WOULD \$100,000 HELP OUT? What if...heaven forbid...the doctor told you tomorrow that you had some type of internal cancer? Would \$100,000 help out? What if this policy only cost about \$8 per week to own? What if it included \$1,000 a month disability income when ou couldn't work? What if you don't get cancer and you didn't use it? Then your heirs would get the \$100,000. To learn more call (931)434-7254. Remember once you get diagnosed, then ou don't qualify for this polcy anymore. So call now (931)434-7254.

THIS MAY SOUND HARSH...but if something happened to you, would your kids have to take up a community collection just to bury you? Funeral homes do not accept installment payments. Life insurance rescues families in times of terrible tragedy. And if you are young and healthy, it is so inexpensive, there is no excuse not to have it. I have a plan for you that includes living benefits of cash if you get cancer, have a stroke or heart attack or several other things. You don't have to die to receive cash help when "life happens". This plan also includes a disability benefit should you get hurt or sick and can't work. Call now, (931)434-7254.
