PROM SAFETY TIPS: Prom is one of the highlights of high school. While planning & enjoying the big night, make smart decisions to help keep it safe, low-stress, & fun! If you or someone you know is going to the prom, here are a few tips for a great experience. Make sure your parents know where you are at all times in case of an emergency. Call a parent, guardian, or someone you trust in case plans change or you need help. Alcohol & drugs hurt your judgment & may result in you being harmed or harming others. Just because others do something doesn't make it a good idea or right for you. It's OK to say no. Teen drivers are four times more likely than older drivers to crash. Always wear your seat belt--no matter how short the trip. **DON'T DRINK AND DRIVE**, and don't get in a car with a driver who has been drinking.

- ★ **Travel Safely**
- ★ **Avoid Using Alcohol and Drugs**
- ★ **Don't Drink and Drive**
- ★ **Just Say No**
- ★ **Be Aware of Your Surroundings**

THESE LOCAL BUSINESSES WOULD LIKE TO WISH YOU A SAFE & FUN PROM NIGHT!

April is National Auctioneer's Month

National Auctioneers Day is observed every year on the third Thursday in April. According to the National Auctioneers Association, it is estimated nearly a quarter-trillion dollars in goods and services are sold by professional auctioneer's each year. A sales method over 2,000 years old, the rhythmic cadence used in The United States is uniquely American. Thought to have developed during the Civil War, the rapidly punctuated chatter of these auctioneers not only get the job done but make it entertaining as well.

Many auction attendees found the experience addictive. They report that there's nothing quite like the thrill of finding something they want & then bidding against others who want the same thing. While you don't have to be a seasoned auction attendee to be able to experience the thrill of auctions, auctioneers across America are glad to welcome new bidders to their auctions. Though almost everyone has heard the old story about the person who attended an auction, scratched his nose & came home with an item he hadn't intended to buy, pay no heed to that myth.

If you're planning an auction, call one of these auction professionals!
