Spirit Lake Memorial Day Program

The American Legion Timpe Post #23 and John W. Kidd VFW Post #4514 will honor those veterans who gave the ultimate sacrifice for their country by hosting its annual Memorial Day Program on May 27, 2019, on the Dickinson County Courthouse lawn at 9:55am, in Spirit Lake. The guest speaker will be Commander Denny Perry and the Parade Grand Marshal will be Clifford Phipps.

Help is needed to put the nearly 325 flags on the lawn on Friday, May 24, at 4:00pm. Help is also needed to take them down on Monday, May 27, at 4:00pm.

"Putting for Patriots" Event to be Held Mid-May Through Memorial Day Weekend

Pirate's Cove Adventure Golf, Arnolds Park, will host the Thirteenth Annual Putting for Patriots fundraiser from Friday, May 10 through Monday, May 27. This national event will occur simultaneously at 33 Pirate's Cove, Pirate's Island and Jungle Golf miniature golf courses throughout the United States.

This May event will culminate on Memorial Day weekend and support three charities, which serve our wounded veterans, their families and survivors of the fallen. These organizations include: "Hope For The Warriors", "Homes for Our Troops" and "TAPS - Tragedy Assistance Program for Survivors." Pirate's Cove, Jungle Golf and Pirate's Island will donate a percentage of their total sales on Saturday, May 25 through Monday, May 27. In addition, from May 10 through May 27, each golf course will accept donations to be turned over to the three charities. Since its inception, this event has raised over \$522,000.

"Memorial Day was specifically founded to remember those who died serving our nation," notes Brad Graft, Pirate's Cove Partner and Regional Director. "The Pirate's Cove / Pirate's Island family thought it appropriate to establish an annual event to serve charities that assist our living veterans and the survivors of fallen military members. These are men and women who have sacrificed so much for our freedom."

Pirate's Cove, Pirate's Island and Jungle Golf operate 33 miniature golf courses throughout the United States. For more information, visit their Web sites at www.piratescove.com, www.piratesislandgolf.com, and www.junglelegolfminigolf.com. Additional information on the above charities can be found by accessing their Web sites: www.hopeforthewarriors.org, www.homesforourtroops.org and www.taps.org. To become a participating Putting for Patriots golf course, see the Putting for Patriots tab on the home page of the Pirate's Cove Web site: www.piratescove.com.

Memorial Day Flag Helpers Needed

The Milford Boy Scout Troop 170, along the American Legion Women's Auxiliary, and the Milford American Legion Post 384 will be setting up all the flags around Florence Park and on both sides of 10th Street in Milford on Monday, May 27. Anyone that wants to help with loading up the flags and getting them hung down at the park, are welcome to join them, as many hands make it easier to get them all hung in a timely manner. If you would like to help with putting up the flags, they will be meeting at the Milford American Legion Post at 7:00am to get the flags loaded from the storage cabinets at the post, then they will head to Florence Park and start there with attaching the flags to the poles and putting them up for display. Then at the end of the Day, anyone that wants to help with taking down the flags and folding them to put them away, can meet back at Florence Park at 3:00pm. This is a great way to show honor to all the veterans and current service women and men that are protecting our rights for Freedom.

Okoboji FFA Fishing Tournament

The Okoboji FFA hosted their annual fishing tournament on Saturday, May 11, here in the Iowa Great Lakes. They had over 30 FFA kids from Iowa come and fish in the tournament ranging from all over the state. Prizes were handed out to teams that had the heaviest stringer and the teams from Lake Park and Clay Central Everly winning those prizes. The Okoboji FFA would like to thank Pure Fishing for help sponsoring their tournament. Pictured are some of the students and adults that fished this year, along with their prizes.

Park Officially Opens for the Season With Discounted Rate for the First Weekend

Arnolds Park Amusement Park officially opened Saturday, May 18, for the 2019 season. The Iowa icon will be open Saturday and Sunday, 10:00am to 7:00pm, and then open daily starting Friday, May 24. This weekend the park is offering a discounted rate of \$25 per park day pass.

The Park has seen many changes over the past few years. Park goers this weekend will see a new ride being installed. The Wild Mouse will make its return to the park in June. The maintenance staff is hard at work to get the ride, which was purchased from Joyland Park in Texas, put together and have it operational in the near future. Other ride renovations include the train which had a full renovation with a new motor, new paint design, and new wheels. Also refurbished in the off-season were the Apples ride and new paint and stickers on the Ferris Wheel gondolas.

Last year a new carousel from Chance Rides was donated to the park and enjoyed by many. Last year also saw the addition of the Arnolds Park Museum and in it the return of the Sugar Bowl, Barrel and Slide from the Fun House which was a part of the park over 30 years ago. The Slide can be ridden with a day pass or season membership or for just \$1 per ride.

Along with the new rides that have been acquired, park attendees can also partake in new food items. The Fun House Diner inside the park has added fried pickles, onion petals, and mini tacos. Benet's Confections has added Boji Snickers (a deep-fried Snickers bar) and a new twist on an Indian Taco. Of course, park goers can always get all of the regular park fare. Funnel cakes, hot dogs, hamburgers, French Fries, popcorn, caramel corn, Philly cheesesteak, gyros, lemonade, and ice cream are all part of the regular menu at park food facilities.

Many of the changes over the past few years are due to the Restore the Park campaign. The park fund raising committee has been raising funds not only in the community but throughout the nation. Phase 1 of the campaign saw the addition of a new parking lot, new in park restrooms, new park administrative offices, and infrastructure work in 2017. Phase 2 in 2018, in addition to the park museum, included new office space for Okoboji Tourism and the Okoboji Foundation, the renovation of The Majestic Pavilion, a new ticket office, and new space for the Iowa Rock and Roll Museum.

Phase 3 going on now includes a much-anticipated new Roof Garden, new lakeside restrooms, and recently announced new parking lot to be completed by early July. Imagine Iowa Great Lakes is also working on a beautification project on Preservation Plaza which should be completed in June. "It is such an exciting time at the park. The improvements that have already been made are tremendous and the construction going on right now will only add to that," said park CEO Jeff Vierkant.

