ARE THE
DO'S AND
DON'TS?**

**Personal pictures
yes or no?**

**Decorations around
or not?**

Candles yes or no?

Well my suggestions, some pictures yes. Not too many. Candles are good if they are warm scents like cookie smell or

linen. If they are too strong, they wonder what you're hiding. Decorations just a few so the home looks lived in. But too many may be hard for the buyer to picture the space.

I always say clean and bright.

Simple, clean, bright throughout. Your first impression is lasting.
