## Graduation day brings celebration

Elkhart Lake-Glenbeulah High School's Class of 2019 gathered for the 101st commencement activities on Sunday, June 2.

A total of 35 students received their diplomas capping their secondary education.

ELGHS physical education teacher and athletic director Bart Larson served as the guest speaker for the event, delivering on the topic "Advice and Farewell." Class Treasurer Bryce Sitko introduced the speaker.

Also speaking to the graduates were Kaylin Kalbcken, delivering the class president's address, and Ayaka Hara, presenting her comments as the AFS student of the past year from Japan.

Mia Rentmeester, the class vice president offered the welcome.

The senior gift presentation and senior slide show was introduced by Lauren Jenny, class secretary.

The class of 2019 was presented by principal Ryan Faris and class advisor Nik Yaso.

Presentation of diplomas was done by Ann Buechel-Haack, district administrator; James Henschel, parent/school board member and Kim Vignetti, parent/school board member.

The Class Quote for the graduating seniors was, "If you cut corners in gym class, you cut corners in life," by Bart Larson.

The Class Flower was the Gerbera Daisy. The Class song, "Roots Before Branches" was sung by the graduating seniors, and directed by Holly Green.

Music for the processional and recessional was performed by the ELGHS band under the direction of Jody Voss.

Members of the graduating class included Hunter Annis, Britney Bartlett, Zachary Bauer, Cody Behnke, Chad Benicke, Benjamin Broaddus, Taylor Cain, Trevor Cain, Regan Dippel, Cole Entringer, Megan Flora, Brandon Goetsch, Ayaka Hara, Ciara Hassinger, Sarah Henschel, Jordan Henze, Parker Hersey, Lauren Jenny, Kaylin Kalbacken, Dylan Kissinger, Cody Nelson, Nicholas Niemi, Karly O'Grady, Mia Rentmeester, Emma Salzwedel, Alexander Schmitz, Saylor Schoenborn, Nadya Siddique, Travis Sippel, Bryce Sitko, Tyler Tibbs, Alex Vignetti, Adrian Weber and Ransom Yasko.

National Honor Society members included Flora, Hassinger, Jenny, Kalbacken, Rentmeester, Salzwedel, Schoenborn, Siddique, Sitko and Yasko.

The complete list of honor graduates can be found on page 7 of this edition.

Elkhart Lake-Glenbeulah's Class of 2019 tosses their hats in the air to celebrate their graduation from high school.

## Light up the sky

Probably the real significance of what the 4th of July represents has been blurred and we think of it as a big picnic fry-out day with possibly a parade but most certainly an after-dusk display of fireworks lighting up the sky.

Seems all the stores now sell various assortments of fireworks -my most explosive fireworks were sparklers. And yes I could write my name really good even though my signature was lost in the abyss of space even before I got to the last letter. However, I was under no illusion that my name would really be emblazoned in the sky for all humanity to gaze upon. Ahh, fame is so fleeting!

Here's a few memories from my childhood: My husband's father worked for a dairy in Plymouth and some of the workers would put a firecracker (a big one) inside a metal milk can and blow the lid off. The lid was heavy so the thrust of the firecracker could equate to a bomb going off.

The house I lived in had a "milk chute" -this was built into the house wall—the milk man opened an outside door, put the milk bottles in (real glass), shut the door and then my mom or dad when they remembered would open the inside chute door and remove the milk. No, houses aren't built that way any more and what dairy delivers milk (ha)—a real thing of the past. Anyhow, back to the story. My cousin, who lived a few houses down, would come on the 4th and put a firecracker in the chute—just large enough to blow the door off. You're right—my dad was not amused!

When our two daughters were growing up we lived in the Milwaukee suburb

of Whitefish Bay. Every 4th there was a neighborhood parade of coaster wagons, bicycles, tricycles and a straggling band of costumed kids trudging along on foot. One year we dressed the eldest daughter in a Statue of Liberty costume complete with crown and torch with a simulated flame made of red cellophane. The other one immersed in tears because she had fallen out of the coaster wagon—all this even before the parade started.

Our next house was on Lake Ellen—they had their own fireworks display but always the Saturday after—they didn't want to compete with the bigger near by towns. We had a boat parade with decorated pontoon boats. After that the picnic on the lawn and best of all the kids loved water balloon fights. Some of the pontoon boats would go out and also have water balloon fights—some were armed with sling shots to shoot down any on-coming water bombs.

Now that we're old and grey we don't do some of these things. However, we do like the Elkhart Lake fireworks but trudging down to the beach, fighting the crowds, trying to find a parking space, etc. just isn't something that we find appealing. But rather than miss out on the glory of the night sky fireworks we park the car on Victory Lane.

We have a good and clear view of the sky fireworks—yes, we miss the ground displays but we don't miss the crowds, etc. After the Grand Finale we drive home and go to bed.

And that's our 4th and we still like it.

# Celebrating 25 years of fun!

**By Mike Mathes**  
for the Depot Dispatch

A great place for family fun and recreation for all ages, Tom & Jerry's Mini Golf and Batting Cages is celebrating a milestone this season.

This year marks the 25th birthday for the family-run business which started as a pipe dream for brothers Tom and Jerry Wieser and their families in 1994.

"We all loved mini golfing together in the Wisconsin Dells. When an Elkhart Lake mini-golf course went out of business in the early 1990's, we saw an opportunity to bring back some wholesome family fun to Sheboygan County," said Tom Wieser.

Together, the brothers and their wives, Terri and Mary, have been the mainstay of the operation since its inception, doing much of the work to construct the golf courses on their own and still involved in the management of the local fun spot today.

"We truly appreciate all the support we have received from the community in the 25 years we have been in the business," Jerry said. "We want to thank the community for their patronage in the past, and we hope they will continue to support this business in the future."

Over the years, the Plymouth recreational outlet has grown to incorporate two 18-hole mini golf courses and a series of batting cages for public use.

Tom & Jerry's is treasured by many as a place to go with friends and family. "Host your next outdoor party with us and let your guests enjoy mini-golf, batting cages and great company," Tom said.

## Mini-Golf birthday parties

Mini-golf is a fun (and affordable) way to celebrate a birthday or other special event! Our beautifully landscaped courses have picnic tables to relax and serve your birthday cake or other treats.

## Family reunions

Gather for your family picnic or reunion at Tom & Jerry's! Relax at one of our picnic tables catch up between holes. Mini-golf is fun and easy for all ages, from little tikes to great-grandparents!

## Youth groups

Tom & Jerry's is also a hot spot for area youth groups to hold fun and learning events. School groups, church youth groups, summer school classes, scouting groups, camps and others enjoy scheduling outings at Tom & Jerry's.

The convenient location on the north side of Plymouth also dovetails beautifully with other youth and family recreation areas, including the municipal pool and skateboard park.

## Company picnics

Whether you're a local business or in town for an event at the Osthoff or Road America, mini golf and batting cages are great ways to relax together. Use the mini-golf courses for a team building retreat or just plain old after-hours fun.

## Pretty as a picture

The two beautiful mini-golf courses have been used for wedding, graduation and family photos. Contact Tom & Jerry's today to learn more about booking your next photography or party venue!

## Two 18-hole courses

Tom and Jerry's offers the opportunity

**Jerry Wieser, Mary Wieser, Terri Wieser and Tom Wieser have reason to celebrate this year. Their recreational Plymouth business, Tom & Jerry's Mini Golf, turns 25 this summer. A special sign, below, commemorates the anniversary.**

Now accepting VISA, Mastercard & American Express! A \$10 minimum purchase is required for card users. All prices include tax.

## Batting cages

Tom & Jerry's is proud to provide six fully automatic outdoor batting cages, with three slow pitch softball, and three

different speeds for baseball batting practice (45 mph, 55 mph and 65 mph).