Day passes and season memberships to Arnolds Park can be purchased at arnoldspark.com. The \$25 discounted rate for this weekend can be made at the ticket office.

'Tis the season... Big bands returning

Most of us are too young to remember 1928, when singer Helen Kane and band-leader Paul Whiteman — along with a vocal group that included a then-25-year-old Bing Crosby — popularized the song *Get Out and Get Under the Moon*. Now a standard, the song was written by Larry Shay, William Jerome, and Charles Tobias, and was more recently recorded by Nat 'King' Cole, the recently deceased Doris Day, and Michael Feinstein, among others. It was also used in commercials for the American Apollo Program.

Those who have been saying through the winter months, "There's nothing to do," will now have to change their tunes and *Get Out...* to recall some of the great big band melodies starting Monday night at the Pearson Lakes Art Center, where *The Dick Bauman Big Band* is scheduled to play from 7 - 9:00, every Monday night from Memorial Day through and including Labor Day in Pomerantz Hall.

Co-leader Greg Forney explained last week that it will be like "the family getting together again." With occasional subs filling in, he added that the band members will all be familiar — and looking forward to the family reunion as well.

The Jazzed Up Big Band of Okoboji will open its summer season in the Majestic Pavilion at Arnolds Park, on Tuesday night, June 11th — with hopes of being one of the first — if not the first band to play in the new Roof Garden later this summer "...just like it was back in the 1940s with big band music in the Roof," leader Rick Ayres told us.

Rick also explained that the *JUBBoO* is signed to encore its Christmas show at the Washington Pavilion in Sioux Falls, on Tuesday, December 10th, with an encore at the Majestic Pavilion, on Saturday, December 14th...

In the meantime, you can see the *JUBBoO* Saturday, June 1st at the Little Swan Lake Winery, from 6 - 8:00...

The Iowa Lakes Community College Reggie Schive Jazz Camp — the longest running jazz education camp in the country — is set for June 16 -20, on the Estherville campus. The camp is open to students from the 7th to 12th grades. Enrollment information can be found at: IowaLakes.Edu/News-Events/Events/Jazz-Camp-2019/

Carol Ayres explained that following Roger Neumann's passing late last year *The Headliners* will have just seven members, with Dr. C. J. Kocher filling in on sax for the classes and public appearances. For the record, the public performances will see *The Headliners* appearing with the *Dick Bauman Big Band* on the Monday of camp week; then at Thoreson Memorial Park, in Estherville, that Tuesday; and at the Pearson Lakes Art Center that Wednesday. In addition to the Camper Combo and Big Band Concerts on the closing Thursday, *The Headliners* will perform a late concert at the Little Swan Lake Winery...

The Okoboji Summer Theatre Association spring meeting for members and those who would like to learn more about the OSTA is tonight (Tuesday) starting at 5:00, in Pomerantz Hall at the Pearson Lakes Art Center. You can get more information by calling Rachelle Fratzke at 712-330-5900, or emailing: RFratzke.RF@GMail.Com

Rachelle can also send you an Internet link to a brief statement of purpose and history of the OSTA.

Wednesday night will see *Jessie James & The Outlaws* at Table 316, in Arnolds Park, from 6 - 8:00. Master PR person Steve Samuelson is cooking up something special to celebrate one of *The Outlaw's* recent parole on the occasion of his 24,455th day of singing picking and dancing, with a spring dance and hoedown following a 5:00 dinner...

Kayla Brown will be entertaining on the stage in the barn at the Little Swan Lake Winery, Thursday night, from 6 - 8:00. Saturday will see *Shane's Gang* on the same stage at the same time; with *Sly James* dropping in on Sunday, from 4 - 6:00...

According to research director RD, today is Memo Day — noting something that reminds us of something important, for which Burt Bacharach and Hal David get an "A" for their songwriting efforts on "There's always something there to remind me of you." R. B. Graves had the biggest hit with the song in 1970 — several years after Dionne Warwick struck gold with it in 1967... (Don't forget!)

Thursday is Lucky Penny Day, for which Rosemary Clooney gets the nod with her recording of *Pennies From Heaven*, a song written by Arthur Johnson and Johnny Burke, in 1936 — the year Bing Crosby recorded his version. Rosie's recording came in her 1978 Bing Crosby tribute album. 'Guess we should also note that May 23rd is the day Rosie was born in 1928...

Daniel Gabriel Fahrenheit was born on May 24, 1686, and noted to be the physicist who invented the thermometer — and the Fahrenheit scale. The song *Too Darn Hot*, written by Cole Porter for the musical *Kiss Me Kate*, has been recorded by many artists such as Sarah Vaughn (1949), Mel Tormé, (1960), and Stacey Kent in 2003 — the same year it was used as background music in an Adidas television commercial.

The musical *Mame* opened for 1,508 performances on May 24, 1966. Jerry Herman wrote the music for the show, including the song, *It's Today*. A favorite for Marilyn Maye's audiences, the song was performed on Broadway by Angela Lansbury. Thirty years later it was covered by Ann Hampton Callaway and her sister Liz Callaway on their CD, *Sibling Rivalry*...

Friday is also Tiara Day. While she may never have worn a tiara, Ella Fitzgerald, the Queen of Jazz, received early recognition for her first single with the 1935, 78 RPM recording of *I'll Chase The Blues Away*, made with the *Chick Webb Orchestra*, on the Decca label...

Sing Out Day comes on Saturday. And RD is singing with a swing with Louis Prima's 1936 tune, *Sing, Sing, Sing (With a Swing)*, and used by Benny Goodman in his 1938 Carnegie Hall jazz concert — the first jazz concert at Carnegie Hall. The King of Swing's recording lasted more than 8 minutes and required both sides of a 12-inch, 78 RPM disc!

The aforementioned lyricist Hal David was born on May 25th, 1921, and is best known for his collaborations with Burt Bacharach and his association with Dionne Warwick — especially on the song, *There's Always Something There to Remind Me*.

