## FFA Holds Safety Camp

by FFA Reporter, Tyler Adams  
The Okoboji FFA held a safety camp for about 80 second graders. The kids learned about safe operations for boats, lawnmowers, ATVs, grain, animals, fire rescue, electricity, and watched a PTO safety demonstration. All of the kids who attended received a t-shirt from the FFA. We would like to thank the Milford Fire Department and Milford Utilities for presenting.

## J.D. Scholten to Host Town Hall in Okoboji

J.D. Scholten, Democratic candidate for Iowa's 4th congressional district, will host a town hall in Okoboji as part of his "Don't Forget About Us" tour on Wednesday, October 9th. The tour includes town halls and events in towns with less than 1,000 people in each of the 4th district's 39 counties. Too often, these towns have been forgotten and left behind by politicians. J.D. is working to change that by making these towns a priority and focusing on the revitalization of our rural communities.

J.D. wants to fix our healthcare system, fight for an economy that works for all of us, and secure our democracy by getting special interests and big money out of politics. His campaign writes no one off and leaves no one behind, which is why he's getting out directly to the people, and working to earn the vote of every Republican, Democrat, and Independent in this district.

John Adams Sr., Dickinson County Democratic events chair stated "J.D. brings the expertise and experience of a well run near miss campaign in 2018 to this 2020 race. He knows the 4th district well, and will do a great job representing it. All area residents are invited to listen to his views on the challenges facing Iowa and the U.S.A. today."

This community event is free and open to the public. It will be held at Arrowwood Resort & Conference Center - 1405 US-71, Okoboji, IA 51355, in the St. Andrews Room on Wednesday, October 9th, 7:30pm.

This event is sponsored by the Dickinson County Democrats.

### Lakes Area Farmers Market News

Located at Dickinson Co. Fairgrounds  
15th Street & Peoria Avenue, Spirit Lake, IA 51360

Lakes Area Farmers Market in Spirit Lake is the place to shop for pumpkins. There are pumpkins for pie, like cinderella and small sugar. There are orange pumpkins, white pumpkins, yellow pumpkins, and even some light green ones. You will find all sizes from large for carving to very small for decorating. Some are warty, some are striped. Some pumpkins already have faces painted on them; some have fall scenes painted on; some can be personalized with your name or initial in decorative lettering. There are even pumpkin bags and pumpkin hats. There are also gourds in different sizes, shapes, and colors to display with your pumpkins. You can cook your pumpkins for pie, but you can also roast the seeds and eat them as a snack. Scoop out the seeds and place them in a bowl of water. Discard seeds that float and separate the pulp from the others. Place seeds in a strainer; rinse and pat dry. Place cleaned seeds on a cookie sheet with sides and bake at 250 degrees until dry, about 1 hour. Season the seeds with seasonings of your choice. You can use salt and pepper, finely grated hard cheese, brown sugar and cayenne pepper, or cocoa mix and cinnamon. Toss with your choice of seasoning and 2 tablespoons olive oil and roast at 350 degrees F, stirring occasionally, until golden brown and crisp, about 20 minutes. Roasted pumpkin seeds can be eaten alone as a snack, as a garnish on salads, or mixed with dried fruit and nuts for trail mix.

If you'd rather purchase your snacks, there is a selection of cookies, bars, brownies, and rolls at the Farmers Market. Local apples are available as well as homemade apple crisp and pie. Handmade crafts abound that make unique gifts. There are still 2 weeks to shop at Lakes Area Farmers Market on Wednesdays and Saturdays from 7:30 AM to 12:00 noon. We hope to see you there.

### Milford Community Blood Drive Results

For over 15 years, Milford and surrounding communities have been supporting the local blood bank, LifeServe Blood Center, at the community blood drives. The blood drive was held September 20 to help the blood center keep inventory levels high during busy months as we transition back into the school year. Several donors stepped up to keep the blood supply safe for the tri-state area. LifeServe Blood Center was able to collect 10 units of blood, saving up to 30 local lives. The next drive will be Friday, December 27, from 1:30pm - 5:30pm at St. Joseph Catholic Church.

### The Artisans Road Trip Returns

Everyone is invited to travel Iowa's scenic byways and back roads looking for one-of-a-kind creations! The 16th annual Artisans Road Trip will be held on Saturday, October 12th from 9:00am - 5:00pm, and Sunday, October 13th from Noon - 5:00pm. This year we have 26 artists participating from Estherville down to Storm Lake (and all over in between)! The Artisans Road Trip is a self-guided art studio and gallery tour; free for visitors, the Road Trip is a great way to spend a weekend with friends and family exploring the work of local artists.

