Elect JUDGE Jeannie MICHALSKI

For Livingston County Judge

As Avon's Town Judge, I am the **only Republican** candidate with judicial experience.

I am the **only Republican** candidate with over 20 years as an attorney.

I have vast criminal trial experience as a prosecutor, and family court trial experience representing parents, grandparents, and children in Court.

Over the last two decades, I have acquired the experience needed to serve our community as Livingston County's next County Court Judge.

Vote Judge Michalski in the June 25th Primary.

Paid for by the committee to elect Jeannie D. Michalski Judge.

SPEAK OUT

Dear "Speak Out",

What is Memorial Day to you? A nice long relaxing weekend? A time for a cookout with friends? Or maybe the perfect weekend for your first camping trip of the year?

It's fine to do all of these things on Memorial Day as long as you remember why we have this holiday. Unfortunately, I see the meaning of Memorial Day being lost and it only being about fun activities with friends and family.

Memorial Day and Veterans Day are not the same. Memorial Day is not a day to honor our living service men and women. It is a time to honor the ones that came home from war in a flag draped coffin. It's a day to mourn the loss of the service men and women that died defending your freedoms. These men and women deserve our respect and they deserve at least one day solely dedicated to them.

As many people know, no one comes back from war the same. Many servicemen and women are coming back with PTSD that is unbearable and debilitating. They can't live normal lives because they need treatment that they aren't getting.

Many of these veterans end up committing suicide. They lose their families, careers and homes. Sometimes even having family support is not enough. We have a crisis on our hands! 20 veterans a day commit suicide due to what they endured defending your constitutional rights. I challenge everyone next Memorial Day to do one thing to show your respect to these brave men and women.

We are the land of the free because of the brave. Many of the brave died defending your freedoms.

Let us not forget this!

Chelsey Woodworth

Kids to Park Day at Mount Morris Dam

A visit to a Corps recreation area, such as the Mount Morris Dam and Recreation Area, can strengthen family ties, create unforgettable memories and connect people to nature. Hundreds of people participated in Kids to Parks Day activities at Mount Morris Dam and Recreation Area which included organized jump roping, tug-o-war, and hula-hooping.

Additionally, Park Rangers provided tours inside the dam to throughout the day. Mount Morris Dam and Recreation Area is proud to showcase outdoor recreation opportunities at Corps recreation areas. By discovering our public lands, kids across the country are learning about park stewardship, outdoor recreation, STEAM, and history.

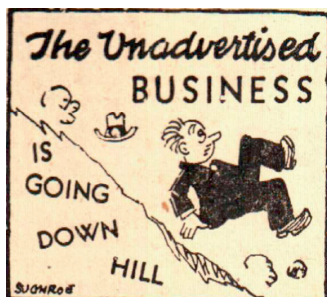

For additional information on programs or tours of the Mount Morris Dam, call (585) 658-4790.

On Sunday, May 26, 2019, Mount Morris Dam and Recreation Area celebrated **Kids to Park Day!**

'Kids to Parks Day' is a national initiative to promote healthy, active, outdoor recreation for children on federal lands. Mount Morris Dam and Recreation Area provided a variety of family-friendly activities to illustrate the fun and value of outdoor recreation.

The U.S. Army Corps of Engineers is one of the nation's leading federal providers of outdoor recreation.

THANK YOU Thank You Thank You

The Keshequa PTSA is grateful to everyone who made our shoe drive fundraiser such a success!

Thanks to all of the local businesses who offered to be drop box locations, the media who helped to publicize the event, including WCJW, Mount Morris Shopper, Livingston County News, and Genesee Valley Penny Saver, and Keshequa School staff for their support.

We'd also like to give a huge thank you to all of the community members who donated shoes and helped promote the fundraiser.

We couldn't have done it without so much community support!

Emily Mike competed in the Scripps' National Spelling Bee in National Harbor, MD from May 27th-31st. Bee Week was an amazing week full of activities, competition and making new friends.

We would like to extend a heartfelt Thank You to the following people and organizations: The Batavia Daily News, Livingston County News and Tompkins Bank of Castile for hosting the WNY Regional Bee in Batavia and for sponsoring Emily's trip to Bee Week. Mike Messerly, Publisher of the Batavia Daily News, for helping us prepare for the trip and for seeing Emily off to the airport. Ben Beagle and Matt Leader of the Livingston County News for the great articles and photos in the LCN. Jimi Jamm at CJ Country Radio in Warsaw for having Emily on his morning show. The teachers at MMCS who held the local Bee in December which enabled two champions from MMCS to participate in the WNY Regional Bee in Batavia. Jesse Hamilton, MMHS Principal and Greg Bump, MMCS Superintendent for supporting Emily by attending the Regional Bee in Batavia and for recognizing Emily's achievement with a beautiful trophy and banners to be displayed at school.

The Mount Morris Kiwanis, Mount Morris Rotary, Mount Morris Parent Teacher Student Association, C&F Transportation and Community Bank of Mount Morris. These organizations all made very generous donations to Emily that helped cover our expenses throughout Bee Week.

Greg Bump, Emily Chaffee (MMCS English Teacher) and Ann Hunt (MMCS School Board member) who made the trip to National Harbor to watch Emily take the stage and spell in Rounds 2 and 3. Your support meant so much to all of us!

The Mount Morris Police and Fire Departments for the escort out of town on the Sunday we left for the airport.

