Livingston County Board of Supervisors Proclaim Invasive Species Awareness Week

Geneseo, NY- July 5, 2019 – In support of the state-wide initiative, the Board of Supervisors proclaimed July 7-13, 2019, as Invasive Species Awareness Week (ISAW) in Livingston County to promote awareness of invasive species, the harm they can cause, and how they can be detected and eradicated in order to protect the environment, human health, and economy. ISAW features statewide events that encourage New York residents to help protect resources – such as fish, wildlife, plants, and crops – from the negative impacts of invasive species. This year's theme is "Early Detection: Explore, Observe, Report" which highlights the importance of detecting infestations of invasive species early, thereby increasing the success of response efforts.

Invasive species are defined as non-native plants, animals, insects, or diseases that can cause harm to the environment, economy, or human health. Common invasive species in Livingston County include Eurasian watermilfoil, zebra mussels, alewife, Japanese knotweed, giant hogweed, emerald ash borer and hemlock woolly adelgid. Potential species to be on the lookout for are the spotted lanternfly, oak wilt, hydrilla and water chestnut.

Interactive events in Livingston County:

July 20 & 21– Invasive Species & Water Quality Education Booth, Conesus Lake Association Arts & Craft Show, Long Point Park, Geneseo

Events nearby:

July 12 – Hike & Strike, Letchworth State Park, Castile

July 14 – Forest Health Specialist Climbing Demonstrations, Letchworth State Park, Castile

To view full event details or other events happening across the state, visit: <https://stoptheinvasionny.com/events/>.

Residents Warned to Beware of Heat-Related Illness

[Mount Morris, NY] – The Livingston County Department of Health

is warning residents to take precautions against heat-related illness as the heat emerges this summer.

With temperatures climbing high lately, residents are urged to take extreme care to protect themselves and their loved ones from heat exhaustion and heat stroke.

Populations especially at risk include young children, the elderly, and people who are already ill. Symptoms of heat exhaustion may vary, but often include:

- Heavy sweating
- Tiredness, weakness, or dizziness
- Muscle cramps
- Nausea or vomiting
- Fainting
- Fast and shallow breathing
- Fast and weak pulse

If you or someone you know experience these symptoms seek immediate relief. Help the victim to cool off by drinking cool beverages,

resting in an air-conditioned environment, or taking a cool shower. If heat exhaustion is not treated it may progress to heat stroke. Seek medical attention immediately if any of the following occur:

- Symptoms are severe
- The victim has heart problems or high blood pressure

For more information, contact the Livingston County Department of Health during business hours at 243-7299, the Sheriff's Office during non-business hours at 243-7100 or visit our website

www.livingstoncounty.us/doh.htm.

MMCS D Class of 2019 Graduates

Valedictorian Joelle Provino, is the daughter of Marty and Beth Provino. Joelle plans to attend Binghamton University to major in Integrative Neuroscience. She participated in various extracurricular activities including soccer, basketball, softball, Swim Club, Key Club, Jazz Band, Pep Band, Marching Band, All-County Band, Yearbook Club, Prom Committee, and Close-Up. Joelle is also a member of the National Honor Society and is the President of the Student Council. She has done volunteer work for the Livingston County Dog Control, Mount Morris Police Department, Mount Morris Public Library, PTSA Family Fun Nights, and Toys for Tots. She has also participated in the Pit Band for the MMCS D musicals, volunteered at the sports boosters concessions stand, participated in HOBY, and tutors in a first-grade classroom. Joelle is the recipient of several honors and awards including the NYSCLSA Outstanding Student Leader Award, the Greater Rochester Chamber of Commerce Women's Council Young Women of Distinction Award, the Bronze President's Volunteer Service Award, the 2018 Livingston County Teen Recognition Award, and the U.S. Marine Corps. Scholastic Excellence Award. Joelle has been on the High Honor Roll throughout high school and has received many academic keys including, Spanish 2, Geometry, Earth Science, Global Studies, Physical Education, Algebra 2, Physics, Communication Systems, Forensics, English, and Pre-Calculus.

Salutatorian Emily Sutherland

is the daughter of Don and Melissa Sutherland. Emily has been involved in numerous activities at MMCS D including, basketball, soccer, softball, Key Club, Yearbook Club, Prom Committee, and participates in a Mentor Program for seventh graders. She is a member of the National Honor Society, Vice President of the Student Council, Youth Representative for the Livingston County Youth Bureau, jury member for Livingston County Youth Court, and volunteers to walk dogs volunteers to walk dogs for the Livingston County Dog Control. Emily has consistently maintained a High Honor Roll status and has been the recipient of the Livingston County Teen Recognition Award from 2017-2019. Emily received direct admission to SUNY Brockport's Nursing Program and into the Honors College.

Carmen Cruz, daughter of David and Luisa Ellis, is ranked third in this year's graduating class. Carmen has been an active and beloved member of the MMCS D student-body. Throughout her time at MMCS D, Carmen has participated in basketball, softball, cheerleading, Drama Club, Student Council, Jazz Band, Livingston County Youth Court, Yearbook Club, and the Prom Committee. Carmen is a member of the National Honor Society, was the recipient of the DAR (Daughters of the American Revolution) Scholarship, Green Scholarship through

SUNY Brockport is a two-time recipient of the Livingston County Teen Recognition Award and was chosen as a Student to Spotlight in 2019. Carmen plans to attend SUNY Brockport to major in Psychology with an intended minor in Criminal Justice and Forensic Science.

Nogah Pescini, daughter of Bryan Pescini and Milinda Mix, is ranked fourth in this year's graduating class. Nogah plans to attend SUNY Geneseo to major in Psychology and Art with the aspiration to become an art therapist. She has participated in cheerleading and Stage Crew. Nogah is the recipient of Honor Keys in Art, Science, Health and Earth Science. She received an Academic Letter and Gold Star Pin for making the Honor Roll three times in a given school year and was chosen as a Student to Spotlight in 2019. Nogah is also the recipient of the Xerox Award for Innovation and Information Technology.

Shantal Herrera Olivo, daughter of Sandra Herrera Olivo, is ranked fifth in this year's graduating class. Shantal has participated in Stage Crew, Key Club, softball, and has been a member of the National Honor Society throughout high school. She has received many academic pins for extracurriculars such as National Honor Society, Key Club, Livingston County Teen Recognition, and two Gold Star Pins for maintaining High Honor or Honor Roll status. Shantal has received Honor Keys for Physical Education, Art, and Spanish. She also received a second place ribbon for Digital Photography and was included as a Student to Spotlight in 2017. Shantal plans to major in Accounting at SUNY Geneseo.

Aleyshka Lopez, daughter of Alex Lopez and Lisandra Crespo, is ranked sixth in this year's graduating class. Aleyshka plans to attend SUNY Brockport to major in Nursing with the aspiration to become a NICU Nurse after graduation. This Honor Roll student has participated on the Mount Morris Girls' Varsity Basketball Team and volunteers with the American Red Cross. Aleyshka received an Academic Letter and Gold Star Pin for making the Honor Roll three times in a given school year and received an Honor Key in Spanish 3.

Alec Spicciati, son of John and Kris Spicciati, is ranked eighth in this year's graduating class. Alec has participated in soccer, Jazz Lab, and Jazz Band and plays the National Anthem on guitar at all of the MMCSD basketball games

played at home. During the fall of 2018, the Mount Morris Boys' Soccer Team made history as they clinched the LCAA Division III title for the first time in 17 years. He is the recipient of an Honor Key in Advertising and Design and has received an Academic Letter and Gold Star Pin for making the Honor Roll three times in a given school year. He has also been on the list for National Award Winners of the physical fitness test. He plans to enlist in the Air Force after graduation.

Team and the Boys' Varsity Basketball Team. He has participated in Yearbook Club, Close-Up, Prom Committee, Student Council, Varsity Track, Varsity Golf, and has volunteered to referee for youth basketball. He is the recipient of many honors and awards including Senior Class President, Junior Class President, HOBY Leadership participant, Varsity Club President, and the University of Rochester Outstanding Young Leader Scholarship. He was listed as a scholar-athlete for soccer and basketball, was included in the LCAA Exceptional Senior Game for soccer and basketball. He is the recipient of the Sportsmanship Award: Section V Sectional Tournament, Most Improved Player for Varsity Track, and selected to the LCAA All-Star Team for Soccer. He has also received an Honor Key in Physical Education and is a recipient of the Livingston County Teen Recognition Award. Justin plans to attend SUNY Geneseo to major in Psychology.

Isaiah Kenney, the son of Edward and Traci Kenney, is ranked seventh in this year's graduating class. Isaiah has participated in the MMCSD Band and Jazz Band. He received an Academic Letter and Gold Star Pin for making the Honor Roll three times in a given school year, and an Honor Key in U.S. History. Isaiah plans to major in Accounting at SUNY Geneseo.

Nayellie Martinez, daughter of John Martinez and Melissa Deña, is ranked tenth in this year's graduating class. Nayellie has maintained Honor Roll status and has participated in softball and has volunteered with the American Red Cross. She received an Academic Letter and Gold Star Pin for making the Honor Roll three times in a given school year. Nayellie aspires to major in Dentistry but is undecided on what college she would like to attend.

Joshua Cautivo, Dylan Cicero, Ryan Colon Burgos, Liz Nayeli Crespo-Toledo, Carmen Cruz, Joshua Cruz, Jose Cruz Vazquez, Parker Estruch, Michael Gross, Danine (Shantel) Herrera Olivio, Carly Jo Jackson, Isaiah Kenney, Emily Kerr, Angel Lopez Berrios, Aleyshka Lopez Crespo, Joseph Luckenbach, Justin Martin, Nayellie Martinez Pena, Alexis Peck, Nogah Pescini, Brianna Pritchard, Joelle Provino, Russell Rawleigh, Cameron Regal, Kristin Rivera, Kianna Rodriguez, Tadiaris Silva Ortiz, Jordi Smith, Shane Snell, Steven Soto, Alec Spicciati, James Sprague, Emily Sutherland, Kathleen Warren, Brianna White, Wyatt Yorks, Collin Young.

The Dangers of West Nile Virus

The mosquito season is upon us. Not only are mosquitoes a nuisance, but some can carry West Nile Virus. West Nile Virus is spread through the bite of an infected mosquito. Even though the chances of catching this virus are slim, it is important to take precautions. Although people of all ages can become infected with West Nile Virus, those who are at highest risk for severe illness from the virus include people with compromised immune systems and the elderly. This virus can cause a serious life altering disease or even death. The following guidelines are recommended to reduce the risk of contacting West Nile Virus:

- Apply insect repellent containing DEET, picaridin, IR3535, oil of lemon eucalyptus (OLE), or PMD to exposed skin, following the manufacturer's instructions. If using on small children, do not apply to the face, hands or open sores. Do not apply to infants; use mosquito netting instead.
- If possible, wear long sleeves and long pants. Mosquitoes can bite through thin layers of clothing so using insect repellent containing DEET, picaridin, IR3535, or oil of lemon eucalyptus, lowers the risk of being bitten by a mosquito.
- Get rid of standing water. Even the smallest amounts can be enough for mosquitoes to lay eggs. Look around at such things as buckets, cans, flowerpots and other items that may retain water. Empty and refill bird-baths once or twice a week.
- Install or repair window and door screens so mosquitoes cannot get into the house.
- Many mosquitoes are most active from dusk to dawn. Minimize outdoor activities during this time, if possible.

For any questions or concerns please contact the Livingston County Department of Health at (585) 243-7280, or visit our website at www.livingstoncounty.us/doh.htm.

Is Your Home Bat Proofed?

According to the Centers for Disease Control and Prevention (CDC), bats are the most common source of human rabies in the United States. Although bats are very helpful to humans and the environment, by consuming insect pests, bats can also be infected with rabies. You can't tell whether or not a bat has rabies by looking at it. Rabies can only be confirmed in a laboratory. People and animals can get rabies if they are bitten by a rabid bat.

A bite from a bat may not be noticed because bat's teeth are so small. If you or someone you know has had physical contact with a bat, please call the Livingston County Department of Health at (585) 243-7280 and consult with a health care provider to determine if rabies treatment is needed.

It is important to keep bats out of homes. It's best to contact an animal-control or wildlife conservation agency for assistance with "bat-proofing" your home. However, if you choose to do it yourself, "bat-proofing" can be done by caulking any holes that are larger than a quarter inch, closing all doors to the

outside tightly, using chimney covers, window screens, and draft guards beneath doors to attics. Bats can even enter homes through loose shingles, siding, or open vents.

If a bat is in a home and there is a chance that the bat had contact with a person, pet, unattended young child, a sleeping individual, a person under the influence of alcohol or drugs, or a person with other sensory or mental impairment, please follow these simple guidelines:

- Do not touch the bat with your bare hands. Put on leather work gloves.
- Get a small box or coffee can, a piece of cardboard and tape.
- Wait for the bat to land.
- Approach the bat slowly, and while wearing the gloves, place the box or coffee can over it.
- Slide the cardboard under the box or can to trap the bat.
- Tape the cardboard to the can or box opening so the bat cannot escape.
- Punch small holes in the cardboard allowing the bat to breathe.
- Leave the bat in the container. Then take the container outside and call the Livingston County Department of Health at (585) 243-7280, or the Livingston County Sheriff's Department at (585) 243-7100 after hours.
- Do not release the bat. The bat should be tested for rabies to determine the need for rabies treatment.

If you have pets, it is important to keep them up to date with their rabies vaccinations to prevent exposure. If there are any questions or concerns please contact the Livingston County Department of Health at (585)243-7280 or visit our website at www.livingstoncounty.us/doh.htm.

