Bowling for Brayden

Brayden Johnson, age 6, who currently attends Spirit Lake Elementary School, has been diagnosed with Acute Lymphoblastic Leukemia. Brayden is the son of Doug and Kara Johnson and grandson of Mike and Jo Megill, Randy Johnson, and David and Lori Netsch. Brayden or "B-Man" is on a very aggressive regimen treatment plan. He receives chemo every Friday in Sioux Falls and has been given a heavy steroid twice a day for 30 days. The family of Doug and Kara Johnson appreciates all the support they have received since the diagnosis.

In order to help Brayden with his medical expenses, the Spirit Lake Kiwanis, the SLHS Key Club and the Spirit Lake Middle School Builders Club are partnering together for "Bowling for Brayden." This one day Bowling for Brayden fundraiser will be held on Saturday, October 26th, from 10:00 am to 12:00 noon, at the Corner Lanes Bowling Alley, in Spirit Lake.

The cost of a game is \$10, which includes one game and the cost of the shoes. \$5 will go to the bowling alley and \$5 will go to the family.

To register a team or as an individual, please contact Lisa Duffy at lduffy@spirit-lake.k12.ia.us. If you are not able to attend, but would like to make a donation, please send a check to: Spirit Lake School, 2701 Hill Avenue, Spirit Lake, IA 51360. Please make checks to the Spirit Lake High School with "Bowling for Brayden" in the memo line.

They hope you will join them at this one day event to make a difference in the lives of a community member and their family.

 The Harbor Christmas Choir will begin rehearsals for the musical, "Messiah...Heaven's Glory", on Wednesday, October 23, at Harbor of Joy Church, 1204 L Avenue, Milford.
 The choir meets at 7:00pm each Wednesday for seven weeks. There are alternative practices offered each Thursday morning at 9:30am during those seven weeks as well.
 "Messiah...Heaven's Glory" celebrates the coming Messiah with a worshipful retelling of the Christmas story.
 Bob Floss, director, invites anyone who would like to be a part of this Christmas musical to come. Floss says, "The musical combines selections from Handel's Messiah, popular Christmas carols and contemporary worship songs."
 The musical will be presented at Harbor of Joy Church in Milford and Faith Lutheran in Sibley on Sunday, December 15, and again on Saturday, December 21, at Hope Lutheran Church in Everly.

Stepping Back in Time by Jerry and Irene Clark of the Clark Museum of Okoboji area and Iowa history - Milford, Iowa.

Conrad, Iowa, Year 1910, Grundy County

Pictures across Iowa like this early picture is what the Clark Museum likes to display. Pictures of the early schools, churches, and business advertisements are for all to read, enjoy and learn about the lakes area and Iowa's past. The Conrad name is one of the oldest in Germany. John W. Conrad, with his wife and family of five children, started for Iowa in a covered wagon from Indiana in 1853. In 1880, the town of Conrad was laid out and named in honor of

him. A lot of research by Irene and I has made the museum a "one of a kind".

The museum and antique house is still open until cold weather comes and stays. The museum is located, from the junction of Highway 71 and 86, one mile west and 1/2 mile south.

For more information, call 712-338-2147 or email ijclark1@msn.com. The Clark Museum is a 501 (c) 3 Non-Profit.

OHS Debate in Team First Competition of Season

Okoboji had two public forum teams, David Greiner/Haley Harms and Cassie Hinshaw/Brooke Furman place in the top 16 out of 50 competing teams on Saturday, Oct. 12. Lexi Duffy received a third place speaking award in public forum speaking, as well.

Coach Greiner stated: "I am very proud of all of our kids. We came to a tough tournament and competed against some of the best teams in the state of Iowa for our first competition of the year. Our Congress students put in a lot of extra time in preparation and were close to earning awards. Saturday was the first ever experience for our freshmen debaters, and they competed well. With the first tournament out of the way, it will be fun to watch the students grow throughout the year. Nothing done in practice can truly duplicate the actual debate rounds, so this is a great learning experience for all."

Obituaries

Heath Hjelmer Huberg, 37, passed away at his home on Sunday evening October 13, 2019, surrounded by his loving family.

Prayer Services were at Heritage Funeral Home in Sioux Falls, South Dakota, on Friday, October 18, 2019, with visitation. Private family burial took place at Willow Creek Cemetery in Royal, Iowa. A Celebration of Heath's life will take place at a later date in Iowa.

Heath was born in Spencer, Iowa, to Cheryl Wahlman and Gary Huberg. He began developing his immense musical talent while growing up and attending school in Milford, Iowa. Heath graduated from Okoboji High School in 2000 and then attended Simpson College in Indianola, Iowa, where he met his future bride, Rebecca, and graduated with a Bachelor of Music degree. He then completed a Master of Music degree at New England Conservatory in Boston. Heath married the love of his life, Rebecca Linea Salmen, on September 5, 2009. To this union was born Julia Hanna, his absolute pride and joy.

