Thank You

As I begin my retirement, I'm wondering if I could have a moment of your time. I'd like to thank all the young men and women that attended Hamburg Area High School that I have gotten to know. Other than my family and close friends, you have been the highlight of my days and the joy of my many years of which I have been teaching. Every day was absolutely wonderful because of you. I thank you for your respect, your fantastic efforts, your incredible work ethic, and your overall interest in Chemistry and my lessons in general. (yes, even my jokes) Not many people go through life enjoying every day of their working career, but, because of you, all my students, I was so fortunate to have done this. I thank each and every one of you, and, as always, I wish you the best of luck in all you do. Stay confident, always believe in yourself, and I hope life treats you as well as all of you have treated me.

To all the outstanding young men and women of Hamburg Area High School,

You have all my respect in the world,
Mr. Wolfe (Chemistry teacher)