Participating artists this year include: Joanne Alberda, Melanie Cable, Danielle Clouse Gast, Hank Hall, William Lieb, Steve Mills, Sarah Morphew, Lissa Potter, Mary Schumacher, David Strom, Deborah Burrow, Patricia Johnson, Diane O'Hern, Anita Plucker, Karen Ruddy, Beth Cathcart, Barb McGee, Brent Pingel, Gene Polson, Cherie Courter, Joleen Dentlinger, Jerry Kahl, Haley McAndrews, Ron Netten, Denice Peters, and Rachael Sitzman. These artisans will offer a rare glimpse into creative processes as they demonstrate their craft in personal and unique work spaces.

The Mission of the Artisans Road Trip is to promote a venue for established artisans to demonstrate their skills, exhibit and sell their original fine art via a self-guided studio tour through scenic Northwest Iowa, thereby encouraging education, diversity, tourism, economic growth, and art appreciation.

2019 marks the 16th year for the annual Artisans Road Trip. To plan your route, pick up a brochure at one of many local businesses, galleries, or art studios - or you can download one from the official website at [www.ArtisansRoadTrip.com](http://www.ArtisansRoadTrip.com). # Obituaries

**Ruth M. Barnard**, 99, of Spirit Lake passed away on Sunday, September 22, 2019, at Accura Healthcare of Spirit Lake.

Memorial services for Ruth will be held at 1:00pm on Thursday, November 7, 2019, at St. Alban's Episcopal Church in Spirit Lake. Burial will take place in the St. Alban's Episcopal Church Columbarium. Arrangements are under the direction of the Schuchert-Lentz Funeral Home in Spirit Lake. Online condolences may be sent to [www.spiritlakefuneralhome.com](http://www.spiritlakefuneralhome.com).

Ruth was born at home August 28, 1920, on a farm near Royal, Iowa. She was the first of five children. Life was hard growing up in the depression. She picked corn by hand with her father before she went to school. She and her brother Don swore that when they grew up they wouldn't be cold or hungry again. Upon graduating high school she worked at Frank's Cafe and then Bjornstad Drug for 4 years where her future mother-in-law said "I want you to meet my son when he is home on leave." They met and fell in love in December of 1942. Ruth then rode a train, alone, from Iowa to Pyote, Texas to marry Bob Barnard where he was stationed with the Air Force. They married on his birthday November 7, 1943.

After the war Ruth and Bob worked his Uncle George's farm in the '40s for 4 years near Gillett Grove and then moved to Monahans, Texas in 1951 where she worked as a long line operator for Southern Bell while Bob was a roustabout in the oil fields. Later they moved to St. Louis and together worked for Wagner Electric until 1954 when they adopted a baby girl and returned to Iowa. Ruth was a stay at home mom for the first couple of years in Petersen. In 1959 they moved to Spencer; she got a job at Stub's Ranch Kitchen as a waitress, then at Nelson's Children Shop and Women's Shop as a sales clerk. In 1967, they moved to Hartley where she worked at the Hartley Drugstore. After their daughter graduated high school Bob and Ruth headed west to Fort Collins, Colorado, where she worked for Forney's Factory in the shipping department. They retired back to Spirit Lake in 1980. She worked at Billie's Dress Shop and began modeling at their summer fashion shows. She modeled her wedding gown when she was in her '70s.

Ruth liked baking apple pies and butterscotch bars. After work she would come home and wash the floors, clean house, bake and put her hair up in rollers. She slept in them so she would look nice at work the next day or at church. Before bed she'd have a cup of coffee and put her feet up and read the newspaper. In their '60s she and Bob began working at the Clay County Fair and for the next fifteen years sold tickets at the east entrance. They both loved talking with people. In 1938, when she was a waitress at Frank's Cafe she "waited on a giant." The world's tallest man, Robert Wadlow, was part of the Clay County Fair, "he came to the cafe, ate two chickens and gave a big tip". No wonder she loved the fair and visited the fair on September 10, 2019, one last time at age 99. She loved to drink coffee and the color green. She was proud to be 100% Dane. She practiced chair and laughter yoga the last nine years of her life.

Ruth and Bob loved to dance to big band music of the '40s and would often dance at the Roof Garden and other dance halls throughout their lives. They kept on dancing until Bob got Parkinson's. Ruth kept him at home, taking care of him for 13 years. The last 7 months of his life were spent at Hilltop Care Center where she visited him every day.

Ruth is survived by her daughter, Martha Helen Barnard, her son-in-law Chad Branham, her sister Naomi Adams and Naomi's children Ned Adams and Jean Ferneding as well as some cousins and many nieces and nephews. She was preceded in death by her beloved husband Robert K. Barnard, her parents Henry and Martha Jepsen, her brothers Don and Wesley Jepsen and sister Eunice Binder.

The urn with her ashes will be placed next to her husband's in the columbarium at St. Alban's Episcopal church on November 7, 2019, their 76th wedding anniversary so she can be with her husband once again.