Heath's beautiful tenor operatic voice sent him all over the U.S. and afforded him the opportunity to explore our beautiful country, something he and Rebecca took full advantage of before putting down roots, buying a home and starting their family. Heath made the choice to be home more, and so transitioned from his professional opera career to bartending for the downtown Minerva's crew, and then joined Merrill Lynch as a financial advisor. Two years ago, a brain tumor hijacked his life; even so, he never lost his sense of humor or love for his fellow mankind.

Heath excelled at everything he did and had an incredible ability to memorize complete opera scores in less than a week's time. He was always humble and willing to volunteer his God-given gift. Aside from music, he most enjoyed his time by creating special memories with Rebecca and Julia, being at home working in his yard, hiking in the mountains and desert, relaxing on the beach, having coffee with friends and family, cheering for the Iowa Hawkeyes, hunting pheasants with his special Labrador, Kona, helping with family farm work, and living an extremely full life.

Heath was the most loving husband and father and grew to be a giant among men who loved Christ with his whole heart. His generous spirit, hearty laughter and quick wit are already deeply missed by all who had the joy in sharing his life.

Left behind to cherish his memory and continue his legacy are his beloved wife, Rebecca, and daughter, Julia of Sioux Falls; mother, Cheryl Zieringer (Mark) of Omaha, NE; father, Gary Huberg of Spencer, IA; parents-in-law Cheryl Salmen of Sioux Falls and David Salmen of Wessington Springs, SD; brother-in-law Brandon (Latan-da) Salmen of Sioux Falls; sister-in-law Heather (Jay) Engberg of Sioux Falls; grandparents Virgil and Marietta Wahlman of Milford, IA; grandmother Loueen Huberg of Royal, IA; nieces Mina and Ayla Salmen, and many special aunts, uncles, cousins and friends.

He was most recently preceded in death by his grandfather, Charles Huberg, great-grandparents Dorothy and Hjelmer Huberg, and cousin Justin Huberg. www.heritagesfsd.com

WEL-Life Gets Stamp of Approval by the Iowa DIA

The employees of WEL-Life at Spirit Lake strive to provide quality care with respect, dignity and kindness. Their efforts were recently given the stamp of approval by the Iowa Department of Inspections and Appeals (DIA) following a recent on-site inspection.

The biennial survey resulted in an insufficiency-free report, which means that no deficiencies were found. WEL-Life was found to be in substantial compliance of all the rules and regulations required by the state.

"We train on the state's expectations and we have high expectations of the staff to continue following those rules and regulations," said Linda Breuker, director of healthcare services. Both staff and residents are involved in the survey process. "The staff is a very important part of the survey," said Kathleen Johnson, executive director. "They work well as a team and understand the goals for the individualized care of each resident. The residents are also an important part of the survey. They were interviewed and asked if they had any complaints."

Johnson said WEL-Life focuses on personalized care. "The staff is very caring," she said. "We are small enough that we are very family-oriented."

The employees provide stability to know and understand if someone isn't feeling quite right, according to Breuker. If someone is showing signs of illness or decline, employees report it to their supervisors.

"We have had residents who have lived here for 10 years," Breuker said. "You get to know someone very well in 10 years. We know their families and they know us. Everyone working here enjoys their work and it shows!"

Johnson and Breuker have worked at the facility since March 2008 adding a tremendous knowledge base and experience in resident care. Between them, they have been present for 11 state surveys.

WEL-Life at Spirit Lake has been serving the community since 1999. The facility continues to improve and evolve. New carpet was recently installed and more updates are planned.

Cousins Silences Critics, For Now

Minnesota Vikings quarterback Kirk Cousins was taking a lot of heat from fans, the press and even teammates after the Vikings stumbled through their first four games with a 2-2 record, including a 16-6 loss in Chicago to the Bears in which Minnesota could only muster a late touchdown to avoid a shutout. The Vikings have made Cousins one of the highest paid quarterbacks in the NFL with a guaranteed three-year contract worth \$84 million. Many people were not pleased with the production of Cousins and the Vikings QB last season, when they missed the playoffs, and the slow start to the 2019 season did not help silence the critics.

