Our readers have honored and elected the businesses and people listed on these pages as their Talk of the Town favorites in Delaware County.

During this past June and July, our readers voted for their favorite places to shop and dine. They voted for their favorite retail stores, service businesses, medical providers, entertainment venues and much more. Readers voted via our web page and newspaper ballots.

It is important to keep in mind that more than one business can be elected in a category. This method recognizes this is not just a 'best of' election. Our readers have told us that more than one business has demonstrated that they deserve the recognition of being a Talk of the Town Honoree.

The winners listed on these pages served our readers in an exemplary manner, distinguishing themselves from their competitors by their excellence. Being chosen a Talk of the Town choice is the highest compliment a business can be paid.

Congratulations,

Rich Crowe - Sales Director

Y TIRES THE SMA

As tire dealers all over the country work to adapt to the pressures of online tire sales, the looming question about Amazon in the market is price. John Healy and his team compiled a list of 53 tires based on Consumer Reports' rankings of the top performance all-season tires, all-season light truck tires, and all-season SUV Tires. Then, they compared those tire prices across four online platforms: Amazon, TireRack, TireBuver and Monro, Sometimes, the prices were fairly even. The Michelin Defender LTX M/S in size 265/65R17, was sold for \$204.99 from three retailers, while Monro listed it for \$215.99. Other times, there was a noticeable spread. The Hankook Dynapro in size 65/65R17 ranged from \$125.94 (Amazon), \$142.95 (TireBuyer), \$154.99 (Monro) to \$162.79 (TireRack), Airport Discount Tire's price includes balancing, mounting, disposal, tax, tire rotation every 6,000 miles and free flat repair for the life of the tire. Our price for the very same Michelin Defender LTX/MS is \$217.87 and includes all those extras the other guys don't!

Media Dental Associates would like to thank YOU --- our great patients, for voting us as: "Favorite Dental Office" ---- 3 Years in a Row! -We are truly honored and pledge to keep up the great work for our great community!-

"Transforming your smile can transform your life. I enjoy helping patients achieve not only the look they desire but the functionality they deserve. It's so rewarding to turn patients into friends who just enjoy coming in for a visit!" - Dr. Jay Gohel - Owner, Dentist, Friend

"Dentistry is my passion and happy patients are the best bonus I could ask for! My focus is to provide dental care with the best techniques available so my patients can see their smile for what it really is - beautiful!" - Dr. Simy Mathew - Dentist & Smile Perfectionist

"Media is my HOMETOWN- which makes me love what I do even more! I never know who will pop in to see me at MDA but I can't wait to serve them. I love giving back to the community in which I live. have been a dentist in this practice for over 30 years and pride myself in providing top dental care and continued patient trust!"

- Dr. Joseph Kantner - Dentist & Trusted Neighbor

"My patients are the heart of what I do; this is why I make sure each patient feels comfortable in my chair. I care about their oral health, of course, but first and foremost-about their personal relationship with dentistry and their smile. Together, we create beautiful life-long smiles."

- Dr. Siavash Rahbar - Dentist & Friend

MEET OUR IN-OFFICE SPECIALISTS:

"My patients are my passion & transforming smiles is my mission. Orthodontics is about so much more than just 'straight teeth'. Taking your teeth out of traumatic alignment is a health benefit that I love to educate my patients on! I can't wait to help you or your loved one have a beautiful smile while helping to keep them healthy!"

- Dr. Neil Mandalia, Orthodontist, Smile Enthusiast

"As an implant specialist with 15 years of clinical experience, I pride myself on being one of the most experienced implant surgeons in the area. It's not just about seeing missing teeth-- it's about functionality and overall health. It's simple: I love giving patients the gift of restoring their chewing power so they can eat their favorite foods again!"

- Dr. Jean Bichara- Periodontist & Smile Restorer

 \star Still offering early morning and late evening appointments to accommodate work and school - with the same, great multi-specialty services in our state-of-the-art office:
