association (AHIMA) Certified Coding Associate (CCA) exam; and/or other National Certification Exams. Although currently both the AAPC and the AHIMA certification exams include ICD-9 material, pending the proposed October 1, 2015 switch to ICD-10 both may begin testing for ICD-10 information in 2016. **Additional Costs:** A medical dictionary is helpful. **Pre-Requisites:** High-school diploma, GED, etc. A strong reading-comprehension level and good, basic math ability is necessary.

Security Guard 8-Hour Pre-Assignment

Under the Security Guard Act of 1992, licensing is mandatory for all contractual and proprietary security guard employers. The law also requires security guards, themselves, to register with the New York Department of State. This course is for anyone seeking employment as a security guard and provides an overview of the Security Guard Act of 1992. One hundred percent attendance is required, and participants must earn a passing score on a final exam. Individuals who successfully complete the course will receive a certificate of achievement.

AN EQUAL OPPORTUNITY EMPLOYER

Could You Use a PRAYER OF FAITH?

The nature, character and love of Father God are best demonstrated in the life of His Son Jesus. Jesus healed, delivered and loved everyone who came to Him. He was doing the will of the One Who sent Him to earth (see John 6:38)

God has not changed. He is still the same. Father God continues to heal, deliver and love people. James 1:17 tells us that in Him, "every good and perfect gift is from above, and comes down from the Father of lights, with Whom there is no variation, or shadow of turning."

At Healing Rooms on the Genesee, our desire is to do the will of Father God by praying for those who are sick. We have witnessed Him touch many.
