2019 Musical Groups

Slim Jim & Big Guy Band

Also featuring
these popular
musical groups

- Troublemakers
Colonial
Drum Corp

The Slim Jim and Big Guy Band is a rock and roll group based in Delaware County. They feature oldies from the 50's and 60's and some awesome blues. They have been around since the middle of the 1980's, so the sound is tight. High energy and dancing fun is the name of the game.

Mersey-British Rock Invasion

Mersey- features music from bands such as The Beatles, The Rolling Stones, The Who, The Kinks, The Animals, Cream, Pink Floyd, Deep Purple, and more. The show includes a Live band that performs all the music, as well as actors and dancers. Skits that touch on topics such as long hair and other moments that define that era. Songs include "I Want To Hold Your Hand" by The Beatles, "Satisfaction" by The Rolling Stones and "My Generation" by The Who. "Every song is a hit, I've borrowed musicians from all the great bands from this area," "It's a labor of love for all of us. Everyone in the cast is really into the project. It's a very personable show. It's been a wonderful experience putting it together." and performing for new music Lovers all over!

My son Luke, helped me with this show, from "the ground up." Luke and me, researched all the groups and Luke did the graphics as well, after many Shows.....Band Members include - Dan Traynor, Gene Harlack, Scott Grande, Dave Rand, George Livanos, Brandy Roads, Collette Johnson, Kevin Cooley, Steve Kurtz, Donna DeGregorio, John Deneen.

Woodland String Band

The Woodland String Band was established in February 1926 and has competed in the annual Philadelphia Mummers Parade every New Year's Day since January 1st, 1927. Woodland originated in the Southwest section of Philadelphia and moved to its current location on "Two Street" in the heart of "Mummer's Row" in July 1990. This year marks Woodland's 93rd consecutive year in existence, one of the longest among Philadelphia's string bands.

Marple Newtown Community Band

The Marple Newtown Community Band, established in 1996, is a volunteer, non-profit group that performs free for the public, both within Delaware County and out of it. The MNCB has performed at, among other places, Rose Tree Park, Glenolden Borough, Yeadon Borough, Campbell's Field in Camden, N.J., and one of Marple Township's most cherished landmarks, the Massey House. The band performs frequently at Paxon Hollow Middle School, Lima Estates, and, of course, the Marple Newtown 4th of July Parade. Prospective members need not be residents of Marple Newtown Townships. For more information about the band, go online to www.mncb.org, or call 610-308-8692.

Eagle Pep Band

The official band of the Eagles that gets us ready for pre-season football with their famous "Fly Eagles Fly" song among others and performs before 68,000 fans at every home game. They also travel with the team and play at many local weddings.

The band was the 2018 Grand Marshal of the Marple Newtown July 4th parade.

More Musical Group

The Marching Cobras

The Marching Cobras Drumline and Danceline has taken New York and its neighboring states by storm. The program provides opportunities that will promote leadership, teamwork, as well as physical fitness with a strong focus on character development. With a plethora of performances under our belt some of our most notable performances have been a part in the movie "The Birdman" the band also lead the Vince Lombardi Trophy into the stadium at the 2014 Super Bowl. The Marching Drumline and Danceline has opportunities for all young people. We create memorable events for the individual but also for the collective membership. These events provide realistic experiences that empower band members to contribute to common goals at practice. Team building and learning music benefit the participants in both their school work and personal life. The long term benefits include enhanced communication skills, concentration, decision making, stress minimization and self confidence.

and female role models and reduce the incidence of risk taking behaviors among this vulnerable population. The program also deals with a critical and often overlooked need in the minority community overweight and obesity. With a large minority population the need for intervention is critical to ensure the short-term and long-term of these youth. The Band program address this critical issue by a "Healthy Lifestyles and Transitions Program" as part of the Marching Cobra Program.

We pride ourselves on is the fact that there is no prerequisite for experience in our program. Many of our members were not drummers or dancers when they first entered. They heard about the program and their interest brought them to us. This is where we were able to really shape, mold, and work with anyone. Sure it is beneficial if an individual has the experience but it is not a requirement. If you show you will be dedicated and that you will put in the effort to learn your craft then it becomes easy. The best thing is watching an individual go from knowing very little to mastering their drum or their dance. Socially healthy and respectful bonds are formed. Shy individuals quickly come out of their shells and shine bright with the rest of the program. Every and anyone that is willing has a place in our program.

