STEPS TO PEACE WITH GOD

- 1. God's Plan—Peace and Life**
God loves you and wants you to experience His peace and life. The BIBLE says: "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life" (John 3:16, NKJV).
- 2. Our Problem—Separation From God**
Being at peace with God is not automatic, because by nature you are separated from God. The BIBLE says: "For all have sinned and fall short of the glory of God" (Romans 3:23, NKJV).
- 3. God's Remedy—The Cross**
God's love bridges the gap of separation between God and you. When Jesus Christ died on the cross and rose from the grave, He paid the penalty for your sins. The BIBLE says: "He personally carried the load of our sins in his own body when he died on the cross" (1 Peter 2:24, TLB).
- 4. Our Response—Receive Christ**
You cross the bridge into God's family when you receive Christ by personal invitation. The BIBLE says: "But as many as received Him, to them He gave the right to become children of God, to those who believe in His name" (John 1:12, NKJV).

To receive Christ you need to do four things:

1. **ADMIT** your spiritual need. "I am a sinner."
2. **REPENT** and be willing to turn from your sin.
3. **BELIEVE** that Jesus Christ died for you on the cross and rose from the grave.
4. **RECEIVE**, through prayer, Jesus Christ into your heart and life.

CHRIST says, "Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in" (Revelation 3:20, NKJV). The BIBLE says, "Whoever calls on the name of the Lord shall be saved" (Romans 10:13, NKJV).

What to Pray:
Dear God, I know that I am a sinner. I want to turn from my sins, and I ask for Your forgiveness. I believe that Jesus Christ is Your Son. I believe He died for my sins and that You raised Him to life. I want Him to come into my heart and to take control of my life. I want to trust Jesus as my Savior and follow Him as my Lord from this day forward. In Jesus' Name, amen.

Merchants Bank of Alabama
Member FDIC

112 YEARS OF WAY BETTER BANKING.

Many big banks treat you like a number instead of building personal relationships. Here at Merchants Bank, we do things differently. Merchants Bank has been serving our local communities since 1907. We know our customers and our banking decisions are made locally—by local bankers you know and trust. We have five locations in the area to serve you. So, if you are in the market for a new bank, come over to Way Better Banking at Merchants Bank.

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.

According to a recent report in the scientific journal *Advances in Nutrition*, after qualitatively analyzing the results of 28 nutritional studies involving 2,900 participants, researchers have concluded that supplementing the diet with omega 3 and coenzyme Q10 (in either liquid or tablet form) can have a beneficial effect on the quantity of spermatozooids in semen. Supplementing the diet with selenium, zinc, fatty acids, omega-3 and coenzyme-Q10 is associated with an increase in spermatozoid concentration; supplementing the diet with selenium, zinc, omega-3, coenzyme-Q10 and carnitines has been associated with an improvement in sperm mobility, and finally, the combination of selenium, fatty acids, omega-3, coenzyme-Q10 and carnitines has a positive effect on the morphology of spermatozooids.

Higher blood levels of omega 3 fatty acids are associated with a higher likelihood of healthy aging among older adults, finds a new U.S. study published by *The BMJ*.

For years, it's remained an open question: what effects do dietary supplements such as high doses of vitamin D or omega-3 fatty acids derived from fish oil have on the risk of diseases such as heart attack, stroke and cancer? While there have been hints along the way, until now, no randomized clinical trial of a general population; especially a racially diverse population, has been large enough to adequately address these questions. According to a recent report in the *New England Journal of Medicine*, investigators conducted a rigorous placebo-controlled trial over the course of 5.3 years, gleaning a treasure trove of information on the effects of both supplements. The team found that omega-3 fish oil reduced heart attack rates but did not affect risk of stroke or cancer. Vitamin D was associated with a decrease in cancer deaths that started one to two years after participants began treatment.

Saving You **MONEY**

No Cards, No Games, No Gimmicks - Just Hometown Values For Your Hard Earned Money

IS WHAT WE ARE ALL ABOUT

AD PRICES EFFECTIVE WEDNESDAY, JULY 31, 2019 THRU TUESDAY AUGUST 6, 2019

SHOP TODAY'S LOW PRICE TAGS:
We have HUNDREDS of non-advertised items marked down throughout our entire store. More savings passed on to our customers. Just look for blue tags on the shelves.

NO LIMITS:
Our competitors also have advertised specials. The difference is, in most cases, they have a limit on how many of an item you can buy at the sale price...we don't have any limits to family shoppers.
