Thank You

We would like to thank the numerous people and organizations that gave aid and assistance to Thelma and me during the weeks of Thelma going through her heart problems.

A special thanks to the Nunda Ambulance, Nunda Police Department, Brittney Eldridge, Sheriff Dougherty and the LCSD, Noyes Hospital and staff, and Dr. Gosev and the staff at Strong Memorial. Also thanks to the staff at the TCU at Murray Hill for their great care and understanding.

Thank you to our two daughters, Jean and Karen for their support and assistance during this trying time. Others include Donna Walsworth, Tom & Patty Schultz, and all the people that brought in food, offered prayers, thoughts, and assistance in many ways. A thank you to Jim Forrester for his assistance at Strong. The many cards and flowers were also very much appreciated, to the Garwoods Methodist Church for the wonderful "healing quilt" they gave to Thelma. Also to the staff at the TCU at Murray Hill for their excellent care. Everything will be forever remembered and is very much appreciated.

If we have missed anyone it is truly unintentional for we will be forever grateful for everything that has been done.

Forever Thankful,

Thelma & Dave Thompson

National Healthcare Decisions Day

NATIONAL HEALTHCARE DECISIONS DAY RECOGNIZED IN LIVINGSTON COUNTY

On Saturday, April 13, approximately 50 people attended **Your Life - Your Choices Community Education Day** at Wadsworth Public Library. A variety of topics were presented ranging from green burials to selecting a healthcare proxy to completing a living will, as well as other related topics.

The event coincided with the international event National Healthcare Decisions Day, where events such as this one were held around the world in the hope that people will take the time to discuss with loved ones how they would want to be cared for if/when they could not make decisions for themselves.

Many area organizations willingly gifted their time to this worthy and important cause, including Livingston County Hospice and Bereavement Services, Livingston County Office for the Aging, Livingston County Sheriffs Department, Law-NY, Finger Lakes Donor Recovery Network, Funeral Consumers Alliance of Greater Rochester, and Holy Sepulchre Cemetery.

Special Thanks to Debbie Emerson and her staff at the Wadsworth Library for providing us space for this important event.

The plan is to offer another such event this fall. It's the perfect time to have this important talk with your loved ones, select your Healthcare Proxy and complete your Living Will. Leaving your friends/ family a clear understanding of your wishes is one of the best gifts that you could give them.

Take care, have a great summer and hope to see you all in the fall.

Livingston County Board of Supervisors Decries Prison Closure

Resolution of Opposition Planned, Freedom of Information Request Submitted

Geneseo, NY, May 22, 2019— With Friday afternoon's surprise announcement that Livingston Correctional Facility in the Town of Groveland is closing, Livingston County government officials are upset and are taking action.

The prison, which is presently undergoing a series of taxpayer funded capital improvements and is at nearly full capacity, is one of two facilities the Governor's office has signaled to the State Legislature that he intends to close. Livingston Correctional is a state-run, medium-security prison that employs 327 employees and houses 806 prisoners.

The Board of Supervisors is planning a Committee of the Whole resolution in opposition to the closure, and specifically the closure process, and has also sent a freedom of information request to the Department of Corrections and Community Services ("DOCCS").

"We understand that the Governor was given wide authority to close correctional facilities, but we question the process and why Livingston," questioned Chairman of the Board David LeFeber. "Why spend millions of taxpayer dollars on recent and current improvements only to close the facility? Why close a facility that is near maximum capacity at 92% occupancy? We have a lot of questions. It does not make sense. We are also concerned about the impact to the local economy and the hurt this causes the hundreds of taxpayers who rely on this facility for good paying jobs."

The County only found out about the closure on Friday afternoon, minutes before the news was released to the public. The Board's resolution will be asking the state to reconsider the closure plans for Livingston Correctional, due in part to the economic impact of losing hundreds of middle-class jobs. The lack of transparency is a concern as well.

"The DOCCS press statement indicates the state used a thorough process to review possible prison sites for closure consideration," stated Ian Coyle, County Administrator. "We simply want to know and have now asked via a records request, what went into that process, what reports were produced, who was notified about what and when and - if this indeed a done deal - what the redevelopment and reuse plans are for the site moving forward."

Are You Sick?

For those of you who are sick, for those in pain, and for those who have a terminal illness, what is the will of God for you? Many people believe that their physical issues are the cards they've been dealt in life, and they're stuck playing them.

THIS JUST ISN'T TRUE!

Jesus said in John 10:10 that He came to bring life, and bring it abundantly. Pain, sickness and terminal illness are not living an abundant life, and God wants you healed and set free. Before Jesus left the earth, He told his followers to take the good news out to all people, to lay hands on the sick, pray for them, and see them recover.

This is what we do at Healing Rooms on the Genesee. Let us know what's going on. Together we'll find a way...