Whether you play competitively or just for fun, outdoor batting practice is the best way to improve your swing.

Middle school, high school and league teams are encouraged to take their hitting to a new level.

Tom & Jerry's Mini Golf and Batting Cages is now accepting VISA, Mastercard & American Express for a \$10 minimum purchase. All prices include tax.

# Mill Street Live series hits 11th season at PAC

The "Mill Street Live" Summer Musical Series is celebrating its 11th year of fantastic performances at the Plymouth Arts Center in downtown Plymouth, WI.

"Mill Street Live" is a high energy song and dance musical revue and is regarded as one of the most entertaining summer shows in the area. With nearly two hours of music from the past six decades there is something for everyone in the audience to enjoy.

Featured genres are Rock n' roll (old and new,) Country, Jazz, Blues, and more. Seven shows will be performed at the Arts Center; six Friday evenings, and one Saturday night performance, all at 7:30pm.

Join us for the season opener on Friday, June 28th. July shows are July 5, 12, 19, 20, 26, and the finale on August 2nd. The show is suitable for all ages and families are encouraged to attend. Tickets are available in advance and at the door: adults-\$13 (tax included); \$8 for children age 6 to 12; Free for kids 5 and under.

Tickets may be purchased by calling the Plymouth Arts Center, (920) 892-8409; (voicemail 24hrs) or conveniently online at: [www.plymoutharts.org](http://www.plymoutharts.org), email: [info@plymoutharts.org](mailto:info@plymoutharts.org) or visit our box office at 520 E. Mill Street, downtown Tuesdays-Fridays 10am to 4pm. Visa and Mastercard are accepted.

The Mill Street Live Summer Music Series was initiated in 2009 at the Plymouth Arts Center. MSL is a music revue that showcases young area performers age 16 and up and their abilities to SING, DANCE, AND ENTERTAIN. Known for its high-energy performances, the music selections, choreography, and showmanship help Mill Street continue to be known as a premier summer staple in Sheboygan County. Join in the fun and enjoy high-quality entertainment right here in our community.

The Plymouth Arts Center is pleased to introduce you to the 2019 Mill Street Live Cast:

The Ladies are:

# REINS celebrates start of fifth year

REINS, Inc. is celebrating the start of its fifth season at Majestic Crossing Dairy, LLC, who continue to generously donate their facilities to the organization. The facility is located on County Rd O off Hwy 32 in Sheboygan Falls.

REINS, Inc. is a non-profit Wisconsin organization committed to improving the lives of those with special needs through individually structured classes using therapeutic interactions with horses. They offer summer programs 5 days per week during the months of June, July and August to people ages 4-99. REINS, Inc. is a place where people come to heal and to make friends that last a lifetime.

The program started as a part of Lakeshore Technical College in 1982, but when the college dissolved its equine program, REINS became a 501(c)(3) organization. The program then moved to Snow Hill Farm in Glenbeulah, staying at this location for over 15 years. The program transitioned to Brackenwood Farm for the 2014 season while a more permanent home was located. After reaching out to several locations, it was decided that Majestic Crossing Dairy, LLC was the perfect fit. "Moving REINS to Majestic Crossing Dairy was a lot like coming home," said

Deana Hamel, Executive Director for the REINS Board of Directors. "The facility built here by Joe Zoran was a model for the LTC program that started the equine therapy program some 33 years earlier." It was the perfect place for us to build and expand our program into what it is today."

Majestic Crossing Dairy, LLC has not only provided the program a home for the past four seasons, but has afforded the organization the opportunity to grow, with the program doubling in participants from 2017-2018. "The continued generosity of Majestic Crossing Dairy and the community is humbling. We couldn't offer this service without them." said Hamel.

With over 100 participants in the summer program, REINS, Inc. relies on the generosity of many, including volunteers. The 10-week program requires over 200 volunteers to ensure the safety and fun of its participants. The season officially starts June 17 and there are still a few volunteer spots to fill. If interested in learning more about REINS, Inc, visit [www.reins-wi.org](http://www.reins-wi.org) or if you would like to volunteer, please contact Theresa Zimmerman, Program Director at [theresa.zimmermann@reins-wi.org](mailto:theresa.zimmermann@reins-wi.org).

# Honor grads feted by EL-G High School

Elkhart Lake-Glenbeulah High School has abandoned the traditional Valedictorian/Salutatorian designations for graduating seniors in favor of the Laude System.

Typically, the Laude System recognizes three levels of honor graduation: Cum Laude (with praise), Magna Cum Laude (with great honor) and Summa Cum Laude (with highest honor).

The laude score is based on a formula in which students are rewarded for taking classes with higher rigor. The program is based on a two tier system: tier 1 worth 1 point per semester awarded to transcripted and AP courses, and tier 2 worth .5 points per semester awarded to advanced standing and teacher selected courses.

Cum Laude - 7 to 10.5 points; Magna

Cum Laude - 11 to 14.5; and Summa Cum Laude - Greater than 15 points.

A minimum GPA of 3.25/4.00 is needed in order for a student to be recognized in the laude system.

## Inside the Bottle

by Jaelyn Stuart CS, DWS, FWS

### Yes, they can!

If you still aren't sure about screwcap wines instead of cork, brace yourself. The new big thing in wine is wine in CANS!

Portable potables are the latest trend taking over the wine and cocktail world. Perfect for boating, tailgating, hiking, and more; it is easy to see why this convenient package is sweeping the nation. There are lots of wonderful options out there, but like all wine, there are certain things to look for and avoid.

Aluminum cans have long been used for beer and are the preferred vessel of most brewers who like to tout them as "mini kegs". They offer a container that doesn't allow harmful sunlight in, allow easy transportability, and they are easily recyclable. Some feel that beer in bottles is fancier and avoid cans, but more and more breweries are investing in canning lines and are making the switch.

With the rise of beer in cans, there has been a more surprising rise in canned wine. The traditional glass bottle is still preferred by most wine makers and consumers, but cans offer an option that is perfect for beaches, boats, and pool decks where glass is often prohibited. Cans are also lighter in weight than bottles, so they're great for packing.

While they are great for outdoor events, I find that they typically aren't the best for the outdoor environment. Most people don't drink the wine straight from the can and instead pour it into a plastic glass, as they would with a bottle, to allow it to breathe and enjoy the aromatics. This leads to more landfill waste, so I do encourage people to use reusable glasses like collapsible camping wine glasses, silicone tumblers, or plastic tumblers. Each of these options are great for the outdoors and offer a more enjoyable drinking vessel than the lip of a can.

Cocktails are also popping up in cans, premixed. Vodka sodas, moscow mules, margaritas, and even bloody marys are being offered in cans. Not having to tote

"Inside the Bottle" will be a monthly column that dives into the world of wine, craft beer, spirits, and other beverages – fermented and beyond. Jaelyn Stuart, author of *The Complete Idiot's Guide to Wine & Food Pairing* and owner of Vintage Elkhart Lake, will author the column and answer questions she frequently encounters inside her shop, at our wonderful Elkhart Lake area restaurants, and on her travels. If you have a question that you would like to see answered in this column, you can submit it to [sommelier@vintage-elkhartlake.com](mailto:sommelier@vintage-elkhartlake.com).

all the necessary ingredients to a tailgate party or pontoon cruise is amazing and this ready-to-drink ("RTD") category is growing quickly in the United States. Each month, new RTD styles pop up ranging from cheap, generic brands to those with all-natural, high-quality ingredients. I love the craft canned cocktails from California's Cutwater Spirits, but with more competition I'm sure other amazing options will soon be here.

