Naturally Nunda

Kiwanis Park Opens New Softball Field

Five years in the planning, fund raising and construction have resulted in a brand new softball field at the Kiwanis Park in Nunda. For many years, the girls had been playing on a "baseball" style field but not getting the full effects of a dirt infield which is what is used for modern softball games. Through designing and excavation last summer and grooming this spring, the field was transformed into a regulation "skinned" infield for the girls.

With the guidance of Batavia Turf, Kevin Howe, Little League Chairman, took the lead. Assisting him were Steve Howe and Aaron Davis with the lay-out and excavation of the area. Lawson Sand and Gravel donated and brought in 5 truckloads of sand for the base. Special pitcher mound and home plate clay was packed in and then everything was topped off with Red Clay dirt trucked in from Canada and Pennsylvania. After a lot of grooming, raking and leveling, the field was ready for play beginning this April.

This project could not have been completed without the support of major donors Chad Bugman, PPP Corporation and Dana Russell, Nunda Lumber and Hardware. Other large contributors were Donald Thompson, John Thompson, Ken Veneron and Marie and Irving Schoenacker. A Special Thanks to the Village and Town of Nunda crews for helping with dirt moving and rolling of the fields. Future plans and fund-raising include an electric scoreboard and a homerun fence for the girls.

Kiwanis also has 2 other fields that are set up for baseball. Work continues on both of these fields for Machine Pitch and T-Ball Games as well as 10 and under and 12 and under teams. Thanks to all the coaches for the daily maintenance of these fields.

145 children participated in the Little League program and had a very successful year. Both Girl's 16 & Under and the Boy's Pony League completed their seasons with Championships.

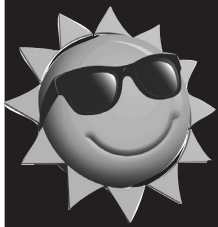

All of these programs were totally funded by Kiwanis with the help of the whole community.

As always, we are very grateful to all of you for the support that made this and all park projects possible.

The first date of play on the new field was April 27, 2019.

Marie Schoenacker,
President

Meet the Coaches Night

Thursday, August 8th

6:30 PM

MMCS Auditorium

This is a mandatory meeting for any students interested in participating in fall sports.

Parents are encouraged to attend as schedules are shared and all necessary paperwork will be handed out at this meeting.

- JV/Varsity fall athletics will begin on Monday, August 19th
- Modified athletics will begin on Monday, August 26th
- Sports Physicals will be provided at MMCS on Tuesday, August 13th from 11 am - 4 pm in the Nurse's office

*Please note that in order to be eligible to participate in athletics, students must have a valid physical on file.

*Mrs. Irmgard
Shaffer,
longtime resident
of Portageville and
Mount Morris passed
away at age 94 in her
sleep on July 9, 2019
at St. John's Nursing
home, Rochester, N.Y.*

She was surrounded by her children and grandchildren.

"Irmie" was born in Muhlhausen, Germany. She was predeceased by her husband, Francis, of 63 years. They met and married in Germany after WWII when Francis was in the Army.

She was a loving mother and grandmother and a great cook!

Survived by children: Thomas F. Shaffer of The Villages, Florida, Carol Shaffer, Henrietta, N.Y., and Cynthia Wachtman, Henrietta, N.Y. Grandchildren: Thomas W. Shaffer (Christie), Kelly Shaffer Hall (Tim), David P. Shaffer (Tricia), and Renee Baird (Brian). Great grandchildren: Connor Hall, Juliette and Kinley Shaffer, and Charlotte Shaffer. Also survived by Leah Shaffer.

A private service was held in the Chapel at St. John's attended by family and many nurses and residents. All stated that they will miss her upbeat attitude and ready smile.

The family is planning a "Celebration of Life" at a later date.

We love and miss you! Rest in peace, Oma ♥

Rabies Positive Bat in Lakeville

According to the Livingston County Public Health Director, Jennifer Rodriguez, the New York State Health Department laboratory has confirmed that a bat in the Hamlet of Lakeville tested positive for rabies on July 30, 2019. A person exposed to the rabid bat is seeking treatment.

Rabies is a deadly virus that attacks the central nervous system in mammals. It is most frequently found in raccoons, skunks, and bats. All mammals, including unvaccinated dogs, cats, and farm animals, are at risk for getting rabies.

