**Quiet Please**

My sister had been ill, so I called to see how she was doing. My ten-year-old niece answered the phone.

"Hello," she whispered.

"Hi, Honey. How's your mother doing?" I asked.

"She's sleeping," she answered, again in a whisper.

"Did she go to the doctor?" I asked.

"Yes. She got some medicine," my niece said softly.

"Well, don't wake her. Just tell her I called. What are you doing, by the way?"

Again in a soft whisper, she answered, "Practicing my trumpet."

THOUGHTS ON MOTHERHOOD

Somebody said it takes about six weeks to get back to normal after you've had a baby... that somebody doesn't know that once you're a mother, "normal" is history.

Somebody said you learn how to be a mother by instinct... that somebody never took a three-year-old shopping.

Somebody said being a mother is boring... that somebody never rode in a car driven by a teenager with a driver's permit.

Somebody said if you're a "good" mother, your child will "turn out good"... that somebody thinks a child comes with directions and a guarantee.

Somebody said "good" mothers never raise their voices... that somebody never came out the back door just in time to see her child hit a golf ball through the neighbor's kitchen window.

Somebody said you don't need an education to be a mother... that somebody never helped a fourth grader with his math.

Somebody said you can't love the fifth child as much as you love the first... that somebody doesn't have five children.

Somebody said a mother can find all the answers to her child-rearing questions in the books... that somebody never had a child stuff beans up his nose or in his ears.

Somebody said the hardest part of being a mother is labor and delivery... that somebody never watched her "baby" get on the bus for the first day of kindergarten... or on a plane headed for military "boot camp."

Somebody said a mother can do her job with her eyes closed and one hand tied behind her back... that somebody never organized seven giggling Brownies to sell cookies.

Somebody said a mother can stop worrying after her child gets married... that somebody doesn't know that marriage adds a new son or daughter-in-law to a mother's heartstrings.

Somebody said a mother's job is done when her last child leaves home... that somebody never had grandchildren.

Somebody said your mother knows you love her, so you don't need to tell her... that somebody isn't a mother.

HAPPY MOTHER'S DAY  
to every Mother on every day of the year!

## Salome's Stars

**ARIES** (March 21 to April 19) Untangling personal problems might take more time than the impatient Lamb expected. But it's important to hang in there until all those knotty situations are straightened out.

**TAURUS** (April 20 to May 20) You still need to work out last-minute snags in your dealings with a rival. Hold your ground despite a perceived lack of support. Things should turn around before you know it.

**GEMINI** (May 21 to June 20) Best not to delay preparing for that upcoming family event. The sooner you get things started, the better chance you have of finding potential problems and making needed changes.

**CANCER** (June 21 to July 22) The romantic Moon Child might be reluctant to see the reality behind that "ideal" situation. But by midweek, the practical Crab emerges to help clear away the moonbeams.

**LEO** (July 23 to August 22) Although the Big Cat might be receptive to more "purr-suasion" to get you to agree to a workplace change, make sure you can distinguish the fine line between facts and flattery.

**VIRGO** (August 23 to September 22) Your positive attitude in the workplace helps to get you noticed by the right people. Now go ahead and use some of that new self-confidence to help shore up a personal relationship.

**LIBRA** (September 23 to October 22) Although you might still have to work out some problems with a business partner, things go more smoothly on the home front. An investment opportunity might need more study.

**SCORPIO** (October 23 to November 21) Don't be reluctant to act on your suspicion. Even if others see nothing wrong, the astute Scorpio could sense an underlying problem that isn't always obvious on the surface.

**SAGITTARIUS** (November 22 to December 21) A new opportunity presents some obstacles that need to be dealt with as soon as possible. Delaying action in hopes that the problems will go away could be counterproductive.

**CAPRICORN** (December 22 to January 19) A friend or family member's request might carry some hidden factors that could later create problems. Be sure you know all the facts before you make your decision.

**AQUARIUS** (January 20 to February 18) A setback in implementing a plan could turn out to be a blessing in disguise. Use the downtime to rework your original concepts and see where changes could be made.

**PISCES** (February 19 to March 20) You might not be consciously fishing for compliments, but admit it -- won't you feel great when your efforts are noticed? So accept the praise gracefully. You earned it.

**BORN THIS WEEK:** Your love of beauty in your personal life extends to your efforts to protect and preserve the natural world around you.

### Submarines

The new ensign was assigned to submarines, where he'd dreamed of working since a young boy. He was trying to impress the master chief with his expertise learned in sub school.

The master chief cut him off quickly and said, "Listen, SIR, it's real simple. Add the number of times we dive to the number of times we surface. Divide that number by two. If the result doesn't come out even, don't open the hatch."

## PIEDMONT PETS

May 9, 2019  
By Paulette Dean

In the fall of 1992, after I had worked for the humane society for just a couple of months, an animal control officer brought in a dog that had been abandoned. His owners had moved away, and they had left him chained in the backyard. By the time neighbors called about him, he was emaciated and weak. I could not believe that anyone would do such a thing.