## Hansen Featured at Kiwanis Meeting

Ashley Hansen, a naturalist at the Dickinson County Nature Center, recently presented a program to the Milford Kiwanis Club. And what an interesting program it was. They learned about the many interactive exhibits that are displayed at the Nature Center year round, such as the bat cave, an osprey nest, a space play area, and an exhibit of deep prairie roots. In addition, Ms. Hansen described the animals that are housed at the site. They loved hearing about "Bindi" the bunny, "Pinki" the tarantula and "Honey" the hedgehog. There are also snakes, painted and box turtles, red-eared sliders and tiger salamanders. These animals and exhibits help to enhance learning experiences and contribute so much to the appeal of the Nature Center, for all ages of learners. Another highlight of Ms. Hansen's program was the synopsis of the recent "Bee and Butterfly Festival", an annual event that continues to grow in size and popularity. The Nature Center offers many free programs, such as "Nature Tots" for ages 2-5, a monthly family nature night, several day camps in the summer months, as well as an "Earth Day" celebration, "Family Glow Walk", "Nature Explorers" and a 5K "Run the Bend" event. The Nature Center has new hours which will better serve the residents of Dickinson County. They are now open from 10:00am to 4:00pm Tuesday through Saturday. To learn more about upcoming events, locations and educational opportunities, be sure to visit [www.dickinsoncountyconservationboard.com](http://www.dickinsoncountyconservationboard.com).

**HEALTHYLIFE, HEALTHY MIND, HEALTHY SPIRIT** - Cathy Hanson, CARES organization, came and spoke to the SLHS Key Club about the upcoming Healthy Life, Healthy Mind, Healthy Spirit Day, which will take place on Oct. 5th from 11-2 at the Emmet County Nature Center. She also talked about power and control in dating relationships.

**No School Day Camp**

What do you do with the kiddos on a beautiful day when there is no school? Send them to the Dickinson County Nature Center, of course.

The nature center in Okoboji will host two No School Day camps in October. 8:30am-3:30pm Monday, October 14 --- a day when Okoboji Elementary does not have school, and 8:30am-3:30pm Monday, October 21 --- a day when Spirit Lake Elementary does not have school.

"We're going to host a fun day at the nature center," said Bryanna Kuhlman, environmental education coordinator. "We're going to enjoy the fall and hopefully be outside quite a bit, exploring different parts of the nature center property."

Explorations will include trumpeter swan viewing, free play in the Nature Playscape, leaf hunts and wildlife watching. Students will also make crafts and have snacks.

This is the second time the Dickinson County Nature Center has held No School Day camps for students currently in TK-fifth grade, and the fall programs will be held on Mondays, when the nature center is closed to the public.

"Our No School Day Camp kids will have the nature center to themselves," Kuhlman said. "It's a really good way to have kids be active and accelerate their learning in a different way, to be outside and enjoy nature before the weather starts to turn."

No School Day Camp costs \$20 per student, and each class is open to the first 20 students that register. Homeschool students are also welcome.

Register online at [www.dickinsoncountynaturecenter.com](http://www.dickinsoncountynaturecenter.com).

For more information, call 712-336-6352 or keep up on the latest nature center happenings on Facebook, Instagram and Twitter.

**Free Fitness Classes Every Sunday in the Lakes Area**

A few years ago Spirit Lake was recognized as a Blue Zones Community. Wellmark Blue Cross Blue Shield sponsored the Blue Zones Project until 2016. With a belief in the purpose of Blue Zones (to make the healthy choice the easy choice), Wellmark moved onto the Healthy Hometown initiative. Lakes Regional Healthcare Director of Population and Public Health Brandon Rohrig coordinates the initiative and expanded it from just Spirit Lake to all Iowa Great Lakes communities. It has also grown into having at least 30 representatives from Arnolds Park, Milford, Okoboji, Orleans, Spirit Lake, Wahpeton and West Okoboji. Community representatives have created three committees - Move More, Feel Better, and Eat Well.

The Move More Committee has recently worked with area fitness organizations about offering free exercise classes to get people to, as their committee name implies, move more. Rohrig said, "There are plenty of ways to move more throughout the year, especially during the summer season. We wanted to focus on the colder seasons of October through May and introduce people who may not enjoy being outdoors while it's cold to physical activity that will hopefully become a habit."

The following free fitness classes will be available beginning October 6:

First Sunday of the Month: Level 10 Fit offers a free exercise class at 10:30am. Classes will vary from week to week and may include barre, pound, cycling, or TRX. Pre-registration is required by visiting <https://bit.ly/2m19cbz>. Classes are limited to 8-12 people depending on the class type. Level 10 Fit is located at 800 Okoboji Avenue in Milford.