Weather permitting, you could have a lot of fun celebrating Paper Airplane Day on Sunday — while singing *Straighten Up and Fly Right*. Written by Nat 'King' Cole and Irving Mills, the song was first recorded by the *King Cole Trio* in 1944. Twenty-two years later, *Straighten Up...* was re-released on vinyl by another trio, featuring pianist Oscar Peterson.

Linda Ronstadt covered the song in 1986. And Diana Krall used it on her 1993 debut album, *Stepping Out*, which is what we're doing right now — to go make a paper plane...

All the news that fits we print.

SAVING THE BRICK AND MORTARS OUR NATION IS BUILT ON

3 Think about which three independently owned businesses you'd miss most if they were gone. Stop in and say hello. Pick up a little something that will make someone smile. Your contribution is what keeps those businesses around.

50 If just half the employed U.S. population spent \$50 each month in independently owned businesses, their purchases would generate more than \$42.6 billion in revenue.* Imagine the positive impact if 3/4 of the employed population did that.

68 For every \$100 spent in independently owned stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home*.

1 The number of people it takes to start the trend...you.

LETTERS TO THE EDITOR

Letter To The Editor:

Our agency was pleasantly surprised by a donation we received from the Good Neighbor Fund of the Okoboji and Spirit Lake Territories. We want to openly express our thanks to everyone who may have donated to such a cause. Centers Against Abuse & Sexual Assault (CAASA) provides services to sexual assault/abuse survivors by offering 24 hour crisis intervention services, crisis counseling services, transportation services, information and referral services, legal and personal advocacy, mentoring, and other additional services for victims of abuse. All of the services we provide are free to victims of abuse. The funds CAASA received will go directly back to victim services.

Annually, April was Sexual Assault Awareness Month (SAAM). This year's theme, "I ASK" builds on the idea that consent is everything. Asking for consent is a healthy, normal, and necessary part of everyday interactions. Consent is always about choosing to respect the personal and emotional boundaries of others. It is important for individuals to think about how their actions might make others feel and ask questions if they don't know. When an individual wants to get close to someone, whether it is someone they are hooking up with for the first time or a partner in a committed relationship, it is important to know how to ask for consent. Nearly one in five women and one in 71 men are victims of sexual assault (Black et al., 2011), but all of us are impacted by sexual violence not only during the month of April, but throughout the year.

Everyone understands that sexual violence impacts victims and their families, but the effects of this violent crime on communities and society are less obvious. Sexual violence creates a climate of fear, anger, and/or disbelief in the workplace, campuses, and communities that it occurs in. Additionally, sexual violence generates criminal justice, medical, and crisis and mental health service expenses. Perhaps most damaging are the lost contributions of survivors. All of us can practice consent in our lives by asking permission before assuming and showing respect for others' choices. When it comes to sex, it is important that everyone is on the same page, and the best way to do that is by directly asking for consent.

We can teach this culture of respect and asking in all facets of our lives. Communities and businesses can take action to implement policies that promote safety, respect, and equality. CAASA provides all of these services, presentations, and information to our local businesses free of charge. Please, join us in helping everyone see their role in preventing sexual violence the rest of the year as well. Once again, we are grateful to the donors of the Good Neighbor Fund. Thank you so much for your generous contribution to victim services. You can learn more by contacting (CAASA) Centers Against Abuse and Sexual Assault at 877-362-4612.

Memorial Day Flag Helpers Needed

The Milford Boy Scout Troop 170, along the American Legion Women's Auxiliary, and the Milford American Legion Post 384 will be setting up all the Flags around Florence Park and on both sides of 10th Street in Milford on Monday, May 27. Anyone that wants to help with loading up the flags and getting them hung down at the park, are welcome to join them, as many hands make it easier to get them all hung in a timely manner. If you would like to help with putting up the flags, they will be meeting at the Milford American Legion Post at 7:00am to get the flags loaded from the storage cabinets at the post, then they will head to Florence Park and start there with attaching the flags to the poles and putting them up for display. Then at the end of the Day, anyone that wants to help with taking down the flags and folding them to put them away, can meet back at Florence Park at 3:00pm. This is a great way to show honor to all the veterans and current service women and men that are protecting our rights for Freedom.

Kiwanis Club Hosts Bumgarner

The Milford Kiwanis Club recently hosted Bill Bumgarner, the President of Spencer Hospital's Administrative Team. Mr. Bumgarner, left front, is surrounded by Kiwanians Jamie Billings, Dick Anderson and Jack Walsh. The Spencer Hospital, first founded in a large house in 1911, has been at its present site since 1935. The campus includes its main hospital area, also home to the Abben Cancer Center; dialysis treatment centers in Spencer and Spirit Lake; as well as health care clinics in Milford, Sioux Rapids and Spencer. Mr. Bumgarner expressed his deep appreciation for the caring and commitment of the hospital's staff and healthcare team. Recently, for the fourth consecutive year, the Spencer Hospital was named as one of the "Top Rural and Community Hospitals in the State of Iowa." Congratulations to the professional and support staff as well as a strong volunteer force, whose work and dedication have made this award possible.

GREAT CATCH! – Joseph Salmon, of Arnolds Park, with an 11 inch and a 12 inch Crappie caught at Gull Point.

Abbie Gardner Cabin Opening

A small log cabin sits near Pillsbury Point, along the shore of West Lake Okoboji. "With inexpressible sadness I now recall some of the scenes and events that transpired in that humble but happy home..." Abbie Gardner Sharp wrote in "History of the Spirit Lake Massacre."