Cousins owned the slow start this season, even publicly apologizing to teammate Adam Thielen for not playing well and missing him on several open routes in their loss at Green Bay. Since that 2-2 start Cousins has been on fire, leading the Vikings to three straight wins, including a huge divisional 42-30 win at Detroit on Sunday. Cousins was 24-34 with a season-high 337 yards and four touchdowns and no interceptions against the Lions. During the Vikings three game winning streak Cousins has thrown for over 300 yards in each victory, throwing for a total of 976 yards with 10 touchdowns and just one interception. Cousins is also spreading the ball out amongst his receivers, as four of them had at least four catches on Sunday, and Thielen would have been the fifth had he not injured his hamstring on his amazing first quarter TD reception. It has also helped Cousins that the offense has opened up a bit more than just relying on star running back Delvin Cook as they did in the first four games. Offensive coordinator Kevin Stefanski has done a great job the last three games of incorporating more play-action passes, which has given Cousins more time to throw the ball and opened things up for the receivers as defenses have to honor the dangerous Cook, who has rushed for 725 yards and 8 touchdowns so far this season.

Minnesota currently sits in second place in the NFC North behind 6-1 Green Bay. After what should be a very winnable game on Thursday night against 1-6 Washington, the Vikings will hit the road for two crucial games against Kansas City and Dallas. With the NFC appearing loaded this year, Minnesota will probably have to go at least 10-6 to make the playoffs as a wild card. If Cousins can remain hot, the offensive line can keep blocking, the defense can tighten up more than they did on Sunday, and the receivers can stay happy, this Vikings team has the ability to make a run at Green Bay for the conference championship and at worst a wild card spot.

Being self-aware means to observe and listen to what your body is telling you. We all know when something isn't quite right inside. In your life: What are you observing? What can't you do today, that you were able to in the past? What would you like to do again? Our bodies are self-healing and self-regulating, the nerve system carries the message of regulation. If you are observing something abnormal, have your spine checked and adjusted. You will be surprised how it improves your life.

Kiwanians Tour The Roof Garden

Nostalgia was in full bloom for Milford Kiwanians late this summer. A regular meeting of the service club was held at the new Roof Garden ballroom and the visit was thoroughly enjoyed by all. Milford Kiwanian Joe Simington arranged for the club to tour the structure and Paul Plumb, Marketing Director for the Arnolds Park Amusement Park graciously offered to be our host while he presented a program about this new state-of-the-art facility. The original Roof Garden was built in 1923 and quickly became known as a music and dancing mecca. It maintained this popularity for many types of music, from Swing to Big Band and Rock and Roll. Sadly, the aging two-story building was demolished in 1987. Those of us old enough to have attended dances at the original Roof Garden enjoyed seeing vintage posters of bands that played there in its prime. Late last fall the formal re-building of this icon was started, and it was completed the first week of August of 2019. It is indeed beautiful! It has fantastic acoustics and lighting, the chairs are very comfortable, and the "Roof Garden" signage on the outside of the building was replicated to resemble the lettering on the original ballroom. This facility is an outstanding attraction for Arnolds Park Amusement Park and the entire Iowa Great Lakes region! It is now open throughout the winter months as well, and many weddings and other events have been reserved for the winter season.

The week following our tour of the new Roof Garden, our club was honored to have Tom Tourville of Spirit Lake present a subsequent program about the legendary Roof Garden. Mr. Tourville is a well-known and dedicated music researcher and has actually published over two dozen books on record collecting and music collectibles. It was interesting to not only hear of the famous artists who performed there, but also how the ballroom owners in the 1950's were able to bring entertainment that would appeal to area teens, thus the start of the Rock and Roll influence at the Iowa Great Lakes. Mr. Tourville brought copies of his latest book, co-authored with Rebecca Peters, titled "Remembering Okoboji's Roof Garden Ballroom, the Rock 'n Roll Years". You can purchase this book, along with many other books by Mr. Tourville, at the Iowa Rock 'n Roll Museum and the Maritime Museum.

The Milford Kiwanis Club sincerely appreciates the efforts of Mr. Plumb and Mr. Tourville for their hospitality and for their appreciation of one of the great attractions here at the Iowa Great Lakes! Stay up to date with new scheduling options and pertinent news by visiting the Roof Garden's website at www.arnoldspark.com/the-roof-garden.

Please **VOTE YES** on November 5, 2019!

By voting “YES” on November 5th, together we can ensure that the old Okoboji Middle School is:

- ✓ Sold for the highest price possible
- ✓ For a use consistent with the desires of our local community
- ✓ That 100% of the net sales proceeds are used to pay down the existing **\$25 MILLION SCHOOL BOND DEBT** and shorten the term of the bond
- ✓ That **REDUCES THE TAX BURDEN** on Okoboji School District Taxpayers
- ✓ Supports and facilitates the Imagine Iowa Great Lakes beautification efforts, and
- ✓ Mandates accountability and a fiscally responsible process for the Okoboji School Board & Superintendent

GET THE FACTS! - REDUCE TAXES!