Second Sunday of the Month: The Studio, located at 1715 1/2 Hill Avenue in Spirit Lake, will offer Gentle Movement on the second Sunday from 3:00-4:00pm.

Third Sunday of the Month: Bedell Family YMCA will offer a free exercise class from 3:00-4:00pm. The YMCA is located at 1900 41st Street in Spirit Lake.

Fourth Sunday of the Month: Yoga Okoboji, located at 3735 Zenith Avenue in Spirit Lake, will offer a free yoga class from 3:00-4:00pm. Classes are limited to the first 18 people that arrive.

Those interested in becoming involved in the Healthy Hometown initiative, or sharing ideas are encouraged to contact Rohrig at [Brandon.rohrig@lakeshealth.org](mailto:Brandon.rohrig@lakeshealth.org).

**Twins Historic Season Continues**  
The Minnesota Twins have truly had a season for the record books as they set the Major League Baseball record for home runs on Sunday with a total of 307 team home runs, edging out the New York Yankees by one home run. The Bomba Squad hit three home runs in their 5-4 loss at Kansas City on Sunday where the Twins played more to have fun than to win the game, as manager Rocco Baldelli turned over coaching duties to infielder Ehre Adrianza. The Twins also set an MLB record by having five players hit at least 30 home runs during the season. Nelson Cruz lead the Bomba Squad with 41, followed by Max Kepler with 36, Miguel Sano with 34, Eddie Rosario with 32 and Mitch Garver with 31. What is so impressive about those numbers is many of the players on that list missed part of the season with injuries. The Twins just missed tying a franchise record for victories of 102 as they end the regular season at 101-61 with the Central Division Championship, their first since 2010.

Next up for the Twins is an American League Divisional Playoff Series with their playoff nemesis, the New York Yankees, with Game 1 being held on Friday in New York City. The Yankees have knocked the Twins out of the playoffs five times since 2000, including the 2017 American League Wild Card Game. The good thing for these Twins is that this group doesn't seem concerned about that history and a majority of them are so young, they don't remember any of it other than the 2017 Wild Card Game. This promises to be a high scoring series, as both teams are at or near the top of every batting category in the American League, while having pitching staffs that have struggled through the season. All Twins fans know the struggles of our starting pitching, what is comforting is the Yankees have also struggled, having only one starter with an ERA below 4.00 (James Paxton). The Twins will hope that Jake Odorizzi and Jose Berrios can regain their All-Star form of the first half of the season with some time off to rest their arms, and that Randy Dobnak can continue to pitch well.

No matter what happens in the Playoffs, it has truly been a magical season for the Twins. You can tell that this team really enjoys playing together, as off-season acquisitions Nelson Cruz, C.J. Cron, Marvin Gonzalez and Jonathan Schoop have all had huge moments on the field while also bringing together a clubhouse that has lacked togetherness for several years. The Twins also made a great move before the trade deadline when they picked up relief pitcher Sergio Romo. Romo has pitched well, but more importantly brought in some needed energy to a group that was struggling at the time to hang on to their AL Central lead over the Cleveland Indians. This series against New York will be a high-scoring, roller coaster series with both teams taking and blowing leads because both line-ups are so potent. Look for the Bomba Squad to make their first American League Championship Series since 2002 with a thrilling 3 games to 2 victory over the Bronx Bombers.

## Iowa DNR, Imagine Iowa Great Lakes Launch Seawall Repair Project

The Iowa Department of Natural Resources (DNR) and Imagine Iowa Great Lakes began work this week to repair the seawall at Arnolds Park. The project will stabilize the foundation of the sidewalk and ultimately serve as a platform for the beautification work led by Imagine Iowa Great Lakes.

The project intent is to stabilize the existing seawall by placing pervious lightweight foam concrete behind the seawall and constructing a sheet pile wall in front of the seawall to prevent scour. The existing sidewalk will be removed and replaced with a new ADA compliant concrete sidewalk. The project will enhance and maintain the beach feel of the area once completed.

"This project exemplifies how the State of Iowa and nonprofits can join together to more efficiently deliver projects across the state," said DNR Director Kayla Lyon. "Public-private partnerships allow our Agency to further our dollars and our impact."

When the engineering work is complete, the Imagine Iowa Great Lakes team will install a wooden boardwalk adjacent to West Lake Okoboji along with planting areas, brick pavers, a public art piece, and site furnishings that will enhance visitors' experience in the project area.

"The Imagine team is grateful for the DNR's prompt attention to this issue and the agency's collaborative spirit," said Michele Goodenow, Imagine Iowa Great Lakes executive director. "It's because of these partnerships that our region is able to flourish and continually grow our tourism industry."

Repair work on the seawall is being led by Graves Construction Company, Inc., and will be complete by the end of December.

