NOVENA PRAYER TO ST. JUDE

Oh Holy St. Jude, Apostle and Martyr, Great in Virtue and Rich in Miracles, near kinsman of Jesus Christ, Faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse and humbly beg to whom God has given such great power to come to my assistance. Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked. Say 3 Our Fathers, 3 Hail Mary's, and 3 Glorias, Publication Must Be Promised. St. Jude pray for us all who invoke your aid. Amen. The Novena has never been known to fail. Novena must be said for 9 consecutive days. C.D.M.

There was a time before delivery was a thing and you had to go to the pizzeria to get a pizza.

There was a time before streaming existed and you had to go to the video store to get a movie. And there was even a time before Oscar when doctors and health insurance companies communicated by fax, and you had to filter through thousands of listings in order to find a single doctor, and once you did, you had to sit in the waiting room for something as simple as a prescription refill.

But thankfully those days are over. At Oscar, we see Medicare differently.

That's why we have a care team on staff who know your name, your needs, and are with you every step of the way. We have doctors and nurses you can talk to. We can help you manage your prescriptions and even schedule your appointments. And that's just the beginning.

We can't do pizza and movies, but we can save you time, money, and help you avoid unnecessary hassles. Because that's just the kind of health insurance company we are.

Montefiore | OSCAR

Medicare made easy.

Speak with a licensed agent or enroll directly at hioscar.com/medicare today. Call 1-855-627-2710, available Monday-Friday from 9am-8pm EST. TTY = 711. Oscar is an HMO with a Medicare contract. Enrollment in Oscar depends on contract renewal. Other providers are available in our network.

District Manager
Bronx Community Board #10
3165 East Tremont Avenue
Bronx, NY 10461
(718) 892-1161
Bx10@cb.nyc.gov

DISTRICT NEEDS

Each year the City of New York requires each Community Board to submit a list of capital and expense requests in its respective district for review. For example, Bronx Community Board #10 can suggest to the city to renovate an existing park, create a new park or increase funding to the City Department of Transportation for road repair. If there is a city program that is successful and wish for it to have its funding increased, please let me know. An example of this is the Parks Department's tree and sidewalks program where high priority sidewalks damaged by a city tree are repaired. Please be advised that this process is now open, and you should submit your requests as soon as possible. If you are a Bronx Community Board #10 resident that wishes to suggest an item to be placed on our Fiscal Year 2020 District Needs Statement please contact me directly at (718) 892-1161 or via e-mail at bx10@cb.nyc.gov. Requests are prioritized. If your request does not make it to our final list in October, my office will still have it on record for future District Needs Statements. To be clear, our list to the City of New York is merely a recommendation to the City for what we feel the community needs in terms of municipal services.

NYC HUMAN RESOURCE ADMINISTRATION (HRA) REPRESENTATIVE AT CB #10

Every third Friday of the month, a NYC HRA/ Department of Social Services representative is available to take your questions and help you with social service benefit applications at our office at 3165 East Tremont Avenue, Bronx, NY 10461 from 10 A.M. to 3 P.M. While walk-ins are accepted, please call us at (718) 892-1161 to reserve your meeting with the NYC HRA representative. The NYC HRA/ Department of Social Services is the largest social services agency in the country serving nearly 3 million New Yorkers. Through the NYC HRA, eligible New Yorkers receive help from the Supplemental Nutrition Assistance Program (SNAP) and through the Temporary Aid to Needy Families (TANF) or cash assistance program. In addition to these programs, eligible New Yorkers can apply for a "One Shot Deal" and other related programs that help during unforeseen circumstances. For immediate help, please contact (718) 557-1399.

BEING A GOOD NEIGHBOR

Quite often, when I speak at a local civic association or give remarks during a meeting, I field complaints of lack of neighbor etiquette from the audience. While I know we all take much pride in our communities, let us all be sure to curb our pets, sweep in front of our homes, not place our trash receptacles before 4 P.M. and kindly check on our neighbors that are senior citizens during times of bad weather. These are some of many ways where doing our part helps to sustain the communities that we call home. Lastly but certainly not least, if you are fortunate enough to have a driveway, please use it. On-street parking spaces are decreasing because many opt to park on the street and not in their own garages and driveways.

Councilman Mark Gjonaj

250 Broadway, Suite 1847
New York, NY 10007

As a member of the New York City Council's Committee on Parks and Recreation, I was pleased to be able to help hold Parks accountable during an oversight hearing on September 26th. Many of our cherished parks are in visible disrepair, as many of you have so diligently illustrated in our #ShameNYC campaign. They need more maintenance than Parks is able to provide. Much of that has to do with Parks' rapidly diminishing budget, which for fiscal year 2019, totaled less than 1% of the city budget. This budget is clearly insufficient in meeting the maintenance demands of our city's 30,000 acres of developed park land, where maintenance problems, ranging from unkempt grass to dangerously worn playground equipment, are abundant.

I believe, as I know you do, that our parks are our community centers. These parks, which comprise about 14% of our city's land, keep us active, social and happy. But when these civic centers of ours become dirty, poorly maintained or even pose risks to our health, they cease to be the great community centers they ought to be. At the hearing, I was able to represent your concerns and what specifically afflicts us in Bronx's 13th Council District. Rest assured, our troubles are not going unanswered.

I am fighting to bring better funding to Parks so we can enjoy safe and clean spaces. Make no mistake, I fully intend to work with Parks to resolve this issue, but I need your help to do so. The Department of Parks and Recreation and the administration of our city need to be continually shown what the consequences of underfunding look like. While our #ShameNYC effort has gained incredible traction, our work is not over yet. Continue to tag your photos of what is affecting you in your parks, tag them with #ShameNYC, and send them to me on Twitter and Facebook, email me at MGjonaj@council.nyc.gov, or even call my district office at (718) 931-1721.

Thank you for your continued and unrelenting support for our community parks.

There was a time before delivery was a thing and you had to go to the pizzeria to get a pizza.

There was a time before streaming existed and you had to go to the video store to get a movie. And there was even a time before Oscar when doctors and health insurance companies communicated by fax, and you had to filter through thousands of listings in order to find a single doctor, and once you did, you had to sit in the waiting room for something as simple as a prescription refill.

But thankfully those days are over. At Oscar, we see Medicare differently.

That's why we have a care team on staff who know your name, your needs, and are with you every step of the way. We have doctors and nurses you can talk to. We can help you manage your prescriptions and even schedule your appointments. And that's just the beginning.

We can't do pizza and movies, but we can save you time, money, and help you avoid unnecessary hassles. Because that's just the kind of health insurance company we are.