No Hidden Agendas – No Back Door Deals **JUST DOING WHAT IS RIGHT**

FREQUENTLY ASKED QUESTIONS:

Q Why was a petition pausing the sale of the Okoboji Middle School created?

A On July 19, 2018, in spite of public concerns and opposition to a rush deal, the Okoboji School Board voted 3 to 2 to sell the old Okoboji Middle School to the Iowa Great Lakes Beautification Project (now known as Imagine Iowa Great Lakes) at a price that was substantially less (\$4.8 Million less) than the properties assessed value (per Dickinson County Assessor) and estimated commercial value.

Q Was there more than one bidder on the property and or other interested buyers?

A Yes. A higher bid was submitted, and other parties expressed interest, however they were not fairly considered.

Q Was the old Okoboji Middle School property nationally advertised and marketed in an effort to maximize the sales price for the benefit of the school system and District Taxpayers?

A No. Minimal advertising was done and no significant effort to market the old Okoboji Middle School was put forth by the School Board.

Q Was the old Okoboji Middle School property appraised?

A Yes. An appraisal was obtained by the School District on January 31, 2018

Q What was the appraised value?

A The appraised value stated on January 18, 2018 was \$1.1 million (stated by the appraiser as an estimate and not a guarantee of value).

Q What was the assessed value at the time of the sale to Iowa Great Lakes Beautification Project?

A The assessed value according to records at the Dickinson County Assessor's website was **\$5,867,000** (based on the January 1, 2017 assessment cycle).

Q What criteria and methodology was used by the appraiser to establish the estimated fair market value (subsequently used as the sales price)?

A A standard boilerplate “sales comparison approach” was used consisting of seven comparable non-local properties consisting of older schools, churches and office buildings. No consideration was given to the potential commercial value of the Okoboji Middle School due to its prime location in the heart of the Iowa Great Lakes tourism zone. Additionally, no consideration was given to local sales of commercial property in the Iowa Great Lakes area.

Q Did the Iowa Great Lakes Beautification Project (Imagine Iowa Great Lakes) intend to develop the old Okoboji Middle School property?

A No. Based on direct discussions with representatives of the Iowa Great Lakes Beautification Project (Imagine Iowa Great Lakes), and in spite of the Okoboji School Boards best efforts to convince the community otherwise, the Iowa Great Lakes Beautification Project (Imagine Iowa Great Lakes) had no interest in owning or developing the old school building. Their only interest was in a small portion of the property bordering the road which is needed to facilitate their beautification improvement efforts.

Q If the Iowa Great Lakes Beautification Project (Imagine Iowa Great Lakes) only had an interest in a small portion of the total property, what was going to be done with the school building and the balance of the property?

A The property was going to be re-sold (flipped) to a group of local businessmen and developed with limited or no community input or control.

Q Was the proceeds from the Iowa Great Lakes Beautification Project's sale of the unwanted portion of the property going to be returned to the Okoboji Community School District and applied to pay down the \$25 MILLION SCHOOL BOND DEBT?

A In spite of certain individuals and the School Boards best efforts to convince the community that the sales proceeds would be returned to the District, there was nothing in writing supporting that assertion, and no contractual obligation requiring that the proceeds be returned to the District so that those proceeds could be used to pay down the school bond debt.

Q What is the best way to sell the old Okoboji Middle School that ensures the highest price, development and use consistent with the desires of the local community, and placement of the property on the real estate tax rolls thereby benefiting the School District as well as City and County taxpayers.

A Local business leaders are proposing that a “Community Marketing Team” be put together to market the old Okoboji Middle School property. This team would be comprised of a cross section of local community members including:

- Three experienced members of the local business community
 - A local Building/Planning & Zoning Official
 - A representative from the Arnolds Park City Council
 - A representative from the Board of Directors of the Okoboji Community School District
 - A representative from the Iowa Lakes Corridor
- A prime focus in identification of the above team members was to ensure a comprehensive representation of local interests, as well as the expertise necessary to ensure a successful outcome.

Q Has the concept and approach described above been discussed with the Superintendent of the Okoboji Schools and presented to the School Board?

A Yes. This concept and approach were discussed in detail on several occasions with the Superintendent of the Okoboji Community Schools who committed to present the concept to the School Board for consideration and approval. After a considerable amount of time had passed with no response, a follow up inquiry was made whereby we were told by the Superintendent that the School Board decided not to entertain the request until after the November 5, 2019 election and the voters had spoken.

Q Can the Community Marketing Team specify and control how the property can be used by the buyer?

A Yes. Utilizing existing local building codes and Arnolds Park City ordinances, as well as by defining restricted uses in the bid packages and sales contract, the Community Marketing Team has the power to ensure the property will be used in a manner consistent with the best interests of the community.