Her sister reading aloud to the family. Her father helping the kids with schoolwork. Her mother crocheting. Gardner Sharp's memories of that place were tainted when tragedy occurred in March 1857. Misunderstandings between settlers and Native Americans sparked an atrocity that is still remembered today. Individuals on both sides were killed. The lives of young and old were taken. But one little girl survived to tell the tale. Abbie Gardner was 13 when she was kidnapped during the Spirit Lake Massacre and lived with the Wahpekute band for months before she was traded back for two horses, 12 blankets, two kegs of powder, 20 pounds of tobacco, 32 yards of cloth, ribbon and other articles. When she later returned to Pillsbury Point as Abbie Gardner Sharp, she opened a museum to tell her story. Her legacy is still intact as the history of the Spirit Lake Massacre is recalled at the Abbie Gardner Cabin & Museum in Arnolds Park each year. The State Historical Society of Iowa site opens for the season Friday, May 24, and is open noon-4:00pm, Tuesday-Sunday through Labor Day weekend. For more information on the Abbie Gardner Cabin & Museum or on other Dickinson County Conservation Board parks and areas, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

"Putting for Patriots" Event to be Held Mid-May Through Memorial Day Weekend

Pirate's Cove Adventure Golf, Arnolds Park, will host the Thirtieth Annual Putting for Patriots fundraiser from Friday, May 10 through Monday, May 27. This national event will occur simultaneously at 33 Pirate's Cove, Pirate's Island and Jungle Golf miniature golf courses throughout the United States. This May event will culminate on Memorial Day weekend and support three charities, which serve our wounded veterans, their families and survivors of the fallen. These organizations include: "Hope For The Warriors", "Homes for Our Troops" and "TAPS—Tragedy Assistance Program for Survivors." Pirate's Cove, Jungle Golf and Pirate's Island will donate a percentage of their total sales on Saturday, May 25 through Monday, May 27. In addition, from May 10 through May 27, each golf course will accept donations to be turned over to the three charities. Since its inception, this event has raised over \$522,000. "Memorial Day was specifically founded to remember those who died serving our nation," notes Brad Graft, Pirate's Cove Partner and Regional Director. "The Pirate's Cove / Pirate's Island family thought it appropriate to establish an annual event to serve charities that assist our living veterans and the survivors of fallen military members. These are men and women who have sacrificed so much for our freedom." Pirate's Cove, Pirate's Island and Jungle Golf operate 33 miniature golf courses throughout the United States. For more information, visit their Web sites at www.piratescove.com, www.piratesislandgolf.com, and www.junglegolfgolf.com. Additional information on the above charities can be found by accessing their Web sites: www.hopeforthewarriors.org, www.homesforourtroops.org and www.taps.org. To become a participating Putting for Patriots golf course, see the Putting for Patriots tab on the home page of the Pirate's Cove Web site: www.piratescove.com.

First Lutheran Walking Trail Offers New Route

First Lutheran Church of West Okoboji invites area residents who love nature and walking to use their "Mission Mini Mile" Walking Trail.

The trail is located just northeast of the church's education wing, at the intersection of Three Cross Road and Heritage Avenue. To walk the trail, begin at the sign shown above, go north .3 mile to the property fence. Then turn left (west) following the sign .1 mile to the western edge of the property by the fire pit.

Walkers will note a new route on the trail as they leave the fire pit area. Follow the trail south one block and you will see a new sign noting a revised route for the remaining .4 mile of the trail.

Overview Path (above) runs to the southeast and upon ascending the hill, walkers will find a bench facing "Three Cross Lake" to the west. Relax on the bench and enjoy a gorgeous view of the lake alive with waterfowl, and the surrounding terrain alive with natural flowers, grasses, and song birds.

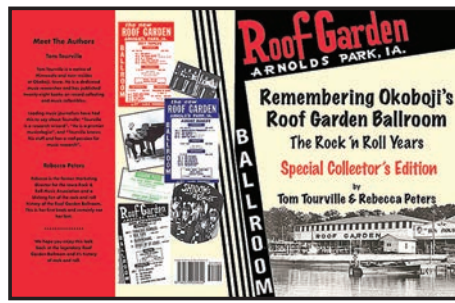

As you leave the bench area going southeast around the First Lutheran garden, you will hook up with the blacktop road which runs back up the hill to the parking area by the trail sign.

"God writes the gospel not in the Bible alone, but on trees and flowers, and the clouds and sky". - Martin Luther

Realty One Hires Eakin

Cara Naatjes and the team are excited to announce new agent Randy Eakin to the Okoboji branch of Realty One Group Revolve.

Randy has been a gracious contributing community member to the lakes region for over 50 years; serving on church boards, past resident of the Milford youth wrestling club, and heading up annual golf tournaments raising thousands for Camp Foster. Randy's hobbies, work experience, and church have given him the opportunity to build relationships with so many people throughout the lakes area and is excited to work with them in real estate. Randy spent 30 years working for a local furniture manufacturer starting as a framer and working up to lead the company as president so he understands the importance of hard work, commitment, and loyalty to the customer and understanding their needs. Randy brings trust, strong work ethic, a true desire to help people from all walks of life, and a common sense approach to buying or selling your home or commercial property. He truly enjoys helping others and says he can't think of too many life decisions that are more important than your home and is excited to help the great people in this area.

Realty One Group Revolve is an independently owned and operated real estate firm in the State of Iowa. Realty One Group is redefining real estate with empowering the agent to achieve greater success faster. Technology won't replace the agent but the real estate professional, armed with the right technology and support, is the future. #1 Fastest Growing Real Estate brand, #5 Nationwide ranked by Real Trends, 11,000+ professionals and 170+ offices.

The grant request was submitted in 2018 during the annual grant cycle and the gift was awarded through the grants committee, voting membership and final approval from the Okoboji Foundation board of directors. The Okoboji Foundation supports vital capital projects that make the greatest impact and creates ripples of good throughout the Iowa Great Lakes community. Abbie Gardner Cabin Opening

A small log cabin sits near Pillsbury Point, along the shore of West Lake Okoboji. "With inexpressible sadness I now recall some of the scenes and events that transpired in that humble but happy home..." Abbie Gardner Sharp wrote in "History of the Spirit Lake Massacre." Her sister reading aloud to the family. Her father helping the kids with schoolwork. Her mother crocheting. Gardner Sharp's memories of that place were tainted when tragedy occurred in March 1857. Misunderstandings between settlers and Native Americans sparked an atrocity that is still remembered today. Individuals on both sides were killed. The lives of young and old were taken. But one little girl survived to tell the tale. Abbie Gardner was 13 when she was kidnapped during the Spirit Lake Massacre and lived with the Wahpekute band for months before she was traded back for two horses, 12 blankets, two kegs of powder, 20 pounds of tobacco, 32 yards of cloth, ribbon and other articles. When she later returned to Pillsbury Point as Abbie Gardner Sharp, she opened a museum to tell her story. Her legacy is still intact as the history of the Spirit Lake Massacre is recalled at the Abbie Gardner Cabin & Museum in Arnolds Park each year. The State Historical Society of Iowa site opens for the season Friday, May 24, and is open noon-4:00pm, Tuesday-Sunday through Labor Day weekend. For more information on the Abbie Gardner Cabin & Museum or on other Dickinson County Conservation Board parks and areas, visit www.dickinsoncountyconservationboard.com or call 712-336-6352. You can also keep up with the latest happenings on Facebook, Instagram and Twitter.