## Okoboji Women's Connection

Okoboji Christian Prayer Connection will meet Wednesday, October 2, at 2:00pm, at Mary Sundblad's, 610 Birch Street, Sioux Rapids, Iowa. This is a time of fellowship, prayer for others, and planning our future luncheons. No reservations are necessary for the prayer connection. For questions, call 712-330-0671. Okoboji Christian Prayer Connection is a non-denominational group sponsored by Stonecroft ministries.

**OFA Locker Posters:** Check out our new OFA locker posters. 130 students in Art Society, Band, Choir, Jazz Band, Jazz Choir and Musical all received a laminated poster with their name on it. They get a sticker for each fine arts activity they are in. We can't wait to add stickers and more locker posters for Debate, Group Speech, Individual Speech, Mock Trial, Show Choir, Spring Play, and Thespian Society. OMS students will also be getting a similar version. At the end of the year, students can take these off their lockers and have a keepsake of their year.

**OHS and OHS Marching Bands:** OMS and OHS bands played at the Homecoming Parade and the Homecoming Football game. It's always fun to see the bands combine to play and march on the beautiful new field. ~Mr. Middleton and Mrs. Ingwersen

**OMS Mock Trial:** Middle School Mock Trial practices have been intense. We have had several volunteers and guest speakers come to practices to help us with case research and preparation. In addition to our lawyer coach, Abby Walleck, walking us through the specific legal terms that we need to focus on for this criminal case, John Sandy, a criminal defense lawyer, came to speak to the students about his profession. This year's case deals with a murder that takes place in a theater during a dress rehearsal of a duel. An antique dueling pistol is the murder weapon. We had Gary Lambert, Sr. come talk to our teams and share his professional knowledge about the process of loading and firing a smooth bore antique pistol. He also shed light on proper police protocol for an active shooter situation. Sherri and Mike Jones, some wonderful community volunteers, have also been coming to our practices to offer assistance and advice. We so appreciate all the volunteers who help us understand and prepare our case better. ~ Coach Carry Miller

**OHS Musical:** We just had an amazing Saturday TECH party on the 21st. We had a group of 15 awesome cast and crew members come in last Saturday to help paint, build set pieces, and find props for our musical. We were so fortunate to have the Okoboji Fine Arts group provide a light lunch for our workers as many of them were at school working from 8am-4pm. Thank you for all your efforts team. "Imaginary" is going to be an awesome show. So save this date: November 15th-16th at 7:00pm at the OHS Auditorium. ~ Mrs. Gehrke and Knudtson

**OHS Art:** Art would still love any supplies you can donate. Items needed: old golf balls, straws, old pokemon cards, yarn, old books, old video game controllers/parts, spray foam, chicken wire, polyfill stuffing, keys, fairy lights, tulle fabric, and fake flowers/plants. A mirror no bigger than 19.5 inches wide. You may drop off at the OHS office. For questions, please contact Laura Turner at lturner@okobojischools.org.

## EMSCT encore show a tribute to father, Phil

Emmetsburg's Main Street Community Theatre is welcoming back Emmetsburg native Gregory Eichelzer to the EMSCT stage where his performing career began more than 35 years ago.

Gregory graduated from Emmetsburg High School in 1992. His parents, Phil and Rita Jane Eichelzer, owned Eichelzer Pharmacy in Emmetsburg, and the Villager Store in West Bend, which is still in business with an old-fashioned soda fountain! Gregory and his dad used to perform at events like talent shows and the fair, and Gregory fell in love with performing. He sang songs like *Rainbow Connection* and *Big Rock Candy Mountain* while Phil accompanied him on guitar or bass.

Gregory was the youngest cast member in his first EMSCT production, *Annie Get Your Gun*, in 1981. (His mom dressed him in his footie pajamas for rehearsals, knowing the effort would likely stretch well past his bedtime.) Eichelzer later entertained EMSCT audiences in productions that included *Mame*, *Oklahoma*, *Annie*, and *Joseph and the Amazing Technicolor Dream Coat*.

After graduation in 1982, Greg went on to earn a Bachelor of Fine Arts from Niagara University, and performed in national tours of *Grease* and *Annie*, and international tours of *Evita* and *Grease*. Then, in 2007, he went back to school and changed careers. He is now a Clinical Educator at Cedars Sinai ED - Level 1 Trauma Center, in Los Angeles, but returned to singing for fun four years ago.

He recently had a fundraising show, *Songs For My Father*, in Los Angeles, as a benefit for the Cedar Sinai Brain Tumor Center. Phil Eichelzer would have turned 75 this year. It has been 25 years since his passing from brain cancer, and because Phil loved music and the theatre, especially the EMSCT, Gregory decided to bring the one man, cabaret style show back home to Emmetsburg as a fund-raiser for the theatre in Phil's name for the benefit of the theatre, which is in need of roof repairs and a new HVAC system.