It is important to note that there is no way to tell if an animal is rabid just by looking at it. Wild and feral animals should always be avoided. Signs of rabies in wildlife include: inability to walk, appearance of "drunkenness," unwillingness to drink water or eat, drooling, aggressive behavior, or any significant change in temperament. All potential rabies exposures should be reported to the Livingston County Department of Health.

Below are important steps to prevent rabies.

- Stay away from unfamiliar animals, either wild or domestic, even if they appear friendly.
- Thoroughly wash any wound from an animal with soap and water and seek immediate medical attention.
- Avoid wild and feral animals, especially if the animal is showing any sign of rabies.
- Be a responsible pet owner by keeping your pet's vaccinations current. Getting your pets vaccinated can help stop the spread of rabies from wild animals to humans.

New York State Law requires that all dogs, cats and ferrets have current rabies vaccinations, beginning at 4 months of age. An unvaccinated pet that comes into contact with a rabid animal must be kept in strict confinement for six months or be euthanized. Free rabies clinics are offered for dogs, cats, and ferrets every year in Livingston County.

The next rabies clinic is on August 6, 2019 in Livonia. Pre-registration is available on the Environmental Health website listed below.

It is important to be aware of the facts and use caution to protect your family and your pets. If you have any question or would like further information on rabies or rabies vaccination clinics, please contact the Livingston County Department of Health at 243-7280 or visit www.livingstoncounty.us/eh.

Ribbon-Cutting Ceremony to Celebrate Grand Opening of Playground at Livingston County's Al Lorenz Park

Mount Morris, NY – August 1, 2019 – All are invited to attend a ribbon-cutting ceremony on Wednesday, August 7, 2019 at 11:30 a.m. for a new nature inspired playground at the county-owned Al Lorenz Park, located on Murray Hill in the Village of Mount Morris.

Youth from the Mount Morris Summer Recreation Program will join the celebration and have an opportunity to enjoy the new park feature.

The playground is meant to enable children to play together without physical or social barriers. It will have age-appropriate areas for younger children, ages 2 to 5 years, and an additional space for older children, ages 5 to 12 years. Components will include:

- Multiple climbing elements
- Single, double, tube and wave slides
- Suspension bridges
- A swing set featuring belt and buckle swings
- Several ground level elements, including a tic-tac-toe panel

Given the significant variety in children's abilities and preferences, the playground equipment also features two transfer stations that will provide an easy transition for all users to the elevated components.

The new playground at the 80-acre Al Lorenz Park is one of many recreational features identified in a recent county-led park improvements study geared toward the promotion of healthy, active lifestyles. Other recommended features include a fitness trail, basketball court, and playing field with a backstop. William Mann, Deputy County Administrator of Central Services, said, "Al Lorenz Park is a true gem among the region's parkland. We are excited to advance and improve this public space for all to enjoy."

Additionally, Mann said, "One of our major goals with the new playground is to make sure it is fun for all participants. This new play environment is designed to serve the physical, social and cognitive needs of children of all abilities. It will provide an opportunity for kids to develop their creativity, work in groups, build their confidence, and interact with the world around them."

At its July 10, 2019 meeting, the Livingston County Board of Supervisors approved a \$57,431 contract with Bears Management Group, Inc. to construct and install the new cedar log playground. Funds for the project are allocated in the county's Capital Improvement Program.

David LeFeber, Town of Avon Supervisor and Chairman of the Board of Supervisors, said, "We are pleased to unveil this new playground that will serve generations of children to come. Every child should be able to enjoy a playground and participate in enriching experiences with friends, family and neighbors. Continued improvements to Al Lorenz Park will promote our county's quality of life as well as healthy, outdoor activities for all."

For additional information on Al Lorenz Park and its amenities, please call the Livingston County Central Services Department at 585-243-7500.

You're Invited to Mosaic Health's OPEN HOUSE

August 9th, 11:00am - 2:00pm

1 Murray Hill Drive
Building 1 Room #140

"When I was hired to join the Coast family in October 2018 as a Consumer Care Representative, I was sold on the idea that Coast Professional, Inc. would be growing at an exponential rate. After being stagnant in a collector role with my previous company for over 6 years I was finally able to advance my career with Coast. It was in just under 8 months with the company that I was able to show my knowledge and abilities and I was promoted to Consumer Care Manager. With this company I feel as though my opportunities are continuously growing and my role is important to the business."

Melissa Ladd, Consumer Care Manager

COAST
PROFESSIONAL, INC.®

Coast Professional, Inc. is a privately owned, EOE/AA/M/F/Veteran/Disability Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
