Thinking of Selling in spring or summer? Don't wait till then! Berks County has a historic low inventory of homes at this moment. Therefore, there is less inventory of homes for Buyers to choose from and Sellers will sell their property in record time!

Thinking of Buying? Did you know there is a program for first time homebuyers in the Hamburg/Northern Berks areas that provides 100% financing thru USDA. And, the Seller can contribute up to 6% of the sales price towards Buyer's closing costs. So why pay rent when you can own!!! Very little monies required from Buyer. Call our office today for more details!

What's the Difference?

There are four things different between Picture A and Picture B. Can you find them all?

Answers: 1. Hearts on bed aren't cut all the way out. 2. Book missing cover. 3. Background is lighter. 4. Lamp is missing flowers.

Enjoy The End Of Summer With Homemade Sorbet

Dessert and summer are a match made in heaven. Sweltering summer afternoons might not be comfortable, but any discomfort can be quickly washed away with a refreshing dessert, such as the following recipe for "Kiwi Fruit Sorbet" from Lou Seibert Pappas' "Ice Creams & Sorbets" (Chronicle Books).

KIWI FRUIT SORBET
Makes about 1 quart

- 2 teaspoons grated lime or lemon zest
- 3/4 cup sugar, divided
- 3/4 cup water
- 2 pounds kiwi fruit (about 8 kiwi fruit), peeled and quartered
- 6 tablespoons freshly squeezed lime or lemon juice
- 2 limes, quartered

In a small bowl, mash the zest with 1 teaspoon of the sugar to release the oils. Combine the remaining sugar and water in a small saucepan and bring to a boil, stirring to dissolve the sugar. Cook until the syrup is clear. Remove from the heat and let cool to room temperature. In a food processor or blender, purée the kiwi fruit with the juice, syrup and sugared zest. Transfer to a container, cover and refrigerate until thoroughly chilled, about 3 hours. Freeze in an ice cream maker according to the manufacturer's instructions. Or, to freeze without an ice cream maker, pour the mixture into a 9-inch non-reactive square pan. Cover with aluminum foil or plastic wrap and freeze just until solid, 2 to 3 hours. Scrape out into an electric mixer or food processor and process briefly until light and fluffy. Serve at once or transfer to a container, cover, and freeze until firm, about 2 hours. At serving time, garnish with a lime wedge to squeeze over each serving.

What is A Town?

A town is a group of people.

- It is a school.
- It is a city government.
- It is churches.
- It is industry and jobs.
- It is retail businesses.

They all have to work together. All must have the support of the people or there is no town.

Give your local merchant a chance for your business and the first opportunity to make the sale. The local retailer pays the highest percentage of local taxes. They are the ones contacted first for contributions to charitable projects. They provide jobs.

Without their store you have no town.

GIVE THE LOCAL MERCHANT A FAIR SHAKE

Happy Grandparent's Day!
