

What Can Regenerative Medicine Do For You?

Are you considering knee, hip, shoulder, ankle, or wrist surgery or just having severe pain?

Regenerative Medicine - I had tennis elbow and had cortisone injections to help the pain - wrong - it burned half the elbow tissue and I went to the orthopedic surgeons and was told that it was inoperable and was prescribed an anti-inflammatory - I thought all hope was lost until I met Doc Kanan - been over a month since I had the stem cell injection and Cold K laser therapy and my elbow is like new no pain and I can actually lift things with my arm now - so happy would do it again if something else breaks down! The best!

Life's Hidden Supports

Life needs "hidden supports". The song "I shall not be moved" for the Christian reflects Psalm 112:6- "*Surely he shall not be moved for ever; the righteous shall be in everlasting remembrance.*" Supports are the foundation, footing and pillar for sustaining.

"A good conscience" is a necessary support in life. The blood of Christ cleanses (purges) our conscience from dead works to serve the living God (Heb. 9:14). We must add the support of a "worthy ambition". This simply means we must "make up our minds" and have the purpose of serving God, as stated in Joshua 24:15. This also means that we "seek God's Kingdom" (Matt. 6:33) by doing His Will (Jn. 4:32-34). The support of a "Strong Faith" in the unseen, the future and in Christ as the foundation (Matt. 7:24; 1 Cor. 3:11) is necessary.

In this life, we can rely upon the support of "Divine Providence" for sustaining the weak (Psa. 18:35; Isa. 46:4) and preserving the faithful (Psa. 37:28; Prov. 2:8; 2 Tim. 4:18; Rom. 8:28). The apostle Paul tells us "If we continue in the faith grounded and settled, and be not moved away from the hope of the gospel, we will be prepared for heaven" (Col. 1:22-23).

To learn more about this subject and many others, we invite you to worship with us at the State Line Church of Christ - Huntsville Hwy
