According to a report from the University of Gothenburg, researchers have demonstrated that probiotics, dietary supplements with health-promoting bacteria, can be used to affect the human skeleton. Among older women who received probiotics, bone loss was halved compared to women who received only a placebo. Brittleness of the bones, or osteoporosis, is characterized by porous and weak bones, which can cause them to break even when subjected to low loads, such as a fall from standing height. The proportion of the population with osteoporosis increases with age, and a majority of women over 80 years of age have the disease.

Long-term use of benzodiazepine medications in patients with chronic obstructive pulmonary disease, or COPD, as well as posttraumatic stress disorder (PTSD) may lead to increased suicide risk, according to a study published in the Annals of the American Thoracic Society.

An estimated 10 percent of couples in the U.S. struggle with infertility. While a variety of factors can make it difficult for some people to get pregnant, ovulation disorders are a leading cause of female infertility. Now, researches have found that zinc deficiency can negatively affect the early stages of egg development, reducing the ability of the egg cells to divide and be fertilized. This may affect fertility months in the future. The researchers presented their results at the American Physiological Society annual meeting. The World Health Organization estimates that 17 percent of the global population is vulnerable to zinc deficiency in their diet. This estimate may not include cases of marginal zinc deficiency (people with some zinc in their diet, but less than recommended).

# STEPS TO PEACE WITH GOD

### 1. God's Plan—Peace and Life

God loves you and wants you to experience His peace and life. The BIBLE says: "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life" (John 3:16, NKJV).

### 2. Our Problem—Separation From God

Being at peace with God is not automatic, because by nature you are separated from God. The BIBLE says: "For all have sinned and fall short of the glory of God" (Romans 3:23, NKJV).

### 3. God's Remedy—The Cross

God's love bridges the gap of separation between God and you. When Jesus Christ died on the cross and rose from the grave, He paid the penalty for your sins. The BIBLE says: "He personally carried the load of our sins in his own body when he died on the cross" (1 Peter 2:24, TLB).

### 4. Our Response—Receive Christ

You cross the bridge into God's family when you receive Christ by personal invitation. The BIBLE says: "But as many as received Him, to them He gave the right to become children of God, to those who believe in His name" (John 1:12, NKJV).

To receive Christ you need to do four things:

1. **ADMIT** your spiritual need. "I am a sinner."
2. **REPENT** and be willing to turn from your sin.
3. **BELIEVE** that Jesus Christ died for you on the cross and rose from the grave.
4. **RECEIVE**, through prayer, Jesus Christ into your heart and life.

CHRIST says, "Behold, I stand at the door and knock. If anyone hears My voice and opens the door, I will come in" (Revelation 3:20, NKJV). The BIBLE says, "Whoever calls on the name of the Lord shall be saved" (Romans 10:13, NKJV).

### What to Pray:

Dear God, I know that I am a sinner. I want to turn from my sins, and I ask for Your forgiveness. I believe that Jesus Christ is Your Son. I believe He died for my sins and that You raised Him to life. I want Him to come into my heart and to take control of my life. I want to trust Jesus as my Savior and follow Him as my Lord from this day forward. In Jesus' Name, amen.
