**ALTON FIRE DEPARTMENT REMINDS YOU TO CHECK YOUR SMOKE DETECTORS!**

This message brought to you by the City of Alton

Dear Citizens,

The Orange City Fire Department continues to be grateful for the improved safety that the city's new station brings. In addition to our own meetings and trainings, the new facility allows us to hold county-wide classes in topics like: responding to propane emergencies, grain bin rescue, and environmental hazard response. We also have become a testing site for firefighters seeking official Iowa Fire Certification. If you haven't yet toured the station, stop by on Saturday mornings between 9:30 and 10:30 and our firefighters will be happy to show you around. We remain grateful for your support!

Membership in the department remains strong with 30 firefighters on call, assisted by 3 student firefighters from local high schools. With the help of some of our retired firefighters, we've been going through the department's records (dating back to the founding of the department in 1897!) to identify all former members and their dates of service. Eventually, we'd like to make this information available to the public. If you have records or photographs from a family member who served, we'd love to have you share them with us.

This Fall, we will be taking delivery of our new Engine 65. The new engine is being built by Rosenbauer of Lyons, SD. It will have improved safety features, including emergency lights, and seating with harness seatbelts instead of lap belts, along with having the pump controls located in a safer area.

The focus of our fundraising efforts this year is the purchase of equipment for the new engine. If you'd like to support this project, drop off donations at our annual Open House, Wednesday, October 9 from 5-7pm, when we will be serving a meal and giving tours of the station. Or send a check to

Orange City Fire Department □ 125 Central Avenue SE □ Orange City IA 51041

"Not every Hero wears a cape, Plan and practice your fire escape plans." This year's National Fire Prevention Week theme identifies basic but essential ways people can reduce their risk from fire and be prepared in the event of one:

- Have an escape plan
- Have a common meeting place in this plan
- Practice your escape plan yearly

As always, Fire Prevention Week is a reminder to test home smoke detectors and replace weak batteries as well as detectors that are more than 10 years old.

Thanks again for all your support!

Denny Vander Wel  
Chief, OCFD

## HELP WANTED

Te Slaa Trucking Ltd. is currently looking to hire an individual to wash trucks and trailers. Prior experience and a CDL would also be a plus. Would be willing to train the right person. This is a full time position with benefits including health insurance. Call 800-831-0018 or stop in at our facility located at Hull, Iowa.

### seasonal parking snow plows are heading your way

Be advised! From October 15 - April 1, the City of Orange City does not permit on-street parking between the hours of 2:00am - 6:00am.

color your life vibrant

"We have such amazing tools at Orange City Area Health System that help with early detection and save lives (like mine!). It may seem scary at first to get a mammogram, but I can assure you it is not! The rad techs help ease any fears you might have. I urge all women to not delay, and please go get your mammogram."

"In May 2019 I went in for a routine scheduled mammogram – my first on the 3D Mammography machine. I received a call back and subsequently had an ultrasound and biopsy due to some suspicious areas. One area that was biopsied came back as invasive ductal carcinoma. It was a hard thing to hear but the nurses were so supportive and Dr. Locker went over all the treatments options with me. I was so thankful to hear that this was very treatable and that there were several options given to me for treatment. My path led me to receive a double mastectomy and immediate reconstruction at Sanford in Sioux Falls. I finished my last round of chemo the end of September and I can declare I am cancer free" ~ Pam Harskamp

## Early detection is key

Orange City Area Health System offers Genius™ 3D Mammography – also known as Tomosynthesis – an advanced, state-of-art screening technology for early detection of breast cancer. The Genius 3D exam provides better, earlier breast cancer detection compared to the previous 2D alone. Greater accuracy means better breast cancer detection.

**When should you get your mammogram?** "In a typical patient, we still recommend beginning screening at age 40, and continuing annually thereafter. This has been shown to have the greatest mortality reduction, the most lives saved, and the most life-years-gained. In fact, one in six breast cancers occurs in patients in their 40s."

~Dr. Jameson Guthmiller, Radiologist

*Talk to your healthcare provider about what's right for you and the women in your life regarding breast cancer screening and mammography. Or call us today at 712-737-5380 to schedule an appointment.*

**EPA PUBLIC NOTICE**  
**FOURTH FIVE-YEAR REVIEW COMPLETED**  
 Vogel Paint & Wax Co. Superfund Site  
 Maurice, Sioux County, Iowa  
 September 2019  
 EPA Region 7: Iowa, Kansas, Missouri, Nebraska, and Nine Tribal Nations  
 The U.S. Environmental Protection Agency (EPA) Region 7 has completed the Fourth Five-Year Review for the Vogel Paint & Wax Company Superfund Site. Five-Year Reviews are required by the Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) when hazardous substances remain on site above levels that permit unrestricted use and unlimited exposure. Five-Year Reviews provide an opportunity to evaluate the site remedy to determine whether it remains protective of human health and the environment. This Five-Year Review determined that the remedy at the site is protective of human health and the environment. This Five-Year Review Report was signed September 10, 2019.  
 EPA has assessed the ability of the public to access the Five-Year Review through an internet-based repository and has determined that the local community has this ability. As a result, the Five-Year Review and Administrative Records for this site are available through this website: <https://www.epa.gov/superfund/vogelpaintwax>  
 Questions or requests for site information and/or the Five-Year Review process can be submitted to:

## Diamond Vogel® JOIN OUR CIRCLE

Your Skills. Your Career.

### Find Yourself at Diamond Vogel

Did you know Diamond Vogel serves a broad array of customers and industries? This diversity has driven us to offer many career opportunities in a variety of coating markets, including Architectural, Industrial, Traffic, Farm & Fleet, and Wood Finishes, to name a few.

**Not sure which of our industries is the right fit for you?** Let our Human Resources department with 35 combined years of experience find the right opportunity for you – based on YOUR skills, strengths, and expertise. Sometimes all you need is someone to guide you in the right direction toward a successful, satisfying career.

Our team is here to help you achieve just that. Let us help you find a career that will let you succeed, advance, and grow to new heights.

**Where will you find yourself at Diamond Vogel?** Simply fill out an application on our website, and we will be in contact with you. Full job descriptions, applications, and company information can be found at [diamondvogel.com/careers](http://diamondvogel.com/careers)

"Diamond Vogel is great at giving you the training and tools you need. They work with you and help you to keep on succeeding in your career. Hard work, dedication, and the love of my job has paid off."

*Susie joined our team as a Powder Production line operator, despite not knowing much about manufacturing. Through on-the-job training, she was promoted to research & development as a Laboratory Technician, then to a Senior Laboratory Technician, and now as a Liquid Quality Control Supervisor.*

We salute our local fire department

**FARMERS MUTUAL INSURANCE FIRE DEPARTMENT GRANT PROGRAM 2019**

In honor of Fire Prevention Month Farmers Mutual Insurance of Hull is providing a \$1,500 grant to the Orange City fire department.

This grant was made possible by a nomination from the Perspective Insurance and Van Engelenhoven agencies. Pictured above presenting the \$1,500 check is Jim Poppema (middle right), representing Perspective Insurance and Tim Zeutenhorst (middle left), representing the Van Engelenhoven agency. Accepting the check are firemen Denny Vander Well (middle), Al Jeltema (left), and Dan Roghair (right). As a local insurance company, we recognize the importance of the volunteer fire departments in our area, and want to support them. Thank you to these two agencies for nominating the Orange City fire department for this grant!