Now, there are typically two cocktail servings to a can, so it is important to pace yourself. Wine cans are typically 375ml, which is the same size as a standard 12oz soda can. It is also equal to a half bottle of wine...not just a glass! It is important to keep this in mind and not quickly consume the can like you're chugging a soda because it will catch up with you quickly. I know many people that have made this mistake the first time they've tried canned wine, so hopefully this little warning helps others.

Wine cans are specially made to not affect the wine, so they won't taste "tinny," but they aren't made for aging. Grab-and-go is best, and checking the date code on the cans is helpful. You typically want to consume canned wine within 18 months of its canning date. So, if you are enjoying wine by the lake this summer, be sure to grab a can and enjoy! Cheers!

## LTC graduates 95 youth apprentice candidates

Lakeshore Technical College honored 95 Sheboygan area youth apprentices at a graduation ceremony recently held on its Cleveland campus.

Youth apprenticeships give high school juniors and seniors the opportunity to prepare for the workforce by exploring a future career through hands-on, paid work experience. Over 70 local employers partnered with 126 students from 17 Sheboygan area high schools during the 2018-19 program year.

This year's 126 youth apprentices gained over 70,000 hours of experience in 10 different career areas spanning a

wide range of fields including information technology, agriculture, healthcare, manufacturing, hospitality, and others. While participating, 147 college credits were earned by those who attended college level classes at LTC.

The following grads hailed from Elkhart Lake-Glenbeulah—Benjamin Broaddus, Parker Hersey, Dylan Kissinger, Bryce Sitko.

Kiel grads included Nicole Brandt, Macy Kraus, Ethan Ninneman, Kendra Preissner, Dakota Reiss, Justin Sabel, Austin Strains, Nathaniel Wedge.

# JMKAC offers connections to creativity

“Unforgettable.”  
 “Inspiring.”  
 “My all-time favorite museum!”

That’s what visitors say about the John Michael Kohler Arts Center. Described in *The New York Times* as “a gem” and called “a national treasure” by the Wisconsin Arts Board, the Arts Center is home to exciting original exhibitions, inspiring performances, fun hands-on activities, and rollicking special events.

Each year, tens of thousands of visitors enjoy works of art presented in multiple galleries and two performance spaces, stroll through the lush sculpture gardens, and are amazed by the world-renowned washrooms that were named “America’s Best Bathrooms” by ABC’s *Good Morning America*.

Throughout the year, the Arts Center offers an active schedule of workshops with artist-in-residence, music and dance performances, classes, and other activities. Visit [jmkac.org/calendar](http://jmkac.org/calendar) to discover what’s coming up or call 920-458-6144.

The Arts Center is internationally known for its presentation and preservation of artist-built environments. An artist-built environment is a genre of art in which an individual transforms their personal surroundings—for example, their home or yard—into an exceptional, multifaceted work of art. Included in the Arts Center’s collection of 14,000 works from these unique sites are two sites that remain in situ: Mary Nohl’s lakeside cottage environment and the James Tellen Woodland Sculpture Garden.

The Arts Center, located at 608 New York Ave. in Sheboygan, is open daily except major holidays. Admission is free.

## Exhibitions

The Arts Center has earned a national reputation for its original exhibitions of contemporary art and the work of art-environment builders and self-taught artists.

During summer of 2019, the Arts Center presents the *Mise-en-Scène* series featuring contemporary works of art and installations by artists who approach the world as a stage. A group exhibition includes artists selected for their ability to blend autobiography and history into compelling contemporary art practices. The gallery showcases works by Joianne Bittle, Sarah Braman, Andy Coolquitt, Beatriz Cortez, iris yirei hu, Benjamin Larose, Azikiwe Mohammed, Yoshie

Sakai, Becky Suss, and Ray Yoshida. Solo exhibitions in the series present the work of Mark Baum, Scott Reeder, and Saya Woolfalk.

On July 14, two new exhibitions open. Dr. Charles Smith: Aurora presents hundreds of sculptures from Dr. Smith's art environment titled "African-American Heritage Museum and Black Veterans Archive." Beauty Surplus: Serra Victoria Bothwell Fels offers new, site-specific work that challenges our cultural beauty standards.

Visit [jmkac.org/exhibitions](http://jmkac.org/exhibitions) for exhibition dates and more details about the artists and their work.

## Free Summer Concerts

The FREE Thursday evening Levitt AMP Sheboygan Music Series is back! The Arts Center presents this popular and exciting lineup of performances by bands from our own region and from across the country. The City Green in downtown Sheboygan is the site for great music, family fun, and delicious food and drink. Grab a blanket and some friends for weekly concerts on the lawn! Visit [levittamp.org/Sheboygan](http://levittamp.org/Sheboygan) to find out who is performing and when.

## Midsummer Festival of the Arts

This multi-arts event, held Saturday and Sunday, July 20-21, attracts thousands of festival goers with its fine selection of works offered by 135 outstanding artists, live music, and special art-making activities that appeal to all ages.

## Hands-on Fun

The ARTery, a drop-in studio space inside the Arts Center, offers a variety of free art-making activities for all ages. The projects allow visitors to explore the ideas and processes found in the works of art displayed in the galleries. The ARTery is open daily during the summer and on weekends year round. Visit [jmkac.org/TheARTery](http://jmkac.org/TheARTery) or call the Arts Center for hours on the day of your visit.

## World Famous Washrooms

Some of the most popular works of art in the Arts Center's collection are the six public washrooms. Named among the top three public restrooms in the world by the Travel Channel, each was created by a different American artist.

## Café and Gift Shops

The ARTcafe, located in the historic carriage house section of the Arts Center, offers delectable soups, sandwiches, salads, seasonal specials, and desserts. The two ARTspace gift shops, one at the Arts Center and one at The Shops at Woodlake in Kohler Village, carry artist-made gifts, creative toys, art books, and much more.

## Art Preserve: Opening in 2020

Already world-renowned for its work in the field of artist-built environments, the John Michael Kohler Arts Center will open the Art Preserve in August of 2020. The 54,000-square-foot satellite facility will be the first of its kind, dedicated to the study, preservation, conservation and presentation of this unique genre of art making.

At the Art Preserve, traditional museum storage ideas are re-envisioned to allow—in fact, encourage—engaging with the 14,000 works by artist-environment builders in the Arts Center's collection. Several of the art environments will be presented as tableaux to evoke the nature of the original sites. Once limited to viewing the artwork only when exhibited at the John Michael Kohler Arts Center or on loan at other institutions, researchers and the public will be able to view the collection year-round, year after year at the Art Preserve.

Situated on a 38-acre green space rising above the Sheboygan River, the Art Preserve is located at 3636 Lower Falls Road on the west side of Sheboygan.

Hours are Monday, Wednesday, Friday: 10 a.m.–5 p.m.

Tuesday and Thursday: 10 a.m.–8 p.m.

Saturday and Sunday: 10 a.m.–4 p.m.

# Bitter lemon sewed seed for charity

**By Mike Mathes**

for the Depot Dispatch

Jill Swanson Peltier knows what it's like to be fighting an uphill battle against cancer.

She also knows how important those friendly gestures of support can be for cancer patients.

Swanson Peltier took the lemon that life handed her in 2014—late stage colon cancer—and turned it into an opportunity to help others facing similar circumstances.

Inspired by the saying that we need to make lemonade when life hands us lemons, Swanson Peltier founded a helping charity she calls Lemons of Love.

In a nutshell, Swanson was so moved by a care package she received as a healing cancer patient, she decided to extend the favor to others who were experiencing similar battles.

Chemotherapy treatment for Jill was strenuous all while trying to run her business and be a mom, step mom and wife.

She began to extend the favor to fellow patients, bringing them joy in the form of small “chemo care packages.”