The concert is Saturday night, with a 7:30 curtain following a social hour featuring catered hot appetizers and a cash bar, an hour prior to the concert. Tickets for the show are available by calling: 712-852-3485, or at: [MainStreetCommunityTheatre.Com](http://MainStreetCommunityTheatre.Com)

While you may not want to be as active on stage as Gregory Eichelzer, there are many opportunities to display or build your performance talents here on campus.

**The Northwest Iowa Concert Band**, directed by Rich Nicklay, is just starting rehearsals for its holiday concerts, along with the *Northwest Iowa Jazz Band*, directed by Scott Benjamin. They each meet in the middle-high school band room in Estherville, with the Jazz Band starting at 6:30 and the Concert band at 7:30...

Even with the *Spirit of Harmony Chorus*' Sunday show in the books there are other upcoming performances and contests ahead. And The SoHC welcomes you to attend a rehearsal any Monday night, starting at 7:00, at Immanuel Lutheran Church in Spirit Lake for an exhilarating experience...

**The good news for the Many Voices Choir** is that the group already has its holiday concert season booked, with four concerts set for the first two weeks in December at the Catholic churches in Bancroft, Jackson, Estherville, and Spirit Lake. Director Tim Schumacher further notes more good news following the MVC's first rehearsal session last Monday night, they needed to set up more chairs, with more new members showing up than they anticipated! As Tim noted, "We can always find more chairs."

The MVC rehearsals are from 7-9:00, each Monday night through the season, in Room 60, on the ILCC campus in Estherville. This year's repertoire will include a very broad variety of holiday music...

**With no snow in the forecast this week** (and only one night just below 40 degrees) Professor A. Good Outlook sees Glenn Henriksen's regular Tuesday night house concert as a sure thing - starting at 7:00, at his place, 511 18th Street...

**The Little Swan Lake Winery** will play host to Terry Brooks on Saturday night, from 6-8:00, on the stage in the barn, with *The Mark Lair Band* in the same place, Sunday afternoon, from 4-6:00...

**Research director RD is ushering in the new month** with a Benny Carter composition, *Something For October*, from his calendar album, *Aspects*, which was recorded in 1958. The original monaural LP featured well-known jazz session musicians Pete Candoli on trumpet, drummer Shelly Manne, and Plas Johnson on sax. (Johnson later performed the tenor solo featured in the Academy Award nominated instrumental theme for *The Pink Panther* motion picture.) The album was reissued worldwide as a stereo CD in 1996. The entire album is on YouTube...

**RD apparently needs a stronger cup 'o' Joe.** After seeing that today was listed as National Coffee Day, she was somewhat surprised to find the day was actually two days earlier, on Sunday! RD's song was to have been Peggy Lee's very sexy and timeless rendition of *Black Coffee*, written by Sonny Burke and Paul Francis Webster in 1948. ...Coffee was first recorded by Sarah Vaughan for Columbia Records in 1949. k.d. lang used it in 1988 on *Shadowland*. But Peggy Lee owned it!

**Irish actor-singer Richard Harris** was born on this day in 1930. Harris was best-known for spinning songwriter Jimmy Webb's compositions into gold. He recorded *MacArthur Park* in 1968, and *Didn't We*, which was first put on vinyl by James Darren a year earlier. Since then there have been many cover versions, including those by Frank Sinatra, Barbra Streisand, and Liz Callaway with Ann Hampton Callaway, in a medley of the Webb songs for their 2001 live CD, *Boom!*...

**Roger Williams was also born on this day** - in 1924. Though born Louis Jacob Weertz in Omaha, Nebraska, Williams spent many years in Iowa, where he attended Drake University before recording 38 albums containing chart-topping hits such as *Autumn Leaves*, *Born Free*, and *The Impossible Dream*. In addition to his talents at the keyboard, Williams was also a Navy boxing champion. Throughout his career he played for nine presidential administrations and had a gold Steinway & Sons grand piano model named in his honor.

**Editor's note #1:** If you want to know how Williams learned to play the saxophone while at Drake, ask Spirit Lake's very own Audrey Allen. She has the story!

**Wednesday will be Name Your Car Day.** That brought The Rip Chords' *Hey Little Cobra* to mind. The Shelby Cobra sports car had been produced in both the United Kingdom and the United States since 1962. And it was just one year after the Cobra debuted that *The Rip Chords* named it their favorite sports car with a 45 rpm salute. RD was reminded about this some years ago when she spied a Shelly at the Clay County Fair, and wanted to drive it home...

**October 2nd is also the day in 1953** that pianist Victor Borge opened his one-man show, *Comedy in Music*, at the John Golden Theatre in New York, to become the longest running one-man show in the history of that theatre. The show saw 849 performances before it closed in 1956. That feat put CIM in the Guinness Book...

