# Welcome from the June Fete Chair

Welcome to the 106th annual June Fete Fair, which will be held on the weekend of June 7, 8 and 9! For more than a century, our neighbors and Abington Hospital supporters have looked forward to this fun-filled weekend at the fairgrounds in Huntingdon Valley.

Enjoy fireworks on Friday night, the Horse and Pony Show on Saturday, as well as carnival rides and games and, of course, the incredible array of foods and treats.

This year we are pleased to offer several additions that are designed to make the fair more inclusive and accessible to all members of the community. These include:

- **Laugh-N-Learn** - Jefferson College of Nursing/Dixon Hall student government, students & faculty will host a free, fun space for younger fair goers with kid-friendly games and activities that promote health and wellness.

- **Lactation Station** - A quiet, private space for nursing mothers to feed their infants will be open each of the three days.

- **Sensory Zone** - In partnership with Abington's Pediatric Unit, we will offer a place to rest and refresh for those who need a break from the sights and sounds of the fair. This haven will offer free, age-appropriate activities to foster quiet and calm.

We are also proud to host the NICU Reunion which celebrates the special bond between our caregivers and our smallest patients who "graduated" from intensive care.

Proceeds raised from the fair by the Abington Health Foundation Women's Board and Auxiliaries support our great community resource, Abington - Jefferson Health. Volunteers - Women's Board and Auxiliaries members, neighbors, students, hospital employees, veterans and more - devote countless hours to bring this fun, family-friendly weekend to our community.

I extend my sincere appreciation and thanks to everyone, including our sponsors, local businesses, as well as all of the volunteers who come together, year after year, to support the fair and the mission of Abington - Jefferson Health. Together, we can continue the wonderful tradition of the June Fete Fair and through the funds that it raises ensure that the hospital will continue to provide comprehensive, high-quality services for the people in this community

I look forward to seeing you, your family and neighbors at this year's fair!

## The June Fete Fair — How do they do it all?

Here's a statistic for you: Did you know that a group of over 360 dedicated women, known collectively as the Abington Health Foundation Women's Board and Auxiliaries, brings the June Fete Fair to life every year?

For well over a century, our volunteers have engaged in a supremely interesting and wide array of fundraising activities in support of Abington - Jefferson Health.

You should get to know us. New volunteers are always welcome. When it comes to making a difference and giving back to your community, if you have the time, we have the place!

For more information, contact the Women's Board Office at 215-481-2500.

Fun Fair Stats from 2018: Fairgoers enjoyed 944 burgers, 910 hot dogs, 4,621 slices of pizza and 1,181 smoothies.

# Have fun at June Fete Fair — all in support of first-rate health care

The June Fete Fair is a grand affair with a venerable cause at its heart. Beneath the surface of the three-day festival of food, fun, friendship and equine entertainment beats a 106-year history of charitable support for the essential work of Abington Hospital – Jefferson Health.

Held this year from June 7 through 9 at the June Fete Farm in Huntingdon Valley, June Fete is the premier annual fundraising event of the Abington Health Foundation Women's Board. The Women's Board provides significant charitable support for the people, programs, facilities, technologies and services that make Abington-Jefferson Health one of the region's top care providers.

## An organization older than the hospital it supports

More than 100 years ago, back when a local hospital in Abington was still just a dream, a new organization formed to make that dream a reality. In 1912, a dedicated group of local women initiated a campaign to raise funds for a hospital still in the planning stages. They organized an assortment of successful street fairs, lawn fetes and holiday bazaars to help pay for the linens, furniture and other supplies the hospital would need when it opened in 1914.

Building on their initial success, these enterprising women held their first Gar-

den Party Fair in 1913 on the manicured grounds of the Elkins Estate in Latham Park. That event became an annual fair and acquired the name "The June Fete" in 1918. A Pony Show was added in 1922 and a Horse Show in 1923.

## Still funding excellent health care

Today, the June Fete Fair is one of the region's oldest continuously run fairs. The Women's Board takes pride in maintaining the tradition of this annual community event, which now draws more than 25,000 people over the course of the weekend.

Most important, just like that very first garden party in 1913, today's June Fete still supports Abington Hospital's essen-

tial services for the community. However, both the size of the Women's Board and its charitable contributions have grown considerably over the past century.

Today, the impact of the Women's Board and Auxiliaries is felt throughout Abington as proceeds benefit everything from employee awards in support of continuing health care education, to facility construction and expansion, to equipment purchases, community programs, assistance for patients in need and much, much more.

So keep in mind, come that second weekend in June, when you participate in the June Fete Fair, you are supporting your community's health — and that's truly something to celebrate

# Montgomery County 4-H Drill Team

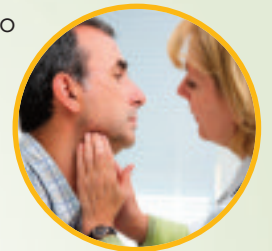

*The Montgomery County 4-H Drill Team is a group of 12 riders that practice every week to learn different moves. Drill teams started back in the days of the cavalry. This group has used some old military formations and has also made up some moves of its own. The time and dedication it takes for each one of the riders and their parents is overwhelming, but year after year, they come out and have a blast. Some years, they like to add some music or props. Come out and see what this year brings; the team will be performing on Saturday, June 9, at the conclusion of the Horse & Pony Show.*

## ABINGTON – JEFFERSON HEALTH TO HOST FREE CANCER SCREENING AND EDUCATION DAY

**A** bington – Jefferson Health will host a free Cancer Screening and Education Day on Saturday, June 22 from 9 AM to 12 PM at the Asplundh Cancer Pavilion.

Community members will have the opportunity to learn about a variety of cancers and risk factors. Complimentary screenings will be offered to check for skin cancer, head and neck cancer, breast cancer and prostate cancer.

The event will also feature health education from Abington – Jefferson Health experts on topics including: cancer screening guidelines by age and gender, the roles that genetics can play in cancer risk, how to access cancer support and more. Physicians will be on hand to answer any questions.

In addition, the Strollin' Colon, a life-size visual representation of a colon, will be on display to promote the importance of colon health and the benefits of preventative screenings.

Abington – Jefferson Health's Cancer Screening and Education Day is free and open to the community. The Asplundh Cancer Pavilion is located at 3941 Commerce Avenue in Willow Grove, PA.

**For more information or to pre-register for a screening, please call