Milford Library News

The last session of MML's 4-H Clover kids (Kindergarten through 3rd Grade) will be on Thursday, May 23, at 3:30pm (Roller Coasters). This program features fun hands on STEM activities that connect with literacy and standards from the Iowa Core. The primary goal of Clover Kids is to promote healthy development - mentally, physically, socially, and emotionally. MML's Clover Kids will be taking a break throughout the summer, but it will start back up again in the fall. Please check MML's website and social media for upcoming dates and times as all participants need to be pre-registered with a small fee for a school year of activities. Building Bookworms, formally known as Storytime, will meet Saturday, May 25, at 10:30am. MML's Youth Librarian, Miss Becca, enjoys sharing the love of reading and imagination with children and families of all ages. Building Bookworms features great stories, songs/rhymes, coloring sheets, activities, and a simple craft on a variety of themes. This week involves the kiddos creating a colorful mosaic ice cream cone out of a variety of paper. Families are welcome to stay and visit as long as they would like to after the program. There is no pre-registration and no cost to join this reading fun. All of the materials and services are provided by the library. Milford Memorial Library will be closed Monday, May 27, in observance of Memorial Day. We will see you on Tuesday, May 28, for our regular hours. Paint Night is Wednesday, May 29, from 7:00 to 9:00pm, at the Milford Memorial Library. Join others for a fun night of painting, fellowship, and snacks provided by the three local libraries. Any skill level is invited to recreate a 16 x 20 painting following step-by-step instructions from the original artist. All of the supplies will be provided by the libraries. There are only 30 spots available so pre-register at the Arnolds Park Public Library, Spirit Lake Public Library, or the Milford Memorial Library. The cost is \$7.50 for early registration and \$15 for registration on the day of the event. MML is excited to announce our Summer Reading Kick Off Celebration at 6:00pm on Thursday, June 6, at Florence Park. There will be information, space tattoos, animals, a small craft, and delicious food. Don't miss it!

Johnson Joins NextHome At The Lakes

NextHome At The Lakes is excited to announce that Bridget Johnson has joined their real estate team.

Bridget grew up in Wells, Minnesota, just over the Iowa state line. Her connection to the Iowa Great Lakes came from her husband, Bill, who grew up enjoying his grandparents' place at Gerk's Resort – just a short drive from his hometown of Worthington, Minnesota.

The two met in Steamboat Springs, Colorado, and were married in Okoboji, always planning to come back and retire here one day.

After a 20-year hospitality career working in luxury hotels across Minnesota, the mountains of Colorado (including Aspen) and Houston, Texas, Bridget and Bill returned to the Okoboji area to open The Oakwood Inn, an 11-room bed and breakfast inn.

Her love for buying and selling real estate led her to get her real estate license and join NextHome at The Lakes in Spirit Lake, Iowa. Now, Bridget is looking forward to helping others realize their Okoboji lake home dream.

In addition to owning and operating The Oakwood Inn along with her husband, Bridget enjoys gardening, making breakfast, baking and sitting on the veranda with Bill and their Bernedoodle, Maggie.

NextHome At The Lakes is located at 1410 Lake Street in Spirit Lake. You can contact Bridget at 970-618-9379 or bridget@nexthomeatthelakes.com.

ALA National Poppy Days

The official Memorial Flower of the American Legion and the American Legion Auxiliary is the Poppy. Units and Posts have been distributing our Veteran-made Poppies since 1921 and no matter what the cost, the Memorial Poppy is never sold, but given in exchange for a contribution. Contributions collected are used for Veterans and their families. It's a small way that each of us can show respect.

This year National Poppy Day is May 24th. To honor this day Mayor Jim Hussong of Arnolds Park and Mayor Steve Anderson of Milford have signed a proclamation stating that May 24 and 25 are American Legion Auxiliary Poppy Days. ALA Jr. member Faith Pearson presented each Mayor with a Poppy boutonniere.

If you would like to have a Poppy to display to show your respect for our Veterans, you will find various ALA members at the Arnolds Park Post Office or in Milford at Sunshine Foods on May 24th and 25th.

Thank you Veterans, past and present, and all of the Military Members still serving today. God Bless America.

35th Annual Flagfest Parade

On Saturday, June 8, 2019, Spencer will host the 35th Annual Flagfest Parade. This year's Flagfest Parade is being sponsored by Arnold Motor Supply and Black Hills Energy. Bring the family with your lawn chairs and blankets to watch the parade. The parade will start at 11:00am on Saturday, June 8, 2019. The parade starts from Gate C at the Clay County Fairgrounds traveling East on West 14th Street to Grand Avenue; turning South on Grand Avenue (Highway 71 and 18) to West 4th Street; then turning West on West 4th Street to 3rd Avenue West. For more information, please contact the Spencer Chamber of Commerce at 712-262-5680 or stop by the office at 1805 Highway Boulevard, Spencer, Iowa 51301.

Bike Ride in Clay County

Clay County Trails Association will host a 32.7 mile bike ride on Saturday, June 8, 2019, starting at 2:00pm, at the 5:13 Bar. The 32.7 mile bike ride is neither a race nor a test of stamina; it is intended that all participants pedal at their own pace and in a safe and responsible manner, and have fun. This is a fun bike ride. Any freewill donations to go toward the trails in Clay County. The ride will return to 5:13 Bar in time for "The Chill" (a free concert featuring "Shirts and Skins").

