NORTHWESTERN COLLEGE

ELECTRICAL SERVICES TECHNICIAN

Northwestern College is seeking applicants for an electrical services technician to begin immediately. This is a full-time, 12-month position managing and maintaining the electrical aspects of physical plant systems for the college-owned portfolio of buildings. This role reports to the director of facilities management and is responsible for maintaining the physical plant, in accordance with policies and procedures and current federal, state and local regulations.

Job responsibilities include installation and repair of electrical systems such as kitchen equipment, lighting, commercial HVAC equipment, smoke and fire alarms, and building automation. Campus voltages include 120/208V, and 277/480V single and three phase, solidly grounded WYE. In addition, scheduling and monitoring building automation systems and working with HVAC/electrical and plumbing personnel are required. This person is also responsible for prioritizing and performing routine maintenance tasks as needed and documenting labor and material used in our work-order system. The person is also on a rotation for after-hour service calls and emergencies.

Qualifications: The successful candidate will hold a valid electrician's master or journeyman's license, or be in an apprenticeship program. The ideal candidate will have an associate's degree or 1-3 years of post-high school training in the electrical trade, with preference given to those with 5-7 years of progressive experience in electrical construction, maintenance, building trades, system integration, troubleshooting, or installing and programming PLC/BAS controls systems, etc. The candidate must be a person with strong organizational and computer skills with proficiency in Microsoft Office products; solid interpersonal, oral and written communication skills; and the ability to multitask. The candidate must be a self-starter with attention to detail and a team player willing to contribute in a collegiate environment.

The successful candidate will have an authentic Christian faith and support the college's mission (www.nwciova.edu/mission) and identity as expressed in our Vision for Learning (www.nwciova.edu/vision), Vision for Diversity (www.nwciova.edu/vision4diversity) and Statement of Christian Identity (www.nwciova.edu/christian-identity).

Northwestern College is affiliated with the Reformed Church in America and seeks to more fully reflect the cultural and ethnic diversity of the body of Christ in its faculty, staff, administration and students. Women and candidates from historically underrepresented groups are enthusiastically encouraged to apply. Review of applications will begin immediately until the position is filled. To apply, send letter of application, resumé and Northwestern College application form to:

not your father's heat pump

It's time to take another look at air-source heat pumps. Today's variable capacity heat pumps take heating and cooling efficiency to a new level. Plus, they are better at removing humidity in the summer than a standard central air conditioner.*

FACE behind the CARD

L-R: Jay Noteboom, Kevin Frederes, Harri Edwards, Greg Roos, Julie Roos, Rick Roos

From cabinets, to counter tops, to closets!!! CENTURY CABINETS LLC of Orange City keeps growing and offering more.

This 12-year-old company had an interesting start. Greg Roos has over 20 years of cabinetry experience! He started his carpentry/craftsman skills as a young man, age 16 and learned a lot from his carpenter father.

12 years ago Greg and Julie Roos moved back to Orange City and that's when "Century Cabinets" went from a dream to OPEN! Julies parents offered the barn on the Notebook Century farm and the first cabinets were made. The company offers the products that they are proud to say are all made locally! The employees are also all local as well!

Century Cabinets offers 3D design, custom cabinetry, all countertops & installation too! They build kitchens, baths, closets, & they even make laminate tops with seamless sinks right at the shop... They are truly all Custom! They offer FREE design and estimates for any project you may be dreaming of. With many materials, countertops, stains, & sizes to offer, they can accommodate any budget making them very affordable! Variety of materials include hardwoods, melamine's, laminates, stones, quartz, granite or laminate.

Since 2007 the business has added state of art equipment, CNC Machining and had enjoyed 2 major additions making for an efficient, work space. Having a good product is vital. BUT what Greg and Julie pride themselves on is having the BEST group of skilled, trusted, and dedicated employees who ALL offer great customer service and take pride in what they do!

Century Cabinets has helped with the unique, and beautiful aspects of many area homes. Both new, and remodels. They definitely have the ability to WOW you!

So.....give Century Cabinets a call (712) 707-9950 OR see their galleries on Facebook or check out the website: www.centurycabinetsoc.com. They are local, qualified, and would love to WOW you!
