Due to sever lower back pain, I haven't even been able to even do the dishes without taking a break to sit down. I didn't realize I had two bulging discs that were pressing against a nerve until I came to Tullahoma

Chiropractic. The decompression therapy is wonderful. For the past 2 years, I haven't been able to walk for thirty minutes without being in pain and having to take a break. This week, I went shopping for 3 hours pain free! Decompression therapy has changed my life!

Who is a Candidate?

Our spinal decompression system has been found to relieve the pain associated with disc degeneration, herniated and bulging discs, facet syndrome, and sciatica. Spinal decompression is a great option because back surgery is so risky.

The Solution:

Our method is a proven, comprehensive treatment program which includes computerized true disc decompression, cold laser therapy, and exercise rehabilitation to promote long term spinal health. Spinal decompression is considered by many doctors to be the most advanced and successful noninvasive treatment of serious back, neck, leg or arm pain. The method allows for a much higher success rate by increasing hydration and restoring health to your discs. This results in a more effective and lasting solution to your pain. There are no side effects and no recovery time is required. This gentle and relaxing treatment has proven to be effective even when drugs, epidurals, traditional chiropractic, physical therapy and surgery have failed.

Sciatica and herniated discs are often misunderstood.

They can cause pain and numbness in the back, neck, legs and feet. This pain affects everything you do, from work to play, and ultimately your quality of life. We are here to tell you that there is hope. We have the technology and experience to help you find relief from sciatica and back pain. We have helped thousands of pain sufferers just like you. We offer only the most advanced non-surgical treatments.

Before you consider surgery consider these points:

- Back surgery can cost \$50,000 to \$100,000 or more
- Recovery can be very painful and can take months or years
- Surgery may or may not relieve your pain
- Dependence on prescription drugs may occur after surgery
- Missed work can amount to \$1,000's in lost wages
- Outcomes may be uncertain, and surgery is not reversible

Get Your Life Back Today!

"If you suffer from sciatica, severe back or neck pain, you can find relief! If you are serious about getting your life back and eliminating your back and neck pain, my staff and I are serious about helping you and proving how our technology and experience can help. We are extending this offer to the first 30 callers. These spaces fill up quickly, so call today to reserve your spot."

Open Letter to the members of the churches of Christ continued.

"Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven but he that doeth the will of my Father which is in heaven. Many will say to me in that day, Lord, Lord, have we not prophesied in thy name? and in thy name have cast out devils? and in thy name done many wonderful works? And then will I profess unto them, I never knew you: depart from me, ye that work iniquity." (Matthew 7:21-23) In this great scene of the Judgment Day, Jesus depicts many Christians who will stand before Him and try to provide their reasons for being allowed into Heaven. One of the reasons they give as to why they should be allowed into Heaven is because of their "wonderful works." Yet, Jesus denounces them and sends them away. He describes them as those who worked "iniquity." The word "iniquity" means "lawless or without law." When a church engages in a work that they consider good or even "wonderful" but for which they have no law (i.e. authority), that is "iniquity." We have made appeals in the past that every activity we do as God's people (i.e. the church) we must have authority for that activity or we have no right to engage in it. (Colossians 3:17; I Peter 4:11)

In recent times, we have challenged the practices of the local churches of Christ. We have challenged the local preachers to meet us and discuss the practices that many churches practice. Finally, one preacher tried. After much discussion with him about churches engaged in social, community, political, and business activities he finally admitted that there was "no law" for such. That is exactly the point we have been trying to make. When any church allows itself to be involved in community/social events, there is "no law" (i.e. authority) for them to do so. That is a classic description of "workers of iniquity" for which Jesus condemns. So, when churches engage in using their resources for Health Screenings, Social and Career Counseling, 5th Quarter football events, political voting, government legislative breakfasts, birthday and holiday parties, yoga and aerobics classes, carnivals "for Christ," business activities, etc. they are doing so without any authority. That is, in the words of a local preacher, "No law." My friends, again we add, that is the classic definition of "iniquity." Even if those things are "wonderful works," they are unauthorized and therefore sinful. What needs to happen? "Repent or perish." (Luke 13:3, 5)

Are you not tired of being a part of a church that no longer follows the Bible? Do you want to be a part of a church dedicated to Christ and determined to be the "true worshipers" the Lord wants? (John 4:23-24) Then we invite you to study with us. Also, we encourage you to listen in to "Teach Me Lord" each Sunday morning at 8:30 on WZYX Radio (Am 1440 or FM 95.3). Contact us at this address:
