Once Upon A Time....

There was an owner of a very successful ice cream shop. This owner built his business by having the creamiest ice cream around and by letting his customers know about them through extensive advertising. His business was so successful that he was able to send his son to a prestigious Ivy League school where his son was studying to receive his M.B.A.

One day the son came home for a break and promptly questioned his father "Dad, don't you know that there is a recession going on out there?" The father replied that his business was going very well, but the son persisted telling his father "Dad, you've got to cut back." So the father, figuring his son knew all about business, followed the son's advice. He promptly cut his advertising budget and then cut his cone & ice cream orders. Before long, business in fact did slow down. So the father replied to the son "You were right, son. Business is terrible. There is a recession going on out there."

READER'S Recipe

STUFFED GREEN PEPPERS

6 green bell peppers salt to taste	1 teaspoon Worcestershire sauce
1 pound ground beef	1/2 cup uncooked rice
1/3 cup chopped onion salt and pepper to taste	1/2 cup water
1 (14.5 ounce) can whole peeled tomatoes, chopped	1 cup shredded Cheddar cheese
	2 (10.75 ounce) cans condensed tomato soup
	water as needed

Bring a large pot of salted water to a boil. Cut the tops off the peppers, and remove the seeds. Cook peppers in boiling water for 5 minutes; drain. Sprinkle salt inside each pepper, and set aside. In a large skillet, saute beef and onions for 5 minutes, or until beef is browned. Drain off excess fat, and season with salt and pepper. Stir in the tomatoes, rice, 1/2 cup water and Worcestershire sauce. Cover, and simmer for 15 minutes, or until rice is tender. Remove from heat, and stir in the cheese. Preheat the oven to 350 degrees F. Stuff each pepper with the beef and rice mixture, and place peppers open side up in a baking dish. In a medium bowl, combine tomato soup with just enough water to make the soup a gravy consistency. Pour over the peppers. Bake covered for 25 to 35 minutes, until heated through and cheese is melted and bubbly.
