NW – near Belden Village; **Alliance:** the front of Carnation Mall behind McDonalds; **Salem:** Burger King on E. State St. (rear parking area); **Columbiana:** our Office at 44139 St. Rt. 14. Other departure points may be established for groups of 10 or more if the itinerary and direction of travel permits. We reserve the right to change departures. Departures are arranged in the direction of travel, with last departure being the closest to the destination, for the convenience of all passengers.

**Pennsylvania Departure Points:** \*We may use smaller shuttle buses to make these pickups and will join the tour en route at a logical transfer point. ~ **For Overnight Trips:** **Slippery Rock:** Campbell Bus Lines, 258 Grove City Rd; **Butler:** Ollie's, 602 Moraine Pointe Plaza; **Grove City:** County Market Plaza, 49 Pine Grove Square; **Mercer:** Comfort Inn, 835 Perry Hwy. ~ **For Day Trips:** Call for pick-up locations for individual trips.

**Seating:** On all overnight tours, we use a daily seat rotation. The first day of a trip, you choose your seat when you board, and rotate from there. We feel this is fair to all. If the coach is not full, a less formal rotation may be used at the Escort's discretion. Persons traveling single or with uneven amounts in their group may need to sit with other like-travelers. We cannot guarantee that small groups will be seated together. We welcome single travelers, but the single rate does not include two seats on the coach. \* *We cannot accept doctor's notes regarding requests to sit in the front seat/s. Please consider boarding at the first pickup location if your seat location is of concern. It is also recommended to see your doctor for motion sickness medication, if this should apply.*

**Smoking/Drinking:** We make regular stops for restrooms and for the convenience of smokers; however, we have a NO SMOKING policy aboard all coaches. If someone violates the non-smoking policies of places we are staying or visiting while on tour, it is the sole responsibility of that person should there be any penalties and/or fines for not adhering to their rules and regulations. Consumption of alcoholic beverages is not permitted at any time on the coach.

**Transportation:** All of our tours use beautiful modern, deluxe wide-body motorcoaches from Campbell Bus Lines. Campbell has received the highest possible rating with the Dept. of Transportation. The motorcoaches are equipped with air-conditioning, reclining seats, public address system, DVD player, outlets for each passenger, and emergency restrooms. Our intent is for all overnight tours to be professionally escorted. Upon occasion, in order to avoid canceling a trip with a low passenger count,

our driver may serve both positions of driver and escort, and all are professionally trained to do so. ~ Also, on air trips with low passenger counts, we will not be able to provide an escort from our company. However, once you arrive at your destination, a guide from our connecting company will be with you throughout the entire tour.

**Lodging and Meals:** Your lodging is included on all overnight tours. All hotels are AAA rated. We never use second-rate hotels, restaurants, or activities on any tour, to the best of our ability to make that determination. If you need two beds in your room, please state this when making your reservation. Generally, some meals are included on overnight trips (see individual tour inclusions); however, we cannot guarantee any special dietary requirements.

**Border Crossings:** As of June 2009, a Passport or Passport Card is required for border crossings. Either of these travel documents may be obtained through your local court house. The Passport Card is limited, but is sufficient for Canadian border crossings and is good for 10 years – it is also very easy to apply for. Your Driver and/or Escort will be asking to see one of these documents before boarding the coach for trips with this requirement. We cannot be responsible if you are unable to travel due to failure on your part to obtain the proper documentation. Please begin the process early enough to ensure that you will have it in time for your tour's departure. For more information via the Internet: [http://travel.state.gov/passport/ppt\\_card/ppt\\_card\\_3926.html](http://travel.state.gov/passport/ppt_card/ppt_card_3926.html)

**Luggage:** One suitcase per person is included in the price of your tour. You are also permitted a carry-on, which is your responsibility. Additional luggage may be transported at the cost of \$5.00 per bag, per day. It is wise to travel light. Luggage tags are provided and required for hotel identification, and are sent with the final letter and phone numbers of your hotels.

**Taxes and Gratuities:** All taxes and gratuities for included meals and activities are included, unless otherwise mentioned by the Escort. Driver and Escort gratuities are not included in the price of your tour. The suggested rate for a "job well done" is a minimum of \$3.50-\$4.00 per person/per day for the Tour Escort, and a minimum of \$3.50-\$4.00 per person/per day for the Driver. We request that you express this on an individual basis, and let the quality of service received be your guide.

**TLC Reward Cards:** TLC Cards are non-transferable and non-replaceable. Please take care to keep it in a safe place you will remember. If you decline your TLC Card punch while on tour, you cannot get it later.

**Payment:** All prices listed are per/person rates. On one-day tours, full payment must be made with the reservation. For overnight tours, see "How To Make A Reservation". Balance of an overnight tour is due 45 days prior to departure

(unless otherwise stated/notified). Confirmation will be sent after we receive your deposit. Please call as soon as possible if you should decide not to go.

**Refunds:** Up to 45 days prior to departure date, a full refund will be made. \**Air and cruise tours, and some longer tours, may be different—be sure to ask for details when making your reservation. Tours including tickets also generally have earlier non-refundable dates.* There are no refunds for cancellations made within 45 days prior to your departure date. However, we will do our best to recover as much as we can, but cannot guarantee anything including prepaid reservations and other costs that are non-refundable to us. There will be a \$25.00 per/person charge for this service. There will be no refund, for any reason, for a "no-show" on the day of the tour.

TLC Tours offers a "Refund Protection Plan" for overnight tours that is available at our office at a minimal cost. It needs to be purchased when you book your trip. This insures you a full refund up to 24 hours before the tour departs in case of (A.) a death in your immediate family (requires a copy of death notice), or (B.) personal illness (requires a doctor's written note confirming you were too ill to travel). Exceptions would be made if an immediate family member's serious illness necessitates you staying home, but would also need confirmed by a doctor's note. \**Immediate family, in these situations, includes spouse, parents or children only.* Call our office for full details about TLC's RPP. We encourage you to take advantage of the protection plan. Our Refund Protection Plan is not available for Day Trips, nor are there any refunds for Day Trips, with a few exceptions.

**Cancellations:** TLC Tours reserves the right to cancel any tour that has not reached a minimum number of reservations. We always avoid changes and cancellations if at all possible, as we realize the inconvenience to you, our valued customer. We reserve the right to cancel or refuse service to anyone, in our sole discretion. Any person may be dismissed from a tour at any time by the Tour Escort or Driver should their conduct be problematic in any way. No further responsibility will be assumed by TLC Tours nor anyone in their employment.

**Responsibility:** TLC Tours, LLC is insured. Campbell Bus Lines is registered and insured with the ICC. TLC Tours acts only as an agent. We are not responsible to any person for any loss of time or money due to a change or delay beyond our control. Nor are we responsible for non-performance by those we have contracted with. We reserve the right to change tour prices, inclusions, and itinerary, if so dictated by circumstances beyond our control. We are not responsible for pricing, typographical, or other errors. Any claims against TLC Tours must be made, in writing within 30 days of the trip.

It's main focus is on trips July thru September, and then we'll be putting out a 2<sup>nd</sup> Update book sometime at the end of August that focuses mainly on the Fall and Christmas tours. Keep in mind you can call our office for flyers which give you many more details for all tours of 3 days or more. And as an added note, our full 2020 Tour Planner will be out mid-January of next year – be watching for it in your newspaper, or call our office to get on the list to have one direct-mailed to you!

On every trip, our goal is to give you an experience that's delightful, interesting, informative, high-quality, fair-priced, and just plain ol' "Good Clean Fun", plus we use beautiful, modern Campbell coaches to ensure an excellent ride!
