**WHAT IS ESCROW?**

When you go to make your mortgage application you will hear the word escrow. Do you know what this means?

When you purchase a home with less than 20 percent down you most likely will need an escrow. This means that the bank will pay your property taxes and your home owners insurance for you each year. The bank sets up an "escrow" for you which is 1/12th of your taxes and your home owners insurance. Every month the bank sets this money aside and when the taxes or homeowners insurance comes due they pay it for you. This way the bank is assured that the taxes and insurance will be current.

Makes it much easier for the purchaser each year.