Sadly, I am no longer surprised or even shocked. Dogs are being left on chains in backyards, but frankly, those are the easier cases. The harder ones are when animals are left inside houses. We have had to rescue dogs, cats, guinea pigs, rabbits, parakeets, reptiles, and other species of companion animals. Animals are being left to die slow, lonely deaths where no one can see them. The fortunate ones are found by landlords. Others are helped when neighbors begin to hear noises in empty houses or apartments.

Some people simply take animals to isolated parts of the country and leave them. They may believe that the animals can survive on their own. They cannot. They struggle to find food and shelter during weather extremes. Consider this - when stray dogs and cats "find food," that means that birds and other small wild animals are killed.

Ferrets, rabbits, ducks join the list of animals being abandoned. In most of these cases, people believe that they can

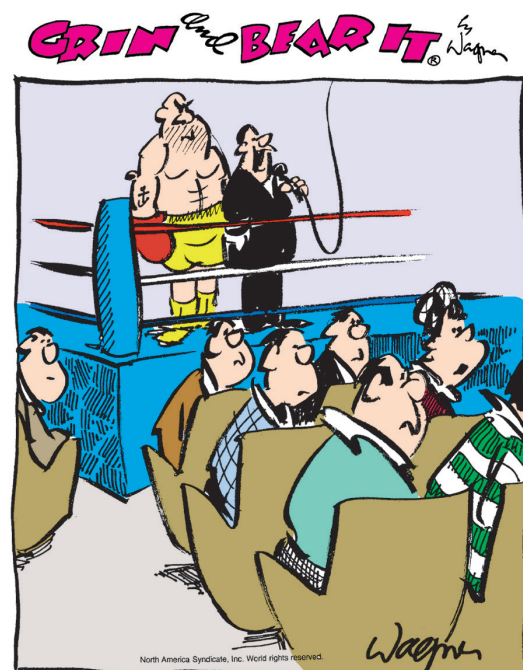

996 South Boston Rd.,  
Danville, VA 24540  
Phone: (434) 799-0843

exist in parks or in neighborhoods with no help. They are wrong.

Animals are placed in boxes, the boxes are taped, and the boxes placed in dumpsters. Usually, puppies or kittens or left at dumpsters, but we have also seen guinea pigs, rabbits, the list goes on and on, abandoned at dumpsters.

One huge problem is this - more and more people are being told that cats can be spayed or neutered and then re-abandoned a few hours after surgery. Abandonment in the case of feral or stray cats is lauded as being "progressive." We believe it is nothing more than abandonment.

If you suspect an animal has been left to fend for itself, please call us. We remain open-admission and will accept any animal for any reason at any time and from any one.

Offers available in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. Portfolio by Wells Fargo® customers are eligible to receive an additional bonus interest rate on these accounts.<sup>3</sup>

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 03/25/2019 and 05/31/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply, and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 02/15/2019, the standard interest rate and APY for a Platinum Savings account in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA with an account balance of \$0.01 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking or Wealth customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 03/25/2019 to 05/31/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. 1,2. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be combined with any other consumer deposit offer, except the Portfolio by Wells Fargo \$500 offer, available from March 25, 2019 until May 31, 2019. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.

## City unveils health care center for employees

City manager speaks at ribbon-cutting ceremony  
The City of Danville, in partnership with CareTeam, today unveiled a concierge-style health care center that will provide city employees and their spouses and dependents on the health plan with high-quality primary care.

The CareTeam Corporate Health Center, located in the River District at 541 Bridge St., Suite #1, will offer acute and episodic care, health coaching, chronic disease management, telemedicine, and laboratory services.

Mayor Alonzo Jones said, "The center will provide City of Danville employees and their families with more convenient access to care and better help them achieve their personal health goals – all while better managing the City's overall health costs. This is a win-win situation for employees and the City, and that is why City Council supported this initiative."

OneDigital, the City's benefit advising firm, partnered with the City to conduct a competitive bid process for an onsite or near-site health and wellness center provider. CareTeam was selected as the best option for the City based on experience, business model, and the variety of services it provides. The City received 11 proposals.

City Manager Ken Larking said, "We are very excited about our partnership with CareTeam and believe this benefit is a great investment in our employees, and we anticipate incremental annual cost savings by proactively managing the health of City employees."

CareTeam is a South-Carolina based company that since 2004 has been delivering easily accessible, personalized healthcare to municipal and corporate employees where they work.

"We are thrilled to partner with the City of Danville to offer a transformative healthcare solution to the City's employees," said Sam Jones, CareTeam CEO and co-founder. "Good health is good business, and we are excited to help the City curb rising health costs while simultaneously offering a unique, concierge-level primary care experience to its people."

Same-day appointments will be available to active city employees and spouses and dependents on the health plan, with shorter wait times and 20- to 30-minute appointments.

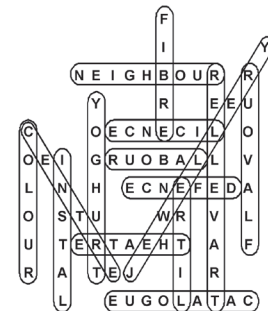

CareTeam hired Laurie Taylor as the nurse practitioner. A lifelong resident of the Danville area, she has worked as a nurse practitioner for Centra Health in urgent care and the Danville Veteran's Clinic providing primary care. Before obtaining a master's degree in nursing, specializing as a family nurse practitioner, Taylor worked for 26 years as a registered nurse.