**Editor's note #2:** When the Museum of Danish America, in Elkhorn, Iowa, needed just the right pianist to play at the dedication of Victor's Borge's first piano (after the family donated it to the museum), they called on Glenn Henriksen, who put on a show that included Borge's daughter, Janet Crowle, in a duet with "The Chopsticks Waltz..."

### Maple Pecan Scones

2 cups all-purpose flour  
4 teaspoons baking powder  
Pinch of salt  
4 tablespoons unsalted butter, chilled and cut into cubes  
1 cup pecan pieces  
1 extra-large egg  
1/4 cup pure maple syrup  
About 3 tablespoons milk

Preheat the oven to 425°F. Sift the flour, baking powder and salt into a large bowl. Add the butter and mix with fingertips until resembles fine crumbs. Stir in the pecans. In a separate bowl, beat egg, maple syrup and 1 tablespoon milk. Stir into the flour mixture to make a soft, coarse-looking dough. If the dough won't stick together, stir in 1 tablespoon milk. If the dough is very sticky, stir in 1 tablespoon of flour. Dump the dough onto a floured work surface and gently work with your hands for a few seconds. Put the dough ball onto a greased baking sheet. Pat out to 1 1/4 inches thick by 7 inches circle. Cut into 6 wedges, but do not separate. Bake for 18 to 20 minutes until light brown. Serve warm.

# Annual Breast Cancer Walk Raises Awareness for Early Detection & Support Services

Celebrate survivors, honor loved ones who have lost their breast cancer battle, support those who are currently undergoing cancer care and join in helping bring attention to the importance of increasing awareness of breast cancer screenings and treatment by participating in the Spencer area Breast Cancer Awareness Walk on Sunday, October 6, at 4:00pm, at Spencer Hospital.

"One in every eight women in the United States is at risk of being diagnosed with breast cancer, so it's essential to continue to draw attention to the importance of making healthy lifestyle choices and getting routine screenings to hopefully detect breast cancer in early stages," said Jeannette Hasley, Spencer Hospital's Women's Health Director.

"The theme for this year's event is 'Lean On Me' which ties wonderfully into this occasion as we typically have hundreds of people—women, men and children—gather with us to provide support and generate awareness of breast health. You can truly feel the camaraderie and bonding among survivors, current patients, family and friends as we join together to celebrate lives and pay tribute to those we've lost to breast cancer," Hasley remarked.

The awareness walk is free to attend, thanks to the sponsorships from Avera Medical Group Spencer, Avera Home Medical of Spencer Hospital, Northwest Iowa Surgeons, Abben Cancer Center and Spencer Hospital.

"These entities not only sponsor this walk, they are all part of the unique support system provided through the Spencer medical community for patients with breast cancer," Hasley said. "Care starts with annual health check-ups with your family medicine practitioner and routine mammograms using Spencer Hospital's 3D technology performed by experienced, certified mammographers. If a concern is detected, patients work closely with our certified breast health navigators to access resources and information. A person's care may involve surgery with the team from Northwest Iowa Surgeons, or treatment by the professionals at

Abben Cancer Center, or both. A patient may work with the experts at Avera Home Medical to secure prosthetics and accessories. Spencer Hospital's certified women's health physical and occupational therapists can provide support in regaining needed strength post-surgery or treatment, or with lymphedema management. It's a comprehensive team effort, providing highly individualized care."

Registration for the walk begins at 3:30pm in Spencer Hospital's Grand Avenue Park. The walk will occur at the hospital, rain or shine. If inclement weather occurs, the opening ceremony will be held inside the hospital with a walking path established in the hospital's lower level.

"In case of light rain, walkers will be encouraged to walk outdoors," Hasley said. "It's rather symbolic of the journey our cancer patients take—some days are pleasant and sunny, while others are rougher, yet weathered through with the support of loved ones and caregivers."

The walk takes participants through the highly visible area of downtown Spencer. From the hospital park, participants will walk south on Grand Avenue, across the bridge, and then return to the hospital, walking north on the east side of the street.

"It is so heart-warming to see the hundreds of people of all ages who join us for our awareness walk each October," commented Hasley. "This event is strictly for fun and awareness so people can walk or run as far or as little as they'd like and at any speed."

She added that while anyone is encouraged to attend and walk, a special invitation is extended to breast cancer survivors who will be recognized during a brief ceremony prior to the walk.

Participants are encouraged to wear pink. Also, special breast cancer awareness walk t-shirts are provided as supplies last. Walkers who are interested in making a freewill donation to the Spencer Regional Healthcare Foundation for Women's Health Services or the Abben Cancer Center will have an opportunity to do so at the event.