Q Could the old Okoboji Middle School be turned into a casino and or adult entertainment club?

A No. Development of the property into a casino would require a special county-wide vote and approval. Additionally, as described above, bid package rules and sales contract restrictions as defined by the Community Marketing Team would prevent the property from being used for that purpose. Existing Arnolds Park City Zoning Regulations prohibit the establishment of any new adult entertainment clubs within city limits without a Board of Adjustment Special Exception Use Permit.

ILCC hosting Jazz Festival With Joey Gulizia Jazz Trio

The Music Department at Iowa Lakes Community College in Estherville will be hosting its 29th Annual Jazz Festival, Thursday, October 31st, featuring the *Joey Gulizia Jazz Trio*. In addition to its leading percussionist, the trio also features Andy Hall on bass, with Joey's brother, Tony, on keyboard and vocals.

The three will be working with area middle and high schools students throughout the day, with a public concert starting at 7:00, Thursday night. The closing concert will also feature the *Iowa Lakes Jazz Band* and the *Vocal Jazz Ensemble*, in the gymnasium on the Estherville campus.

Weather permitting, you can enjoy Glenn Henriksen's penultimate house concert of the year, starting at 7:00, tonight (Tuesday), at his place, 511 18th Street, in Spirit Lake. Unless plans change, next week's concert will be the season finale...

This Thursday night, the 24th, will see a new performance at the Pearson Lakes Art Center, when *First to Dance* presents songs of life and love, performed by Greg Forney, Jennifer Johnson, Karess Knudtson, Martin Mendez, Brian Moore, Tyler Pedersen, and Jessica Schable — moments to listen and remember, sing, and maybe even dance...

The show begins at 7:30, Thursday night...

Thursday will also see the *Heartland Honor Choir* performing in a 6:00 concert at Iowa Lakes, following a day of rehearsal with conductor Ryan Peterson, director of choral activities at Morningside College.

The choir includes singers from Algona, Alta-Aurelia, Estherville Lincoln Central, Graettinger-Terril/Ruthven-Ayshire, Spirit Lake, Okoboji, Pocahontas and South O'Brien high schools, with 160 students. The Iowa Lakes Chamber Choir and Men's Ensemble will also be featured...

Rick Ayres and his Jazzed Up 6tet will be appearing on the stage in the barn at the Little Swan Lake Winery, Saturday, from 6-8:00; where *Coolmhor* will entertain, Sunday, from 4-6:00...

Fusing Modern Country and Classic Heartland Rock with an edgy vocal blend, *LoCash* will be performing in the "new" Roof Garden Ballroom, Saturday night, from 7:30. The next scheduled performances in the Roof will see *The Nadas* performing the Wednesday night before Thanksgiving, and *The Johnny Holm Band* performing that Saturday night...

Today is Nut Day, which research director RD celebrates with glee. She'll also be celebrating with some of her favorite comic and cartoon characters from the Charles Schulz *Peanuts* cartoon strip that debuted in newspapers in 1950. The now famous *Peanuts* Halloween special that was produced in 1966, is based on the strip, and will be aired tonight, at 7:00, on ABC-TV. In addition to Schulz's handiwork, *It's the Great Pumpkin*, *Charlie Brown* features the music of jazz pianist and composer Vince Guaraldi, set to the gentle drama of Charlie, Snoopy, and the entire *Peanuts* gang as they celebrate the holiday together...

(*HGP,CB* will be rebroadcast Sunday night at 6:00, on ABC, followed by the 1972 *Peanuts'* classic, *You're Not Elected*, *Charlie Brown*, at 8:00...

Longtime Tonight Show host Johnny Carson was born on October 23, 1925, in Corning, Iowa. As a television host, comedian, writer and producer, Carson earned six Emmys as well as several other awards. His theme song, *Here's Johnny*, was written by Paul Anka. What most loyal late night TV viewers might not remember is that it is based on a song titled *It's Really Love*, composed in 1960 for Annette Funicello's album, *Annette Sings Anka*. Anka revised it for Carson's show two years later. RD also notes here that Tuesday would have been Annette's 77th natal day. Both versions of the melody can be found on *YouTube*...

Brooklyn songwriter Eleanor Louise 'Ellie' Greenwich was born on Carson's birthday, in 1940. Greenwich co-wrote some of the most iconic girl group hits of the 1960s, including, *Da Doo Ron Ron*, a hit for *The Crystals*; *The Ronettes'* hit, *Be My Baby*; and *The Dixie Cups'* *Chapel of Love*...