**Margot Elisabeth Richter Mayhew**

Margot Elisabeth Richter Mayhew 79, of Gretna, Virginia, went home to be with her Lord on Thursday May 2nd after a 9 month battle with glioblastoma (brain cancer) at her home surrounded by her loved ones. She had a stroke on February 2, 2018 and was found to have a brain tumor in August.

Margot was born in Hessen, Germany on August 16, 1939, two weeks before the start of World War II. She was the daughter of her late parents, Heinrich Richter and Anna Barbara Gies Richter. In addition to her parents, she was predeceased by her brother Willie Richter in Germany. She came to the United States in 1962 with her husband, Roger Allen Mayhew, whom she met on May 3, 1959 while he was stationed in Fulda, Germany in the US Army. They married on May 18, 1960.

She is survived by her husband, Roger of the residence, her children; Roger R. Mayhew and his wife Connie, Sandra Raker and her husband Mark, Debra Roach and her husband Mark and Barbara Hancock and her husband Rodney, as well as 5 grand-children; Ronnie Mayhew and his wife Julia, Laurie Roach, Bobby Roach, Jacob Hancock, and Matthew Hancock, as well as 5 great-grand children; Elianna, Ceilidh, Josiah, Lydia, and Hannah. She also has four siblings in Europe; Mary Rossler, Siegmund Richter, Andrea Richter, and Stefan Richter, as well as numerous nephews and nieces in the U.S. and Europe.

Margot was a housewife and also spent time working as a prayer counselor for CBN Ministries. She was a prayer warrior and after accepting Jesus Christ as her Lord and Savior in 1973, she spent much time praying for her family, friends and strangers, and instilled great faith in those who spent time with her including her children and grand-children.

Over the years, she spent time volunteering in food ministries for the needy, helping with vacation Bible schools and other children's ministries. She also spoke to different schools and various classes of students about Germany and her life growing up during World War II. She enjoyed studying Gods Word and was an avid supporter of ministries that helped orphans, disaster victims, victims of human trafficking, the disabled as well as ministries that shared the Gospel of Jesus Christ around the world. She was also an advocate for the unborn children and supported the pro-life cause for many years. She enjoyed cooking, gardening, painting and was very talented at restoring broken things and creating something new. She always enjoyed picking berries and going to orchards. Among other recipes, she loved making her delicious grape juice, fox grape jelly and potato salad for family and friends.

Recently a scholarship was established in her name by the Danville Area Humane Society for those who seek a career in animal welfare. For many years, she has loved dogs, cats, wild and farm animals and instilled that love into her family. Though in recent years, she only had two dogs, "Bear" and "Fudge", who have since crossed over the Rainbow Bridge, she was always willing to help others with their pets when needed. She had a special bond with several of her "grand-pets".

The single most important things in her life was Jesus Christ; her relationship with Him and sharing Him and His love with others.

Funeral Services will be conducted at 3 pm on Sunday May 5th at Zion United Methodist Church in Gretna, Virginia, with Pastors Barry Cundiff and Dave Edinger officiating. Visitation will be one hour before the service at 2pm, as well as after the graveside service and burial at the church.

In lieu of flowers, the family suggests making donations to Zion United Methodist cemetery fund or a ministry that shares the gospel of Jesus with others.

Colbert-Moran Funeral Home, Gretna is assisting the family. Condolences may be sent to the family by visiting [www.colbertmoran.com](http://www.colbertmoran.com).

**THIS WEEK'S FARM FRESH RECIPES**

**Breakfast Sausage Balls with Maple Scrambled Eggs**  
*Ingredients*

- 2 lb. Breakfast Sausage
- 6 Eggs
- 1 Cup Milk
- 1/4 Cup Maple Syrup

*Directions*  
Roll the sausage into golf ball size rounds. Set them on a cookie sheet and use your thumb to make an indentation in the middle, creating a pocket. Bake the sausage in the oven at 350 degrees for 15 minutes. Crack the eggs and mix them with the milk until well blended. Also, stir in the maple syrup and scramble in a frying pan. Remove sausage from the oven and stuff the eggs into the pockets. Cool and serve.

**Balsamic Grilled Chicken Breast with Lemon Pepper Asparagus**  
*Ingredients*

- 2 lb. Chicken Breast, Seasoned with Grill Seasoning
- 4 Fluid Oz. Balsamic Glaze
- 8 Fresh Asparagus Stalks
- Lemon Pepper Seasoning
- Butter

*Directions*  
Season and grill chicken breast until the internal temperature reaches 165 degrees. After flipping the chicken, the first time, also add the asparagus to the grill turning frequently to prevent charring. As the meal approaches readiness brush the chicken with balsamic glaze and brush the asparagus with butter and season with lemon pepper. Remove and serve with a baked potato or garden rice.