ARE YOU RECEIVING

your

MOUNT MORRIS SHOPPER

...Every Week?

Your shopper does not go on vacation. You should have your shopper each and every week.

Keep Your Children Safe This Summer

When summer weather comes, it means more outdoor activity for children. For parents and guardians this means being extra careful to make sure your children stay safe. Keep your children safe this summer by following these simple tips:

Water safety: Never let your child play in or near water without an adult present. Even if children know how to swim, they can still find themselves at risk. Also remember that infants, toddlers and young children can drown in as little as 2 inches of water. Make sure that children wear life jackets in and around natural bodies of water, even if they know how to swim. Pools should have a four-sided fence, separating the pool from the house, keeping children away from the area when they are not supposed to be swimming. Also, teach kids to swim to prevent drowning and learn CPR to be ready in case of an emergency.

Insect Repellent: There are many insect repellants that are safe to use for children. Be sure you pick repellants with DEET, picaridin (KBR 3023), IR 3535, or citronella oil. If you use a repellent with DEET, be sure the product has less than 30% DEET, and do not spray near the mouth or eyes and follow manufacturer's directions. Do not use insect repellants with DEET on infants; instead cover them with netting to avoid bites.

Sun Safety: Overexposure to sun and ultraviolet light increases your child's risk of skin cancer. Regular use of sunscreen can lower children's risk of skin cancer by almost 78% (www.KeepKidsHealthy.com). Sunscreen with an SPF of 15 or higher is the best defense. Sunscreen should be applied 30-45 minutes before exposure to the sun, and should be reapplied every 2 hours or sooner if your child has been swimming or sweating. Also, be sure to stay in the shade whenever possible, and wear clothing that protects you from the sun, such as a hat and sunglasses. Schedule outdoor activities for morning and evening hours when the sun is not as strong.

Bicycle Safety: All children ages 14 and under are required by law to wear their bicycle helmets. Wearing a bicycle helmet can protect a child of any age from serious injury. Make sure your bicycle has reflectors if you are biking at night.

For questions on summer safety please contact the Livingston County Department of Health at (585) 243-7299 or visit our website at www.livingstoncounty.us/doh.htm.

Apply: www.bonuscheck.net

"Working for Coast has been one of the most rewarding decisions I have ever made for my career. Not only does Coast provide a very lucrative bonus structure, they provide a number of different benefits and ways to show true appreciation for their staff. Within a matter of months I was able to move up from being a Consumer Care Manager to Director of Operations. This move was made possible due to our growing company. Change is always scary at first, but this change, an opportunity to be a part of the Coast family, has been the best decision for my career. I wouldn't choose to work anywhere else. I love the family atmosphere and open door policy, so that everyone can voice their own ideas. Coast truly values all their employees and I am grateful I can be a part of such an amazing company."

Courtney Schupp, Director of Operations

Does God Want Me Sick, Or Well?

The answer to that question can be puzzling and even difficult, especially if you have a chronic illness, or the doctors have no good solutions. At Healing Rooms on the Genesee, we offer the following for your consideration:

1. If God wants you sick, by going to a doctor you are disobeying God. That doesn't make sense. God wants the same thing that you and your doctor want. He wants you healed.
2. Jesus, when asked to teach His disciples to pray, 'introduced' God as Father to them (see Lk 11:1-4). What good Father wants His children sick? Again, it does not make sense that God wants you sick.
3. John 10:10 says "the thief (satan) does not come except to steal, and to kill, and to destroy... I (Jesus) have come, that they may have life, and that they may have it more abundantly." Sickness and abundant life are opposites and do not go together.
4. As you read through the gospels, you will find that all who came to Jesus were healed. He, Jesus, does not change. He wants you healed. So does His Father.

It should be clear that God and Jesus are in the healing business. If this raises questions in your mind, that's OK. Give us a call. We will be happy to talk about this.

LIVINGSTON COUNTY'S 2021 BICENTENNIAL

~ Free Scanning Event in July ~

Formed in 1821, Livingston County will be celebrating its Bicentennial in 2021. Multiple county-wide events will be held as this milestone draws near. The first event will be hosted in July by the Livingston County Historian's Office.

All are invited to share both historic and contemporary photographs, documents, and other records that help to capture Livingston County's history. Staff will scan the materials and record any information the owner shares about each piece. All originals will be returned along with a digital copy of the scans on a flash drive. The County Historian's Office will then make the images available to researchers.

July 15-19 for
Livingston County Employees

July 22-26 for the Public

Appointments are necessary.
For more information, contact
Livingston County Historian's
Office at 585-243-7955 or