A year after Greenwich was born, *Dumbo* made his premiere in Disney's animated classic that was named for the pachyderm. One of the top songs from that show, *Baby Mine*, was written by Frank Churchill and Ned Washington, and was nominated for an Academy Award as best original song. Through the years it has been covered by many artists, including Glenn Miller, Rosemary Clooney, Steve Tyrell, and more recently, by Brian Wilson, on his 2011 CD, *In the Key of Disney*.

Friday is International Artists Day, which for RD suggests the song, *Mona Lisa*, written by Ray Evans and Jay Livingston, for the 1950 Paramount film, *Captain Carey, U.S.A.* It was Leonardo da Vinci's 1503 painting that inspired the song that won an Oscar as Best Original Song. The famous 1950 recording by Nat King Cole was inducted into the Grammy Hall of Fame in 1992. Other renditions saluting the lady with the mysterious smile include instrumentals by clarinetist Acker Bilk (1965), trumpeter Herb Alpert (1962), and Earl Klugh on his 1980 album, *Late Night Guitar*, which received a Grammy nomination for best pop instrumental...

Five days before Halloween, we will celebrate Pumpkin Day — on Saturday. RD will be doing that with the Mercer Ellington classic, *Jumpin' Punks*, which Mercer's dad first recorded in 1941. Forty years later, jazz pianist Jimmy Rowles used it on his Columbia album, *Jimmy Rowles plays Duke Ellington and Billy Strayhorn*...

All the news that fits we print.

American Red Cross is Calling for Nominations for the Heroes Game

Do you know someone who has performed a selfless act of courage or dedicated countless hours to a special cause? We are looking for the everyday hero who has done an extraordinary thing to be recognized during this year's Heroes Game presented by Hy-Vee.

The Heroes Game, scheduled for the Friday after Thanksgiving each year, pits conference powerhouses Iowa and Nebraska against each other in what has become an epic battle for bragging rights in the Heartland. The two teams will be playing for more than a trophy, however; with the help of Hy-Vee, they will use the national stage created by the game to recognize individuals for acts of heroism in their communities.

A hero from both Iowa and Nebraska will be invited as a special guest of the teams and will be honored before a crowd at half-time at Memorial Stadium in Lincoln, Nebraska when the Hawkeyes face off against the Cornhuskers on Friday, November 29, 2019.

A hero must be at least 18 years of age and live, work or go to school in either Iowa or Nebraska. One person from both Iowa and Nebraska will be selected to represent each state at the Hy-Vee Heroes Game.

Right now, nominations for the Iowa hero are being accepted through the Red Cross Iowa Region website at www.redcross.org/iowa. A direct link to the nomination form can be found by clicking here. Nominations will be accepted through October 27th.

OKOBOJI FOUNDATION

A Farmer's Guide to Year-End Giving

With the holiday season around the corner, Iowans will soon be gathering with friends and family. Conversations around football, predictions on the quickly approaching winter, and who makes the best pie will take place. Many families will also discuss causes that matter to them and which non profits they will support before the end of the year.

At the Okoboji Foundation, we know your agricultural roots extend into support of the community in which you live, and it is important to you as a farmer to meet your family's charitable and financial goals. Below are a few unique ways you can support causes and communities you care about as we near the end of the year.

GRAIN - A gift of grain is a unique and under utilized way to make a charitable gift. For farm operators, gifting grain directly, rather than selling the grain and making a gift from the proceeds, may provide significant tax savings. Contributing grain allows you to avoid recognizing the sale of the commodity as income, while the production costs may still be deductible. Reducing taxable income may provide advantages such as minimizing or eliminating self-employment tax and reducing adjusted gross income.

IRA CHARITABLE ROLLOVER - For farmers over age 70 1/2, making charitable contributions from an IRA can provide similar tax advantages to a gift of grain. Distributions from an IRA directly to charity avoids federal and state income tax on transfers up to \$100,000 and goes towards meeting your required minimum distribution (RMD). No need to worry if you don't itemize your federal tax return. Gifts of grain and the IRA charitable rollover are not deductible, but instead benefit from the avoidance of claiming the income.

DONOR ADVISED FUNDS - Farmers know that timing can be everything. The same can be said for aligning charitable gifts to when it makes financial sense for you or your family. Donor advised funds are a solution to this problem. Donor advised funds are like a charitable checkbook. Farmers can contribute cash, stock, grain or other assets to their donor advised fund, take advantage of maximum tax benefits, and distribute grants to causes they care about when needs arise. A donor advised fund can also help your family put charitable dollars aside for a rainy day when your farm may not be as profitable but your commitment to your community has not changed. Through the Community Foundation, contributions to your donor advised fund may qualify for the Endow Iowa tax credit, a 25% state income tax credit.

