## CELEBRATING 25 YEARS IN BUSINESS!

*Hearing Consultants*  
of Southeast Michigan  
*Hearing Care for Life*

# 586-725-5380

How is your hearing? Is it hard to understand the people around you, especially in a group setting? Do you have difficulty hearing the TV or radio? If you answered yes to any of these questions, you are not alone. **Hearing Consultants of Southeast Michigan** is here to get you the help you need.

Kari Krause, audiologist and owner, will be celebrating her 25th year in private practice this October.

She has been helping people with their hearing health care in Chesterfield, New Baltimore and the surrounding communities since graduating with her Master's Degree in Audiology from CMU.

"I went into private practice because I did not feel I was able to give the attention patients needed and deserved in a busy medical setting," Kari stated. "We are not just about selling hearing aids. We are here to help patients with all their hearing needs and to provide them a better quality of life."

Patients are given a hearing test and evaluated by one of their state licensed audiologists with either a masters or a doctorate degree. If there is hearing loss, patients are then fitted with hearing aids designed specifically for their hearing loss, their lifestyle and of course their budget.

"Our audiologists work with the most current hearing

aid technology available," Kari states. "Today's hearing aids are quite discreet and have improved immensely in recent years. Many can connect to Bluetooth®-enable devices such as smartphones and TV's, as well as rechargeable models."

Most importantly, **Hearing Consultants of Southeast MI** wants you to know that hearing contributes to personal safety, emotional well-being and independence. Studies have linked the effects of **untreated hearing loss** to other health problems such as overall cognitive decline, an increased risk to dementia, and poorer balance and physical function. That's why they are offering **FREE HEARING SCREENINGS**, so please call to schedule your appointment @ 586-725-5380. They are located at 30080 23 Mile Road in Chesterfield. Office hours are Monday, Tuesday and Thursday 9am – 5pm.

## OVERVIEW

# 81st Pickerel Festival rolls into Algonac July 3-7

By **Jim Bloch**

For MediaNews Group

Algonac residents are looking forward to one of the most fun five days on the summer calendar when the 81st annual Pickerel Festival, sponsored by the Algonac Lions Club, fills up the city's downtown and riverfront.

The children's parade, one of three parades during the festival, is the star of opening night, Wednesday, July 3.

On Saturday, July 6, look for the antique boat parade

on the river. The parade usually begins at 4 p.m., but details were not finalized at press time. Check the Algonac Pickerel Festival 2019 website for all the updates.

The main festival parade rolls through the city at 2 p.m. on Sunday, July 7.

"We'll have local fire departments, marching high school bands, the Shriners, Keystone Cops and the Plymouth Fife and Drum Corps," said Rocky Gillis, parade director. "About 20 businesses have signed up to bring floats or march

in the parade. We're still looking for entrants. The registration fee is \$10."

The annual fireworks display over the St. Clair River is set for dusk on Friday, July 5.

And what would a Pickerel Festival be without a pickerel tournament?

"The fishing contest runs Wednesday through Sunday with daily prizes and a \$1,000 going to the person who catches the whopper," said Gillis.

The carnival midway is open Wednesday through Sunday.

lumber-jack.com • (810) 794-4921

On Saturday morning, the Pickerel Run feature 5 and 10K runs, starting behind the bank.

One of the big money makers for the Lions Club is its annual raffle. The grand prize for this year's

raffle is a 14-foot Lund fishing boat with a 20 HP Mercury and a trailer.

"All proceeds go to Leader Dogs for the Blind," said Gillis.

Tickets are \$1 a piece, six for \$5 and 13 for \$10.

The winner will be announced at 6 p.m. Sunday.

"You don't need to be present to win," said Gillis.

Music has always been central to the festival. Look for Karaoke in the Beer Tent on

Wednesday night.

Local rock and roll duo The Meldrum Brothers play the beer tent stage on Thursday and Friday nights and The Gobies — A Chesterfield Township-based band that plays a variety of music from pop, rock and alternative music

to country — will rock the tent on Saturday night.

The festival is the biggest fundraiser of the year for the Lions Club, which supports all kinds of community events and projects.

Their newest endeavor is building Muskrat Place, an

all-inclusive park at Lions Field for kids and adults of all abilities.

**PICKEREL FESTIVAL 2019**

# New events: Motor City Mermaids and a golf cart poker run

**By Jim Bloch***For MediaNews Group*

You won't have to stare much longer into the fast-moving waters of the St. Clair to spot your favorite mermaid.

The Motor City Mermaids are making landfall at the 2019 Pickerel Festival, sponsored by the Algonac Lions Club, each day of the event, July 3-7.

