DENTAL HEALTH

Your teeth are one of the most important factors for good health. Many people ignore dental health because of cost or discount it for other medical issues. The Livingston County Department of Health would like to remind people that simple prevention can lead to good oral health as well as your physical well-being. Remember to brush at least twice a day, stay away from acidic and sugar filled foods and drinks, and visit your dentist every 6 months. YOU ARE INVITED

Supervisor Charles DiPasquale and the Town of Mount Morris cordially invite you to a ceremony in honor of Jesse Belle Rittenhouse, Tuscarora native.

**Sunday, October 20, 2019, 3:00 pm
Tuscarora Cemetery, Dutch Street Road,
Town of Mount Morris**

**Presentation by Assemblywoman Marjorie Byrnes,
representing the 133rd Assembly District**

**“I bargained with Life for a penny, and
Life would pay no more. However I
begged at the evening when I counted
my scanty store. For Life is a just
employer, he gives you what you ask.
But once you have set the wages, why,
you must bear the task. I worked for a
menial’s hire, only to learn, dismayed,
that any wage I had asked of Life, Life
would have willingly paid.”**

Birth Doula Certificate Training

Doulas are recognized for their contribution to improved physical outcomes and emotional well-being of mothers and babies. A doula personalizes childbirth education information; provides guidance during the labor and birth process; suggests comfort measures appropriately; supports the husband/partner and family members; bridges the gap between the medical team and the emotional aspect of the birthing process; honors the mother's desires; and maintains a comforting and respectful environment.

If you have ever thought about being a doula, wait no longer! More and more women are using doulas and the need for more doulas continues to grow! DONA International is the oldest and largest doula certifying organization in the world.

Instructors: Julia is an Advanced DONA International Certified Birth Doula (2004) and Birth Doula Trainer (2011), a Lamaze International Certified Childbirth Educator (Passion for Birth, 2004) and a home birth midwifery assistant. Healing Rooms on the Genesee

It has been right at 2 years since a Healing Room started in Mount Morris.

During that period we have prayed for dozens of people who have been touched by the Lord. We have but one purpose: to pray for those who need God's touch of love and healing.

Right before Jesus left the earth, He told His followers, in Mark 16:18, to go out and pray for the sick and they would see the sick recover. We follow Jesus' instructions.

Give Us A Call. We'd Love To Come Pray For You.

We will pray for you in a safe and confidential manner.

We are a Christian-based ministry located right here in Mount Morris.
