Lots of things about our fair are beloved traditions. But one thing we work very hard to do is to disprove anybody who says, "It's the same thing every year."

Think about the fact that the projects the 4-Hers display have changed incredibly. Things like the cost for a family to take a week off and spend time sharing their work. The type of projects has grown to include things like computers youth engineer at home, to complex sewn garments that rival those of students in their final year of college for design.

Think about the entertainment that you can see for only the cost of admission, this year we have world famous performers including Circus Incredible and Lew-e the Clown who has one of the countries most impressive clowning resumes. We have a kangaroo encounter, karaoke, and you can even be a person who climbs the grease pole! Every 18 year old should try climbing the grease pole once, it's a story that you'll share the rest of your life, make it to the top or not.

Think about your favorite once a year foods are there from some vendors who have been attending our fair over 30 years and look forward to visiting Orleans annually. There's new food too to find and enjoy. You can eat an entirely different meal every night and not try half of what is available.

Consider the midway who ensures they bring some new rides and games into the mix each year to keep you thrilled and excited. Think about building and grounds, which we constantly push ourselves to improve to have one the nicest grounds in the state.

When you think about the fair this year we want you to think, "The important parts and what fair means to our families are the same every year, but the details and the fun are unique and exciting!"

The Romans Road to Heaven

"There is none righteous, no, not one."

"For all have sinned and fall short of the glory of God."

"But God demonstrates His own love toward us, in that while we were still sinners, Christ died for us."

"So that as sin reigned in death, even so grace might reign through righteousness to eternal life through Jesus Christ our Lord."

"For the wages of sin is death but the gift of God is eternal life in Christ Jesus our Lord."

"If you confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved. For with the heart one believes to righteousness and with the mouth confession is made to salvation."

"For whoever calls upon the name of the Lord shall be saved."

(Romans 3:10,23; 5:8,21; 6:23; 10:9-10,13)

Greased Pole Climbing Contest

Where can you go to see a team of 6 to 10 people try to scale a greased telephone pole?

Come check out one of Orleans County's most exciting competitions of the year, the Greased Pole Climbing Contest. Watch as teams try shimmy their way to the prize at the top. Those who don't slip back down the pole receive an invite to the championship run on Saturday.

If watching isn't exciting enough for you, register your team at the Fair Office to compete. Contestants must be at least 18 years old. Teams must register before the start of competition each night.

The Greased Pole Climbing contest will be run Wednesday - Saturday.

Ag Education Area

Bring your little ones to enjoy our new agriculture education area located in the commercial exhibits building.

They can harvest a potato, apples, eggs, or milk a cow. Members of the agricultural community will be dropping in throughout the week to share information and maybe a tasty bite from their industry.