These three tax-wise giving strategies are simple strategies for you and your farm operation to consider as you support causes you care about at year-end. Be sure to consult with your professional advisor for specific tax or legal advice that applies to you and your family. To learn more about these and other giving opportunities through Keep Iowa Growing, Iowa's Agriculture Giving Program, contact me.

Electronic Technology Stimulating Discussion
The Morning Users Group (MUG) meets Fridays at 9:30am in the Black Box Theater of the Sami Center at the Spirit Lake High School (28th street entrance). This small group of enthusiasts discusses the latest hot topics in computers and smartphones, but often ranges to streaming videos, social media, organizing digital photos, escaping ransomware, flying drones, and genealogy.
Check-out these stimulating discussions to understand the new technology that you would like to know more about - but didn't know who to ask. There are no dumb questions. Your experiences can add to our knowledge. Discussion lasts about one hour. The group does not meet if Spirit Lake Schools are delayed or cancelled that day due to weather.

Heart to Heart with Heritage Landing

Beating the Cold... Together by Denise Leal

I was sitting in my car early this morning when I noticed a strange white powdery substance lightly accumulating on my windshield. I realize it is only October and very few people are ready to acknowledge this, but it is only a matter of time before cold weather and this powdery white stuff sets in (I am staying away from the word *snow* as to not freak people out).

As winter sets in, many seniors tend to move indoors to avoid cold temperatures and all the dangers associated with the wintery months. If you are living alone you may find that you are stuck at home a lot. Winter weather can put you at risk of falling outside on a wet, icy sidewalk and driving on snow packed, treacherous roads. Local friends may relocate to a warmer climate for the winter and it's more difficult for family and friends to pop in for a visit. The lack of socialization during the winter months can lead to isolation, loneliness, and related health issues. If you are a senior living alone or you have a loved one who does, now is a good time to plan for the winter months and the isolation that may accompany them.

One way to prepare is to consider moving to a senior living community like Heritage Landing. At Heritage Landing, you will find a strong sense of community. Our daily noon meal offers our tenants the opportunity to gather and interact with their neighbors. It is not uncommon to see a group of people having coffee, working on the puzzle in our parlor, participating in an exercise group or another planned activity. Feel like getting your hair done or having a massage? You can make an appointment for both and never have to leave the building!

We offer transportation to local medical appointments and our garages are attached and heated. No more going out in the snow to scoop your sidewalk. Leave that to us while you stay safe and warm! Don't spend another winter alone! To learn more, call today at 712-338-2909.

Quip of the Day: *Alone we are one drop. Together we are an ocean...*

National Drug Take Back Day

National Drug Take Back Day is October 26, and the Iowa State University Extension and Outreach office reminds everyone to safely dispose of unused or expired medications.

Most people who misuse prescription drugs get them from family, friends and acquaintances.

"You can make a difference by keeping track of the medicine you have, by rethinking where and how you keep your medications in your home, and by safely disposing of any unused medications," said Sue Boettcher, Human Sciences Program Coordinator with ISU Extension and Outreach.

Additional tips provided by Boettcher include:
 * Don't Share. Keep track of your legally prescribed controlled substances - that is, count your pills so you always know how much you should have and so you know when to take action if any go missing. With controlled substances, sharing is NOT caring. You could be putting your loved ones at risk, and unintentionally contribute to drug misuse, drug addiction, or a fatal drug overdose.

* Limit Access. Everyone knows to keep medicine "out of the reach of children" but once your children become teens, there's a good chance they can "reach" all medicines in your home and they know exactly where you keep what. Many people keep their medicine in easy to reach, easy to access cupboards, medicine cabinets, drawers, etc., so put your medicine somewhere that only you can easily find and access. Lock it up if you can. This will keep your medicine from unintentionally ending up in the wrong hands and just may save someone's life.

Where can you "take back" your unwanted/unused drugs? The Spirit Lake Police Department will be at the Spirit Lake Hy-Vee from 10:00am to 2:00pm on Saturday, October 26. There are also drop-off boxes available year-round at Lewis Family Drug, Hy-Vee Pharmacy and at the west entrance of the Dickinson County Courthouse.

Celebrate Halloween at the Dickinson County Nature Center

The free fun kicks off with a pumpkin-themed Family Nature Night 7:00pm Friday, October 25. Naturalists will go over the growing cycle of pumpkins and other plants and will talk about pollination.

"Pumpkins are beneficial from the start to the end of the life cycle," said Bryanna Kuhlman, environmental education coordinator. "As it grows in your garden, it offers you something fun to look forward to, and as it ends the life cycle, it offers food for a lot of animals. As it decays, it adds nutrients to the soil."

Participants will also get to paint a pumpkin, with special thanks to Solsma's Pumpkin Patch in Sanborn, and take it home to celebrate the season.