Fusion Core Drum Corps

Fusion Core is a non-profit performing arts organization providing music education, as well as dance, movement, and color guard choreography instruction while competing and performing within the DCA Circuit. Formed in 2007, Fusion was successful in earning High Caption Awards in Brass, Visual and Guard at the 2008 Championships. Today the Core competes in the Open Class Division of DCA earning High Guard and top 5 placement with 3rd place in Brass at the World Championships in Williamsport, PA. During the Core's tenure the Core earned the Class A Championship title with High Caption Awards in Visual Effect, Music Effect, Brass & Color Guard. 2011 the Core placed in the top ten making history as one of the first Class A Corps to earn a voting right within the DCA Organization. We are excited to continue to expand upon the standards set and championship caliber instruction which has brought us to this juncture. Fusion is governed by an Administration and Board of Directors who volunteer their time, knowledge and experience in order to provide the best drum corps experience to all our members; no one on either the Board or Administration receive any form of compensation. Fusion Core brings young adults ages 14 and up together to accomplish a common goal. Through teamwork, dedication, perseverance and the pursuit of personal excellence we all enjoy the sport of Drum Corps!

2019 Grand Marshal Tom Murray

Tom is married to his wife of 42 years Ellen and they have four grown children, Tom III, Katie, Patty, and Matt. Tom is a graduate of Cardinal O'Hara High School class of 1970 and attended St. Joseph's University. Tom has been active in the Marple Township Community since he was 17 years old when he joined the Broomall Fire Company as a volunteer fire fighter in 1969, following in the footsteps of his late father Tom Murray Sr. During his time with the Broomall Fire Company Tom rose thru the ranks and in 1980 Tom was elected to Chief of the Broomall Fire Company a position he held for over twenty years. Tom continues his service with the Broomall Fire Company to this day and currently serves as the Deputy Chief.

In September of 1979 Tom was sworn in as a Patrol Officer with the Marple Township Police Department. During the next 13 years Tom worked in patrol, before being promoted to Sergeant, a position he held for 10 years. During his time as a sergeant Tom had the opportunity to attend the FBI National Academy in Quantico, VA, only the second member of the Marple Township Police Department to attend this prestigious class. In July 2002, Tom was again promoted, this time to the rank of Lieutenant in charge of Police Operations. On January 10, 2005 Tom was promoted one final time to the rank of Chief of Police a position he has held since.

During his career with the Marple Township Police Department, Tom has received numerous commendations for his police work. Among them he has 6 Excellent Duty Citations and 1 Meritorious Duty Citation. He has seen many changes during his police career most notable was guiding the Marple Township Police Department through an Accreditation process, resulting in the Marple Township Police Department becoming only the second police department in Delaware County to achieve accredited status through the Pennsylvania Chiefs of Police Association in 2016.

Tom has also served on numerous committees with both the Fire Service as well as Law Enforcement. Tom currently chairs the Delaware County Emergency Services Advisory Committee and is a Board member for the Delaware County Domestic Abuse Project. He has served as the President of the Delaware County Police Chiefs Association in 2013 and is Past President of the Pennsylvania Association of Arson Investigators.

On January 10, 2020 fifteen years to the day when he was appointed Chief, Tom will officially retire from the Marple Township Police Department having served for just over 40 years.

Decidedly Different.[®] Decidedly Free.

At Dunwoody Village, no one worries about getting dinner on the table, mowing the lawn, or repainting the house. A simpler, more convenient lifestyle awaits at our beautiful Newtown Square continuing care retirement community, where you can ditch all the humdrum chores of homeownership. You'll even consolidate your bill paying. That leaves you with free time to devote to your favorite activities like golf, swimming and book club. Or pick up a new hobby—be it quilting, pickleball or woodworking. Make new friends over our dining room tables and on the trails of our nature preserve. Attend a lecture onsite or visit one of Philadelphia's museums via our shuttle. Your days are your own to fill. Ready to embrace your newfound freedom? Call us today to arrange a visit.
