## Notes from the NUNDA VILLAGE BOARD

After careful deliberation and to provide full transparency of your local government, the Village has sought to mildly increase water and sewer rates for the first time in six (6) years for water services and nine (9) years for sewer services.

The new rates can be found on the Village of Nunda webpage under Departments - Water/Sewer.

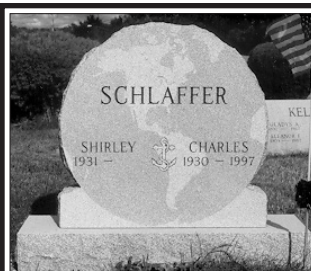

**[www.villageofnunda.org](http://www.villageofnunda.org)**

These rate changes are due to the continued increased costs of producing water at the water plant and the processing of waste water at the sewer plant.

Should you have any questions, please feel free to contact the Village Offices at 468-2215.

# SPEAK OUT

Dear "Speak Out",

Friday, June 14th is National Flag Day in 2019. We should be very, very proud when we see our flag waving in the breeze. It is a symbol of the freedom that we so often take for granted. It is not just an ornament to decorate our yards and cemeteries. It is a reminder of all the men and women who died so we can enjoy our freedoms.

One of my cousins was wounded on the beach at Iwo Jima during World War II so that our flag could be raised on Mount Suribachi. I am quite sure that he knew the sacrifice that he and his fellow Marines were making to raise that flag.

We should be honored that our Pledge of Allegiance was written by a local citizen, Francis Julius Bellamy, who was born in Mount Morris. His words so eloquently sum up what our flag should mean to each of us:

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God indivisible, with liberty and justice for all."

Francis Scott Key was inspired when he watched our flag being bombarded at the Battle of Fort Mc Henry during the War of 1812:

"Oh, say can you see by the dawn's early light. What so proudly we hailed at the twilight's last gleaming? Whose broad stripes and bright stars through the perilous fight, O'er the ramparts we watched were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof through the night that our flag was still there. Oh, say does that star-spangled banner yet wave O'er the land of the free and the home of the brave?"

Our flag is composed of thirteen horizontal stripes including seven red and six white. The blue portion is called the union and holds 50 white stars which represent all our states within the union.

The flag of the United States of America should always be flown at the top of a flag pole and any other flag is to be flown underneath it.

Attempting to make a statement by flying any other flag above the flag of the United States of America is extremely disrespectful and dishonoring to those who served in the military of our country.

Have a wonderful Flag Day and remember what we really celebrate on this day in America.

Ronald Powell

# Naturally Nunda

*Good Friends, Good Times, Good Souls...is how our journey started*

In 2012, founder Cathy "Sully" Sullivan asked a few of her closest friends to help organize a 'Boobie Party' in three short months to raise money to battle Breast Cancer. The attendance was outstanding and it was apparent the party was a hit. We raised \$7,000, and began an annual tradition!

After our second party, we officially named our group **Sully and The Ladies in Pink**, and decided to keep the money local. In the years that followed, we added another signature event in the form of an annual Golf Tournament at Woodlynn Hills Golf Course in Nunda, and various raffles to assist those diagnosed with any type of cancer.

In 2018, we became a 501 (c) (3) not-for-profit, allowing us to have the ability to accept contributions and donations that are tax-deductible. Since 2012, what started as a project among friends has raised more than \$150,000 and provided financial assistance to over 380 people living in the community so far.

Sully and The Ladies in Pink, Inc. provides financial assistance to individuals in the community facing personal challenges due to a cancer diagnosis.

Our goal is to lessen the burden of the additional costs that incur during and after treatment, and to reduce their stress during these difficult times.

We believe that healing begins with Good Times, Good Friends, and Good Souls. We embrace the spirit of fun to raise money and awareness that lessens the burden for those locally who are impacted by a cancer diagnosis. With the continued support and generosity from the community, friends, family and businesses we will continue to hold our annual Boobie Party, various raffles, as well as our annual Golf Tournament to assist those diagnosed with any type of cancer.