As she shared her story through blogs, an amazing thing began to happen. She started receiving checks in the mail to support her goodwill effort for others. People were donating items for the bags, money and even their time. Thus marked the start of the Lemons of Love charity.

## Impact of small gifts

Built on the impact of a small gift, the charity still holds strongly to the vision of sharing that loving support in the form of a simple gift to another who is suffering.

Since 2014, Lemons of Love has contributed more than 11,000 care packages to cancer patients in all 50 states and 15 other nations.

In addition to the care packages, support for Lemons of Love has been so passionate that the organization has been able to create a cancer resource center in Mt. Prospect. “We host cancer support groups, wellness classes, yoga and craft classes for cancer patients,” Swanson Peltier said.

The center even offers a private space for head shaving for cancer patients who suffer hair loss. “To some it represents a loss to have their heads shaved, but we look at it as a step in the journey, and we welcome patients to bring their friends or others along,” she said. Some even celebrate with chocolate cupcakes or a bottle of wine, honoring the event as part of the fight against cancer.

**Jill Swanson Peltier**

logo during the Alana Long Memorial 100 race for the Battery Tender® Global Mazda MX-5 Cup.

This year, for the fourth year running, Lemons of Love has held a raffle for a Mazda race car, with a 2,500 ticket limit. Three such cars have already been given away and two are currently running in the Mazda racing series.

## Care packages

Those who donate to Lemons of Love can request to have a chemo care package sent to a friend or loved-one.

Lemons will send packages two doors down, across the country and even overseas.

Sometimes it's difficult to know how to help family, friends and co-workers who are diagnosed with cancer and going through chemotherapy. Sending one of the Lemons of Love chemo-care packages is a great way to show support, from near or far.

In its care packages, Lemons of Love provides a range of goods to help ease the short-term chemo symptoms. Some of these items include, but are not limited

## Lemons of Love hosts 2nd IMSA BBQ at Throttlestop

Lemons of Love will be offering its second annual fundraiser IMSA BBQ at Throttlestop in Elkhart Lake Friday, August 2 from 6-10 p.m.

The IMSA BBQ at Throttlestop is open to the public, and will provide a great opportunity for race fans to rub elbows with IMSA drivers, crews and officials. “It’s a great opportunity for us to bring fans and IMSA people together,” Jill Swanson Peltier said.

Tickets are required to take part in the dinner, at a cost of \$30 in advance or \$35 at the door. This year’s menu is yet to be determined, but last year featured brats, burgers and chicken. Food and soft drinks are included in the price of a ticket.

In addition, cash bar offerings are available for purchase. Blind Horse Winery and Switch Gear Brewing from Elkhart Lake will be the featured providers.

Tickets can be purchased at Throttlestop.

Lemons of Love holds a silent auction at this event with items donated by the drivers and teams of the IMSA circuit.

“We would love for you, your family and friends to join us during the IMSA race weekend to support our charity—Lemons of Love,” Swanson Peltier said.

For corporate sponsorship opportunities, please contact [Jill@lemonsoflove.org](mailto:Jill@lemonsoflove.org). To register for this event, here is the link. <https://give.classy.org/IMSABBQ19>.

## New chamber member

One of the Elkhart Lake Chamber’s new members in 2019, Lemons of Love is anchored in Mt. Prospect, Illinois, but has a lot of Elkhart Lake connections. Not only is its founder a part-time Elkhart Lake resident, her company, FAST (Fresh Air System Technologies) makes cooling suits for race drivers. Swanson Peltier has literally spent her whole life at race tracks—and Road America is among her favorite venues.

Lemons of Love has already had a significant presence at the track and in Elkhart Lake. Last August, working with Throttlestop, Lemons of Love held its first annual barbecue dinner, a night to enjoy a barbecue meal, participate in silent auctions and mingle with personalities from the IMSA racing circuit.

At Road America, Lemons of Love also has made its presence known. “This year, during Indy Car weekend, a pair of sponsored cars sported the Lemons of Love

to, the following:

- Organic Body Lotion (for dry chemo skin),
- Organic Lip Balm (for chapped lips),
- Tissue Paper (for tears),
- Lemon Drops (for metallic chemo-taste),
- Mixed Nuts (for protein),
- Herbal Tea Bags (for nausea & insomnia),
- Chocolate Bar (for sweet cravings),
- Bottled Spring Water (for hydration),
- Themed Socks (for cold toes),
- Hand-Made Knit Cap (for cold heads),
- Hand-Drawn “Happy Picture” (for cheering-up!),
- Lemons of Love Reusable BPA-Free Water Bottle and
- Lemons of Love FIGHTER Silicone Bracelet.

For more information, or to make a do-

nation, please visit Lemons of Love online at [LemonsofLove.org](http://LemonsofLove.org).

Elkhart Lake area race fans can also take part in a fundraising event set for August 3 at Throttlestop. See adjacent article for details.

## Liphart named VP of Advancement at LTC

Lakeshore Technical College has announced the addition of Kristy Liphart as vice president of advancement. Liphart will be responsible for creating and directing strategies to enhance development efforts directly benefitting LTC students and college operations. She will begin June 17.

Liphart is currently the executive director of institutional advancement for Northland College in Ashland, Wisconsin, where she has worked for 13 years. Her responsibilities progressed over time as she gained extensive experience in strategic leadership and building a culture of philanthropy by collaborating with students, alumni, faculty, staff, business partners, and community members.

In her current role, Liphart has been responsible for supervising advancement efforts resulting in more than \$33 million in new gifts to the college over the past five years. During that time, she assisted the president in securing the largest single gift to the college – a \$10 million endowment launching the Mary Griggs Burke Center for Freshwater Innovation.

“Our ability to attract top talent, like Kristy, to Lakeshore Technical College speaks to the bright future of our college and the entire Lakeshore region. We are energized about Kristy’s excitement for our mission, her professionalism, and her solid record of exponentially growing advancement operations. She will be an incredible addition to our team and community,” said LTC President Dr. Paul Carlsen.

Kristy Liphart

Prior to joining Northland, Liphart worked in Hawaii at Child and Family Service. There she served as program administrator for childhood support and family education programs for high-risk youth and families. She also served on two state task forces.

Liphart earned her MBA from Hamline University, Minnesota, her Master of Science in counseling psychology from the University of Wisconsin-Madison, and her Bachelor of Arts in psychology from Carleton College, Minnesota.

# LTC awards diplomas at spring commencement

Lakeshore Technical College awarded degrees and technical diplomas to over 400 students during its commencement ceremony on Saturday, May 18. An honorary degree was also awarded.

LTC President Dr. Paul Carlsen congratulated graduates and acknowledged that everyone in attendance was there to celebrate them, recognize the journey they had completed, and to share in their stories.

"Your story is yours, and yours alone. It is unique. It defines who you are today and it shapes who you are becoming, so proudly share your story," said Carlsen. "Everything you learned, sacrificed, and accomplished to get to this moment shapes your story from here on out."

Wisconsin Technical College System President Dr. Morna K. Foy also addressed the audience.

"When I come here and look at all of you, and I think about all the things you know, and all the things you know how to do, and how excited you are to get after it and to make a contribution, I cannot help but feel optimistic and very excited about what's to come," Foy said.

Rep. Glenn Grothman from the 6th District of Wisconsin delivered the commencement address. His advice to students was to have a plan for what they want to do in life.

"Imagine you're 75 years old. Then imagine what you want to have accom-

plished in your life, and how you are going to accomplish those things," Grothman said. "Start making your list when you get home tonight, and get going," he urged.

Tegan Gonzalez of Plymouth was the student speaker. She graduated with an associate degree from the criminal justice-law enforcement program after overcoming many obstacles, including her fear of returning to school as a single mother of three.