The nature center will offer the annual Howlin' Halloween program 4:00pm Thursday, October 31.

"We're going to talk about our spooky snakes --- they're really not that spooky," Kuhlman said.

Learn about the corn snake animal ambassadors at the nature center, join Miss Allison from Kindermusik at the Lakes for fun songs, participate in a costume parade and trick-or-treating and make a special craft to take home.

"We thought it would be a fun way to offer something for the community between school and trick-or-treating; they can enjoy their costumes a little longer," Kuhlman said. "For the families who don't want to go on a big trick-or-treating event, they can still dress up, see friends. It's a non-spooky way to enjoy Halloween. Halloween is fun, and it doesn't need to be scary."

Howlin' Halloween is for all ages and will last approximately 45 minutes so families can still enjoy trick-or-treating in their hometown, if they wish.

To pre-register for Family Nature Night or Howlin' Halloween, call 712-336-6352 or visit www.dickinsoncountynaturecenter.com for more information. You can also keep up on the latest Dickinson County Nature Center happenings on Facebook, Instagram and Twitter.

Heartland Honor Choir

Eight area high school choirs are joining forces to create music together at the Heartland Honor Choir which is hosted by Iowa Lakes Community College. Singers from Algona, Alta-Aurelia, Estherville Lincoln Central, Graettinger-Terrill/Ruthven-Ayrshire, Spirit Lake, Okoboji, Pocahontas, and South O'Brien will all be part of the mass choir of over 160 singers.

Tickets for the concert are \$5 for adults, and students can attend for free. The Iowa Lakes Chamber Choir and Men's Ensemble will also be featured at the concert.

The Honor Choir is being conducted by Dr. Ryan Person, Director of Choral Activities at Morningside College in Sioux City. Dr. Person directs the Morningside Choir, Singing Men of Morningside, and Master Chorale. In addition to choral ensemble leadership, he teaches courses in Choral Conducting and Choral Methods.

During his fifteen years as a choral conductor and educator, Person has been an active member of professional choral music organizations and has held numerous leadership positions. He frequently serves as a guest director, clinician, and presenter and was most recently honored to co-present a choral literature session with Richard Bjella at the 2017 National Collegiate Choral Organization Conference in Baton Rouge, Louisiana.

"This is our 6th year for the Heartland Honor Choir, and it has been a great event to bring talented high school singers together. The singers work together all day to create an amazing choral sound and grow as musicians," said Iowa Lakes Choir Director, Brett Fuelberth, "Please come on October 24 at 6:00pm and support our annual honor choir event!"

Loon Lake Cemetery Subcommittee to Speak to the UU Fellowship

Margaret Mead wrote, "Never doubt that a small group of thoughtful, committed citizens can change the world; indeed, it's the only thing that ever has." Learn how that applies right here in the Iowa Great Lakes area as a few key leaders of the Loon Lake Cemetery subcommittee of the Jackson County (Minnesota) Historical Society discuss their project to restore and preserve the cemetery, educate the public of its value, and continue to research its history. All three leaders have different perspectives on what the experience means to them. On Sunday, October 27, these Subcommittee Leaders will speak to the Iowa Lakes UU Fellowship.

The Iowa Lakes UU Fellowship meets at the Arrowwood Resort and Conference Center in Okoboji. Coffee is served at 10:30 am and the service begins at 11:00. An optional buffet lunch (\$10) is offered after the program. For more information, visit the Fellowship Website at uukoboji.com. Visitors are always welcome.

Cookies & Cream Donuts

- 1 1/2 teaspoons white vinegar
- Milk
- 1 cup all purpose flour
- 1/4 cup unsweetened dark cocoa powder
- 1/2 teaspoon baking soda
- Pinch of salt
- 1/2 cup granulated sugar
- 1/4 cup unsweetened applesauce
- 1/4 teaspoons vegetable oil
- 1 teaspoon vanilla extract
- 12 chocolate cookies, crushed (such as Oreos)
- 1 can of vanilla frosting

Preheat oven to 350°F. Spray a 6-count donut pan with nonstick cooking spray. Pour the vinegar into a 1/2 cup measure. Add enough milk to come to the brim. Let sit until thick, 5-10 minutes. In a bowl, whisk the flour, cocoa powder, baking soda, and salt. In a large bowl, mix the sugar, applesauce, oil, and vanilla. Add the flour mixture and mix until smooth. Add the milk mixture and mix for 1 minute more. Add half of the crushed cookies. Scoop the batter into the prepared donut pan, filling 3/4 full. Bake 10 to 15 minutes. Let cool before frosting. Microwave uncovered frosting for 5-second intervals, until soft. Frost each donut and sprinkle the remaining cookies.