 My name is Angela Kofoot and I am the executive director of the Voluntary Action Center. VAC manages our local MEALS on Wheels program, a herculean effort undertaken by church coordinators, volunteer drivers, the Lakes Regional Hospital, the Accura Care Center in Milford, and countless others. We served almost 6,500 meals last year to residents of Dickinson County. That number will probably be at least 20% higher this year and is expected to continue to rise as our population ages. In fact, Dickinson County's population of people over the age of 60 is 30% higher than the national average.  
 As part of the Dickinson County Hunger Coalition and the Healthy Hometown program, we have been discussing food insecurity issues. I realized that we didn't really have a solution for our senior food insecure population. I knew that many Dickinson County residents could not even afford to start receiving Meals on Wheels.  
 Out of that, our first ever "Giving Tuesday" fundraiser on the first Tuesday after Thanksgiving was born. The money from this new Giving Tuesday fundraiser translated to over 1000 half price meals for our homebound neighbors this year.  
 I approached the Dickinson County Endowment Fund about adding to that fund. They have generously given us enough funds to provide over 800 free meals to our homebound neighbors – seniors who used to be our teachers, our police officers, store clerks and farmers.  
 VAC wants to give a big THANK YOU to the DCEF for donating money toward this important cause.

## Why Bill Supports Scout.

“ This renewable wind project would give our communities an economic boost as well as generate thousands of property tax dollars for local/county government and local schools. This project is the step in the right direction for our grandchildren and great grandchildren to have the necessary infrastructure in place that will give our communities a renewable source of electrical energy needed if a catastrophic event took place and our grandchildren and great grandchildren had to return to our communities to live. Please consider being a good neighbor by supporting this renewable wind project. ”

## Local Youth Will Celebrate National 4-H Week Oct. 6-12

The anticipation is building for National 4-H Week, October 6-12, during which time millions of youth, parents, volunteers and alumni across the country will celebrate everything 4-H.

The theme of this year's National 4-H Week is Inspire Kids to Do, which highlights how 4-H encourages youth to take part in hands-on learning experiences in areas such as health, science, agriculture and civic engagement.

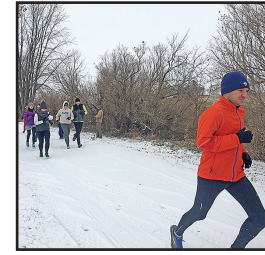

4-H is the nation's largest youth development and empowerment organization. In the United States, 4-H programs empower six million young people through the 110 land-grant universities and Cooperative Extension in more than 3,000 local offices serving every county and parish in the country. Outside the United States, independent, country-led 4-H organizations empower another one million young people in more than 50 countries.

The positive environment provided by 4-H mentors ensures that youth in every county and parish in the country – from urban neighborhoods to suburban schools to rural farming communities – are encouraged to take on proactive leadership roles and are empowered with the skills to lead in life and their career.

To learn more about 4-H and how you can get involved locally, visit your local Iowa State University (ISU) Extension and Outreach office or go online to [www.extension.iastate.edu/countyname/4h](http://www.extension.iastate.edu/countyname/4h).

## Run the Bend 5K

Welcome autumn with a beautiful cross country race through Horseshoe Bend Wildlife Area during the second annual Run the Bend 5K.

“Last year, it snowed during our November date, so we decided to move the hike earlier so we could embrace autumn a little more,” said Kiley Roth, community relations coordinator. “Horseshoe Bend Wildlife Area is a beautiful county park that we want people to enjoy, and the Run the Bend 5K is a unique way to do it.”

Registration will begin at 10:00am Saturday, October 19, and the run will commence at 11:00am. Participants will begin on the north side of the park by the summer campsites and then will head off along mowed trails for a 3.1-mile run through autumn trees. Cross the Little Sioux River via a foot bridge and end near the tubing hill shelter on the south side of the park.

“This run is a little different because it's not on paved trails,” Roth said. “Runners, or walkers, will get to enjoy the beautiful scenery and will have the challenge of quite a hill to scale during one section of the run. There won't be any winners or losers, so everyone is welcome to go at their own pace.”

Pre-register for the Run the Bend 5K at [www.dickinsoncountyconservationboard.com](http://www.dickinsoncountyconservationboard.com) by October 7 for early registration benefits. The early fee is \$15 per person and includes a T-shirt. Beginning October 7, the cost will increase to \$20 per runner, and late registrants will also not receive a T-shirt. Registrations the day of the event will cost \$20.

“This is the second year for Run the Bend, and we're excited to offer this opportunity for the runners in our community,” Roth said. “Many people have been to Horseshoe Bend but haven't gone far on the trails, and this is a great reason to get out and explore one of our most popular county parks.”

For more information on Run the Bend, call 712-336-6352 or keep up on the latest conservation board happenings on the Dickinson County Nature Center Facebook, Instagram and Twitter.
