About Affinity Health Plan

Affinity is an independent, not-for-profit organization founded in 1986 with one goal: to offer affordable, high quality health care coverage to underserved New Yorkers. As the first health plan licensed in New York State to serve publicly-sponsored populations, Affinity's vision and leadership resulted in many more people receiving the vital care they need. Over the last 30 years, we've grown from just a handful of members to over 250,000.

FOIL-PACK GRILLED SWEET-AND-SPICY CHICKEN WINGS

Ingredients

1/4 cup chili powder
1/4 cup packed light brown sugar
1 teaspoon chipotle chili powder
Kosher salt and freshly ground black pepper
4 pounds air-chilled chicken wings (about 24),
split at the joint, wingtips removed and discarded
1/4 cup vegetable oil
1/2 cup fresh cilantro, chopped
1 lime, cut into wedges

Directions

1. Whisk together the chili powder, sugar, chipotle powder, 1 teaspoon salt and 1/2 teaspoon pepper in a medium bowl to make a dry spice rub. Place the wings in a large bowl, toss with the oil, and sprinkle with the dry spice rub. Toss the wings to evenly coat, cover with plastic wrap and refrigerate for at least 1 hour and up to 2 hours.
2. Prepare a grill for high heat.
3. Tear off four 18-by-18-inch sheets of heavy duty non-stick aluminum foil. Remove the wings from the bowl, making sure to leave any excess liquid behind. Divide the wings among the foil pieces, centering them on each piece in a single layer. Sprinkle the wings with a generous pinch of salt and pepper. Bring two opposite ends of the foil together and fold twice to seal, then fold in the other sides to create leak-proof packets. Grill over high heat, turning once, until the wings are cooked through, about 25 minutes. Carefully open the packets (hot steam will escape). Scatter the cilantro over the tops and serve with the lime wedges.

Councilman Mark Gjonaj

Summer is almost over and it is Back to School for so many students in District 13. I have had the pleasure to co-sponsor so many family events over the summer from our Summer Concert Series to the Annual Senior Trip, National Night Out and others ,which has given me and my office the amazing opportunity to meet and hear from so many of you.. I have also partnered with multiple organizations for Back to School Events. Our Annual Back to School event will take place on September 4th at 12 pm at our District Office at 1478 Williamsbridge Road. Stop by with your children to pick up books bags or supplies while they last.

I firmly believe that education is key to a successful future for our children. To achieve this, we need well-funded schools and adequate resources. Our children deserve the best education possible. A large part of that includes technological resources and adequate infrastructure. Advanced resources in our schools will provide our children the tools to prosper and enhance our communities. I have proudly designated over 6 Million dollars for school capital improvements, as well as additional funding for educational initiatives and programing.

The work our teachers, guidance counselors, aides, and all school personnel provide is invaluable. Investing in education, investing in our youth and building stronger communities will always remain my priorities. Our students will go on to be the future influential leaders in all walks of life. In the words of Abraham Lincoln the best way to create a brighter future is to help create it. I want to extend all the students and their families a warm Welcome Back to School and much success in the upcoming school year. Please do not hesitate to call our District Office at 718-931-1721 with any concerns, follow us on social media and sign-up to our newsletter for the latest information by e-mailing us at mgjonaj@council.nyc.gov.

SPEED CAMERAS

Since July 11, speed cameras in our communities operate from 6 A.M. to 10 P.M. Monday through Friday all throughout the year. This expansion is part of the City of New York's Vision Zero initiative to reduce vehicular, pedestrian and bicycling incidents. As you all know, our speed limit is 25 miles per hour, but in school zones, where the speed cameras exist, it is lowered to 20 miles per hour. Thankfully, due to the traffic we see most days in our neighborhoods, none of us will be affected as we hardly drive faster than 20 miles per hour on most days. But in the event that you do, please be mindful that you may receive a speeding infraction in the mail. Drive safely and slowly. Please pass this information to all of your neighbors and friends as Community Board #10 is not told of where speed cameras will be installed. However, more than likely, it will be near schools. Drive slowly!

NOTIFY NYC

While Community Boards certainly do its part in disseminating information from the City, it is up to us as residents to register ourselves and our loved ones for instant notifications from our City during an emergency. Notify NYC, administered by NYC Emergency Management, is the City of New York's official source for information about City services and resources during emergencies. Notify NYC alerts you to public transit delays, vehicular collisions on highways and impending weather-related events that may affect school closures, City services or daily travel. If you wish to register, please call 3-1-1. If you wish to register online, please visit www.nyc.gov/notifnyc. You can also download the free "Notify NYC" mobile application on your smart phone and/or tablet.

HAPPY LABOR DAY!

Upon publication of this column, we will be a few days shy of Labor Day and the official start of the school year for our students. I kindly ask that parents speak with their children's principals and teachers about capital needs in their schools. For example, Bronx Community Board #10 publishes a District Needs Statement annually to the Mayor of the City of New York. In this document, Bronx Community Board #10 can list which public schools need updated technology and/or an auditorium renovation. It is crucial that we improve the physical state of our schools as it only makes learning easier for students. Please feel free to contact my office with any information you have. You may also refer your children's teachers or principals to contact me directly. Happy Labor Day to all! Our office wishes students the best of luck for this upcoming school year.
