CRUSTLESS BLUEBERRY PIE

- 1 cup plus 2 tbsp. Granulated Sugar, divided
- 1 cup All Purpose Flour
- 1 tsp. Cinnamon
- 1/4 tsp. Salt
- 1/2 cup (1 stick) Unsalted Butter, melted
- 2 Large Eggs
- 1 tsp. Vanilla Extract, or to taste
- 1/2 to 1 tsp. Almond Extract, or to taste
- 2 cups plus 1/4 cup Fresh Blueberries, divided

Preheat oven to 350°F. Spray a 9-inch round pie dish very well with cooking spray; set aside. To a large bowl, add 1 cup sugar, flour, cinnamon, salt, and whisk to combine; set aside. To a medium microwave-safe bowl, add the butter and heat on high power to melt, about 45 seconds. Wait momentarily before adding the eggs so you don't scramble them. Add the eggs, extracts, and whisk to combine. Pour the wet mixture over the dry and stir to combine; don't overmix. Add 2 cups blueberries and stir to combine; batter is very thick. Turn mixture out into prepared pie dish; smoothing the top lightly with a spatula. Evenly sprinkle 1/4 cup blueberries over the top. Evenly sprinkle 2 tbsp. sugar over the top and bake for about 34 to 39 minutes, or until edges are set and a toothpick inserted into the center comes out clean or with a few moist crumbs but no batter. Allow pie to cool in pie dish on a wire rack before slicing and serving. Optionally serve with whipped topping or ice cream. Pie will keep airtight at room temp for up to 5 days.
