# Brownie Spiders

## Ingredients

- 1 package (15.8 ounces) brownie mix
- 1/2 cup semisweet chocolate chips
- 2 cups crispy chow mein noodles
- 18 candy eyeballs

## Directions

Prepare and bake brownies according to package directions using an 8-in. square baking pan lined with parchment paper. Cool completely in pan on a wire rack. In a microwave, melt chocolate chips; stir until smooth. Remove 1 tablespoon melted chocolate to a small bowl; reserve for attaching eyes. Add noodles to remaining chocolate; stir gently to coat. Spread onto a waxed paper-lined baking sheet, separating noodles slightly. Freeze until set.

Cut nine brownies with a 2-1/4-in. round cutter for spider bodies. Attach eyeballs using reserved melted chocolate. With a bamboo skewer or toothpick, poke eight holes in top of each spider for inserting legs. Insert a coated noodle into each hole. Store in an airtight container.

At the New York City Council's Italian-American Heritage event on October 10th, I was honored to recognize Bronx Community Board 11's very own Silvio Mazzella for his meritorious contributions to our community. Our New York City Council District 13 draws a lot of its strength from its diversity and multicultural sensibilities, amongst of which are our many Italian-American friends and neighbors. The history of New York City and Italian-Americans are largely intertwined, due in large part to the integral role Italian-Americans have played in the development of our great city.

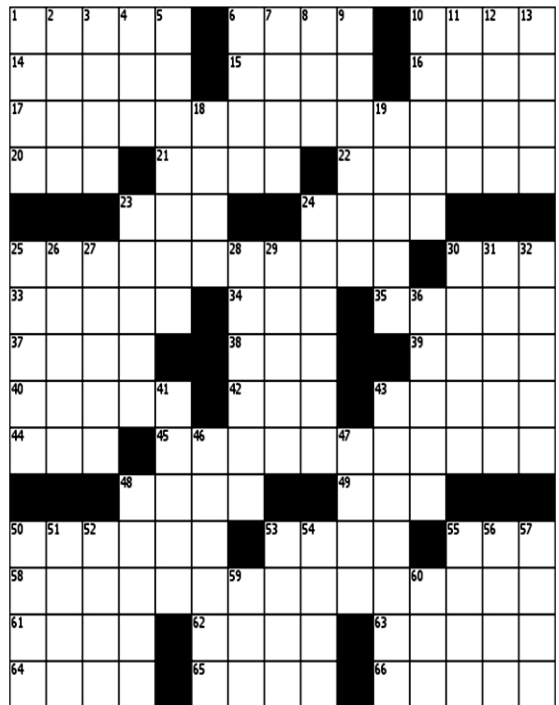

Silvio Mazzella, veteran and community leader, is one of the gems of the Bronx's long-standing Italian-American community. He was born and raised in the Morrisania section of the South Bronx, where he then attended Cardinal Hayes High School, Northeastern University, and Monroe College before volunteering for service with the United States Marine Corps.

After defending our country in Vietnam and Okinawa, Mazzella was honorably discharged, from where he embarked on a career of community leadership, carrying into the civilian realm the Marine Corps motto of Semper Fidelis - "always faithful".

At present, Mr. Mazzella serves as a member of the Bronx Community Board 11, where he was previously treasurer. He is the current Secretary of the Morris Park Community Association, the current VP of the 49th Precinct Community Council and was elected Chairman of the Jacobi Medical Center Advisory Board in 2013. He is also responsible for organizing memorial services for Veteran's Day and Memorial Day. In addition to his active involvement in nearly every facet of our community, he is also a proud father of three and grandfather of six, with his wife Yvonne of almost 50 years.

We are proud to have Silvio Mazzella as a member and leader of our Bronx community. He continues to create and has already established a lasting legacy. I hope that his life dedication to public service stands as an example for us all to try to imitate.

### **BREAST CANCER AWARENESS MONTH**

In honor of Breast Cancer Awareness month, several hospitals and organizations are offering free mammograms for women. For some, you do not need health insurance. The American-Italian Cancer Foundation is offering no cost mammograms and clinical breast exams on Saturday, October 25 from 9 A.M. to 5 P.M. at 2510 Eastchester Road. To schedule an appointment, please call (877) 628-9090. You must be between the ages of 40 and 79, be a resident of the city and have not had a mammogram in the past twelve months. It is our obligation to continue supporting organizations dedicated to finding a cure.

### **NORTHEAST BRONX COMMUNITY FARMERS MARKET**

Getting access to locally produced food is certainly a step toward living a healthier lifestyle. It is why I use this column to promote healthy initiatives and highlight the wonderful Northeast Bronx Community Farmers Market, founded by the Northeast Bronx Community Farmers Market Project. It is every Tuesday from 4 P.M. to 7 P.M. outside of Preston High School on Schurz Avenue in Throggs Neck. If you are interested in becoming a local vendor, please contact the group via e-mail at [bronxfarmersmarket@gmail.com](mailto:bronxfarmersmarket@gmail.com). Let's all take advantage of supporting our local farmers while at the same investing in ourselves.

### **PUBLIC LIBRARIES**

Many of our area's public libraries hold computer and literacy classes, play movies, have games for children, and most importantly, many books and periodicals for us to read at our leisure. Please visit one and visit as often as possible. Supporting our local libraries proves to the City of New York that it needs more resources and should be opened to the public for additional hours. Please take the time out of your day to visit your nearest library and thank its staff members for their dedication to public service. For events, please visit <https://www.nypl.org/events>.
