We simplify digital marketing for businesses everywhere.

We are your partner, not your vendor.

We strive to build strong, long-term partnerships built on transparency, trust, and most importantly, performance.

If It's not right for our client, It's not right.

Our clients' goals are at the center of our operation. We are focused on driving results, ROI, and customer experience.

We focus on our core competencies.

We have a continually expanding portfolio of solutions. Digital moves fast. It's extremely important to maintain mastery of the basics: Premium News, Programmatic, and Search, as these are the most common building blocks for successful campaigns.

We continue to learn and Innovate.

The world of digital marketing is in a constant state of change. Solutions that are effective today may be rendered obsolete tomorrow. Adtaxi stays ahead of the curve. Furthermore, we learn from experience and leverage our institutional knowledge to develop key digital insights and best practices.

A woman with long brown hair, wearing a white top, is holding a white tablet. She is smiling and looking at the screen.The Adtaxi logo consists of a dark purple circle with the word "adtaxi" written in white lowercase letters inside it.

MT PLEASANT TIRE

Thank You for voting Mt Pleasant Tire the #1 Tire Shop in the Isabella County People's Choice Awards for what is now the fourth year straight! We are also extremely proud that you have ranked our auto service and mechanical repair department in the top three for 2019! All of Alma Tire is so proud of the service we extend to our communities at every location, but Downtown Mt Pleasant as our very first location, will always hold a special place in our heart.

As our first location, it goes without saying that our building on Fancher and Broadway is old, and as such, is in need of some updates. Some of you may have noticed that we have begun another remodel at Mt Pleasant Tire. Like anything, a time comes when you have to put resources back toward updates, improvements, and structural repairs. So we are again reinvesting in our shop and our community. We love being downtown. We plan on being here a long time, and will endeavor to always maintain our position at the top of your list.