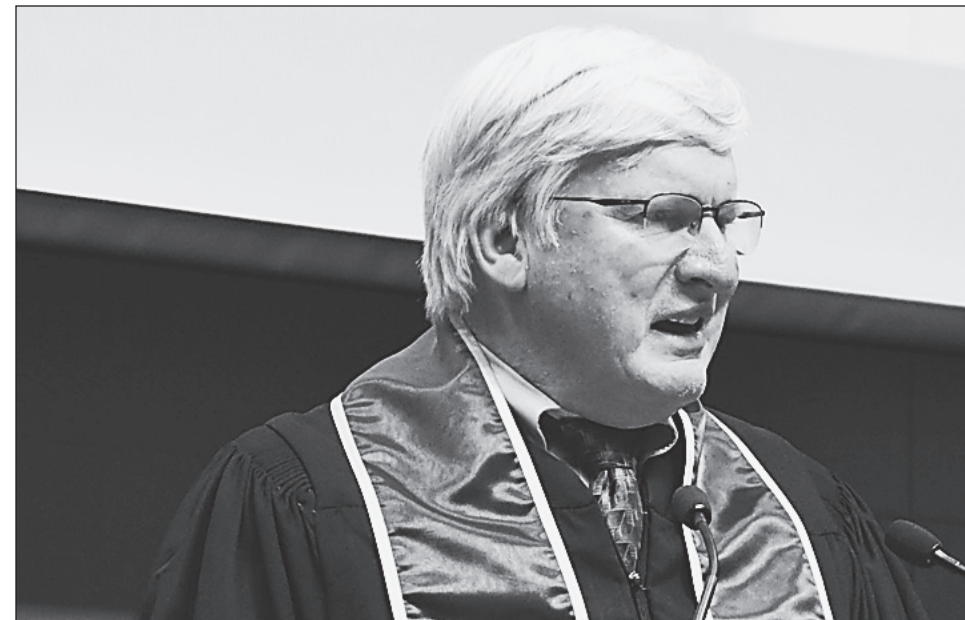

"In the journey through life we will come across many obstacles and barriers. Never let them stop you," Gonzalez told her fellow graduates. "Your journey may change from your original plan, but it is never a failure. Have faith and stay focused on the positive things around you even when you're having a hard time seeing them. When you follow your given passion, you will become more than you can ever imagine!"

Already experiencing a change from original career plans and together at commencement were a mother and daughter who not only graduated together with associate degrees in accounting, but who took all their courses together, except one. Amber Hewitt, 24, and her 44-year-old mother, Julie Pitz, are both employed as accountants as of May 20.

Before adjourning the ceremony, Carlsen announced a surprise, honorary degree to Rep. Grothman in recognition of his positive relationship with, and commitment to, technical education and LTC.

LTC President Dr. Paul Carlsen with graduating daughter Amber Hewitt and mother Julie Pitz at commencement May 18. Hewitt and Pitz attended college together, earning associate degrees in accounting.

Rep. Glenn Grothman from Wisconsin's 6th Congressional District delivered the spring commencement address at LTC May 18.

## Lakeland University staff hits milestones

Lakeland University employees gathered at the end of the spring semester to celebrate hiring milestones of a number of employees.

The winner of the 2018-19 Big Fish Award was Caroline Korhonen, a long-time member of the Dining Services staff. This award annually recognizes outstanding contributions by an employee who demonstrates extra efforts that have a positive effect on fellow employees and students, and on the mission and values of Lakeland.

Professor of English Linda Tolman, who is celebrating 50 years at Lakeland, and center staff member Kandace Tochterman, who are both retiring, were recognized for their service.

Dozens of employees celebrating anniversaries of their service to the institution were recognized. That list is below:

35-Year Anniversary: Lucretia Crawford.

30-Year Anniversary: Pamela Engebretson, Diane Frazier.

25-Year Anniversary: Rebecca Boyko, Alan Mock, Margaret Teske, Paul Temme.

20-Year Anniversary: Karl Kuhn, Peter Sattler, Charles Grubisic, Laurie Schwartz, Benjamin Zuengler.

15-Year Anniversary: Mary Jo Jetzer, Gregory Smith, Wendy Scheibl.

10-Year Anniversary: Christopher Monroe, Christopher Retlich.

Five-Year Anniversary: Nathan Anton, Andrew Beniger, Andrew Damp, Jessica Kalmar, Tyler Kulow, Kym Leibham, Anthony Liguori, Jodie Mortag, Jesse Pieper, Christopher Ringel, Julia Rodemeier, Ryan Schopf, Samuel Schroeder, Katie Vandenn Plas, Paul Weyker, Joshua Ziemann.

## Devastated by fire, Three Guys aims for rebound

On the morning of Thursday, June 7th the banquet facility of Three Guys and a Grill (Three Guys) East was destroyed in a 17-alarm fire. This location supported only one of the three business segments; restaurant, banquet and catering. A faulty outlet was the likely cause of the blaze. No one was injured.

The Three Guys Marsh Lodge restaurant located at W7039 County SR., Elkhart Lake, in the Sheboygan Marsh and the full line catering services remain open and operating. The Marsh Lodge has extended its operations to seven days a week.

The fire came just after Three Guys remodeled the banquet facility. The remodeled venue held only four events prior to the fire and was quickly booking for the 2019 calendar year.

"Shortly after the fire area, banquet halls called to offer us support with our customers," stated Scott McMurray, owner; "We have been able to relocate all 2019 special events and banquets to nearby venues."

The company hopes to rebuild the N8350 Co. Rd. J event venue. In the mean-

time, anyone who was looking to book an event at Three Guys is still encouraged to call as the firm will connect customers with nearby event spaces that serve Three Guy's food.

"The outpouring of support has been overwhelming and appreciated," stated McMurray.

Offers of help McMurray received included employees offering to work without compensation and neighbors volunteered to clean up fire debris.

One local volunteer fire fighter, an IT professional, took Three Guys' damaged computer and put the hard drive into a new computer free of charge; saving company records.

"I don't know if this support is because we are in rural Wisconsin," explained McMurray, "but, the generosity of the area invigorated our commitment to this community, employees and customers. The fire is not an ending for Three Guys and a Grill, but a chance at a new beginning. I would like to thank a lot of people who I now view as everyday heroes."

All diners require a reservation time no later than 72 hours in advance. Show only tickets available pre-purchased as above, or at the door.”

# DNR offers reminders on water skiing rules

The Wisconsin Department of Natural Resources has provided information that outlines state laws that apply specifically for water skiing or other activities that involve towing items from motor boats.

Those rules are reviewed here.

Vessel operators towing a person(s) on water skis, a surfboard, or any other device have additional laws.

## Requirements for Towing Skiers

- A person may not be towed behind a vessel between sunset and sunrise.
- When a vessel is towing a person on water skis, a surfboard, or other device, the operator must have another competent person on board to act as an observer or the vessel must be equipped with a wide-angle rearview mirror.
- A PWC operator may not tow a person on water skis or other devices unless:
  - The PWC is designed and recommended by the manufacturer to accommodate at least three people, and...
  - A competent observer is on board and in a position to observe the person being towed or the PWC is equipped with a wide-angle rearview mirror.
  - Those towing skiers on water skis, a surfboard, or similar devices and those

being towed must act in a safe and prudent manner.

- Vessels towing persons may not come within 100 feet of any occupied anchored boat, any PWC, or any marked swimming area or public boat landing.

- Persons being towed behind a vessel on water skis, a surfboard, or other device, or their towing rope, may not come within 100 feet of a PWC.

