The Fourth Annual Brick Street Vintage Market in Downtown Sulphur Springs Sponsored by the Downtown Business Alliance

Brick Street Market DBA Committee Head Judy Heilman

DBA Secretary Linda Galligher handles the information booth at the market, while Marine Corps detachment top Sgt. John Desherow enjoys the market.

Do unto others as you would like them to do to you. And let's remember to count our blessings, too, because they are many and not just a few! Until next week, enjoy the start of Fall and I will be watching for you at the Corral Gate!

The weather cooperated and the day was simply beautiful in the downtown district in Sulphur Springs, Texas. It was the perfect day for shopping, browsing and "antiquing" the many vendors who set up shop on the street. There was a good number of vendors for the space that was dedicated to the market, which included a portion of the Plaza and a portion of Connally Street. One vendor stated, "I came last year and liked the atmosphere so much I came back again!". Vendors got into a competition for the "Best Decorated Vendor Space, and the prize went to Mary Ames! "She had a darling booth and her wood products and signs were very popular with the shoppers!" stated Judy Heilman, one of the event organizers. The market truly offered a safe, pleasant and inviting environment to not only shop the visiting vendors, but the wealth of shops and eateries in Downtown Sulphur Springs! More than seventeen different places to eat are located in the district,

which is easily in walking distance of curbside parking. Sulphur Springs enjoys an ice cream shop, a winery, a brewery, coffee shops, a sandwich shop and a burger place, more than one coffee shop and several restaurants, each with a different theme in menu choices. More than one visitor to our town was overheard saying, "I'd like to come back here soon!"

Winning bike in Bicycle Decorating Contest, owner Enola Gay Mathews.

The first-ever Bicycle Decorating Contest winner was yours truly. I have a big blue bicycle, a "Mommy bike" that I like to ride around my neighborhood for exercise. I just decorated it with some of my favorite flea-market finds and made it to the Brick Street Market, and parked it while I

shopped. It had a theme of "I Stopped to Shop Downtown". The judges liked it and I was happy to take home the \$100 cash prize! Probably next year there will be a lot more interest and more entries, but I was happy to take part in this very first-ever for our town! After the judging, I walked the bike around the market in a 'Victory Lap'!

According to the organizers, "it was a perfect day of Texas weather, and for getting outside with your neighbors. Everybody had a good time and business was brisk for the vendors. So, yes, it was a successful event and we have plans to do it again next year." The Downtown Business Alliance is always looking for new ways to bring residents and visitors to our beautiful downtown district. I think the Brick Street Vintage Market is a keeper!

Saturday September 28 is Good Neighbor Day! Be a good neighbor and make some connections...there maybe someone nearby battling loneliness or isolation whom you could help.

Fast Facts About Breast Cancer

OCTOBER

BREAST  CANCER

Each year in the United States, more than 245,000 women get breast cancer and more than 40,000 women die from the disease. Men also get breast cancer, but it is not very common. Less than 1% of breast cancers occur in men.

Most breast cancers are found in women who are 50 years old or older, but breast cancer also affects younger women. About 10% of all new cases of breast cancer in the United States are found in women younger than 45 years of age.

Early detection is the utmost of importance!

Fight

Other than skin cancer, breast cancer is the most common cancer among American women. Mammograms are the best way to find breast cancer early, when it is easier to treat and before it is big enough to feel or cause symptoms.

WHAT ARE THE SYMPTOMS?

There are different symptoms of breast cancer, and some people have no symptoms at all. Symptoms can include -----

Any change in the size or the shape of the breast. Pain in any area of the breast. Nipple discharge other than breast milk (including blood). A new lump in the breast or under arm. If you have any signs that worry you, see your doctor right away.

WALK LIKE MADD
Get Involved

Saturday, Sept. 28, 2019
SHANNON OAKS CHURCH
 Registration Time 6:00 pm - 7:45 pm
 Event Time 8 pm - 9:30 pm

Walk Like MADD is MADD's signature fund raising event to help us raise both awareness and funds to eliminate drunk and drugged driving. We hope that you and thousands of others will rally together in over 90 cities around the nation to help create a future of No More Victims. Sign up TODAY and help us save more lives! A PERILOUS SALUTE TO THE IRISH FLAG

Tumbleweed Smith

Tumbleweed Smith

Jim Sterling of Liberty is part of a musical family. "My dad played with Dorsey back in the 30's," says Jim. "Before that he played in the Aggie Band and was the corps bugler. I was also the corps bugler when I went to Texas A & M. We all played in the dance band up there. My son played in the dance band while he was in the Aggie Band. So did my brother. That's all we knew. Just music."

Jim has organized several bands around Liberty and his man-cave is full of all kinds of musical instruments, some of which he made. Occasionally he holds a jam session there. Jim has studied organ building and has made several. He loves to play practical jokes. Once he put a duck call into a church organ and every time a certain key was hit the duck caller would sound. He has conducted musicals at the civic theater and directs the choir at his church.

"We call it the Canterbury Chorale. It's mainly Episcopalians but we augment with some others because my choir is not big enough to do things like The Messiah that we do about every other year. I threatened the members this year and told them we may change the name of our group to the OK Chorale."

When Jim was at A & M he went to the university's Maritime Academy to prepare him for a career in the US Navy. Students took 3-month cruises every summer on a ship called The Texas Clipper. It went to Northern Europe or the Mediterranean or to South America.

"I started a little 25 piece band on board ship that played on many summer cruises. I wrote a lot of the music because we didn't have a budget, so I got some paper and wrote the songs. Every time we would go to a foreign port we would play the national anthem of that country. We did that in the morning when we raised the foreign flag right after we raised the United States flag. When I graduated I turned over my baton to my assistant.

"The very first port for him was Cork, Ireland on the southern coast of that country. They had a really strong headwind that was blowing the ship off the pier. It had 2 tugboats hooked up to it trying to keep the ship pushed against the pier. These Irishmen were holding these lines with all their might so the ship wouldn't blow across the river and into the rocks. "The band was there, ready to play. The guys are still struggling with the lines when the bandmaster started playing the Irish National Anthem and you know where this is going. These Irishmen popped to sharp attention, dropped the lines and gave a British salute and the ship starts blowing across the river toward the rocks. Well, these tugboats got pushed around just in time to save the ship and they got it tied up again. The captain was less than enthused with this. As soon as the ship got tied up, he sent the band members below deck, fired the band director and the band was never seen again."

October is Breast Cancer Awareness Month!

Staying at a healthy weight, being physically active, and limiting how much alcohol you drink can help reduce your risk of breast cancer. Regular screening can often find breast cancer early when treatments are more likely to be successful.