To our family and friends who contributed to our "Bee Week Fund". Jeanne Hackett, the Brill and Brickwood families, Frank & Mary Lou Martello, Darlene Gian, Tim & Michelle Post, and Lowell & Connie Dennison. We did some sightseeing during our free time and had "fun money" to spend because of your generosity. To those who brightened Emily's day with beautiful cards in the mail. Your thoughtfulness meant so much to her.

Thank you to everyone who followed the story of a small town girl with a BIG dream! The outpouring of love and support from our community was phenomenal and we are grateful for every single act of kindness shown to Emily and our family before, during and after Bee Week.

♥ ♥ ♥ Sincerely, Joel, Erica, Emily and Chloe Mike ♥ ♥ ♥

Men's Health Week

Each June, the week before Father's Day is celebrated as "Men's Health Week." The Cancer Services Program and the Livingston County Department of Health wants you to have the facts about men's health. "Many men continue to ignore their health. Poor health education and poor health behaviors in the lives of men continue to contribute to a growing crisis in men's health," said Jennifer Rodriguez, Public Health Director of the Livingston County Department of Health.

"Men often make their health a low priority. But many causes of illness are easily preventable. It's a fact that simple awareness of preventable health problems, and the early detection and treatment of disease, can make a profound difference in the quality of life. Early detection by such routine exams as prostate screenings, blood pressure checks, cholesterol testing, colorectal cancer screenings – even such simple tests as those for blood sugar and overweight – can play an important role in staying healthy," Mrs. Rodriguez said.

Men are less likely than women to see a physician regularly, and are significantly more likely to be disconnected from the health-care system. They are often extremely reluctant to admit that there might be anything wrong until a problem is too severe to ignore.

This reluctance is a contributing factor in the growing health disparities between men and women. The difference in life expectancies between the genders is now more than five years. Men have higher rates of heart disease and cancer, and higher rates of chronic problems such as high blood pressure and dangerously high cholesterol problems. These are problems that are often treatable if they are detected early. And, of course, there are problems such as prostate and testicular cancers that are unique to men.

Men need to see their healthcare providers to assess their personal risks for various problems. "Men should take the occasion of "Men's Health Week" as a perfect opportunity to make an appointment with their doctor or other health care provider.

Cancer screenings save lives! Talk to your healthcare provider about life-saving cancer screenings today! No health insurance right now? Colorectal cancer screenings are available at NO COST through the Cancer Services Program of the Finger Lakes Region for uninsured men ages 50 or older who qualify (and breast and cervical cancer screenings for uninsured women ages 40 and older, as well as colorectal cancer screenings for women ages 50 and older are also offered). Call the Cancer Services Program of the Finger Lakes Region at 1-877-803-8070.

A routine check-up can find a problem before it's serious and contribute to a longer life with a better quality of life," Mrs. Rodriguez said. For more information on Men's Health Week, call the Livingston County Department of Health at 585-243-7299, or visit CDC's men's health web site at www.cdc.gov/men.

The Dangers of Indoor Tanning

To get ready for the summer months, some people will be going to use tanning beds and booths. Once thought of as a "safe alternative" to natural sunlight, indoor tanning booths are just as dangerous to skin health as the sun. Tanning beds release high amounts of UV radiation, causing damage to the skin. Although this damage may not be seen immediately, it may result in skin cancer in the future. The Dartmouth Medical School found that using a tanning bed makes a person 2.5 times more likely to develop skin cancer. This research was based on the use of a tanning bed once during a person's lifetime, not regular or prolonged use. Indoor tanning can also cause immune system suppression and complications with vision and eye health, including cataract development and eye cancer.

According to the Skin Cancer Foundation, one in five Americans are estimated to be diagnosed with skin cancer in the course of a lifetime. Although preventable, thousands of people die from skin cancer each year. There are two forms of skin cancer. Non-melanoma skin cancers are those that are localized to one area of the body and do not spread to other systems or organs in the body. They are usually found on areas of the skin that are most exposed to ultraviolet (UV) radiation, such as the face, hands and neck. In the United States, over 5.4 million cases of nonmelanoma skin cancer are treated each year. Melanoma skin cancer is more dangerous, and results from repeated overexposure to UV rays. In the United States, over 5.4 million cases of nonmelanoma skin cancer are treated each year. Melanoma can spread to other parts of the body, making it more dangerous and deadly if left untreated. In 2017, an estimated 87,110 new cases of melanoma will be diagnosed.

Both forms of cancer are highly treatable when detected in their early stages, however avoiding indoor tanning beds all together is the safest and easiest way to avoid skin cancer. Talk to your doctor about a skin cancer screening. For more information on the dangers of indoor tanning, please contact the Livingston County Department of Health at (585) 243-7299 or visit www.livingstoncounty.us/doh.htm

Are You Sick?

For those of you who are sick, for those in pain, and for those who have a terminal illness, what is the will of God for you? Many people believe that their physical issues are the cards they've been dealt in life, and they're stuck playing them.

THIS JUST ISN'T TRUE!

Jesus said in John 10:10 that He came to bring life, and bring it abundantly. Pain, sickness and terminal illness are not living an abundant life, and God wants you healed and set free. Before Jesus left the earth, He told his followers to take the good news out to all people, to lay hands on the sick, pray for them, and see them recover.

This is what we do at Healing Rooms on the Genesee. Let us know what's going on. Together we'll find a way...