Business and Employee Skills Training

## ADVANCE YOUR PROFESSIONAL AND PERSONAL DEVELOPMENT

### Grant Development

This seminar is a practical, how-to-course for the novice grant writer. The topics include types of funding sources, how to identify the right funding source and how to write a competitive foundation and/or government proposal.

**GCC Batavia Campus • Fee \$145**

**Tuesday & Thursday, June 11 & 13 • 8:00 am-12:00 pm**

### Security Guard 8 Hr. Pre-Assignment

Under the Security Guard Act of 1992, licensing is mandatory for all contractual and proprietary security guard employers. The law also requires security guards, themselves, to register with the New York Department of State. This 8-hour course is for anyone seeking employment as a security guard and provides an overview of the Security Guard Act of 1992. One hundred percent attendance is required, and participants must earn a passing score on a final exam. Individuals who successfully complete the course will receive a certificate of achievement.

**GCC Batavia Campus • Fee \$79**

**Saturday, June 15 • 8:00 am-5:00 pm**

### Notary Public Review

This course will demystify the office of notary public. For anyone planning to take New York's notary public examination, and for commissioned notaries who want to improve their understanding of regulations, this seminar will use plain English to clarify laws, concepts and procedures. You will learn how to avoid conflicts of interest, maintain professional ethics, establish proper fees, minimize legal liability, handle special situations, and more. To become a notary, you must be at least 18 years of age and either reside in New York or engage in business in the state.

**GCC Batavia Campus • Fee \$69**

**Friday, July 19 • 12:30-4:30 pm**

### HACCP Certification - Intro Level

This two-day introductory Hazard Analysis and Critical Control Points (HACCP) certification training allows attendees to gain a practical understanding of pre-requisite programs, regulatory requirements and implementation of a HACCP system using a hands-on approach. This training is a foundation for FDA-regulated seafood and juice production as well as USDA regulated meat and poultry production. This training is also a great foundation for GFSI based audits. This training is approved by the International HACCP Alliance and upon successful completion of the training and assessment test, a certification will be awarded. With this HACCP training certificate and proven experience working in the food industry, the opportunity exists to receive three credits for the FPT102 course at GCC at a reduced cost with successful completion (certification) of this course and qualified prior learning experience. A passing score on an open book assessment test will ensure the attendee has proven that they have attained and comprehended the proper training.

#### Who should attend?

This two-day course is for, but not limited to food-processing HACCP team members, senior management, auditing personnel, sanitation associates, quality personnel and warehouse associates. Although not a pre-requisite for the training, a basic knowledge of food safety is recommended.

#### Key Outcomes:

After this training, an attendee should be able to:

1. Demonstrate practical understanding of pre-requisite programs.
2. Compare and contrast the causes of food-borne illnesses.
3. Define the rules and regulations that are required for safe manufacture and sale of food products.
4. Develop and summarize a food safety (HACCP) plan.
5. Outline the steps in preparation for FDA, USDA, NYSDAM or third-party audits.

**GCC Batavia Campus**

**Fee: \$615 (Includes all materials, test and lunch each day)**

**Wednesday & Thursday, June 19 & 20 • 8:00 am-5:00 pm**

## Are You Sick?

For those of you who are sick, for those in pain, and for those who have a terminal illness, what is the will of God for you? Many people believe that their physical issues are the cards they've been dealt in life, and they're stuck playing them.

### THIS JUST ISN'T TRUE!

Jesus said in John 10:10 that He came to bring life, and bring it abundantly. Pain, sickness and terminal illness are not living an abundant life, and God wants you healed and set free. Before Jesus left the earth, He told his followers to take the good news out to all people, to lay hands on the sick, pray for them, and see them recover.

This is what we do at Healing Rooms on the Genesee. Let us know what's going on. Together we'll find a way...