Pollinator Paradise 2019

The Pollinator Paradise addition at the Dickinson County Nature Center is continuing to move forward thanks to a grant from the Dickinson County Endowment Fund.

The Conservation Foundation of Dickinson County received a \$10,000 grant from the Dickinson County Endowment Fund in September 2018 to help create exhibits inside the new Pollinator Paradise addition to the Dickinson County Nature Center in Okoboji.

This grant is being partnered with other donations and grants to create children's museum-quality exhibits about butterflies, bees and other pollinators that will be installed in November 2019.

The \$1.7 million project will feature several interactive and educational exhibits. Exhibit designs are now with the fabricators --- Heartland Scenic Studio of Omaha, NE --- and should be installed by November 2019.

Donations are still being taken to complete the Pollinator Paradise project, and you can make a tax-deductible gift to the Conservation Foundation of Dickinson County at www.dickinsoncountynaturecenter.com. Click the donate button at the bottom of the page and write "Pollinator Paradise" in the notes to seller section.

For more information on Pollinator Paradise and for blogs, quizzes and craft about pollinators, visit our website or keep up on the latest happenings on Facebook, Instagram and Twitter.

Young Professional to Host "The Chill"

Spencer USA happy to announce that the first "The Chill" for 2019 will be on Saturday, June 8, 2019 during the Flagfest Weekend. The Chill will run from 7:00 to 11:00pm at 5:13 Bar's Green Space. Come and socialize with your friends and neighbors. Admission is free. Spencer USA, & 5:13 Bar are excited to host with Spencer Municipal Utilities sponsoring "The Chill" featuring "Shirts and Skins".

Shirts & Skins is one of the most dynamic touring bands in the upper Midwest. Their musicianship, exceptional training and dynamic show will have you captivated from the very first note. With a diverse song list, Shirts & Skins hits all genres and musical tastes. This is a band that brings passion, excitement, and positive energy to audiences all across the United States.

Comprised of seasoned veteran performers from some of the most popular bands throughout Twin Cities and the Midwest, Shirts & Skins represents the utmost in musicianship and professionalism. The band features a rotating set of two dynamic female lead singers, backed by a very solid core of talented musicians on drums, bass, and guitar, as well as electric fiddle and keyboard. Their broad instrumentation produces a versatile, full sound. Additionally, because every member of the band also sings, they are able to incorporate rich vocal harmonies and seamlessly transition between musical styles.

Shirts and Skins is a modular band. What does that mean to you? It means Shirts and Skins can become as small as a five piece playing smaller clubs, or as big as a ten piece playing to thousands of people at a festival. It means we can swap out utility players to make the ultimate funk band with a full horn section, be a country band with a fiddle player or a pop band with sax and keyboards. It also means we can send the members that fit the event best. So if you need a country band... we send our members that know country best. If you want hard hitting rockers we can send our members that have experience with metal, rock and punk. But how can we make sure the product stays at the same level of awesomeness? We practice together. We train together. We travel together and we have fun together. Everyone in our organization knows all of our arrangements, all the choreography and all the equipment. There is no need for subs when you have three guitar players (et al) that rehearse together for the same goal. A custom, high energy band for your event with absolutely no subs. Ever.

Shirts & Skins plays a wide variety of events, including corporate events, weddings, casinos, festivals, and bar shows. They focus on dance-able hit songs, with enough variety to please all listeners. Their set list is custom tailored for every event, featuring contemporary Pop, Classic Rock ('60s, '70s, '80s, and '90s), Funk, Blues, and Classic/Modern Country. With the rotating singers, it's easy to play up the strengths of each singer and to the needs of each event or venue.

You'll be thrilled with Shirts and Skins, as this is a band that keeps the crowd singing and dancing all night.

Click It or Ticket Campaign

With the official kick off to summer in the Iowa Great Lakes, The Spirit Lake Police Department, working in conjunction with the Iowa State Patrol, will be conducting a multi agency project on Friday, May 24, 2019. The focus of the project is on traffic offenses in the highway 9 and 71 corridor within the city limits of Spirit Lake. Officers and Troopers will be actively enforcing all traffic laws but the focus will be primarily on speed, distracted driving, seatbelt use, and intoxicated drivers. The project is from 4:00 until 11:00pm.

During the Memorial Day Weekend in 2018, May 24 through May 28, the Spirit Lake Police Department issued 42 traffic citations, arrested 2 people for operating while intoxicated, and issued another 5 criminal complaints. Also during that time the department handled 5 motor vehicle accidents.

Click It or Ticket Campaign - May 20 – June 2, 2019: Memorial Day and the traditional beginning of summer are quickly approaching. Unfortunately, with the increase in summer traffic we will also see a rise in traffic crashes and fatalities. Last year there were four traffic fatalities on Iowa roadways over the Memorial Day weekend; four deaths that may have been prevented. According to the National Highway Traffic Safety Administration (NHTSA) in 2017 there were 10,076 unbuckled passenger vehicle occupants killed in crashes nationwide. A majority of those lives could have been saved if they had been wearing seat belts. The national Click It or Ticket campaign will take place May 20 – June 2, 2019. State and local law agencies across the state will be stepping up seat belt enforcement with the goal of protecting you and your family.

Seat Belt Myth Busters
 Vehicle Type: There seems to be a misconception among those who drive and ride in pickup trucks that their large vehicles will protect them better than other vehicles would in a crash. Fifty-nine percent of pickup truck occupants who were killed in 2017 were not buckled compared to 42 percent of car occupants.*
 Seating Position: Too many people believe they are safe in the back seat unrestrained. Forty-six percent of all front-seat passengers killed in 2017 crashes were unbelted but 56 percent of those killed in the back seat were unbelted.*

Rural versus Urban: People who live in rural areas might believe that their chance of being in a crash is lower but in 2017 there were 12,786 passenger vehicle fatalities in rural locations compared to 10,316 fatalities in urban locations. Of those fatalities, 49 percent of those killed in rural locations were not wearing their seat belts compared to 44 percent in urban locations.*
 (*National data supplied by NHTSA)

The Iowa Department of Public Safety and the Governor's Traffic Safety Bureau want to remind all drivers of the importance of seat belt use. Buckle up every trip, every time!