## Avoid Propeller Strike Injuries!

Most propeller strike accidents result from operator error. Victims include swimmers, scuba divers, fallen water-skiers, and boat operators or passengers. Most propeller accidents can be prevented by following basic safe boating practices.

- Maintain a proper lookout. The primary cause of propeller strike accidents is operator inattention.
- Make sure the engine is off so that the propeller is not rotating when passengers are boarding or leaving a boat.
- Never start a boat with the engine in gear
- Slow down when approaching congested areas and anchorages. In congested areas, always be alert for swimmers and divers.

# Decorate a Flower Pot!

This year the Downtown Night Committee will be auctioning off decorated clay flower pots.

Here's your chance to get creative, don your art smock, and donate your artistic talents to help decorate these flower pots! Please stop by the Chamber office and pick up your clay flower pot(s). We are asking that they be **returned, fully decorated to the Chamber office, 41 E Rhine Street, Elkhart Lake no later than Wednesday, August 7** (return them earlier and we'll share them on our facebook page!).

Please be sure to use weatherproof paint (or a sealing lacquer topcoat) and décor items on the flower pots if they are intended to be displayed outside.

Once decorated, each flower pot will then be auctioned off at Downtown Night through our silent auction and the proceeds will help fund various Elkhart Lake Chamber activities and initiatives; including Downtown Night and marketing/promoting Chamber businesses like you!

We can't wait to see all of the fun, unique pots that our Chamber community creates!

Thanks and happy decorating!

# Elkhart Lake Village update

## Planning Commission keeps busy

The Planning Commission has been diligently working on many items. They are working with the Winter Family Partnership to potentially open up some lots for development along Crestwood Drive. In June the Planning Commission also had a concept plan presentation from Bob Werner in regards to Victory North (area between Moraine Drive & the bowling alley). The Planning Commission has voted to move both these projects forward in hopes of residential growth in the Village. The Planning Commission is also looking to design a new "Vintage" residential zoning district, which will allow for narrower lots and reduced setbacks. The Village is excited to see residential development moving forward.

They also have approved sign permits & mitigation plans for a variety of businesses & projects.

### Comprehensive Planning Survey Results

Thank you all for responding to the comprehensive planning survey. We saw a terrific response rate of over 57%. If you are interested in seeing the results please visit <https://elkhartlakewi.gov/wp-content/uploads/2019/06/Total-Final-Survey-Results-wo-comments.pdf>. Over the coming months we will try to provide information in this column based on comments or questions that were raised in the survey results.

### Village Square Park Update

The Village is working on a final plan for the Village Square Park Equipment Update. The Village is looking to make this park inclusive for all. More information will be coming in the next few months as we will begin launching a fundraising campaign. Please stay tuned as this will be very exciting for the Village.

### Fireman's Picnic July 5th, 6th, & 7th

### Vintage Weekend parking and street closures

Vintage weekend takes place on Friday, July 19th & 20th, 2019. As you know, the Village will have a very large crowd, especially Friday night. The Village once again will be implementing detours and road closures on July 19, 2019, for the Vintage Concourse. The only change is the Village will be posting no parking in the normal area by Siebkens Resort but is also extend-

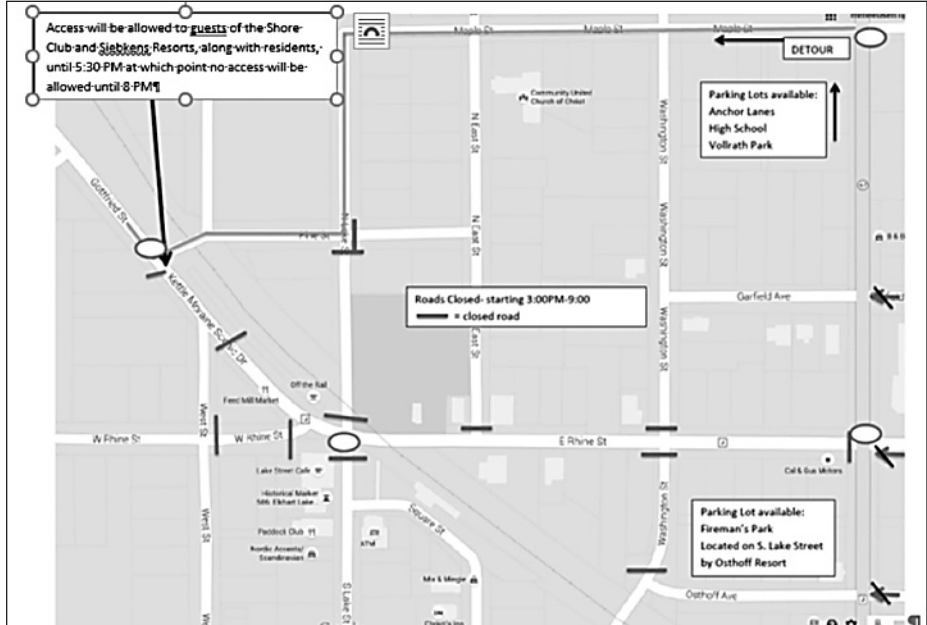

ing the no parking area further to the north on S. Lake Street until the driveway of Gesserts. The Concourse will stretch up to that area on S. Lake Street.

The major road closures will be E. Rhine Street from Lincoln Street to the intersection of Gottfried and Pine Streets. All roads that intersect with E. Rhine Street will also be closed as to allow no traffic onto E. Rhine during the closure time. In addition, S. Lake and S. East Streets will be

closed like in previous years. Please review the map. All closures will start at 3:00 p.m. and last until approximately 9:00 p.m.

If you are a resident and need to enter the closure area that is outlined on the map anytime from 3:00 p.m. to 9:00 p.m. please contact the Village offices before July 18 to arrange for a parking pass. This pass will let officers and those assisting with traffic know that you are allowed to enter the closed area to get to your resi-

dence or business. Please keep in mind that from 5:30 p.m. and 6:15 p.m. no one will be allowed in the closed area, even with a parking pass, due to the escort that will be occurring. Additionally, anyone living on S. Lake, S. East and Elm Streets will not be able to enter those areas starting at 5:30 p.m. due to the excessive amounts of people on the streets until the event concludes.

If you have any questions please feel free to contact Chief Meeusen at (920) 876-2244 or [mmeeusen@elkhartlakewi.gov](mailto:mmeeusen@elkhartlakewi.gov). Thank you for your understanding and cooperation during this busy week-end that we have here in Elkhart Lake.

### Boating Regulations

1. A Coast Guard approved Personal Flotation Device (PFD) in serviceable condition is required to be in the boat and accessible for each person in the boat.

2. A speed of "SLOW NO WAKE" is in effect all year long from 7:30 pm-10 am each day. "SLOW NO WAKE" is defined as the slowest possible speed at which a boat can operate while still maintaining steerage.

3. Maintain a speed of "SLOW NO WAKE" at all times when operating a motor boat between the shoreline and the NO WAKE buoys and within 100 feet of any craft at anchor, adrift or not operating under engine power.

4. No boat towing persons skiing, tubing or the like can come within 100 feet of swimmers, divers, rafts, other boats or restricted areas.

5. NO SUNDAY operation of motor driven boats, beginning the 2nd Sunday of June and ending the 3rd Sunday of September. Note: Only electric trolling motors allowed.

6. There is a radar-enforced speed limit

## July mystery photo

## Can you identify the photo?

Take a look at July mystery photo above. Do you know anything about it? Where was the location? What was the approximate year? Do you know specific building in the photo?

If so, let us know!

To enter the July contest, send an email or letter with as many details as you can include to the Elkhart Lake Chamber. Either drop off at our office, or email [depotdispatch@elkhartlake.com](mailto:depotdispatch@elkhartlake.com).

