Annual Screening Recommended

If you're a woman age 40 or older or have a family history of breast cancer, you should have a mammogram every year. This simple screening test helps physicians find cancerous lumps at their earliest, most curable stage.

Digital Mammography Close To Home

There's no need to drive to the city because Southern Tennessee Regional Health System offers digital mammography. This technology provides superior imagery for an earlier and more accurate diagnosis, and can be up to 28% more accurate.