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

Letter to the Editor:

By the time your readers see this, the event about which I am writing will have occurred two days prior. I am writing about the appearance of Hector Avalos, at the May 19 UU Fellowship. Your story about Dr. Avalos states he is a Professor of Religious Studies at ISU. Among other distinctions, he is the co-founder of the Atheist and Agnostic Society there. He is a Harvard grad, and is well versed in the Hebrew Bible. His pedigree would appear endless/flawless: numerous books to his credit and another one due later this year. Wikipedia also credits him with refuting the theory of intelligent design. His subject for May 19 is "Living and Dying as an Atheist".

No doubt this man has spent a great deal of his life in academia. His journey through advanced degrees has taken him beyond ministries as a faith healer and child evangelist. That being said, I will absolutely be nowhere near the sound of his voice, for a host of reasons. Talk about straying from the path of salvation! He appears to be about 60 years old, and is an "evangelist for secular humanism". There would be my first reason for avoiding his talk. If ever there was a vapid belief system, it would appear this is it. When you look up "vapid" in the dictionary, these meanings/synonyms are listed: relating to nothing that is stimulating or challenging; colorless; flat; uninspiring; lifeless; spiritless; anemic; vacuous; bland; trite; watery; flavorless. Seems like a great deal of time, effort and money was spent on a great deal of education to come to the conclusion that "being a nice person, and caring for your fellow humans is all there is in life". My second through several hundred reason(s) center on my belief that the Bible I know and cherish is the inspired word of God, and clearly states the path of salvation available to all.

I attended a UU Fellowship meeting several years ago, and came away with a hollowness that convinced me that prayer and a spiritual life centered on a loving God who sent His Son to die for the sins of all humankind offered a fulfillment infinitely beyond the belief and value system that UU professes. I pray that they will come to a realization that the recorded history and tradition of this planet, its inhabitants and the complexity of the universe point to a Creator, and not some random set of circumstances! I pray, too, for those students who come under the influence of Dr. Avalos. They were likely reared in some Christian Church and strayed from the teachings their parents tried to impart to them. May God enlighten them with the truth of His glorious plan for the salvation of their immortal souls!

ISU Extension to Host Three Master Gardener Webinars

Participants will gain insight into pollinators, vegetables and flowers, and urban ecology

The Iowa Master Gardener program with Iowa State University Extension and Outreach will host a trio of Growing Season webcasts this summer. Attendees will gain educational hours while learning about pollinators, vegetables, flowers and urban ecology.

The one-hour webcasts will be shown at the Spirit Lake Public Library on three consecutive Tuesday nights. The programs are free of charge and open to anyone who may be interested.

Give Your Garden Wings - Tuesday, June 18, from 7:00-8:00pm - Jessie Lowry, director of conservation and research at Blank Park Zoo in Des Moines, will share pollinator garden best practices. Participants will learn what to plant and will get to explore the monarch butterfly migration.

Gardening FAQ - Tuesday, June 25, from 7:00-8:00pm - From vegetables to flowers, attendees will explore the in-depth answers to frequently asked gardening questions with Aaron Steil, assistant director at Reiman Gardens in Ames.

Ecology Plus Diversity - Tuesday, July 2, from 7:00-8:00pm - Participants will explore how to create plant communities that mimic nature with Grant Thompson, assistant professor of horticulture at Iowa State.

Run for the Son

The Run for the Son is back. Sacred Heart Parish's fun-focused 5K is open to all; walkers and non-competitive runners are welcome and encouraged to participate. All proceeds benefit Sacred Heart Catholic School in Spencer, so come for a great morning of exercise and find your happy place.

Registration is \$30 per adult or \$15 per youth (18 and under) through May 18, and an event shirt is included. Shirts may also be purchased separately for \$25/each. After May 18, late registration is \$40 per person and shirts/sizes cannot be guaranteed. You may register online at irunfortheson.com.

Race packet pickup and late registration will be held at the main entrance to Sacred Heart School from 6:00-7:30pm on Friday, June 14, and in the Parish Hall beginning at 7:30am the morning of the event. The race begins at 9:00am from Sacred Heart at 1111 4th Avenue West in Spencer. Refreshments will be provided following the event, and prizes will be awarded to the male and female winners in each division: 12 and under / 13-18 / 19-39 / 40-59 / 60 and over.

For additional information, please contact Sheriffa Jones, Director of Stewardship and Development at sjones@spencer-sacredheart.com or 712-580-6348 or Boone Bjorklund, chair of Run for the Son at boonebjorklund@yahoo.com.

LETTERS TO THE EDITOR

The publisher does not necessarily share the views/opinions stated in the "Letters to the Editor" published in The Lakes News Shopper.

To The Editor:

A Correction Needed?

Residents of Spirit Lake have many community assets to be thankful for. For a city of our size, we share benefits usually found only in larger ones. Fortunately, tourism contributes for the cost of some of these assets. However, some assets remain for our citizenry to fund.

The Spirit Lake Fire Department is an asset we all take for granted. They will be there when the need arises. Whenever the alarm is sounded they are ready to assemble and take the risks associated with fighting fires. Time spent fighting a fire or training to fight a fire is \$10.00 per hour. Should a greeter at Walmart be paid more than our fire fighters?

I will not suggest an appropriate rate, but leave it to the Spirit Lake City Council to determine the amount to pay for this valuable asset.

Robert Snetzer
 Spirit Lake, Iowa

Community Table

All are welcome for a Community Table meal from 5:30 - 6:45pm on the 2nd, 3rd and 4th Thursdays of the month.

The 2nd and 4th Thursday meal will be held in Arnolds Park (Okoboji Bible Conference Community Center, 45 South Highway 71).

The 3rd Thursday meal will be held in Spirit Lake (Bedell Family YMCA, 1900 41st Street).

