Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Level: Intermediate

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

READER'S Recipe

GRILLED PORK CHOPS WITH FRESH NECTARINE SALSA

2 Nectarines, pitted and diced	Salt to taste
1 Ripe Tomato, seeded and diced	1 teaspoon ground Cumin
1/4 cup Diced Onion	1 teaspoon Chili Powder
2 tablespoons chopped Fresh Cilantro	Salt and Ground Black Pepper to taste
2 tablespoons fresh Lime Juice	2 tablespoons Olive Oil
1/4 teaspoon crushed Red Pepper Flakes, or to taste	8 (4 ounce) boneless Pork Loin Chops

Preheat an outdoor grill for medium-high heat. Lightly oil grate, and set 4 inches from the heat. To make the salsa, place the nectarines, tomato, onion, cilantro, lime juice, and red pepper flakes in a bowl; toss to blend. Season to taste with salt. Cover, and refrigerate 30 minutes to blend flavors. Stir the cumin, chili powder, salt, and pepper together in a small bowl. Place the olive oil in a small bowl. Brush the pork chops with oil, and season both sides evenly with the cumin mixture. Place pork loin chops on the preheated grill. Cook until lightly browned and juices run clear, about 4 minutes on each side. Place pork chops on serving plates, and top with a generous spoonful of salsa.