The person with the best submission will receive a finely matted, quality enlarged print of the original, courtesy of Schamberger Gallery in Elkhart Lake.

The June winning entry comes from Linda White of Elkhart Lake.

She wrote, "In 1916, William Schwartz sold the property at 284 S. Lake Street to Herman Siebken as a hotel and named it Siebens Resort. German residents who stayed at the resort serenaded both the resort guests and the residents of Elkhart Lake for over 70 years. Herman's daughter Olive (Ollie) became the owner in 1946. Ollie turned the entire resort into one huge antique store due to her love of antiques. Ollie's daughter Pam bought the resort and sold antiques and gifts in the old opera house. Ollie's granddaughters Laurie and Lisa kept up the tradition operating

the antique shop. Ollie's Opera House Antiques and Gifts closed a number of years ago. I have visited Ollie's several times and purchased many beautiful antique pieces."

May's entry also brought in a pair of corrections after the winner was named. They came from Jim and John Buss.

Jim wrote, "All I can tell you is that the location is about 1 half mile North of, The Rail, on the right side of the tracks going towards Kiel. We used to slide down the gravel."

John wrote, "This is not J & Woodside Lane—That location has no telephone pole or a fence line and it is a straight area not curved.

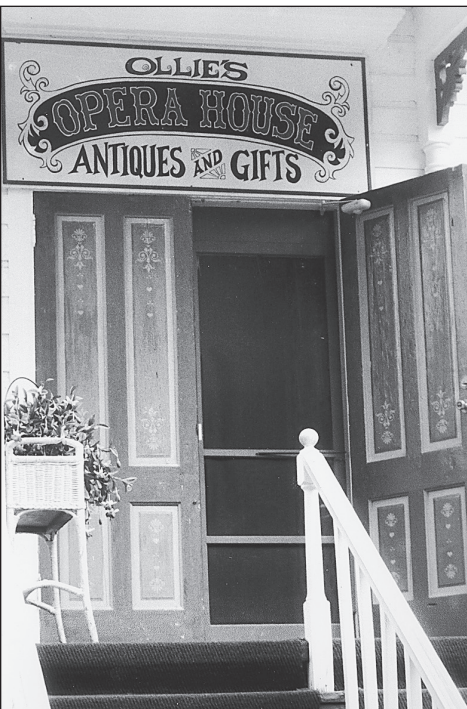

This is going out of Elkhart Lake taking 67 North to Lime Kiln Road. Turn left to Rail Road tracks. If you were to go down the trails about 1/2 mile, on your left is this photo area. Years ago Joe Buechel owned it and then the Great Northern Landholding & Mining Co. Inc. owned by John & Martha Stoeltenbeys & recently sold.

I know this site very well because I grew up at J & JP and used to walk & hunt back there a lot.

I had permission from the Stoeltenbeys to hunt there for the past 10 years.

The hill is now all grown over with many trees & brush. The pole & fence was there.

# Historic baseball games continue through summer

Bring the whole family to Wade House Historic Site to cheer on the Wade House Red Jackets base ball (spelled the original way) club as they play other local teams in historic base ball games this summer.

“Baseball played by historic rules is a very different game than we see today,” said Jim Willaert, curator of interpretation and collections at Wade House Historic Site for the Wisconsin Historical Society. “There are no gloves, and a ball caught on the first bounce is an “out”. These rules really change the dynamic of the game.”

All games begin at 1:30 pm and take place on the following dates:

August 4 – Milwaukee Greys

Historic 1860’s base ball at Wade House is the full re-creation of the 1860’s game, including the field, equipment, rules and terminology. Guests are encouraged to interact and join in part of the game.

Following the game, guests of all ages can take a swing with a replica bat, run the bases or play the field. The historic base ball game is included with the price of general admission to Wade House.

Wisconsin Historical Society members receive free admission to Wade House and all Wisconsin Historical Society historic sites and museums across the state. The price of admission at Wade House is: Adults (\$13.00), Children age 5-17 (\$6.50), Students and Senior Citizens (\$11.00) and children under 4 are free.2

# Weill Center lists fall headliners

The Weill Center for the Performing Arts, a 1,150-seat historic theater in Downtown Sheboygan, has announced its Fall 2019 headliners. The season includes performances that pay tribute to the past, as well as national names currently topping the charts across the genres of country, bluegrass, pop and more.

"The Weill Center is becoming more and more of an entertainment destination for our community and our visitors – a place where people want to be to make memories," said Katy Glodosky, executive director of the Weill Center Foundation. "To continue to create amazing experiences and engage even more individuals, we asked our community to help with programming this year."

This year, several focus groups consisting of families, college students, long-time patrons, volunteers, donors, sponsors, young professionals, and others provided input into who they wanted to see on the stage at the Weill Center. As a result, the Weill Center will present the following performances this fall:

**Trampled by Turtles**, a bluegrass/folk band sweeping the nation, touring with chart toppers like the Avett Brothers, and performing at festivals like Coachella, Bonnaroo and Lollapalooza. This event is generously sponsored by Plenco Plastics Engineering.

**Gone West** features Colbie Caillat, the MySpace sensation who earned a number-one spot on the Billboard Top 100 with "Bubbly," and performed with award-winning artist, Jason Mraz for the duet "Lucky." Gone West is comprised of two husband-wife duos who released their debut EP and set out on their first tour this year. This event is generously sponsored by Plenco Plastics Engineering.

The Music of Cream celebrates the 50th anniversary of the British rock band Cream (in tandem with the 50th anniversary of Woodstock). This is not a typical

tribute band. Band members include Eric Clapton's nephew, Ginger Baker's son and Jack Bruce's son.

Community Comedy Night features three stand-up comedians and benefits the Sheboygan County Food Bank with a hysterical evening of laughs for the entire family.

Chris Kroeze, runner-up on season 15 of on NBC's The Voice performs to benefit the Kiwanis Club of Sheboygan and their mission to support Sheboygan youth.

The Backstage Pass series returns for a second season after a successful inaugural year. This VIP experience invites guests to join up-and-coming artists on the stage for an intimate performance, appetizers and cash bar for a five-dollar cover charge.

## Students excel at Skills USA

Six students from Lakeshore Technical College recently earned gold and silver medals at SkillsUSA, an event which challenges students in trade, industrial, technical, and health occupation programs to apply their classroom learning in a competitive environment. Students focus on using their technical skills along with communication and troubleshooting skills as they compete against students from other technical colleges around the state. The competition was held in Madison.

"Skills USA was a valuable learning experience and awesome way to see how LTC's education compares to other colleges," said LTC student Derek Teunissen.

"This event is a great opportunity for our students to experience competing against their peers at other technical colleges," said Sheila Schetter, LTC dean of advanced manufacturing, agriculture, automotive, and engineering. "Having six

students in four categories advance to the national level competition is excellent," she added.

Earning gold in the Robotics and Automation team competition were Jack Blashka and Derek Teunissen.

Earning gold in the CNC Milling Specialist competition was Matt Berry.

Earning silver in the Mechatronics team competition were Christopher Russell and James Gutierrez.

Earning silver in the Related Technical Math competition was Brenden Olds.

The students qualified to compete at the national SkillsUSA competition to be held in Louisville, Kentucky, June 24-28.

On behalf of the Elkhart Lake Study Club, President Karen Grace presented Char Sellinger an orchid corsage to commemorate Mrs. Sellinger's 95th birthday and her 30 year anniversary as a Study Club member. In addition, the Study Club celebrated its 95th anniversary at the Club's annual meeting held June 3, 2019 at Siebkens. The Elkhart Lake Study Club, organized October 10, 1923, is the oldest club in the Village.

# ElkhartCares reflects on volunteers

In celebration of National Volunteer Month in April, ElkhartCares took a moment to reflect on all of the good that has come from the time and commitment of its volunteers.