This event is sponsored by the Dickinson County Ministerial Association in partnership with the Bedell Family YMCA and Upper Des Moines Opportunity.

Spirit Lake Library News

"A Universe of Stories" at the Spirit Lake Library
 Blastoff at the Spirit Lake Public Library this summer! School is winding down and our Summer Reading Program, "A Universe of Stories", a nationwide theme on space, celebrating the 50th anniversary of the first moonwalk, is ready for launch. "A Universe of Stories!" kicks off on Tuesday, May 28, with a Registration Fair from 10:30am to 12:30pm. Dickinson County Nature Center, Lakeside Labs, Treasure Village, Kindermusik, Creative Spirits and possibly more will be joining in our kickoff. These local providers of youth programming will have representatives (last year we had a couple of princesses, a snake and a hedgehog too) and/or information booths to share their summer program opportunities. Come get signed up for the library and walk away with other fun learning activity plans in the Lakes area. If the Registration Fair time does not work with your schedule, no worries, you can register to participate in the library program anytime from May 28 through July 6 either at the library or online at slpublib.com.

This year's summer reading program will again feature the popular "spinning the wheel" for reading prizes and special entertainment including science experiments, music, yoga, puppets and more. All prizes and entertainments are made possible by numerous generous donors including Alliant Energy, RE/MAX Lakes Realty, 3D Builders, Lakeland Realty of Iowa, Artistry by Peschon, Turner Jenness Family Funeral Home and Beck Engineering.

For more information stop in, check our website, slpublib.com, call us at 712-336-2667 or look us up on Facebook. Hope to see you at the library!

Economic Benefits

An investment in wind farms is an investment in jobs, including jobs in operations and maintenance, construction, manufacturing and many support sectors. These are jobs created here in America that support our local economy. Wind farms create additional revenue for farmers through lease payments while increasing the local tax base. In 2017, Minnesota counties and townships received \$12.07 million in taxes from wind farms which are used on roads, public works buildings and other projects that benefit the entire community.

Turkey Burgers with Mango Salsa - A refreshing dish on a warm night

Ingredients:

- 1/2 cup dry bread crumbs
- 1/3 cup garlic-herb spreadable cheese
- 2 green onions, chopped
- 4 1/2 teaspoons lemon juice
- 1 1/2 teaspoons grated lemon peel
- 1 teaspoon minced fresh thyme (or 1/4 teaspoon dry thyme)
- 1/2 teaspoon salt
- 1/2 teaspoon pepper
- 1 1/2 pounds lean ground turkey
- 6 whole wheat hamburger buns, split
- 3/4 cup pre-made mango salsa

Directions:

In a large bowl, combine the first eight ingredients. Crumble turkey over mixture and mix well. Shape into six patties.

Moisten a paper towel with cooking oil; using long-handled tongs, lightly coat the grill rack. Grill burgers, covered, over medium heat or broil 4 inches from the heat for 4 to 6 minutes on each side, or until a thermometer reads 165°F and juices run clear.

Grill buns, uncovered, for 1 to 2 minutes or until toasted. Place burgers on bun bottoms. Top with salsa. Replace bun tops.

The Death Boat: a Book by Lloyd B. Cunningham

The Death Boat, a new book by Lloyd B. Cunningham, tells the story of Miss Thriller, a 16-passenger launch known in the 1920s as the "fastest boat in the world carrying passage for hire." Launched on the St. Lawrence River in 1922, she was one of the most popular attractions at Alexandria Bay, New York. In 1925, Miss Thriller was moved to West Lake Okoboji, Iowa, and became the most sought-after attraction at Arnolds Park, a lakefront resort community in northwest Iowa. Her popularity threatened the local Eagle Boat Line and an intense rivalry ensued. Sunday night July 28, 1929, Miss Thriller was hit in the dark and sunk by the Eagle Line launch, Zipper. Nine people lost their lives in the accident.

Over the next two years, men were charged with second-degree murder, manslaughter and conspiracy. Four trials were conducted and a pilot was sentenced to prison. The governor banned passenger boats from operating after dark, and the state conservation board adopted stringent rules governing the operation of all motorboats on Iowa lakes.

In The Death Boat, Cunningham brings together dozens of newspaper stories, the accounts of survivors, the testimony of witnesses and the decisions of judges into the first detailed account of the famous launch. He quotes launch pilots, public letters, private correspondence, and government records as he sheds light on the many mysteries surrounding the sinking of Miss Thriller and her recovery from the bottom of the lake. And Cunningham reveals a new mystery about the launch as he writes about events that changed boating in Iowa forever.

Lloyd B. Cunningham is a retired news photographer who spent nearly forty years with the Argus Leader in Sioux Falls, South Dakota. He and his wife, Linda, now live in Lakeland, Florida, and spend their summers at West Lake Okoboji. A scuba diver since 1992, Lloyd has logged more than 350 dives in the lake where Miss Thriller sank in 1929. When not studying the history of the Iowa Great Lakes, he plays golf, kayaks and bicycles, and enjoys fishing and boating.

The Death Book is 135 pages and available at The Iowa Great Lakes Maritime Museum and Barn Swallow Gift Shop in Arnolds Park and Okoboji, Iowa; Zandboz Variety in Sioux Falls, and Amazon.com for \$18.95 (ISBN: 9781795084796)

To arrange a book signing or interview, contact Lloyd B. Cunningham at 605 595-7847 or LloydFSD@gmail.com.

BEWARE OF DIGITAL ADVERTISING FRAUD!

You should know about...

FACEBOOK AND TWITTER FAKE ACCOUNTS

A New York Times report states that up to 48 million of Twitter's active users are actually fake. That is nearly 15 percent of all Twitter accounts. The platform is far from alone. Facebook revealed to investors that it hosted up to 60 million fake accounts, more than twice as many as previously estimated. The report claims these fake accounts, also known as bots, are influential in shaping public opinion, amplifying messages, and spreading fake news. They can also defraud businesses and ruin reputations.

If you are advertising your business through digital services, make sure you know what you are getting — and what you aren't. Don't be a victim of digital fraud.

Contact an advertising account executive from this audited publication to learn more.