"We are a pod of professional mermaids and dedicated waterway activists, performing for a variety of events and projects to bring awareness to the Great Lakes waterways and (their) cherished animal life," according to their website.

Because, of course, even mermaids have websites.

"Performing in the greater Metro Detroit area and Blue Water area, we strive to create a fully immersive experience for our audiences young and old," the mermaids said.

DAVE ANGELL — FOR MEDIANEWS GROUP

It is the group's inaugural dip into Pickerel Fest.

"There will be a live mermaid show on the riverfront on Wednesday, 5-7 p.m., Thursday, Friday and Saturday at noon, 2, 4 and 6 p.m.," said Lions Club member Rocky Gillis. "They're bringing their own pool. They'll also be in the parade on Sunday at 2 p.m. on their

own float."

The owner grew up locally.

"Sirk the Siren is a fresh water mermaid born and raised on the banks of the St. Clair River," according to the mermaid website. "She is a mother of four minnows herself and founded Motor City Mermaids in 2018 to bring awareness to the health of the

Great Lakes she calls home. She loves her freshwater friends from river otters and swans to turtles, fish and frogs.

With her pod of mermaids and mythical friends, Sirk seeks to entertain and educate audiences young and old while providing a quality and realistic performance."

The mermaids are sponsored by Chemical Bank.

For more information about Motor City Mermaids, visit their website at [www.motorcitymermaids.com](http://www.motorcitymermaids.com).

**Poker Run**

Late last year, the Algonac City Council approved the use of personal golf carts on city streets.

What better way to highlight the new ordinance than a land-based poker run featuring golf carts — and their motorless relatives like bicycles, skate boards and roller blades?

The entry fee is \$20 per person.

Participants receive a map and a set of clues directing them to various locations around the city where they pick up playing cards.

The quest begins at 3 p.m., Saturday, July 5 at Lions Field.

"Search for clues in and around Algonac on your golf cart, bicycle, roller blades or feet," directs the Pickerel Fest website. "Use your favorite personal electronic device to help solve them. Follow the map and the Quest Clue Packet correctly and receive a lucky card for each clue solved. Each participant can receive up to eight cards."

After a few hours of running around, the contestants gather back at the beer tent at 7 p.m. Whoever can make the best poker hand of their cards wins 50 percent of the total proceeds. Second place wins 25 percent, third 15 percent and fourth 10 percent.

For more information, visit the Algonac Lions Club website at [www.algonaclions.org](http://www.algonaclions.org).

**PICKEREL FESTIVAL 2019**

# This year's festival is still all about kids and families

## Free eye tests from Project Kids Sight new in 2019

**By Jim Bloch**  
For MediaNews Group

If you subtracted the popular beer tent, nearly everything about the 81st Pickerel Festival, sponsored by the Algonac Lions Club, would be kid-friendly.

Still, many of the events are geared specifically to the younger among us.

In line with the tournament's name, Saturday morning features the Kids Fishing Contest. Registration is 8-9 a.m. on the riverfront.

Donuts, watermelon and hotdogs are among the favorite foods of kids everywhere. Each will be the subject of eating contests during the festival.

"The Kids Donut Eating Contest is Wednesday night," said Rocky Gillis, a Lions Club member. "The watermelon eating contest is Thursday. On Friday, we have the Hot Dog Eating Contest sponsored by Johnny Lega's."

Not everything is fun-and-games.

In place of last year's dunk tank, the Lions Club is staging Project Kids

Sight, an eye health event designed to pinpoint sight problems in kids.

"We'll be giving free eye tests to children on the main fair grounds," said Gillis.

All three parades are child-friendly, including

the Antique Boat Parade on Saturday and the festival's grand parade on Sunday.

But one parade is especially for kids.

"We kick things off on Wednesday, July 3 with the traditional kids parade sponsored by Score Board

and More," said Gillis, who is the chair of the main festival parade on Sunday, July 7. "Groups of kids and families get together and build their own floats and a lot of kids bring their dogs."

The carnival is always a central component of sum-

PHOTOS BY COLLEEN KOWALEWSKI — FOR MEDIANEWS GROUP

mer festivals.

"T.J. Schmidt & Company is returning this year with their Ferris wheel, carousels and all the like," said Gillis.

The midway is open every day of the festival.

The annual fireworks show is one of the most popular events of the festival.

"Everybody looks forward to it," said Gillis.

"We'll be shutting down M-29 again at 6 p.m. Gabriel Marine is donating their barge."

The fireworks company will launch its array of starbursts, spinners and shells ranging in diameter from one to five inches from the barge over the St. Clair River beginning at dusk, Friday, July 5.