ElkhartCares is a community-based organization that seeks to empower its beneficiaries, "building a community where the power of goodwill keeps on giving". ElkhartCares focuses on providing assistance to individuals and families who are striving to achieve a happier and healthier life. ElkhartCares assists those in the community that have

pressing needs: the basic needs of daily living, which ElkhartCares works to mitigate by providing assistance with the needs of basic living standards during challenging times; the need for greater educational and professional opportunities, which ElkhartCares

responds to by providing scholarships for a variety of educational options and by creating mentorship programs; and the need for practices of healthy lifestyles, which

ElkhartCares meets by creating opportunities for affordable, recreational, therapeutic activities for the community.

In just a little over a year of being a 501(c)3 non-profit, it's hard to believe how much has already been done to support the community of Elkhart Lake and its surrounding regions thanks to the generosity of time and spirit from ElkhartCares volunteers.

During the Independence Day Parade and Fireman's Picnic, ElkhartCares volunteers handed out treasure bags to the children and their families so that they could collect and safely store their goodies from the parade. Several volunteers even drove all the way to Elkhart Lake from the Chicago region to volunteer on this fun day! In addition to handing out ElkhartCares treasure bags, volunteers spent their time sharing information on what ElkhartCares is all about, and exchanged smiles and handshakes with many.

As part of the ElkhartCares Reading Hearts program, ElkhartCares and the Elkhart Lake Public Library partnered to create a Summer Reading Program, which is occurring again this summer. Volunteers helped fill backpacks with books for the summer, bookmarks, pencils, and more--for the children who participated. Forty-one local children benefited from this program.

During Downtown Night, volunteers helped introduce Quigby, the ElkhartCares elephant who encourages children to maintain hope during troubling times, to embrace the love of reading, and to cherish time with family. Quigby took photos in the ElkhartCares tent with many smiling new friends. Thanks to volunteers who helped organize the fun day, fruit infuser water bottles were also given to a few lucky winners of the ElkhartCares drawing.

During Christmas season, as part of ElkhartCares' Reading Hearts program, ElkhartCares and its volunteers hosted Story Time with Santa's Elf at The Elkhart Lake Public Library. There, the children of our community had the opportunity to come to the library and munch on a delicious, volunteer-made Christmas cookie--while enjoying a story, read by a volunteer Christmas Elf. Quigby, the friendly ElkhartCares elephant, also stopped by to say hello to his neighborhood friends at the library. Alongside ElkhartCares volunteers, the children and their fami-

lies had the chance to decorate holiday gift tags, and to make a Christmas list for Santa. ElkhartCares volunteer, Mary Jo Vollrath, said of the event, "Our outreach at the library was warm and touching. Truly a 'Christmas' experience! The story hour with Ivy the Elf and Quigby was a success. We provided crafts, cookies, and cheer."

Also in the spirit of the holidays, ElkhartCares was a sponsor of the Elkhart Lake Chamber of Commerce's Santa Train event. Families enjoying The Santa Train were offered hot chocolate to keep them warm; ElkhartCares created "Toppings Station", where families could meet ElkhartCares volunteers and get creative with toppings for their classic, holiday drink. During the event, volunteers handed out ElkhartCares bags, containing gifts for the children, and made sure that literature about ElkhartCares was available for any families who might have been in need or knew of a family or individual in need of a helping hand during the holiday season. ElkhartCares volunteer, Laura Myers, said of the event, "My time volunteering for ElkhartCares was very rewarding during the Holiday Season. Elkhart Lake had a Santa train arrive in our quaint little village along with Santa to visit the local children. We, at ElkhartCares, were stationed next to Santa and handed out gift bags to 300 children after having their pictures taken with Santa. Seeing the children's faces light up as we handed them their gift bags was precious and so heartwarming. It was the true meaning of giving the gift of love! I look forward to many more opportunities to help others this summer and the year ahead with ElkhartCares! I'm honored to be a part of ElkhartCares."

For several families in the Elkhart Lake region, more than just hot chocolate was necessary to bring warmth and comfort during the cold, winter months. Thanks to the time and coordination of ElkhartCares volunteers, ElkhartCares was able to provide Christmas Dinners and Christmas Gifts. A few individuals were given shelter during the cold, winter months after being threatened of being without, while others were struggling with safe transportation and were aided. Those needing clothing were gifted a fresh set of clothes. These ElkhartCares holiday activities would not have been possible without the support of volunteers.

In February of this year, ElkhartCares was nominated by The Chamber of Commerce for "Non-Profit of The Year". ElkhartCares volunteers made beautifully decorated Valentines for the Chamber Dinner attendees. The ElkhartCares logo includes a hand holding a heart, symbolizing the responsibility ElkhartCares feels to encourage hope and happiness in the hearts of neighbors. The volunteers artistically placed the heart element of the ElkhartCares logo on the center of each Valentine, decorating the edges with lace; they came out beautifully!

In an effort to help the citizens of Elkhart Lake and its surrounding regions achieve their potential, ElkhartCares established a program called Climb The Ladder. This program offers scholarships for those wishing to further their education; an ElkhartCares volunteer helped spread the word about the opportunity for students to apply for scholarships, and even worked with several students to fill out their FAFSA form. ElkhartCares' first scholarship recipient just completed her

ElkhartCares partnered with The Elkhart Lake Public Library to host Story Time with Santa's Elf, as part of the ElkhartCares ReadingHearts Program

first year at college, and is doing incredibly well.

The ElkhartCares Climb The Ladder program also aims to connect successful, accomplished members of the community with young, hungry, resourceful minds. This mentorship program would not be possible without the spirit of volunteerism in the community of accomplished individuals, offering their time to mentor individuals aspiring for career success in their field. Through Climb The Ladder, ElkhartCares now also offers Financial Literacy Mentorship for families wanting to find more financial health, or to students seeking a financial plan for affording their goal of a brighter future. These financial planners and savings specialists are working entirely as volunteers. "Mentoring is part of the entrepreneurial spirit, and I'm so glad to have the opportunity to collaborate with ElkhartCares", one generous mentor said.

During this National Volunteer Month,

Elkhart Cares stands in awe upon its reflection of how much has been accomplished due to volunteerism. In the words of one of ElkhartCares' most active volunteers, Sara Hawe, "Volunteering means being more than just a member of your community; it means you are an advocate for your community!" Without volunteers like Sara, the work that ElkhartCares does in the community would not be possible. For ElkhartCares, every month is one to appreciate volunteers, and ElkhartCares extends a heartfelt thank you to all of those who share their time, treasure, and talent.

If you or someone you know is inspired to become an ElkhartCares volunteer, and/or wishes to join hands with ElkhartCares through a donation, visit the ElkhartCares website, [www.ElkhartCares.org](http://www.ElkhartCares.org), and click "Volunteer"--or go directly to <http://www.elkhartcares.org/volunteer/>.

## A Heartfelt Thank you to the Community

We want to say Thank You to all 13 fire departments and all of their volunteer fight fighters who responded to help fight our devastating blaze. They are amazing people who volunteer for a very dangerous job and deserve more thanks than I can even find words for.

We want to thank our wonderful staff for all their help, the many community businesses and residents who have stepped forward and offered us their venues, services, general labor and assistance to help us transition to running our whole operation out of our facility at the Sheboygan Marsh location.

The Marsh location is open 7 days a week for now so we can try to keep all of the employees working and offset the loss. All on the road catering booked and new jobs are welcome as we move forward. We are working to place all the banquet facility jobs in other venues for 2019.

We have shed many tears in the past days, but they were for the great community and help we received and not our loss. We can't express how touched we are by all the support.

Sincerely, Scott and Dave
